(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

Change in Results of Operations - For the fifty-two week period ended December 28, 2007, the Company is reporting a non-cash impairment of goodwill in the amount of \$18,300,000. This impairment resulted primarily from a decline in the estimated fair value of the assets we acquired from our franchisees. Estimated fair value of the assets was impacted by the lower than expected operating performance of the on-demand labor stores in 2007. Aggregate loss for the period, including the impairment of goodwill, is \$26,036,601. The aggregate loss in the fifty week period ended December 29, 2006 was \$2,419,148. As a result of the impairment of goodwill, the amount of goodwill in the balance sheet declined to \$14,257,929 at December 28, 2007 compared to \$31,219,129 at December 29, 2006.
