**The Company**

We are a fully integrated, self-administered and self-managed real estate investment trust ( REIT ) that acquires, develops, owns and operates self-storage facilities which offer self-storage spaces for lease for personal and business use. We are the largest global owner and operator of self-storage facilities with equity interests (through direct ownership, as well as joint venture and general and limited partnership interests), as of March 31, 2011, in 2,052 storage facilities located in 38 states in the United States and 189 storage facilities located in seven countries in Europe operated under the Shurgard brand. We also have a significant ownership in PS Business Parks, Inc., a REIT that, as of March 31, 2011, had an equity interest in 23.5 million net rentable square feet of commercial space, primarily flex, multi-tenant office and industrial space, located in eight states.

**Recent Developments**

*Acquisitions*

Since March 31, 2011, we have acquired a total of three self-storage facilities, located in New York, California and Florida, for an aggregate purchase price of approximately \$40.5 million.

*Other Developments*

During the second quarter of 2011, we redeemed all of our outstanding 7.25% Cumulative Preferred Shares, Series I, for a total redemption amount of \$517.5 million plus accrued and unpaid dividends.

In addition, on March 2, 2011, Shurgard Europe, a Public Storage European joint venture, paid \$237.9 million to acquire the 80% interests it did not already own in two joint ventures that own a total of 72 self-storage facilities (3.6 million square feet of storage space) in all seven countries in which Shurgard Europe operates. Public Storage provided the initial funding for the acquisition. On June 15, 2011 our joint venture partner in Shurgard Europe contributed its share, approximately \$121 million, to fund its portion of the acquisition, and a corresponding amount was distributed to Public Storage.

On June 30, 2011, we entered into a merger agreement to acquire the remaining limited and general partnership units we do not already own in five limited partnerships, the results of operations of each of which are already included in our consolidated financial results, that own and operate a total of 47 self-storage properties (2.7 million square feet of storage space). Total consideration for the acquisitions will be approximately \$154 million and will be paid in cash or, if limited partners elect, in our common shares. B. Wayne Hughes, the chairman of our board of trustees, and certain related parties, own a significant interest in each of these five limited partnerships as well as 16.7% of our common shares. Our board of trustees appointed a special committee of independent trustees to review the terms of the acquisitions. The special committee unanimously determined that the transactions were advisable and fair to and in the respective best interests of Public Storage and its shareholders not affiliated with the Hughes family. The acquisitions are expected to close during the third quarter, subject to satisfaction of all conditions to closing.

On June 30, 2011, we also purchased from B. Wayne Hughes and certain related parties, for approximately \$13 million in cash, limited and general partnership units in several privately-held limited partnerships that own and operate self-storage facilities. The results of operations of these partnerships were already consolidated with our results of operations. The special committee of our board of trustees also reviewed the terms of these purchases and unanimously determined that the purchases were fair to and in the respective best interests of Public Storage and its shareholders not affiliated with the Hughes family.

**Use Of Proceeds**

## Edgar Filing: Public Storage - Form 424B5

We estimate net proceeds from this offering of approximately \$       million, after all anticipated issuance costs. We expect to use the net proceeds to make investments in self-storage facilities and in entities that own self-storage facilities, to redeem preferred securities and for other general corporate purposes.

Pending application of the net proceeds as described above, we expect to deposit the net proceeds of this offering in interest bearing accounts or invest them in certificates of deposit, United States government obligations or other short-term, high-quality debt instruments selected at our discretion.

**RISK FACTORS**

*Before investing in the Depositary Shares, you should carefully consider the risks described below and in the documents incorporated by reference in this prospectus supplement and the accompanying prospectus, including (i) those described under the caption "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 and (ii) documents we file with the Securities and Exchange Commission after the date of this prospectus supplement and which are deemed incorporated by reference in this prospectus supplement.*

**The Depositary Shares offered by this prospectus supplement are a new issue and do not have an established trading market, which may negatively affect their market value and your ability to transfer or sell your Depositary Shares.**

Because the Depositary Shares do not have a stated maturity date, investors seeking liquidity will be limited to selling their Depositary Shares in the secondary market. We will apply to list the Depositary Shares on the NYSE, but we cannot assure you that the Depositary Shares will be approved for listing. If approved, trading is not expected to begin until 30 days after the initial delivery of the Depositary Shares. In addition, an active trading market on the NYSE for the Depositary Shares may not develop or, even if it develops, may not last, in which case the trading price of the Depositary Shares could be adversely affected. We have been advised by the underwriters that they intend to make a market in the Depositary Shares, but they are not obligated to do so and may discontinue market-making at any time without notice.

**DESCRIPTION OF PREFERRED SHARES AND DEPOSITARY SHARES**

**General**

Under our Articles of Amendment and Restatement of Declaration of Trust, the Board of Trustees is authorized without further shareholder action to provide for the issuance of up to 100,000,000 preferred shares of beneficial interest, par value \$0.01 per share, in one or more series, with such voting powers, full or limited, and with such designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, as shall be set forth in resolutions providing for the issue of preferred shares adopted by the Board of Trustees. At June 30, 2011, we had outstanding 480,690 preferred shares.

The Board of Trustees has adopted resolutions classifying the % Cumulative Preferred Shares, Series R (the Preferred Shares ). When issued, the Preferred Shares will have a liquidation value of \$25,000 per share, will be fully paid and nonassessable, will not be subject to any sinking fund or other obligation of the Company to repurchase or retire the Preferred Shares, and will have no preemptive rights.

Computershare Trust Company, N. A. will be the transfer agent and distribution disbursing agent for the Preferred Shares. Its offices are located at 250 Royall Street, Canton, Massachusetts 02105-1865.

Each depositary share represents 1/1,000 of a Preferred Share (the Depositary Shares ). The Preferred Shares will be deposited with Computershare Trust Company, N. A., as Depositary (the Preferred Shares Depositary ), under a Deposit Agreement among the Company, the Preferred Shares Depositary and the holders from time to time of the depositary receipts (the Depositary Receipts ) issued by the Preferred Shares Depositary under the Deposit Agreement. The Depositary Receipts will evidence the Depositary Shares. Subject to the terms of the Deposit Agreement, each holder of a Depositary Receipt evidencing a Depositary Share will be entitled, proportionately, to all the rights and preferences of, and subject to all of the limitations of, the interest in the Preferred Shares represented by the Depositary Share (including distribution, voting, redemption and liquidation rights and preferences). See Description of the Depositary Shares in the accompanying prospectus and Depositary Shares below.

Immediately following our issuance of the Preferred Shares, we will deposit the Preferred Shares with the Preferred Shares Depositary, which will then issue and deliver the Depositary Receipts to us. We will, in turn, deliver the Depositary Receipts to the underwriters. Depositary Receipts will be issued evidencing only whole Depositary Shares.

We intend to apply to have the Depositary Shares listed on the NYSE. The Preferred Shares will not be listed and we do not expect that there will be any trading market for the Preferred Shares except as represented by the Depositary Shares.

**Ownership Restrictions**

For a discussion of ownership limitations that apply to the Preferred Shares and related Depositary Shares, see Ownership Limitations in the accompanying prospectus.

**Preferred Shares of Beneficial Interest**

The following is a brief description of the terms of the Preferred Shares which does not purport to be complete and is subject to and qualified in its entirety by reference to the articles supplementary classifying the Preferred Shares, the form of which will be incorporated by reference into the Registration Statement of which this prospectus supplement constitutes a part.

### ***Ranking***

With respect to the payment of distributions and amounts upon liquidation, the Preferred Shares will rank *pari passu* with our 6.500% Cumulative Preferred Shares, Series W, 6.450% Cumulative Preferred Shares, Series X, 6.250% Cumulative Preferred Shares, Series Z, 6.125% Cumulative Preferred Shares, Series A, 6.60% Cumulative Preferred Shares, Series C, 6.18% Cumulative Preferred Shares, Series D, 6.75% Cumulative Preferred Shares, Series E, 6.45% Cumulative Preferred Shares, Series F, 7.00% Cumulative Preferred Shares, Series G, 6.95% Cumulative Preferred Shares, Series H, 7.25% Cumulative Preferred Shares, Series K, 6.75% Cumulative Preferred Shares, Series L, 6.625% Cumulative Preferred Shares, Series M, 7.00% Cumulative Preferred Shares, Series N, 6.875% Cumulative Preferred Shares, Series O, 6.5% Cumulative Preferred Shares, Series P, 6.5% Cumulative Preferred Shares, Series Q, (collectively, together with the Preferred Shares, the Senior Preferred Shares ) and any other preferred shares issued by us, whether now or hereafter issued, ranking *pari passu* with the Senior Preferred Shares, and will rank senior to the Common Shares and any other shares of beneficial interest of the Company ranking junior to the Preferred Shares.

### ***Distributions***

Holders of Preferred Shares, in preference to the holders of Common Shares, and of any other shares of beneficial interest issued by us ranking junior to the Preferred Shares as to payment of distributions, will be entitled to receive, when and as declared by the Board of Trustees out of assets of the Company legally available for payment, cash distributions payable quarterly at the rate of % of the liquidation preference per year (\$ per year per share, equivalent to \$ per year per Depositary Share). Distributions on the Preferred Shares will be cumulative from the date of issue and will be payable quarterly on or before March 31, June 30, September 30 and December 31, commencing September 30, 2011, to holders of record as they appear on the shares register of the Company on such record dates, not less than 15 or more than 45 days preceding the payment dates thereof, as shall be fixed by the Board of Trustees. If the last day of a quarter falls on a non-business day, we may pay distributions for that quarter on the first business day following the end of the quarter. After full distributions on the Preferred Shares have been paid or declared and funds set aside for payment for all past distribution periods and for the then current quarter, the holders of Preferred Shares will not be entitled to any further distributions with respect to that quarter.

When distributions are not paid in full upon the Preferred Shares and any other preferred shares of the Company ranking on a parity as to distributions with the Preferred Shares (including the other series of Senior Preferred Shares), all distributions declared upon the Preferred Shares and any other preferred shares of the Company ranking on a parity as to distributions with the Preferred Shares shall be declared *pro rata* so that the amount of distributions declared per share on such Preferred Shares and such other shares shall in all cases bear to each other the same ratio that the accrued distributions per share on the Preferred Shares and such other preferred shares bear to each other. Except as set forth in the preceding sentence, unless full distributions on the Preferred Shares have been paid for all past distribution periods, no distributions (other than in Common Shares or other shares of beneficial interest issued by us ranking junior to the Preferred Shares as to distributions and upon liquidation) shall be declared or paid or set aside for payment, nor shall any other distribution be made on the Common Shares or on any other shares of beneficial interest issued by us ranking junior to or on a parity with the Preferred Shares as to distributions or upon liquidation.

Unless full distributions on the Preferred Shares have been paid for all past distribution periods, we and our subsidiaries may not redeem, repurchase or otherwise acquire for any consideration (nor may we or they pay or make available any moneys for a sinking fund for the redemption of) any Common Shares or any other shares of beneficial interest issued by us ranking junior to or on a parity with the Preferred Shares as to distributions or upon liquidation except by conversion into or exchange for shares of beneficial interest issued by us ranking junior to the Preferred Shares as to distributions and upon liquidation.

## **Table of Contents**

If for any taxable year, we elect to designate as capital gain dividends (as defined in the Code) any portion of the distributions paid or made available for the year to the holders of all classes and series of our shares of beneficial interest (to the extent treated as a dividend for U.S. federal income tax purposes), then the portion of such distributions designated as capital gain dividends that will be allocable to the holders of Preferred Shares will be an amount equal to the total capital gain dividends multiplied by a fraction, the numerator of which will be the total dividends paid or made available to the holders of Preferred Shares for the year, and the denominator of which will be the total dividends paid or made available to holders of all classes and series of our outstanding shares of beneficial interest for that year.

Distributions that are treated as dividends for U.S. federal income tax purposes paid by regular C corporations to persons or entities that are taxed as individuals now are generally taxed at the rate applicable to long-term capital gains, which is a maximum of 15% (under current law, through 2012), subject to certain limitations. Because we are a REIT, however, our dividends, including dividends paid on the Preferred Shares, generally will continue to be taxed at regular ordinary income tax rates, except to the extent that the special rules relating to qualified distribution income or capital gains dividends paid by a REIT apply. See Additional Material U.S. Federal Income Tax Considerations.

### ***Conversion Rights***

The Preferred Shares will not be convertible into shares of any other class or series of beneficial interest of the Company.

### ***Liquidation Rights***

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to receive out of our assets available for distribution to shareholders, before any distribution of assets is made to holders of Common Shares or of any other shares of beneficial interest issued by us ranking as to such distribution junior to the Preferred Shares, liquidating distributions in the amount of \$25,000 per share (equivalent to \$25.00 per Depositary Share), plus all accrued and unpaid distributions (whether or not earned or declared) for the then current, and all prior, distribution periods. If upon any voluntary or involuntary liquidation, dissolution or winding up of the Company, the amounts payable with respect to the Preferred Shares and any other shares issued by us ranking as to any such distribution on a parity with the Preferred Shares (including other series of Senior Preferred Shares) are not paid in full, the holders of the Preferred Shares and of such other shares will share ratably in any such distribution of assets of the Company in proportion to the full respective preferential amounts to which they are entitled. After payment of the full amount of the liquidating distribution to which they are entitled, the holders of the Preferred Shares will not be entitled to any further participation in any distribution of assets by us.

For purposes of liquidation rights, a consolidation or merger of the Company with or into any other corporation or corporations or a sale of all or substantially all of the assets of the Company is not a liquidation, dissolution or winding up of the Company.

### ***Redemption***

Except in certain circumstances relating to our qualification as a REIT, we may not redeem the Preferred Shares prior to July 1, 2016. On and after July 1, 2016, at any time or from time to time, we may redeem the Preferred Shares in whole or in part at our option at a cash redemption price of \$25,000 per Preferred Share (equivalent to \$25.00 per Depositary Share), plus all accrued and unpaid distributions to the date of redemption. If fewer than all the outstanding Preferred Shares are to be redeemed, the shares to be redeemed will be determined by the Board of Trustees of the Company, and such shares shall be redeemed pro rata from the holders of record of such shares in proportion to the number of

## Edgar Filing: Public Storage - Form 424B5

such shares held by such holders (with adjustments to avoid redemption of fractional shares) or by lot in a manner determined by the Board of Trustees of the Company.

S-7

## **Table of Contents**

Notwithstanding the foregoing, if any distributions, including any accumulation, on the Preferred Shares are in arrears, we may not redeem any Preferred Shares unless we redeem simultaneously all outstanding Preferred Shares, and we may not purchase or otherwise acquire, directly or indirectly, any Preferred Shares; provided, however, that this shall not prevent the purchase or acquisition of the Preferred Shares pursuant to a purchase or exchange offer if such offer is made on the same terms to all holders of the Preferred Shares.

Notice of redemption of the Preferred Shares will be given by publication in a newspaper of general circulation in the County of Los Angeles and the City of New York, such publication to be made once a week for two successive weeks commencing not less than 30 nor more than 60 days prior to the redemption date. A similar notice will be mailed by us, postage prepaid, not less than 30 or more than 60 days prior to the redemption date, addressed to the respective holders of record of Preferred Shares to be redeemed at their respective addresses as they appear on the stock transfer records of the Company. Each notice shall state: (1) the redemption date; (2) the number of Preferred Shares to be redeemed; (3) the redemption price per Preferred Share; (4) the place or places where certificates for the Preferred Shares are to be surrendered for payment of the redemption price; and (5) that distributions on the Preferred Shares to be redeemed will cease to accrue on such redemption date. If fewer than all the Preferred Shares held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of Preferred Shares to be redeemed from such holder. In order to facilitate the redemption of Preferred Shares, the Board of Trustees may fix a record date for the determination of Preferred Shares to be redeemed, such record date to be not less than 30 nor more than 60 days prior to the date fixed for such redemption.

Notice having been given as provided above, from and after the date specified therein as the date of redemption, unless we default in providing funds for the payment of the redemption price on such date, all distributions on the Preferred Shares called for redemption will cease. From and after the redemption date, unless we so default, all rights of the holders of the Preferred Shares as shareholders of the Company, except the right to receive the redemption price (but without interest), will cease. Upon surrender in accordance with such notice of the certificates representing any such shares (properly endorsed or assigned for transfer, if the Board of Trustees of the Company shall so require and the notice shall so state), the redemption price set forth above shall be paid out of the funds provided by the Company. If fewer than all the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without cost to the holder thereof.

Subject to applicable law and the limitation on purchases when distributions on the Preferred Shares are in arrears, we may, at any time and from time to time, purchase any Preferred Shares in the open market, by tender or by private agreement.

## ***Voting Rights***

Except as indicated below, or except as expressly required by applicable law, holders of the Preferred Shares will not be entitled to vote.

If six quarterly distributions payable on the Preferred Shares or any other series of preferred shares are in default (whether or not declared or consecutive), the holders of the Preferred Shares (voting as a class with all other series of Senior Preferred Shares) will be entitled to elect two additional trustees until all distributions in default have been paid or declared and set apart for payment.

Such right to vote separately to elect trustees shall, when vested, be subject, always, to the same provisions for vesting of such right to elect trustees separately in the case of future distribution defaults. At any time when such right to elect trustees separately shall have so vested, we may, and upon the written request of the holders of record of not less than 10% of the total number of preferred shares of the Company then outstanding shall, call a special meeting of shareholders for the election of trustees. In the case of such a written request, such special meeting shall be held within 90 days after the delivery of such request and, in either case, at the place and upon the notice provided by law and in our Bylaws, provided that we shall not be required to call such a special

meeting if such request is received less than 120 days before the date fixed for the next ensuing annual meeting of shareholders, and the holders of all classes of outstanding preferred shares are offered the opportunity to elect such trustees (or fill any vacancy) at such annual meeting of shareholders. Trustees so elected shall serve until the next annual meeting of our shareholders or until their respective successors are elected and qualified. If, prior to the end of the term of any trustee so elected, a vacancy in the office of such trustee shall occur, during the continuance of a default in distributions on preferred shares of the Company, by reason of death, resignation, or disability, such vacancy shall be filled for the unexpired term of such former trustee by the appointment of a new trustee by the remaining trustee or trustees so elected.

The affirmative vote or consent of the holders of at least 66<sup>2</sup>/<sub>3</sub>% of the outstanding Preferred Shares and any other series of preferred shares ranking on a parity with the Preferred Shares as to distributions or upon liquidation (which includes the other series of Senior Preferred Shares), voting as a single class, will be required to authorize another class of shares senior to the Preferred Shares with respect to the payment of distributions or the distribution of assets on liquidation. The affirmative vote or consent of the holders of at least 66<sup>2</sup>/<sub>3</sub>% of the outstanding Preferred Shares will be required to amend or repeal any provision of, or add any provision to, the Declaration of Trust, including articles supplementary if such action would materially and adversely alter or change the rights, preferences or privileges of the Preferred Shares.

No consent or approval of the holders of the Preferred Shares will be required for the issuance from the Company's authorized but unissued preferred shares or other shares of any series of preferred shares ranking on a parity with or junior to the Preferred Shares as to payment of distributions and distribution of assets, including other Preferred Shares.

## **Depositary Shares**

The following is a brief description of the terms of the Depositary Shares which does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the Deposit Agreement (including the form of Depositary Receipt contained therein), which is incorporated by reference in the Registration Statement of which this prospectus supplement constitutes a part.

## ***Distributions***

The Preferred Shares Depositary will distribute all cash distributions or other cash distributions received in respect of the Preferred Shares to the record holders of Depositary Receipts in proportion to the number of Depositary Shares owned by such holders on the relevant record date, which will be the same date as the record date fixed by us for the Preferred Shares. In the event that the calculation of such amount to be paid results in an amount which is a fraction of one cent, the amount the Preferred Shares Depositary shall distribute to such record holder shall be rounded to the next highest whole cent.

In the event of a distribution other than in cash, the Preferred Shares Depositary will distribute property received by it to the record holders of Depositary Receipts entitled thereto, in proportion, as nearly as may be practicable, to the number of Depositary Shares owned by such holders on the relevant record date, unless the Preferred Shares Depositary determines (after consultation with us) that it is not feasible to make such distribution, in which case the Preferred Shares Depositary may (with our approval) adopt any other method for such distribution as it deems equitable and appropriate, including the sale of such property (at such place or places and upon such terms as it may deem equitable and appropriate) and distribution of the net proceeds from such sale to such holders.

## ***Liquidation Preference***

## Edgar Filing: Public Storage - Form 424B5

In the event of the liquidation, dissolution or winding up of the affairs of the Company, whether voluntary or involuntary, the holders of each Depositary Share will be entitled to 1/1000th of the liquidation preference accorded each Preferred Share.

### ***Redemption***

Whenever we redeem any Preferred Shares held by the Preferred Shares Depositary, the Preferred Shares Depositary will redeem as of the same redemption date the number of Depositary Shares representing the Preferred Shares so redeemed. The Preferred Shares Depositary will publish a notice of redemption of the Depositary Shares containing the same type of information and in the same manner as our notice of redemption and will mail the notice of redemption promptly upon receipt of such notice from us and not less than 30 nor more than 60 days prior to the date fixed for redemption of the Preferred Shares and the Depositary Shares to the record holders of the Depositary Receipts. In case less than all the outstanding Depositary Shares are to be redeemed, the Depositary Shares to be so redeemed shall be determined pro rata or by lot in a manner determined by the Board of Trustees.

### ***Voting***

Promptly upon receipt of notice of any meeting at which the holders of the Preferred Shares are entitled to vote, the Preferred Shares Depositary will mail the information contained in such notice of meeting to the record holders of the Depositary Receipts as of the record date for such meeting. Each such record holder of Depositary Receipts will be entitled to instruct the Preferred Shares Depositary as to the exercise of the voting rights pertaining to the number of Preferred Shares represented by such record holder's Depositary Shares. The Preferred Shares Depositary will endeavor, insofar as practicable, to vote such Preferred Shares represented by such Depositary Shares in accordance with such instructions, and we will agree to take all action which may be deemed necessary by the Preferred Shares Depositary in order to enable the Preferred Shares Depositary to do so. The Preferred Shares Depositary will abstain from voting any of the Preferred Shares to the extent that it does not receive specific instructions from the holders of Depositary Receipts.

### ***Withdrawal of Preferred Shares***

Upon surrender of Depositary Receipts at the principal office of the Preferred Shares Depositary, upon payment of any unpaid amount due the Preferred Shares Depositary, and subject to the terms of the Deposit Agreement, the owner of the Depositary Shares evidenced thereby is entitled to delivery of the number of whole Preferred Shares and all money and other property, if any, represented by such Depositary Shares. Partial Preferred Shares will not be issued. If the Depositary Receipts delivered by the holder evidence a number of Depositary Shares in excess of the number of Depositary Shares representing the number of whole Preferred Shares to be withdrawn, the Preferred Shares Depositary will deliver to such holder at the same time a new Depositary Receipt evidencing such excess number of Depositary Shares. Holders of Preferred Shares thus withdrawn will not thereafter be entitled to deposit such shares under the Deposit Agreement or to receive Depositary Receipts evidencing Depositary Shares therefor.

### ***Amendment and Termination of Deposit Agreement***

The form of Depositary Receipt evidencing the Depositary Shares and any provision of the Deposit Agreement may at any time and from time to time be amended by agreement between us and the Preferred Shares Depositary. However, any amendment which materially and adversely alters the rights of the holders (other than any change in fees) of Depositary Shares will not be effective unless such amendment has been approved by the holders of at least a majority of the Depositary Shares then outstanding. No such amendment may impair the right, subject to the terms of the Deposit Agreement, of any owner of any Depositary Shares to surrender the Depositary Receipt evidencing such Depositary Shares with instructions to the Preferred Shares Depositary to deliver to the holder the Preferred Shares and all money and other property, if any, represented thereby, except in order to comply with mandatory provisions of applicable law. The Deposit Agreement may be terminated by us or the Preferred Shares Depositary only if (i) all outstanding Depositary Shares have been redeemed or (ii) there has been a final distribution in

respect of the Preferred Shares in connection with any dissolution of the Company and such distribution has been made to all the holders of Depositary Shares.

### ***Charges of Preferred Shares Depositary***

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the Preferred Shares Depositary in connection with the initial deposit of the Preferred Shares and the initial issuance of the Depositary Shares, and redemption of the Preferred Shares and all withdrawals of Preferred Shares by owners of Depositary Shares. Holders of Depositary Receipts will pay transfer, income and other taxes and governmental charges and certain other charges as are provided in the Deposit Agreement to be for their accounts. In certain circumstances, the Preferred Shares Depositary may refuse to transfer Depositary Shares, may withhold distributions and distributions and sell the Depositary Shares evidenced by such Depositary Receipt if such charges are not paid.

### ***Miscellaneous***

The Preferred Shares Depositary will forward to the holders of Depositary Receipts all reports and communications from us which are delivered to the Preferred Shares Depositary and which we are required to furnish to the holders of the Preferred Shares. In addition, the Preferred Shares Depositary will make available for inspection by holders of Depositary Receipts at the principal office of the Preferred Shares Depositary, and at such other places as it may from time to time deem advisable, any reports and communications received from the Company which are received by the Preferred Shares Depositary as the holder of Preferred Shares.

Neither the Preferred Shares Depositary nor any Depositary's Agent (as defined in the Deposit Agreement), nor the Registrar (as defined in the Deposit Agreement) nor the Company assumes any obligation or will be subject to any liability under the Deposit Agreement to holders of Depositary Receipts other than for its gross negligence, willful misconduct or bad faith. Neither the Preferred Shares Depositary, any Depositary's Agent, the Registrar nor the Company will be liable if it is prevented or delayed by law or any circumstance beyond its control in performing its obligations under the Deposit Agreement. The Company and the Preferred Shares Depositary are not obligated to prosecute or defend any legal proceeding in respect of any Depositary Shares, Depositary Receipts or Preferred Shares unless reasonably satisfactory indemnity is furnished. The Company and the Preferred Shares Depositary may rely on written advice of counsel or accountants, on information provided by holders of Depositary Receipts or other persons believed in good faith to be competent to give such information and on documents believed to be genuine and to have been signed or presented by the proper party or parties.

### ***Resignation and Removal of Preferred Shares Depositary***

The Preferred Shares Depositary may resign at any time by delivering to us notice of its election to do so, and we may at any time remove the Preferred Shares Depositary, any such resignation or removal to take effect upon the appointment of a successor Preferred Shares Depositary and its acceptance of such appointment. Such successor Preferred Shares Depositary must be appointed within 60 days after delivery of the notice for resignation or removal and must be a bank or trust company having its principal office in the United States of America and having a combined capital and surplus of at least \$150,000,000.

**ADDITIONAL MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS**

For a discussion of the taxation of the Company and the tax considerations relevant to shareholders generally, see *Material U.S. Federal Income Tax Considerations* in the accompanying prospectus. The following is a summary of certain additional U.S. federal income tax considerations pertaining to the acquisition, ownership and disposition of the Depositary Shares and should be read in conjunction with the referenced sections in the accompanying prospectus. This discussion of additional considerations is general in nature and is not exhaustive of all possible U.S. federal income tax considerations, nor does the discussion address any state, local or foreign tax considerations. This discussion of additional considerations is based on current law and does not purport to deal with all aspects of U.S. federal income taxation that may be relevant to a prospective shareholder in light of its particular circumstances or to certain types of shareholders (including insurance companies, financial institutions, broker-dealers, tax exempt investors, foreign corporations and persons who are not citizens or residents of the United States) subject to special treatment under U.S. federal income tax law. We have not requested and will not request a ruling from the Internal Revenue Service (the *Service*) with respect to any of the U.S. federal income tax issues discussed below or in the accompanying prospectus. Prospective investors should consult, and must depend on, their own tax advisors regarding the U.S. federal, state, local, foreign and other tax consequences of holding and disposing of the Depositary Shares.

**Taxation of Holders of Depositary Shares**

*General.* Owners of the Depositary Shares will be treated for U.S. federal income tax purposes as if they were owners of the Preferred Shares represented by such Depositary Shares. Accordingly, such owners will take into account, for U.S. federal income tax purposes, income to which they would be entitled if they were holders of such Preferred Shares. See *Material U.S. Federal Income Tax Considerations* in the accompanying prospectus. Withdrawals of Preferred Shares for Depositary Shares are not taxable events for U.S. federal income tax purposes.

*Distributions; Withholding.* For a discussion of the taxation of the Company, the treatment of distributions with respect to shares of the Company, and the withholding rules, see *Material U.S. Federal Income Tax Considerations Taxation of Public Storage as a REIT, Taxation of U.S. Shareholders, U.S. Taxation of Non-U.S. Shareholders and Information Reporting and Backup Withholding Tax Applicable to Shareholders* in the accompanying prospectus. In determining the extent to which a distribution on the Depositary Shares constitutes a dividend for U.S. federal income tax purposes, the earnings and profits of the Company will be allocated first to distributions with respect to the Preferred Shares and all other series of Preferred Shares, and second to distributions with respect to Common Shares of the Company.

*Sale or Exchange of Depositary Shares.* Upon the sale, exchange or other disposition of Depositary Shares to a party other than the Company, a holder of Depositary Shares will realize capital gain or loss measured by the difference between the amount realized on the sale, exchange or other disposition of the Depositary Shares and such shareholder's adjusted tax basis in the Depositary Shares (provided the Depositary Shares are held as a capital asset). For a discussion of capital gain taxation see *Material U.S. Federal Income Tax Considerations Taxation of U.S. Shareholders and U.S. Taxation of Non-U.S. Shareholders* in the accompanying prospectus.

*Redemption of Depositary Shares.* Whenever the Company redeems any Preferred Shares held by the Preferred Shares Depository, the Preferred Shares Depository will redeem as of the same redemption date the number of Depositary Shares representing the Preferred Shares so redeemed. The treatment to a holder of Depositary Shares accorded to any redemption by the Company (as distinguished from a sale, exchange or other disposition) of Preferred Shares held by the Preferred Shares Depository and corresponding redemption of Depositary Shares can only be determined on the basis of particular facts as to the holder of Depositary Shares at the time of redemption. In general, a holder of Depositary Shares will recognize capital gain or loss measured by the difference between the amount received upon the redemption and the holder of the Depositary Shares

---

## **Table of Contents**

adjusted tax basis in the Depositary Shares redeemed (provided the Depositary Shares are held as a capital asset) if such redemption (i) results in a complete termination of a holder's interest in all classes of stock of the Company under Section 302(b)(3) of the Code or (ii) is not essentially equivalent to a dividend with respect to the holder under Section 302(b)(1) of the Code. In applying these tests, there must be taken into account not only any Depositary Shares owned by the holder, but also such holder's ownership of Common Shares, equity shares, other series of preferred shares and any options (including shares purchase rights) to acquire any of the foregoing. The holder also must take into account any such securities (including options) which are considered to be owned by such holder by reason of the constructive ownership rules set forth in Sections 318 and 302(c) of the Code.

If a particular holder of Depositary Shares owns (actually or constructively) no Common Shares or equity shares of the Company or an insubstantial percentage of the outstanding Common Shares, equity share or preferred shares of the Company, based upon current law, it is probable that the redemption of Depositary Shares from such a holder would be considered not essentially equivalent to a dividend. However, whether a distribution is not essentially equivalent to a dividend depends on all of the facts and circumstances, and a holder of Depositary Shares intending to rely on any of these tests at the time of redemption should consult its tax advisor to determine their application to its particular situation.

If the redemption does not meet any of the tests under Section 302 of the Code, then the redemption proceeds received from the Depositary Shares will be treated as a distribution on the Depositary Shares as described under Material U.S. Federal Income Tax Considerations Taxation of U.S. Shareholders and U.S. Taxation of Non-U.S. Shareholders in the accompanying prospectus. If the redemption is taxed as a distribution, the holder's adjusted tax basis in the redeemed Depositary Shares will be transferred to any other shareholdings of the holder of Depositary Shares in the Company. If the holder of Depositary Shares owns no other shares of beneficial interest in the Company, under certain circumstances, such basis may be transferred to a related person, or it may be lost entirely.

However, notwithstanding the foregoing, the IRS has proposed Treasury Regulations that would require the basis reduction associated with a redemption that is taxed as a distribution to be applied on a share-by-share basis, which could result in taxable income with respect to some shares, even though the holder's aggregate basis for the shares would be sufficient to absorb the entire redemption distribution. In addition, these proposed Treasury Regulations would not permit the transfer of basis in the redeemed shares of the preferred stock to the remaining shares of our stock held (directly or indirectly) by the redeemed holder. Instead, the unrecovered basis in our preferred stock would be treated as a deferred loss to be recognized when certain conditions are satisfied. These proposed Treasury Regulations would be effective for transactions that occur after the date the regulations are published as final Treasury Regulations. There can, however, be no assurance as to whether, when, and in what particular form such proposed Treasury Regulations will ultimately be finalized.

### **Temporary Reduction in Holding Period to Avoid Tax on C Corporation Built-in Gains**

As discussed in Material U.S. Federal Income Tax Considerations Taxation of Public Storage as a REIT in the accompanying prospectus, we may be subject to tax at the highest applicable corporate rate on the gain we recognize from the disposition of an asset acquired from a non-REIT C corporation in a carry-over basis transaction to the extent of the built-in gain in the asset. Built-in gain is the amount by which an asset's fair market value exceeds its adjusted tax basis at the time we acquire the asset. In general, this tax applies for a period of 10 years beginning with the day the property of a non-REIT C corporation is transferred to us in a carry-over basis transaction (the recognition period). Pursuant to the Small Business Jobs Act of 2010, the recognition period is reduced to 5 years for assets sold in 2011. Absent further legislation, the recognition period will revert back to 10 years in 2012.

**Table of Contents**

**Extension of Reduced Tax Rates**

On December 17, 2010, the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (the Act ) was enacted. Among other things, the Act extended until December 31, 2012 certain reduced tax rates that had been scheduled to expire after December 31, 2010, including the reduced 15% maximum rate of tax on capital gains, the reduced 35% maximum rate of tax on ordinary income, and the application of the capital gains tax rate to certain qualified dividends discussed in the accompanying prospectus.

**UNDERWRITING**

Subject to the terms and conditions stated in the underwriting agreement dated the date of this prospectus supplement, the underwriters named below have agreed to purchase, and we have agreed to sell to each underwriter, the number of Depositary Shares set forth opposite the underwriter's name.

<u>Underwriters</u>	<u>Number of Depositary Shares</u>
Merrill Lynch, Pierce, Fenner & Smith	
Incorporated	
Morgan Stanley & Co. LLC	
UBS Securities LLC	
Wells Fargo Securities, LLC	
J.P. Morgan Securities LLC	
RBC Capital Markets, LLC	
 Total	

The underwriting agreement provides that the obligations of the several underwriters to purchase the shares included in this offering are subject to approval of legal matters by counsel and to other conditions. The underwriters are obligated to purchase all of the Depositary Shares if they purchase any of the Depositary Shares.

We have granted to the underwriters an option, exercisable for 30 days from the date of this prospectus supplement, to purchase up to additional Depositary Shares at the public offering price less the underwriting discount and accumulated dividends, if any. The underwriters may exercise the option solely for the purpose of covering over-allotments, if any, in connection with this offering. To the extent the option is exercised, the underwriters must purchase the full number of additional Depositary Shares.

We intend to apply to have our Depositary Shares listed on the NYSE. The underwriters have advised us that they intend to make a market in the Depositary Shares prior to the commencement of trading on the NYSE. The underwriters will have no obligation to make a market in the Depositary Shares, however, and may cease market making activities, if commenced, at any time.

Public Storage will pay an underwriting discount of \$ \_\_\_\_\_ per Depositary Share for retail orders and an underwriting discount of \$ \_\_\_\_\_ per Depositary Share for certain institutional orders. The following table shows the total underwriting discounts and commissions that we are to pay to the underwriters in connection with this offering based on an average weighted underwriting discount for retail and institutional sales.

Per Depositary Share	\$
Total	\$

## Edgar Filing: Public Storage - Form 424B5

Depository Shares sold by the underwriters to the public will initially be offered at the initial public offering price set forth on the cover of this prospectus supplement. Any Depository Shares sold by the underwriters to securities dealers may be sold at a discount from the initial public offering price of up to \$ \_\_\_\_\_ per Depository Share (\$ \_\_\_\_\_ per Depository Share in the case of sales to certain institutions). Any such securities dealers may resell any Depository Shares purchased from the underwriters to certain other brokers or dealers at a discount from the initial public offering price of up to \$ \_\_\_\_\_ per Depository Share. If all the Depository Shares are not sold at the initial public offering price, the underwriters may change the offering price and the other selling terms.

In connection with the offering the underwriters may purchase and sell Depository Shares in the open market. These transactions may include short sales, syndicate covering transactions and stabilizing transactions. Short sales involve syndicate sales of Depository Shares in excess of the number of Depository Shares to be purchased by the underwriters in the offering, which creates a syndicate short position. Syndicate covering

S-15

## **Table of Contents**

transactions involve purchases of the Depositary Shares in the open market after the distribution has been completed in order to cover syndicate short positions. A short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the Depositary Shares in the open market after pricing that could adversely affect investors who purchase in the offering. Stabilizing transactions consist of bids for or purchases of Depositary Shares in the open market while the offering is in progress.

The underwriters also may impose a penalty bid. Penalty bids permit the underwriters to reclaim a selling concession from a syndicate member when Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC, UBS Securities LLC or Wells Fargo Securities, LLC repurchases Depositary Shares originally sold by that syndicate member in order to cover syndicate short positions or make stabilizing purchases.

Any of these activities may have the effect of preventing or retarding a decline on the market price of the Depositary Shares. They may also cause the price of the Depositary Shares to be higher than the price that would otherwise exist in the open market in the absence of these transactions. The underwriters may conduct these transactions on the NYSE or in the over-the-counter market, or otherwise. If the underwriters commence any of these transactions, they may discontinue any of them at any time.

We expect to deliver the securities against payment in New York City on or about the expected settlement date specified on the cover page of this prospectus supplement, which will be the fifth business day following the date of this prospectus supplement and of the pricing of securities. Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Depositary Shares on the date of the prospectus supplement or the next succeeding business day will be required, by virtue of the fact that the Depositary Shares initially will settle in T+5, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisor.

We estimate that our portion of the total expenses (excluding the underwriting discount) of this offering will be \$ .

The underwriters have performed investment banking and advisory services for us from time to time for which they have received customary fees and expenses. The underwriters may, from time to time, engage in transactions with and perform services for us in the ordinary course of their business.

The lenders under our credit facility include Merrill Lynch Bank USA, an affiliate of Merrill Lynch, Pierce, Fenner & Smith Incorporated; Morgan Stanley Bank, an affiliate of Morgan Stanley & Co. LLC; UBS Loan Finance LLC, an affiliate of UBS Securities LLC; and Wells Fargo Bank, National Association, an affiliate of Wells Fargo Securities, LLC. Wells Fargo Bank, National Association is agent of the facility and also a lender under the credit facility.

We have agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the underwriters may be required to make because of any of those liabilities.

**Table of Contents****THE COMPANY**

We are a fully integrated, self-administered and self-managed real estate investment trust, or REIT, that primarily acquires, develops, owns and operates storage facilities. Our storage properties are located in 38 states and seven Western European nations. As of March 31, 2010, we had interests in 2,009 storage facilities with approximately 127 million net rentable square feet in the United States and 188 storage facilities with approximately 10 million net rentable square feet in Europe. We also own a 41% common equity interest in PS Business Parks, Inc. (NYSE:PSB) which owned and operated approximately 20.5 million rentable square feet of commercial space, primarily flex, multitenant office and industrial space, at June 2, 2010.

We elected to be taxed as a REIT beginning with our 1981 taxable year. So long as we continue to qualify as a REIT, we will not be taxed, with certain limited exceptions, on the net income that we distribute currently to our shareholders. We were incorporated in California in 1980 and reorganized as a Maryland real estate investment trust in June 2007. Our principal executive offices are located at 701 Western Avenue, Glendale, California 91201-2349. Our telephone number is (818) 244-8080.

**USE OF PROCEEDS**

Unless otherwise described in the applicable prospectus supplement, we intend to use the net proceeds from the sale of the securities described in this prospectus to make investments in self-storage facilities, including development, interests in partnerships and other entities and mortgage loans, and for general corporate purposes, including repayment of debt and the redemption of outstanding securities. Pending application, we may invest the net proceeds in short-term, interest-bearing securities.

**RATIO OF EARNINGS TO FIXED CHARGES**

We compute our ratio of earnings to combined fixed charges and preferred distributions by dividing our earnings by the sum of our fixed charges and preferred shares and preferred unit distributions. We compute our ratio of earnings to fixed charges by dividing our earnings by our fixed charges. Earnings consist of net income before interest expense and noncontrolling interests that have fixed charges.

- (a) Financial Accounting Standards Board Accounting Standards Codification (the Codification) Section 260-10-S99-2, The Effect on the Calculation of Earnings per Share for the Redemption or the Induced Conversion of Preferred Stock provides, among other things, that any excess of (1) the fair value of the consideration transferred to the holders of preferred stock redeemed over (2) the carrying amount of the preferred stock should be subtracted from net earnings to determine net earnings available to common shareholders in the calculation of earnings per share. At the July 31, 2003 meeting of the EITF, the Securities and Exchange Commission Observer clarified that for purposes of applying EITF Topic D-42, the carrying amount of the preferred stock should be reduced by the issuance costs of the preferred stock, regardless of where in the stockholders' equity section those costs were initially classified on issuance. This ratio reflects the SEC Observer's clarification.
- (b) Not meaningful as combined fixed charges and preferred share distributions are negative.
- (c) Net earnings excludes discontinued operations.

**DESCRIPTION OF COMMON SHARES**

**Common Shares**

We are authorized to issue up to 650,000,000 common shares of beneficial interest, par value \$0.10 per share. At June 1, 2010, we had outstanding 170,053,450 common shares (excluding common shares issuable upon conversion of convertible shares of beneficial interest and common shares subject to options).

The following description of our common shares sets forth certain general terms and provisions of our common shares to which any prospectus supplement may relate, including a prospectus supplement providing that common shares will be issuable upon conversion of other securities or upon the exercise of warrants. The statements below describing our common shares are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our declaration of trust and bylaws, which have been filed as exhibits to the registration statement of which this prospectus forms a part.

Holders of our common shares will be entitled to receive distributions when, as and if declared by our board of trustees, out of funds legally available for distribution. If we fail to pay distributions on our outstanding preferred shares of beneficial interest, generally we may not pay distributions on or repurchase our common shares. If we were to liquidate, dissolve or wind up our affairs, holders of common shares will be entitled to share equally and ratably in any assets available for distribution to them, after payment or provision for payment of our debts and other liabilities and the preferential amounts owing with respect to any of our outstanding preferred shares. Holders of common shares have no preemptive rights, which means they have no right to acquire any additional common shares that we may issue at a later date. The common shares will be, when issued, fully paid and nonassessable.

The holders of our common shares are entitled to cast one vote for each share on all matters presented to our holders for a vote. Our declaration of trust permits cumulative voting for the election of trustees, subject to compliance with the notice requirements for the exercise of cumulative voting rights that are set forth in our bylaws. Cumulative voting means that each holder of our common shares is entitled to cast as many votes as there are trustees to be elected multiplied by the number of common shares registered in his or her name. A holder of our common shares may cumulate the votes for trustees by casting all of the votes for one candidate or by distributing the votes among as many candidates as he or she chooses.

The rights, preferences and privileges of holders of our common shares are subject to, and may be adversely affected by, the rights of the holders of shares of any series of our preferred shares or equity shares of beneficial interest which are outstanding or which we may designate and issue in the future. See Description of Preferred Shares and Description of Equity Shares.

**Ownership Limitations**

To qualify as a REIT under the Internal Revenue Code of 1986, as amended (the Code), our shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of our outstanding shares (after taking into account options to acquire shares) may be owned, directly, indirectly or through attribution, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year.

To maintain our qualification as a REIT, our declaration of trust provides that:

no person, other than an excepted holder or a designated investment entity (each as defined in our declaration of trust and as described below), may own directly or indirectly, or be deemed to own by virtue of the attribution provisions of the Code, more than 3%, in value or number, whichever is more restrictive, of the outstanding shares of any class or series of common shares;

no person, other than a designated investment entity or an excepted holder (each as defined in our declaration of trust and as described below), may own directly or indirectly, or be deemed to own through attribution, more than 9.9% in value or number, whichever is more restrictive, of the outstanding shares of any class or series of preferred shares, or equity shares;

no excepted holder, which means certain members of the Hughes family, certain trusts established for the benefit of members of the Hughes family, certain related entities, as well as persons whose ownership of shares would cause members of the Hughes family to be deemed to own shares pursuant to application attribution rules under the Code, may own directly or indirectly common shares if, under the applicable tax attribution rules of the Code, any single excepted holder who is treated as an individual would own more than 35.66%, in value or number, whichever is more restrictive, of any class or series of the outstanding common shares, any two excepted holders treated as individuals would own more than 38.66%, in value or number, whichever is more restrictive, of any class or series of the outstanding common shares, any three excepted holders treated as individuals would own more than 41.66%, in value or number, whichever is more restrictive, of any class or series of the outstanding common shares, any four excepted holders treated as individuals would own more than 44.66%, in value or number, whichever is more restrictive, of any class or series of the outstanding common shares, or any five excepted holders treated as individuals would own more than 47.66%, in value or number, whichever is more restrictive, of any class or series of the outstanding common shares;

no excepted holder, as described above, may own directly or indirectly, or be deemed to own through attribution, more than 15% in value or number, whichever is more restrictive, of the outstanding shares of any class or series of equity shares; there is no special limit specifically applicable to preferred shares except the general ownership limit;

no designated investment entity may acquire or hold, directly or indirectly (or through attribution), shares in excess of the designated investment entity limit of 9.9%, in value or number, whichever is more restrictive, of the outstanding shares of any class or series of common shares;

a designated investment entity may acquire or hold, directly or indirectly (or through attribution), 100% of the outstanding shares of any class or series of preferred shares or equity shares;

no person shall actually or beneficially own our shares to the extent that such ownership would result in us being closely held under Section 856(h) of the Code or otherwise cause us to fail to qualify as a REIT at any time; and

no person shall transfer our shares if such transfer would result in our shares being owned by fewer than 100 persons at any time. The excepted holder limit has been established in light of the fact that the Hughes family and certain related trusts and entities own approximately 17.3% of our common shares outstanding at March 31, 2010, and have the right to acquire additional shares up to 35.66% of our outstanding common shares. The excepted holder limit allows excepted holders, defined in our declaration of trust to include certain members of the Hughes family, certain trusts established for the benefit of members of the Hughes family and certain related entities, to own up to 47.66% of the outstanding shares of any class or series of common shares, so long as no one individual excepted holder would own in excess of 35.66% of the outstanding shares of any such class or series. We believe that the excepted holder limit will not jeopardize our status as a REIT because no five excepted holders can own more than 47.66% of any class or series of our outstanding common shares and, thus, we will be in compliance with the REIT qualification requirement prohibiting five or fewer individuals from owning more than 50% of the value of our outstanding shares.

Our declaration of trust defines a designated investment entity as:

1. an entity that is a pension trust that qualifies for look-through treatment under Section 856(h)(3) of the Code;

---

**Table of Contents**

2. an entity that qualifies as a regulated investment company under Section 851 of the Code; or

3. an entity (referred to in our declaration of trust as a "qualified investment manager") that (i) for compensation engages in the business of advising others as to the value of securities or as to the advisability of investing in, purchasing or selling securities; (ii) purchases securities in the ordinary course of its business and not with the purpose or effect of changing or influencing control of the Trust, nor in connection with or as a participant in any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b) of the Securities Exchange Act of 1934, as amended; and (iii) has or shares voting power and investment power under the Securities Exchange Act of 1934, as amended;

so long as each beneficial owner of such entity, or in the case of a qualified investment manager holding shares solely for the benefit of its customer account holders, the individual account holders of the accounts managed by such entity, would satisfy the 3% common share or 9.9% preferred share or equity share ownership limit, as applicable, if such beneficial owner or account holder owned directly its proportionate share of the shares held by the entity.

Under our declaration of trust, the board of trustees may, in its sole and absolute discretion, exempt a shareholder that is not an individual from the 3% ownership limit for common shares, the 9.9% ownership limit for preferred and equity shares, or the ownership limit for common shares applicable to designated investment entities, if such shareholder provides information and makes representations to the board of trustees that are satisfactory to the board of trustees, in its sole and absolute discretion, to establish that such person's ownership in excess of the applicable ownership limit would not jeopardize our qualification as a REIT. The board of trustees has from time to time granted waivers to such persons.

Any person who acquires or attempts or intends to acquire actual/or beneficial or constructive ownership of our shares that will or may violate any of the foregoing restrictions on transferability and ownership will be required to give notice immediately to us and provide us with such other information as the board of trustees may request in order to determine the effect of such transfer on our status as a REIT. If any transfer of shares or any other event would otherwise result in any person violating the ownership limits described above, then our declaration of trust provides that (a) the transfer will be void and of no force or effect with respect to the prohibited transferee with respect to that number of shares that exceeds the ownership limits and (b) the prohibited transferee would not acquire any right or interest in the shares. The foregoing restrictions on transferability and ownership will not apply if our board of trustees determines that it is no longer in our best interests to attempt to qualify, or to continue to qualify, as a REIT.

All certificates representing our shares will bear a legend referring to the restrictions described above.

Every owner of more than 5% (or such lower percentage as required by the Code or the regulations promulgated thereunder) of all classes or series of our shares, including common shares, will be required to give written notice to us within 30 days after the end of each taxable year stating the name and address of such owner, the number of shares of each class and series of shares that the owner beneficially owns and a description of the manner in which such shares are held. Each such owner shall provide to us such additional information as the board of trustees may request in order to determine the effect, if any, of such beneficial ownership on our status as a REIT and to ensure compliance with the various ownership limitations. In addition, each shareholder shall upon demand be required to provide to the board of trustees such information as the board of trustees may request, in good faith, in order to determine our status as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

**DESCRIPTION OF PREFERRED SHARES**

We are authorized to issue up to 100,000,000 preferred shares of beneficial interest, par value \$0.01 per share. At June 1, 2010, we had outstanding 885,740 preferred shares and had reserved for issuance an additional 4,000 preferred shares. Our declaration of trust provides that preferred shares may be issued from time to time in one or more series and gives our board of trustees broad authority to fix the distribution and distribution rights, conversion and voting rights, if any, redemption provisions and liquidation preferences of each series of preferred shares. Holders of preferred shares have no preemptive rights. The preferred shares will be, when issued, fully paid and nonassessable.

Although the issuance of preferred shares with special voting rights (or common shares) could be used to deter attempts to obtain control of us in transactions not approved by our board of trustees, we have no present intention to issue shares for that purpose.

**Outstanding Preferred Shares**

At June 1, 2010, we had outstanding 18 series of preferred shares and had reserved for issuance, upon conversion of preferred units in one of our operating partnerships, one additional series. Each series (1) has a stated value of \$25.00 per share or depositary share as applicable, (2) provides for cumulative quarterly distributions calculated as a percentage of the stated value (ranging from 6.125% to 7.250% per year) in preference to the holders of common shares and any other equity shares ranking junior to such preferred shares as to payment of distributions, and (3) is subject to redemption after a specified date, in whole or in part, at our option at a cash redemption price of \$25.00 per share or depositary share as applicable, plus accrued and unpaid distributions.

If we voluntarily or involuntarily liquidate, dissolve or wind up, the holders of our preferred shares will be entitled to receive out of our assets available for distribution to shareholders, before any assets are distributed to holders of our common shares or any other shares of beneficial interest ranking junior to our preferred shares, liquidating distributions equal to \$25 per share or depositary share, plus all accrued and unpaid distributions.

Except as expressly required by law and in certain other limited circumstances, holders of our preferred shares are not entitled to vote. Our board of trustees will not, without the consent of holders of at least 66 <sup>2</sup>/<sub>3</sub>% of the outstanding preferred shares, voting as a single class, authorize another class of shares senior to our preferred shares.

**Ownership Limitations**

For a discussion of the ownership limitations that apply to preferred shares, see [Description of Common Shares Ownership Limitations](#).
