Item 8.01 Other Events.

Following the acquisition of Eagle Domestic Drilling Operations (“Eagle”) in August 2006, the Company learned of a dispute pertaining to three two-year IADC contracts with Quicksilver Resources (“Quicksilver”). Quicksilver asserted that the initial rig was not timely delivered and that it experienced mechanical problems which caused delays in a drilling operation. Following attempts to resolve the dispute, Quicksilver has filed a lawsuit in district court in Fort Worth, Texas asking for rescission of the contracts, requesting a declaratory judgment that the contracts are void, and asserting claims of negligence and breach of contract, among other claims, against Eagle and Eagle Drilling. The Company intends to vigorously defend itself in this proceeding and has filed a countersuit asserting breach of contract, among other claims, against Quicksilver.
