Officers, directors and greater than 10 percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended February 1, 2003, filing deficiencies under Section 16(a) included one late report filed by Leon Geller, Carole Ann Taylor and James Fellus with respect to two transactions. The following individuals were not timely in meeting the filing requirements with respect to one transaction each: Ilia Lekach, A. Mark Young, Jeffrey Geller, Miles Raper and Joseph Bouhadana.

Director Compensation

We pay each nonemployee director a \$10,000 annual retainer, and reimburse their expenses in connection with their activities as directors. In addition, nonemployee directors are eligible to receive stock options under the Directors Stock Option Plan.

The Directors Stock Option Plan currently provides for an automatic grant of an option to purchase 500 shares of our common stock upon a person's election as director and an automatic grant of options to purchase 1,000 shares of our common stock upon re-election to the Board, in both instances at an exercise price equal to the fair market value of the common stock on the date of the option grant.

Employment and Severance Agreements

Effective February 1, 2002, we entered into a 3-year employment agreement with Ilia Lekach pursuant to which he will receive an annual salary of \$460,000, subject to cost-of-living increases or 5% if higher. The employment agreement provides that Mr. Lekach will continue to receive his annual salary until the expiration of the term of the agreement if his employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreement). The agreement contains a performance bonus plan which provides for additional compensation and grant of stock options, if we meet certain specified net income levels. The employment agreement prohibits the employee from directly or indirectly competing with us during the term of his employment and for one year after termination of employment except in the case of our termination of employment without cause. Pursuant to the terms of this agreement, Mr. Lekach received a signing bonus of \$250,000 and was granted 125,000 options to purchase our common stock at an exercise price of \$4.00 per share (the closing market price of our common stock on January 31, 2002). The options will vest one-third after each twelve month period from February 1, 2002.

Effective January 2003, we entered into 3-year employment agreements with A. Mark Young and Jeffrey Geller pursuant to which they receive annual salaries of \$210,000 subject to specified increases. The employment agreements provide that Mr. Young and Mr. Geller will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationship with Parlux. Parlux Fragrances, Inc. is a public company engaged in the manufacture of fragrances. Ilia Lekach, our Chairman of the Board and Chief Executive Officer and one of our principal shareholders, is the chairman of the board of Parlux and beneficially owns approximately 27% of the outstanding common stock of Parlux. During fiscal year 2002, we purchased approximately \$11,613,000 of merchandise from Parlux. We believe that our purchases of merchandise from Parlux were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent third parties. The amount due to Parlux at February 1, 2003, was approximately \$10,739,000 including a \$100,000 subordinated interest bearing secured note payable. Trade accounts payable due to Parlux are non-interest bearing.

On September 30, 2002, Perfumania signed a \$3,000,000 subordinated note agreement with Parlux. The note was in consideration for the reduction of \$3,000,000 in trade payables due to Parlux. The note was due on March 31, 2003 with various periodic principal payments, bore interest at prime plus 1% and was subordinate to all bank related indebtedness. As of February 1, 2003, the outstanding principal balance due on the note had been reduced to \$100,000. The note was repaid in full in April 2003.

Relationship with Grupo Tulin, Inc. Grupo Tulin, Inc. (Grupo) is a privately held distributor of fragrances. Zalman Lekach, a former Director and brother of Ilia Lekach is the founder of Grupo. During the fiscal year ended February 1, 2003, we purchased approximately \$10,562,000 of merchandise from Grupo. We believe that our purchases of merchandise from Grupo were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent parties. The amount due to Grupo at February 1, 2003 was approximately \$1,383,000.

Relationship with S&R Fragrances, Inc. S&R Fragrances, Inc. (S&R) is a privately held distributor of fragrances. Rachmil Lekach, a brother of Ilia Lekach is the founder of S&R. During the fiscal year ended February 1, 2003, we purchased approximately \$6,021,000 of merchandise from S&R. We believe that our purchases of merchandise from S&R were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent parties. The amount due to S&R at February 1, 2003 was approximately \$1,310,000.

Relationship with Nimbus Group, Inc. (formerly TakeToAuction.com, Inc.) During fiscal year 2000, we purchased 314,000 shares of common stock of Take to Auction.Com, Inc. (TTA), an Internet auction site, for approximately \$2.5 million. Our Chairman of the Board and Chief Executive Officer, Ilia Lekach, was also the Chairman of the Board and Chief Executive Officer of TTA at that time. In June 2000, we acquired approximately 139,000 shares of TTA's common stock upon conversion of a \$1.0 million convertible promissory note receivable.

In January 2001, we received 250,000 shares of TTA common stock as partial payment on a loan receivable from Ilia Lekach. These shares were valued at \$252,500 (\$1.01 per share).

As of February 3, 2001, the market price for TTA's common stock was below our average cost per share of \$5.38. In consideration of accounting guidance that considers a six to nine month decline in stock price to be other-than-temporary, we valued the shares at \$1.01 per share and recorded a non-cash charge of approximately \$3.1 million to realized loss on investments on the consolidated statement of operations for fiscal year 2000. As of November 2, 2002, the market price of the shares was again below our carrying value and approximately \$700,000 was recorded as a non-cash charge to realized loss on investments on the consolidated statement of operations for the third fiscal quarter then ended.

In September 2001, TTA effected a corporate reorganization (Reorganization) as a result of which TTA became a wholly owned subsidiary of Nimbus Group, Inc. (Nimbus). As a result of the Reorganization; our shares of TTA common stock were exchanged for an equal number of shares of Nimbus common stock. Ilia Lekach has been Chairman of the Board of Nimbus since the Reorganization and was Interim Chief Executive Officer until March 21, 2003.

In January 2002, we received 300,000 shares of Nimbus common stock as partial payment on a loan receivable from Ilia Lekach. These shares were valued at \$357,000 (\$1.19 per share).

As of February 1, 2002, the amount due from TTA was approximately \$811,000. During fiscal year 2002, the amount due from TTA increased to approximately \$2 million and a provision for impairment of the receivable was recorded. In January 2003, we issued a letter of default to TTA regarding the licensing agreement. In February 2003, we regained control of our retail Internet website.

As of February 1, 2003, we owned approximately 1,003,000 shares of Nimbus common stock representing approximately 13% of its total outstanding common stock. The investment in Nimbus is shown on our consolidated balance sheet as of February 1, 2003 as investments available for sale in the amount of approximately \$211,000 representing the market value of \$0.21 per share at that date.

Indebtedness of Ilia Lekach. Notes receivable from Ilia Lekach, our Chairman of the Board and Chief Executive Officer was \$311,604 as of February 1, 2003. The notes are unsecured, mature in five years and bear interest at prime plus 1% per annum. Principal and interest are payable in full at maturity. Interest income recognized during fiscal years 2002, 2001, and 2000 was approximately \$174,000, \$264,000 and \$236,000, respectively. Accrued interest receivable at February 1, 2003, was approximately \$12,000. In January 2003, the Company received repayment from Ilia Lekach on a loan of approximately \$2,790,000.
