Item 7.01 Regulation FD Disclosure.

On August 15, 2005, PNM Resources, Inc. ("PNMR" or "the Company") completed arrangements to expand the size and extend the maturity through August 15, 2010, of its current revolving credit facility ("PNMR Credit Facility"), from \$400 million to \$600 million. Under the PNMR Credit Facility, the borrowing availability of First Choice Power, L.P., an indirect, wholly-owned subsidiary of PNMR, will be increased by \$200 million to \$300 million to support that company's future business activities. The PNMR Credit facility was arranged with a group of 19 lenders led by Bank of America and Wachovia Bank.

The agents and lender parties perform normal banking and investment banking and advisory services for the Company from time to time for which they have received customary fees and expenses.

A copy of the amended PNMR Credit Facility will be filed as an exhibit to the Company's future Securities and Exchange Commission filings as required.

Item 8.01 Other Events.

On August 16, 2004, PNMR had announced that Cascade Investment, L.L.C. ("Cascade") had agreed to invest \$100 million in equity-linked securities to be issued by PNMR. The transaction was described in a Current Report on Form 8-K filed by PNMR on August 16, 2004 with the Securities and Exchange Commission. The Unit Purchase Agreement dated as of August 13, 2004, and related exhibits were filed as exhibits to Current Report on Form 8-K dated August 18, 2004. PNMR and Cascade had previously amended the Unit Purchase Agreement twice, the more recent being to include a provision that the closing for the Unit Purchase Agreement would not occur later than August 14, 2005. A copy of the first amendment to the Unit Purchase Agreement was filed as an exhibit to Current Report on Form 8-K dated June 10, 2005, and a copy of the second amendment was filed as an exhibit to Current Report on Form 8-K dated July 8, 2005.

On August 12, 2005 PNMR and Cascade further amended the Unit Purchase Agreement to include a provision that the closing for the Unit Purchase Agreement shall occur no later than September 30, 2005. A copy of this amendment to the Unit Purchase Agreement will be filed as an exhibit to the Company's future Securities and Exchange Commission ("SEC") filings as required.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Statements made in this report and other documents the Company files with the SEC that relate to future events or the Company's expectations, projections, estimates, intentions, goals, targets and strategies are made pursuant to the Private Securities Litigation Reform Act of 1995. You are cautioned that all forward-looking statements are based upon current expectations and estimates and the Company assumes no obligation to update this information. Because actual results may differ materially from those expressed or implied by the forward-looking statements, the Company cautions you not to place undue reliance on these statements. Many factors could cause actual results to differ, and will affect the Company's future financial condition, cash flow and operating results. These factors include the availability of cash from TNP Enterprises, Inc. and its subsidiaries, the risks that the businesses will not be integrated successfully, the risk that the benefits of the acquisition will not be fully realized or will take longer to realize than expected, disruption from the acquisition making it more difficult to maintain relationships with customers, employees, suppliers or other third parties, conditions

in the financial markets relevant to the acquisition, the outcome of any appeals of the Public Utility Commission of Texas order in the stranded cost true-up proceeding or the acquisition proceeding, the ability of First Choice Power to attract and retain customers, changes in Electric Reliability Council of Texas protocols, changes in the cost of power acquired by First Choice Power, collections experience, insurance coverage available for claims made in litigation, interest rates, weather, water supply, fuel costs, availability of fuel supplies, risk management and commodity risk transactions, seasonality and other changes in supply and demand in the market for electric power, wholesale power prices, market liquidity, the competitive environment in the electric and natural gas industries, the performance of generating units and transmission system, the ability of the Company to secure long-term power sales, the risks associated with completion of the construction of Luna Energy Facility, including construction delays and unanticipated cost overruns, state and federal regulatory and legislative decisions and actions, the outcome of legal proceedings, changes in applicable accounting principles and the performance of state, regional and national economies. For a detailed discussion of the important factors that affect the Company and that could cause actual results to differ from those expressed or implied by the Company's forward-looking statements, please see "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's current and future Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q and the Company's current and future Current Reports on Form 8-K, filed with the SEC.
