Item 8.01 **Other Events**

David R. Emery, Chairman, President and Chief Executive Officer of Black Hills Corporation, has submitted a Notice of Option Exercise to the Registrant. The Notice of Option Exercise indicates Mr. Emery has 5,000 options to purchase Black Hills Corporation common stock which expire on April 21, 2008. The Notice of Option Exercise states that if Mr. Emery has not otherwise exercised the 5,000 options by March 5, 2008, then the Company is instructed to automatically exercise the options at the March 5, 2008, closing market price of Black Hills Corporation common stock on the New York Stock Exchange.

The Notice of Option Exercise indicates Mr. Emery will pay the exercise price by tendering previously acquired shares having an aggregate fair market value at the time of exercise equal to the option price. The proceeds from the exercise of the stock options, net of applicable payroll and income taxes, will be delivered in the form of Black Hills common stock. Consequently, Mr. Emery's current stock ownership of 49,812 shares will increase as a result of the stock option exercise and stock swap.

The actual option exercise will be reported to the Securities and Exchange Commission in accordance with applicable securities laws, rules and regulations. Except as may be required, Black Hills Corporation does not undertake any obligation to update or report any modification, termination, or other activity under Mr. Emery's Notice of Option Exercise or any other notice or plan that may be adopted by its other officers or directors.
