Supplemental Indenture

On February 14, 2018, Scientific Games International, Inc. (**SGI**), a wholly owned subsidiary of Scientific Games Corporation (the **Company**), issued \$900.0 million in aggregate principal amount of its 5.000% Senior Secured Notes due 2025 (the **New Notes**) in a private offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the **Securities Act**), and to non-U.S. persons under Regulation S under the Securities Act. The New Notes were issued pursuant to a Supplemental Indenture, dated as of February 14, 2018 (the **Supplemental Indenture**), to the Indenture, dated as of October 17, 2017 (the **Base Indenture** and, together with the Supplemental Indenture, the **Indenture**), among SGI, as issuer, the Company, the other guarantors party thereto and Deutsche Bank Trust Company Americas, as collateral agent and trustee.

The New Notes are treated as a single series of debt securities with SGI's previously issued \$350.0 million in aggregate principal amount of 5.000% Senior Secured Notes due 2025 (the **Existing Notes** and, together with the New Notes the **Dollar Notes**) for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. The New Notes have terms identical to the Existing Notes, other than issue date and offering price and have the same CUSIP and ISIN numbers as, and trade together with, the Existing Notes, except that the New Notes sold pursuant to Regulation S have been issued and maintained under a temporary CUSIP number during a 40-day distribution period commencing on February 14, 2018.

Secured Euro Indenture

On February 14, 2018, SGI issued \$325.0 million in aggregate principal amount of senior secured notes due 2026 (the **Secured Euro Notes**) at an issue price of 100.0% in a private offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act and to non-U.S. persons under Regulation S under the Securities Act. The Secured Euro Notes were issued pursuant to an indenture, dated as of February 14, 2018, among SGI, as issuer, the Company, the other guarantors party thereto, Deutsche Bank Trust Company Americas, as collateral agent (in such capacity, the **Collateral Agent**), trustee, registrar and transfer agent and Deutsche Bank AG, London Branch, as paying agent (the **Secured Euro Indenture**).

The Secured Euro Notes bear interest at the rate of 3.375% per annum, which accrues from February 14, 2018 and is payable semiannually in arrears on February 15 and August 15 of each year, beginning on August 15, 2018.

SGI may redeem some or all of the Secured Euro Notes at any time prior to February 15, 2021, at a redemption price equal to 100% of the principal amount of the Secured Euro Notes plus accrued and unpaid interest, if any, to the date of redemption plus a make whole premium. SGI may redeem some or all of the Secured Euro Notes at any time on or after February 15, 2021 at the prices specified in the Secured Euro Indenture. In addition, at any time on or prior to February 15, 2021, SGI may redeem up to 35% of the initially outstanding aggregate principal amount of the Secured Euro Notes at a redemption price of 103.375% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, with the net cash proceeds from one or more equity offerings of the Company. Additionally, if a holder of the Secured Euro Notes is required to be licensed, qualified or found suitable under any applicable gaming laws or regulations and that holder does not become so licensed or qualified or is not found to be suitable, then SGI will have the right to, subject to certain notice provisions set forth in the Secured Euro Indenture, (1) require that holder dispose of all or a portion of those Secured Euro Notes or (2) redeem the Secured Euro Notes of such holder at a redemption price calculated as set forth in the Secured Euro Indenture. If, as the result of any change in, or amendment to, the laws of the United States, SGI, the Company or any other guarantor becomes obligated to pay Additional Amounts (as defined in the Secured

Edgar Filing: SCIENTIFIC GAMES CORP - Form 8-K

Euro Indenture), then SGI will have the option to redeem the Secured Euro Notes at a redemption price equal to 100% of the principal amount of the Secured Euro Notes plus accrued and unpaid interest, if any, to the date of redemption. If the Company or SGI experiences specific kinds of changes in control or the Company or any of its restricted subsidiaries sells certain of its assets, then SGI must offer to repurchase the Secured Euro Notes on the terms set forth in the Secured Euro Indenture.

The Secured Euro Notes are senior secured obligations of SGI, equally and ratably secured with SGI's obligations under the Credit Agreement (as defined herein), the Dollar Notes and SGI's 7.000% senior secured notes due 2022 (the **2022 Secured Notes**). The Secured Euro Notes rank equally with SGI's existing and future senior secured debt and senior to SGI's existing and future senior subordinated debt. The Secured Euro Notes are guaranteed on a senior secured basis by the Company and each of its wholly-owned domestic restricted subsidiaries (other than SGI and certain immaterial subsidiaries), subject to customary exceptions.

The Secured Euro Indenture contains certain covenants that, among other things, limit the Company's ability, and the ability of certain of its subsidiaries, to incur additional indebtedness, pay dividends or make distributions or certain other restricted payments, purchase or redeem capital stock, make investments or extend credit, engage in certain transactions with affiliates, consummate certain assets sales, effect a consolidation or merger, or sell, transfer, lease or otherwise dispose of all or substantially all of its assets, or create certain liens and other encumbrances on its assets.

The Secured Euro Indenture contains events of default customary for agreements of its type (with customary grace periods, as applicable) and provides that, upon the occurrence of an event of default arising from certain events of bankruptcy or insolvency with respect to the Company or SGI, all outstanding Secured Euro Notes will become due and payable immediately without further action or notice. If any other type of event of default occurs and is continuing, then the trustee or the holders of at least 25% in principal amount of the then outstanding Secured Euro Notes may declare all of the Secured Euro Notes to be due and payable immediately.

Euro Collateral Agreement

In connection with the issuance of the Secured Euro Notes, SGI, the Company, the other guarantors party thereto and the Collateral Agent, entered into a collateral agreement, dated as of February 14, 2018 (the **Euro Collateral Agreement**), pursuant to which SGI, the Company and the other guarantors granted a security interest in the Collateral (as defined in the Euro Collateral Agreement) to the Collateral Agent.

Unsecured Euro Indenture

On February 14, 2018, SGI issued 250.0 million in aggregate principal amount of senior notes due 2026 (the **Unsecured Euro Notes**) at an issue price of 100.0% in a private offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act and to non-U.S. persons under Regulation S under the Securities Act. The Unsecured Euro Notes were issued pursuant to an indenture, dated as of February 14, 2018, among SGI, as issuer, the Company and the other guarantors party thereto, Deutsche Bank Trust Company Americas, as trustee, registrar and transfer agent and Deutsche Bank AG, London Branch, as paying agent (the **Unsecured Euro Indenture**).

The Unsecured Euro Notes bear interest at the rate of 5.500% per annum, which accrues from February 14, 2018 and is payable semiannually in arrears on February 15 and August 15 of each year, beginning on August 15, 2018.

SGI may redeem some or all of the Unsecured Euro Notes at any time prior to February 15, 2021, at a redemption price equal to 100% of the principal amount of the Unsecured Euro Notes plus accrued and unpaid interest, if any, to the date of redemption plus a make whole premium. SGI may redeem some or all of the Unsecured Euro Notes at any time on or after February 15, 2021 at the prices specified in the Unsecured Euro Indenture. In addition, at any time on or prior to February 15, 2021, SGI may redeem up to 35% of the initially outstanding aggregate principal amount of the Unsecured Euro Notes at a redemption price of 105.500% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, with the net cash proceeds from one or more equity offerings of the Company. Additionally, if a holder of the Unsecured Euro Notes is required to be licensed, qualified or found suitable under any applicable gaming laws or regulations and that holder does not become so licensed or qualified or is not found to be suitable, then SGI will have the right to, subject to certain notice provisions set forth in the Unsecured Euro Indenture, (1) require that holder dispose of all or a portion of those Unsecured Euro Notes or (2) redeem the Unsecured Euro Notes of such holder at a redemption price calculated as set forth in the Unsecured Euro Indenture. If, as the result of any change in, or amendment to, the laws of the United States, SGI, the Company or any other guarantor becomes obligated to pay Additional Amounts (as defined in the Unsecured Euro Indenture), then SGI will have the option to redeem the Unsecured Euro Notes at a redemption price equal to 100% of the principal amount of the Unsecured Euro Notes plus accrued and unpaid interest, if any, to the date of redemption. If the Company or SGI experiences specific kinds of changes in control or the Company or any of its restricted subsidiaries sells certain of its assets, then SGI must offer to repurchase the Unsecured Euro Notes on the terms set forth in the Unsecured Euro Indenture.

The Unsecured Euro Notes are senior unsecured obligations of SGI. The Unsecured Euro Notes rank effectively junior to SGI's existing and future secured indebtedness, including under the Credit Agreement, the Dollar Notes, the Secured Euro Notes and the 2022 Secured Notes. The Unsecured Euro Notes rank equally with SGI's existing and future senior debt and senior to SGI's existing and future senior subordinated debt.

Edgar Filing: SCIENTIFIC GAMES CORP - Form 8-K

The Unsecured Euro Notes are guaranteed on a senior secured basis by the Company and each of its wholly-owned domestic restricted subsidiaries (other than SGI and certain immaterial subsidiaries).

The Unsecured Euro Indenture contains certain covenants that, among other things, limit the Company's ability, and the ability of certain of its subsidiaries, to incur additional indebtedness, pay dividends or make distributions or certain other restricted payments, purchase or redeem capital stock, make investments or extend credit, engage in certain transactions with affiliates, consummate certain assets sales, effect a consolidation or merger, or sell, transfer, lease or otherwise dispose of all or substantially all of its assets, or create certain liens and other encumbrances on its assets.

The Unsecured Euro Indenture contains events of default customary for agreements of its type (with customary grace periods, as applicable) and provides that, upon the occurrence of an event of default arising from certain events of bankruptcy or insolvency with respect to the Company or SGI, all outstanding Unsecured Euro Notes will become due and payable immediately without further action or notice. If any other type of event of default occurs and is continuing, then the trustee or the holders of at least 25% in principal amount of the then outstanding Unsecured Euro Notes may declare all of the Unsecured Euro Notes to be due and payable immediately.

The net proceeds of borrowings under the New Term Loans will be used to supplement our redemption of the outstanding 2022 Secured Notes, to repay a portion of our outstanding borrowings under our revolving credit facility under our Credit Agreement and, in each case, to pay accrued and unpaid interest thereon plus any related premiums, fees and expenses.
