(1) On May 13 TDS authorized a special common dividend to holders of common shares in which one special common share was distributed for each common share. The stock dividend was distributed to all shareholders making this acquisition exempt from Section 16 pursuant to Rule 16a-9(a).

(2) Common shares were granted without consideration under the long term incentive plan. As a result of the special common stock dividend, all options to purchase common shares as of May 13 under the long term incentive plan, whether vested or unvested, were adjusted into tandem options. The tandem option provides that upon exercise, the optionee purchases the number of common shares originally subject to the option plus an equal number of special common.

(3) Common shares were granted without consideration under the long term incentive plan. The option became exercisable with respect to 12,000 common shares on 12/15/98, 12/15/99 and 12/15/00 for a total of 36,000. As a result of the special common stock dividend, all options to purchase common shares as of May 13 under the long term incentive plan, whether vested or unvested, were adjusted into tandem options.
