Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 18, 2016, Houston American Energy Corp. (the “Company”) received notification (the “Deficiency Letter”) from the NYSE MKT LLC that it is not in compliance with certain NYSE MKT continued listing standards relating to stockholders’ equity as of December 31, 2015. Specifically, the Company is not in compliance with Section 1003(a)(iii) (requiring stockholders’ equity of \$6.0 million or more if it has reported losses from continuing operations and/or net losses in its five most recent fiscal years). As of December 31, 2015, the Company had stockholders’ equity of \$5.5 million. The Company is required to submit a plan to the NYSE MKT by April 18, 2016 advising of actions it has taken or will take to regain compliance with the continued listing standards by September 18, 2016. The Company intends to submit a plan by the April 18, 2016 deadline. If the Company fails to submit a plan, if the Company’s plan is not accepted or if the Company fails to regain compliance by the deadline, the NYSE MKT may commence delisting procedures.

In addition, the Deficiency Letter indicated that the NYSE MKT staff has determined that the Company’s securities have been selling for a low price per share for a substantial period of time and, pursuant to Section 1003(f)(v) of the NYSE MKT Company Guide, the Company’s continued listing is predicated on it effecting a reverse stock split of its common stock or otherwise demonstrating sustained price improvement within a reasonable period of time, which the staff determined to be no later than September 19, 2016.

The Company’s common stock will continue to be listed on the NYSE MKT while it attempts to regain compliance with the listing standards noted, subject to the Company’s compliance with other continued listing requirements. The Company’s common stock will continue to trade under the symbol “HUSA,” but will have an added designation of “.BC” to indicate that the Company is not in compliance with the NYSE MKT’s listing standards. The NYSE MKT notification does not affect the Company’s business operations or its SEC reporting requirements and does not conflict with or cause an event of default under any of the Company’s material agreements.

The Company issued a press release on March 21, 2016, announcing that it had received the notice of noncompliance. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.
