## **Risk Factors**

Please see the Preliminary Offering Documents for a description of certain risks related to this investment, including, but not limited to, the following:

• Depending on the performance of the Market Measure as measured shortly before the maturity date, your investment may result in a loss; there is guaranteed return of principal.

## Edgar Filing: CANADIAN IMPERIAL BANK OF COMMERCE /CAN/ - Form FWP

- Your investment return is limited to the return represented by the Capped Value and may be less than a comparable investment directly in the Bas Components.
- Payments on the notes, including repayment of principal, are subject to the credit risk of CIBC, and actual or perceived changes in the creditworthin CIBC are expected to affect the value of the notes. If CIBC becomes insolvent or is unable to pay its obligations, you may lose your entire investment.
- Changes in the value of one of the Basket Components may be offset by changes in the value of the other Basket Components.
- The initial estimated value of the notes on the pricing date will be less than their public offering price.
- If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of notes on the pricing date.
- You will have no rights of a holder of the securities included in the Basket Components, and you will not be entitled to receive securities or dividend distributions by the issuers of those securities.
- Your return on the notes may be affected by factors affecting the international securities markets, specifically markets in the countries represented Basket Components. In addition, you will not obtain the benefit of any increase in the value of the currencies in which the securities in the Basket Components against the U.S. dollar which you would have received if you had owned the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in which the securities in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the Basket Components during the term of your notes, although the value of the currencies in the part of t

Final terms will be set on the pricing date within the given range for the specified Market-Linked Investment. Please see the Preliminary Offering Documents for complete product disclosure, including related risks and tax disclosure.
