**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

As previously disclosed in the Company's news releases and filings with the Securities and Exchange Commission (the **SEC**), the Company was not in compliance with certain requirements for maintaining its listing on The Nasdaq Capital Market, including Nasdaq's \$1 per share minimum bid price rule. The Company submitted a plan to regain compliance to the Nasdaq Hearings Panel and a request for an extension of time to remain listed on The Nasdaq Capital Market through September 25, 2018. On May 17, 2018, Nasdaq granted the Company's request subject to the satisfaction of a number of conditions. As of September 25, 2018, the Company had met all of these conditions with the exception of curing the \$1 minimum bid price deficiency. The failure to cure the minimum bid price deficiency by the deadline of September 25, 2018 caused Nasdaq to issue the final determination of delisting on September 25, 2018 and to suspend trading of the Company's common stock on The Nasdaq Capital Market effective at the open of business on September 27, 2018. Netlist remains a public company and will retain the ticker symbol NLST. The Company's shares of common stock will commence trading on the OTCQX® at the open of trading on September 27, 2018. Quotes and related Company information will be available at [www.otcm Markets.com](http://www.otcm Markets.com).

Netlist plans to continue to make all required Securities and Exchange Commission (SEC) filings, including those on Forms 10-K, 10-Q and 8-K, and will remain subject to all SEC rules and regulations applicable to reporting companies under the Exchange Act. The Company plans to maintain an independent Board of Directors with an independent Audit Committee and to provide annual financial statements audited by a Public Company Accounting Oversight Board (PCAOB) auditor and unaudited interim financial reports, prepared in accordance with U.S. generally accepted accounting principles (GAAP).

Nasdaq will complete the delisting by filing a Form 25 Notification of Delisting with the SEC after applicable appeal periods have lapsed.

Netlist intends to apply to relist on a major exchange in the future upon meeting the applicable new listing standards of that exchange.
