**Item 1.01 Entry into a Material Definitive Agreement**

On December 14, 2016, First Internet Bancorp (the Company) and First Internet Bank of Indiana (the Bank), an Indiana chartered bank and wholly owned subsidiary of the Company, entered into an underwriting agreement (the Underwriting Agreement) with Keefe, Bruyette & Woods, Inc., as representative of the underwriters named therein (collectively, the Underwriters), to issue and sell 945,000 newly issued shares of the Company's common stock (Common Stock), at an offering price of \$26.50 per share in an underwritten offering (the Offering). The Company estimates that the net proceeds from the Offering will be approximately \$23.4 million, after deducting underwriting discounts of \$1.325 per share and estimated offering expenses that are payable by the Company. The Offering is expected to close on or about December 20, 2016, subject to satisfaction of customary closing conditions.

The Underwriting Agreement contains representations and warranties and covenants that are customary for transactions of this type. The Company and the Bank have also agreed, jointly and severally, to indemnify the Underwriters against certain liabilities on, and subject to, customary terms and conditions. In addition, pursuant to the Underwriting Agreement, the directors and executive officers of the Company entered into agreements in substantially the form included in the Underwriting Agreement providing for a 45-day lock-up period with respect to sales of specified securities, subject to certain exceptions. The representations, warranties and covenants contained in the Underwriting Agreement are not representations of factual information to investors about the Company or its subsidiaries, and the sale of any shares of Common Stock pursuant to the Underwriting Agreement is not a representation that there has not been any change in the condition of the Company. A copy of the Underwriting Agreement is attached as Exhibit 1.1 to this Current Report on Form 8-K, and incorporated herein by reference. The description of the material terms of the Underwriting Agreement and the transaction contemplated thereby is qualified in its entirety by reference to such exhibit.

Shares of Common Stock sold in the Offering will be issued pursuant to a prospectus supplement (the Prospectus Supplement) to the prospectus (the Prospectus) filed with the Securities and Exchange Commission (the SEC) as part of the Company's Registration Statement on Form S-3 declared effective by the SEC on January 4, 2016 (File No. 333-208748) (the Registration Statement).

**Item 7.01 Regulation FD Disclosure**

On December 15, 2016, the Company issued a press release announcing the Offering. A copy of the press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.
