All awards of time-vested restricted stock vest in three substantially equal installments commencing on the first anniversary of the date of grant, subject to the terms of the 2016 Stock Plan and the form of award certificate. PRSUs are awards of the right to receive shares of common stock based upon the Company's achievement in respect of specified performance measures over a three year performance period, 2018-2020, as compared to the Company's budget and the companies comprising the KBW Regional Bank Index (the Index). PRSUs are awarded at target, meaning the number of shares which would vest if the Company met the target level of performance for each performance metric. The actual number of PRSUs vested will be determined by interpolating the Company's performance in respect of each metric on a straight-line basis between threshold, target and stretch/maximum award levels. The table below establishes the performance goals and payment ranges for the 2018-2020 performance period. A copy of the Company's 2018 Long Term Incentive Plan, under which the awards of time vested restricted stock and PRSUs were established, is included as Exhibit 10.1 to this report.
