Item 1.01 Entry into a Material Definitive Agreement.

On May 8, 2015, CIM Commercial Trust Corporation (the Company) entered into an unsecured Term Loan Agreement (the Term Loan Agreement) with Wells Fargo Bank, National Association, as Administrative Agent, Wells Fargo Securities, LLC and Capital One, National Association, as Joint Lead Arrangers and Joint Bookrunners, Capital One, National Association as Syndication Agent, PNC Bank, National Association as Documentation Agent and the lenders from time to time party thereto, relating to a \$385,000,000 unsecured term loan facility. All amounts borrowed under the Term Loan Agreement are guaranteed by certain wholly-owned subsidiaries of the Company.

The Term Loan Agreement matures on May 8, 2022 and ranks *pari passu* with the Company's existing \$850 million unsecured credit facility.

Borrowings under the Term Loan Agreement bear interest at the applicable margin plus the applicable base rate or LIBOR. The applicable margin, as of the closing date, is based on the Company's leverage ratio, calculated as a ratio of total consolidated indebtedness to total asset value. The interest rate applicable on the closing date for any borrowings is LIBOR plus 1.60%. The Company has six months to draw under the Term Loan Agreement. Proceeds from the Term Loan Agreement may be used for acquisitions, refinancing of existing indebtedness and other general corporate purposes. The Company is subject to certain financial maintenance covenants under the Term Loan Agreement, including (a) a maximum leverage ratio of 60%, as of any date, (b) a maximum secured leverage ratio of 40%, as of any date, (c) a maximum unencumbered leverage ratio of 60%, as of any date, (d) a maximum secured recourse leverage ratio of 10%, as of any date, (e) a minimum fixed charge coverage ratio of 1.50:1.00, as of the last day of any fiscal quarter and (f) a minimum unencumbered interest coverage ratio of 1.75:1.00, as of the last day of any fiscal quarter, as well as certain other customary covenants. The Term Loan Agreement also contains customary events of default provisions, including failure to pay indebtedness, breaches of covenants, cross default to the Company's \$850 million unsecured credit facility and bankruptcy or other insolvency events, which could result in the acceleration of all amounts and cancellation of all commitments outstanding under the Term Loan Agreement, as well as customary representations and warranties.

The foregoing description of the Term Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the Term Loan Agreement, which is attached as Exhibit 10.1 to this current report on Form 8-K and is incorporated herein by reference.

On May 8, 2015, the Company issued a press release announcing the entry into the Term Loan Agreement. A copy of this press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
