Independence of Directors; Financial Expert

Independence of Directors. The common stock of the company is listed on the Nasdaq National Market System, and the company follows the rules of Nasdaq in determining if a director is independent. The board of directors also consults with the company's counsel to ensure that the board of directors' determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, the board of directors affirmatively has determined that Messrs. Richard A. Kashnow, William L. Sammons, Nam P. Suh, Papken S. der Torossian and John Metcalf are the independent directors of the company. The other remaining directors are not considered independent due to their current or recent employment by the company.

Financial Expert on Audit Committee. The board of directors made a qualitative assessment of each member of the audit committee of the board of directors to determine their level of financial knowledge and experience based on a number of factors and has determined that each member is a financial expert

Edgar Filing: PARKERVISION INC - Form 10-K/A

within the meaning of all applicable rules. This determination was made with reference to the rules of Nasdaq and the SEC. The board of directors considered each of the members' ability to understand generally accepted accounting principles and financial statements, their ability to assess the general application of generally accepted accounting principles in connection with our financial statements, including estimates, accruals and reserves, their experience in analyzing or evaluating financial statements of similar breadth and complexity as our financial statements, their understanding of internal controls and procedures for financial reporting and their understanding of the audit committee functions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Officers, directors and ten percent shareholders are charged by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely upon our review of the copies of such forms received by us, or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that, during the fiscal year ended December 31, 2004, all filing requirements applicable to the company executive officers, directors and ten percent shareholders were fulfilled.

Code of Ethics and Shareholder Contact

The board of directors has adopted a code of ethics that is designed to deter wrongdoing and to promote ethical conduct and full, fair, accurate, timely and understandable reports that the company files or submits to the SEC and others. A copy of the code of ethics may be found on the company's website.

We cannot determine, without unreasonable effort or expense, the specific amount of certain personal benefits afforded to our employees, or the extent to which benefits are personal rather than business. We have concluded that the aggregate amounts of such personal benefits which cannot be specifically or precisely ascertained do not in any event exceed, as to each individual named in the preceding table, the lesser of \$50,000 or 10% of the compensation reported in the preceding table for such individual, or, in the case of a group, the lesser of \$50,000 for each individual in the group, or 10% of the compensation reported in the preceding table for the group, and that such information set forth in the preceding table is not rendered materially misleading by virtue of the omission of the value of such personal benefits.

Once vested, the options remain exercisable until October 1, 2010, except as provided in the option agreement.

In March 2002, we entered into an employment agreement with David F.

Compensation of Outside Directors

Currently, each non-employee director receives an annual retainer of \$20,000 paid in quarterly installments, a meeting fee of \$2,500 for each meeting attended in-person or \$1,500 for each meeting attended telephonically, and an option grant of 10,000 shares upon completion of each year of service as a director. In addition, each committee chairman will receive an annual retainer of \$5,000 paid in quarterly installments. New non-employee directors receive an option grant of 40,000 shares upon initial election to the board. These options vest at the end of the first year of board service.

The foregoing director compensation program was implemented in June 2004 and is subject to review and amendment by the board. Item 13. Certain Relationships and Related Transactions

We lease our executive offices pursuant to a lease agreement dated March 1, 1992 with Jeffrey L. Parker and Barbara Parker. Barbara Parker is Mr. Parker's mother. The term of the lease expires in 2007 and is renewable for an additional five-year term. For each of the years ended December 31, 2004 and 2003, we incurred approximately \$298,900 in rental expense under the lease. We believe that the terms of the lease are no less favorable to us than terms we could have obtained from an unaffiliated third party.

On March 26, 2003, to raise additional working capital, we sold shares of common stock for cash to Leucadia National Corporation, a then holder of greater than 5% beneficial ownership of our common stock, at \$3.91 per share for an aggregate of \$2,500,000, which per-share price was 80% of the ten-day weighted average price per share ending on the day immediately prior to the sale. Leucadia was also granted registration rights for the purchased shares and a four-year pre-emptive right to acquire additional shares in certain circumstances. As a condition to this purchase, members of the Parker family, including Jeffrey L. Parker, our chief executive officer and chairman of the board, Todd Parker, vice president and a director and Stacie Wilf, our corporate secretary and a director, were required to purchase 495,050 shares of common

stock for cash at \$5.05 per share for an aggregate of \$2,500,000, which per-share price was the five-day closing bid price average per share ending on the day immediately prior to the sale. Each of these purchasers was granted registration rights. The transactions were approved in advance by the audit committee and the board of directors, with the interested parties abstaining.

For the years ended December 31, 2003 and December 31, 2004, the aggregate fees billed for professional services rendered for the audit of our annual financial statements and the review of our financial statements included in our quarterly reports were approximately \$173,900 and \$560,300 respectively.

Audit Related Fees. For the years ended December 31, 2003 and December 31, 2004, there were no fees billed for professional services by our independent auditors rendered in connection with audit related services.

Tax Services Fees. For the years ended December 31, 2003 and December 31, 2004, the aggregate fees billed for professional services rendered for tax services by our independent auditors were approximately \$800 and \$0, respectively.

All Other Fees. For the years ended December 31, 2003 and December 31, 2004, the aggregate fees billed for other professional services by our independent auditors were approximately \$0 and \$1,500, respectively.

All the services discussed above were approved by our audit committee. The audit committee pre-approves the services to be provided by its independent auditors, including the scope of the annual audit and non-audit services to be performed by the independent auditors and the independent auditors' audit and non-audit fees. The audit committee also reviews and recommends to the board of directors whether or not to approve transactions between the company and an officer or director outside the ordinary course.
