First Busey & Mid Illinois to Merge

March 13, 2017

Busey Associates:

Through strategic acquisition efforts, we continue to expand our organization through balanced, integrated growth strategies that generate value for each of our **4 Pillars** *customers, associates, communities and shareholders*. Over the past few years, we have evaluated numerous opportunities to grow and strengthen Busey through business combinations with like-minded organizations which complement our existing footprint and customer base. We remain focused on the cultural and strategic fit and financial attractiveness of these potential partnerships to ensure our collective success long term. **Today, we entered into a definitive agreement to acquire Mid Illinois Bancorp, Inc., the holding company for South Side Trust & Savings Bank of Peoria.**

First Busey and Mid Illinois have jointly agreed to merge the two holding companies together and, following that merger, to merge South Side Bank with and in to Busey Bank [click here](#) for the press release. Pending customary closing conditions and regulatory approvals, it is expected we merge the holding companies in the second half of 2017 and the banks would subsequently merge early 2018. Below you will find Mid Illinois' company profile, our collective footprint and the core rationale behind our partnership. You can also [click here](#) to learn more about South Side Bank.

About Mid Illinois:

Mid Illinois Bancorp, Inc., headquartered in Peoria, Illinois, is a bank holding company with one bank subsidiary, South Side Trust & Savings Bank of Peoria. Mid Illinois has thirteen branches located in the Peoria MSA, and the Bank also owns Mid Illinois Insurance Services, Inc. Mid Illinois' vision is to meet its customer's needs through the delivery of high quality, personalized service better than its competition.

This acquisition allows us to increase our market presence in the Peoria Metropolitan Statistical Area (MSA) through South Side's 13 well positioned locations. In addition, this strategic move offers many advantages for Busey's **Pillars**.

- Through this partnership, we expect to significantly expand our franchise in the greater Peoria area. One of Busey's strategic goals is to be among the top three in core deposit share in our markets. South Side Bank is a deposit leader in Peoria; as such, **partnering with South Side Bank moves us to #2 in market share in Peoria County, up from #8 in market share.**

- There are **significant opportunities to leverage South Side's uniquely attractive deposit franchise within Peoria as well as across the broader Busey footprint**. Additionally, **we increase Busey's trust and investment presence to over \$6B in assets under management as South Side adds approximately \$600 million to our wealth management business**.
- Downstate Illinois has always been important to Busey—it's part of our foundation and will continue to be a vital part of our business in the future, even as we expand into new metropolitan markets like St. Louis and Chicago. Peoria is the 4th largest MSA in Illinois and a market we know well through our existing footprint. South Side accelerates our penetration in this important market and we believe this business combination will solidify our position as the leading community bank in that market.

Busey Expands Market Presence in Peoria

- This partnership of strong, local community banks with Midwestern roots and values advances our shared longstanding commitments to supporting the communities we serve. Both **Busey and South Side Bank believe in a service-oriented, community banking model and share similar cultural values.**
- With our size and scope, Busey can offer the greater Peoria community access to expanded capabilities along with the flexible, local decision-making that keeps our organization competitive with even the largest financial institutions. South Side Bank customers will benefit from Busey's innovative products and services, decades of experience and expertise in commercial lending, cash management, mortgage, ag services and wealth management and market leadership throughout downstate Illinois. Together, we build upon our full service capabilities to assist clients across the Peoria MSA in reaching their financial goals.
- Like Busey, South Side Bank is deeply involved in its community and has built strong relationships throughout its nearly 100 year history. This partnership allows Busey to further increase our brand presence in the greater Peoria area through a proven organization in a market we know well.
- Our combined organization will be able to take advantage of economies of scale in navigating today's banking environment particularly the regulatory environment, while our similar cultures and focus on building long-term client relationships will contribute to shareholder value.

Combining our like-minded organizations allows us to significantly grow our market presence and build upon and strengthen our shared beliefs, community focus and commitment to service excellence across the Peoria MSA. Through strategic acquisitions such as this, we will continue to **out-small the bigs and out-big the smalls** competing with the Big Banks through shared resources and focusing on our priorities, while maintaining a community bank culture that makes us better than the rest.

What can you do to prepare? Much like our recent acquisitions, our project team will manage the bulk of the integration. We encourage you to continue to focus on what you do best serving each other and our customers:

- Remaining focused on sales and service opportunities;
- Improving processes and efficiencies, when possible, within departments; and
- Inspiring an engaged and positive culture through your interactions each and every day.

On behalf of Busey's leadership team, thank you for your continued efforts in helping us continue our positive momentum into 2017. Your commitment to Busey is what allows us to grow forward, together, and remain among the **best places to work** for many years to come. Sincerely,

Van A. Dukeman
