INFORMATION REGARDING FINANCIAL STATEMENTS INCORPORATED BY REFERENCE INTO THIS REGISTRATION STATEMENT

Section 11(a) of the Securities Act of 1933 (the "Securities Act") provides that if any part of a registration statement at the time it becomes effective contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring a security pursuant to such registration statement (unless it is proved that at the time of such acquisition such person knew of such untruth or omission) may sue, among others, every accountant who has consented to be named as having prepared or certified any part of the registration statement, or as having prepared or certified any report or valuation which is used in connection with the registration statement, with respect to the statement in such registration statement, report or valuation which purports to have been prepared or certified by the accountant.

1

The Company's annual report on Form 10-KSB for the year ended June 30, 2003, which is incorporated by reference in this Registration Statement, includes the report of Arthur Andersen LLP ("Andersen") on the Company's consolidated statements of operations, stockholders' equity and cashflows for the fiscal year ended June 30, 2001. On July 1, 2002, the Company dismissed Andersen as its independent accountants. This action was approved by the Company's Board of Directors and Audit Committee. The Company has been unable to obtain, after reasonable efforts, Andersen's written consent to incorporate by reference Andersen's reports on the financial statements. Under these circumstances, Rule 437a under the Securities Act permits this Registration Statement to be filed without a written consent from Andersen. Because of the absence of such written consent from Andersen, a person acquiring shares pursuant to this Registration Statement will not be able to assert claims against Andersen under Section 11(a) of the Securities Act of 1933 for any untrue statement of a material fact contained in the consolidated financial statements audited by Andersen or any omissions to state a material fact required to be stated herein.

ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Registrant is organized under the laws of The Commonwealth of Massachusetts. The Massachusetts Business Corporation Law provides that indemnification of directors, officers, employees and other agents of a corporation, and persons who serve at its request as directors, officers, employees or other agents of another organization, or who serve at its request in any capacity with respect to any employee benefit plan, may be provided by the corporation to whatever extent specified in or authorized by its articles of organization, a by-law adopted by the stockholders or a vote adopted by the holders of a majority of the shares of stock entitled to vote on the election of directors, except that no indemnification may be provided for any person with respect to any matter as to which the person shall have been adjudicated in any

Edgar Filing: PRECISION OPTICS CORPORATION INC - Form S-8

proceeding not to have acted in good faith in the reasonable belief that his action was in the best interest of the corporation. Under Massachusetts law, a corporation can purchase and maintain insurance on behalf of any person against liability incurred as a director, officer, employee, agent or person serving at the request of the corporation as a director, officer, employee or other agent of another organization or with respect to any employee benefit plan, in his capacity as such, whether or not the corporation would have the power to itself indemnify him against such liability.

The Registrant's articles of organization provide that its directors shall not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that exculpation from liabilities is not permitted under the Massachusetts Business Corporation Law as in effect at the time such liability is determined. The by-laws of the Registrant provide generally that the Registrant shall, to the extent legally permissible, indemnify its directors and officers against all liabilities and expenses incurred by them in connection with the defense or disposition of any action, suit or other proceeding in which he may be involved, or by which he may be threatened, by reason of his being or having been a director or officer, except with respect to any matter as to which he shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his action was in the best interest of the Registrant. In addition, the Registrant holds a directors and officers liability policy.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

3

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an

Edgar Filing: PRECISION OPTICS CORPORATION INC - Form S-8

employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

4
