PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of Kandi Technologies, Corp., a Delaware corporation (the "Company" or "Kandi") for the Annual Meeting of the Stockholders (the "Meeting") to be held at 12:00 p.m., local time, on December 19, 2008 and at any adjournment or adjournments thereof, at the offices of K&L Gates LLP, 599 Lexington Avenue, New York, NY 10022.

The approximate date on which the Proxy Statement and form of proxy are intended to be sent or given to the shareholders is November 24, 2008.

We will bear the expense of solicitation of proxies for the Meeting, including the printing and mailing of this Proxy Statement. We may request persons, and reimburse them for their expenses with respect thereto, who hold stock in their name or custody or in the names of nominees for others to forward copies of such materials to those persons for whom they hold Common Stock (as defined below) and to request authority for the execution of the proxies. In addition, some of our officers, directors and employees, without additional compensation, may solicit proxies on behalf of the Board of Directors personally or by mail, telephone or facsimile.

VOTING SECURITIES, VOTING AND PROXIES

Record Date

Only shareholders of record of our common stock, \$.001 par value (the “Common Stock”), as of the close of business on November 13, 2008 (the “Record Date”) are entitled to notice and to vote at the Meeting and any adjournment or adjournments thereof.

Voting Stock

As of the Record Date, there were 19,961,000 shares of Common Stock outstanding. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on the matter to be voted at the Meeting. No other class of voting securities was then outstanding.

Quorum

The presence at the Meeting of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to the proposal, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner, does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Voting

The election of directors requires the approval of a plurality of the votes cast at the meeting. For purposes of the proposal, abstentions and broker “non-votes” will have no effect on the outcome.

The adoption of the Company's 2008 Omnibus Plan must be approved by a majority of the votes cast at the Annual Meeting. Abstentions are not counted in determining the number of votes cast in connection with the adoption of the Company's 2008 Omnibus Plan.

If you are the beneficial owner, but not the registered holder of our shares, you cannot directly vote those shares at the Meeting. You must provide voting instructions to your nominee holder, such as your brokerage firm or bank.

If you wish to vote in person at the Meeting but you are not the record holder, you must obtain from your record holder a “legal proxy” issued in your name and bring it to the Meeting.

At the Meeting, ballots will be distributed with respect to the proposal to each shareholder (or the shareholder’s proxy if not the management proxy holders) who is present and did not deliver a proxy to the management proxy holders or another person. The ballots shall then be tallied, one vote for each share owned of record, the votes being in three categories: “FOR,” “AGAINST” or “ABSTAIN”.

Proxies

The form of proxy solicited by the Board of Directors affords you the ability to specify a choice among approval of, disapproval of, or abstention with respect to, the matters to be acted upon at the Meeting. Shares represented by the proxy will be voted and, where the solicited shareholder indicates a choice with respect to the matter to be acted upon, the shares will be voted as specified. If no choice is given, a properly executed proxy will be voted in favor of the proposal.

Revocability of Proxies

Even if you execute a proxy, you retain the right to revoke it and change your vote by notifying us at any time before your proxy is voted. Such revocation may be affected by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of our principal office set forth above in the Notice to this Proxy Statement or your attendance and voting at the Meeting. Unless so revoked, the shares represented by the proxies, if received in time, will be voted in accordance with the directions given therein.

You are requested, regardless of the number of shares you own or your intention to attend the Meeting, to sign the proxy and return it promptly in the enclosed envelope.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the officers or directors has any interest in the matters to be acted upon.

PROPOSAL ONE ELECTION OF DIRECTORS

Kandi's Board is currently comprised of seven members. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of Hu Xiaoming, Zhu Xiaoying, Zheng Mingyang, Qian Min, Yao Zhengming, Fong Heung Sang and Hu Wangyuan. PROPOSAL TWO
ADOPTION OF COMPANY'S 2008 OMNIBUS PLAN

Upon recommendation of the Board of Directors of the Company, the Board is hereby submitting to the shareholders of the Company for their approval the proposed adoption of the 2008 Omnibus Plan. The proposed plan is included as Appendix A. The principal features of the Plan are described below.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF THIS PROPOSAL.

Summary of the Plan

The purpose of the 2008 Omnibus Plan is to assist the Company in attracting, retaining, and rewarding high-quality executives, employees, directors and other persons who provide services to the Company, enabling such persons to acquire or increase a proprietary interest in the Company and to strengthen the mutuality of interests between such persons and to provide annual and long-term incentives to expend their maximum efforts in the creation of shareholder value. The 2008 Omnibus Plan will be administered by the Compensation Committee, such other committee as determined by the Board of Directors, or a subcommittee consisting solely of non-employee, outside directors. The 2008 Omnibus Plan does not limit the availability of awards to any particular class or classes of Eligible Employees. If an award were to lapse or rights to an award otherwise were to terminate, the shares subject to the award would be available for future awards to the extent permitted by applicable federal securities laws. Awards granted under the Plan are not transferable, except in the event of the participant's death. In the event of a change in control, a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested at the time of change in control. The total number of shares reserved and available for delivery in connection with awards under the Plan shall be 4,000,000.

Awards to Eligible Employees under the Plan will be made in the form of stock options, stock appreciation rights ("SARs"), restricted stock, restricted stock units ("RSUs") and annual incentive and performance awards. The Compensation Committee, in its sole discretion, designates whom is eligible to receive awards, determines the form of each award, determines the number of shares of stock subject to each award, establishes the exercise price of each award and such other terms and conditions applicable to the award as the Compensation Committee deems appropriate.

Stock option awards can be either incentive or non-incentive. In either case, the exercise price of the option would not be less than the fair market value of the underlying shares as of the date the award is granted. Options would become exercisable at such times as may be established by the Compensation Committee when granting the award. No stock option could be exercised more than ten years after the date the option is granted.

A SAR allows the holder, upon exercise, to receive the excess of the fair market value of one share of Common Stock of the Company on the date of exercise over the grant price of the SAR. The Compensation Committee shall determine the circumstances under which a SAR may be exercised, the month of exercise and method of settlement. SARs may be awarded independently or in tandem with other awards.

Restricted stock awards are awards of shares subject to such restrictions as to transferability and risk of forfeiture as imposed by the Compensation Committee, which restrictions may lapse separately under such circumstances such as achievement of performance goals and/or future service requirements. Except to the extent restricted under the terms of the 2008 Omnibus Plan, any employee granted restricted stock shall have all the rights of a shareholder including the right to vote and receive dividends.

The Compensation Committee is authorized to grant RSUs to participants which are rights to receive stock, cash, or a combination thereof at the end of a specified deferral period. The Compensation Committee is also authorized to grant stock as a bonus or to grant stock in lieu of obligations to pay cash under the 2008 Omnibus Plan or under other compensatory arrangements.

The Board of Directors of the Company may amend or terminate the 2008 Omnibus Plan at any time, except that any amendment or alteration to the 2008 Omnibus Plan shall be contingent on the approval of the Company's shareholders not later than the annual meeting next following such Board action if such shareholder approval is required by any federal or state law or regulation or the rules of any stock exchange, provided that, without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding award.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Weinberg & Company, P.A. as the Company's independent registered public accountants for the fiscal year ending December 31, 2008. Services provided to the Company by Weinberg & Company, P.A. in fiscal 2007 are described under "*Audit-Related Matters—Auditor Fees and Services*," below.

We are asking our stockholders to ratify the selection of Weinberg & Company, P.A. as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Weinberg & Company, P.A. to our stockholders for ratification as a matter of good corporate practice.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF WEINBERG & COMPANY, P.A. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL 2008.

In the event stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

CORPORATE GOVERNANCE

Meetings and Certain Committees of the Board

The Board of Directors held four meetings during 2008. All current directors attended, either in person or telephonically, all of the meetings of the Board of Directors and Board committees of which they are members. We have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Board Committees

Audit Committee

The Audit Committee is currently comprised of Fong Heung Sang (Chair), Zheng Mingyang and Yao Zhengming, each of whom are “independent” as defined by NASDAQ rules, which is the independence standard that we have chosen to report under. Immediately following the Meeting, assuming the election of the Nominees, the Audit Committee will be comprised of Fong Heung Sang (Chair), Zheng Mingyang and Yao Zhengming, each of whom will be “independent” as defined by NASDAQ rules. The Audit Committee has an Audit Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 5, 2007. Fong Heung Sang is the designated “financial expert” as defined by the Securities and Exchange Commission’s (the “SEC”) rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of any registered public accounting firm employed by the Company (including resolution of disagreements between management and the accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or other services. Any such registered public accounting firm must report directly to the Audit Committee. The Audit Committee has the ultimate authority and responsibility to evaluate and, where appropriate, replace the registered public accounting firm. The Audit Committee was established on October 31, 2007, and has met four times since that date.

Compensation Committee

The Compensation Committee is responsible for the administration of all salary, bonus and incentive compensation plans for our officers and key employees. The members of the Compensation Committee are Zheng Mingyang (Chair), Yao Zhengming and Qian Min, all of whom are “independent” directors as defined by NASDAQ rules, which is the independence standard that we have chosen to report under. Immediately following the Meeting, assuming the election of the Nominees, the Compensation Committee will be comprised of Zheng Mingyang (Chair), Yao Zhengming and Qian Min, each of whom will be “independent” as defined by NASDAQ rules. The Compensation Committee was established on October 31, 2007, and has met one time since that date. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees and the establishment and administration of employee benefit plans. It advises and consults with the officers of the Company as may be requested regarding managerial personnel policies. The Compensation Committee also has such additional powers as may be conferred upon it from time to time by the Board.

Nominating and Governance Committee

Nominating and Corporate Governance Committee (the “Nominating Committee”) is responsible for preparing a list of candidates to fill the expiring terms of directors serving on our Board of Directors. The Nominating Committee has a Nominating and Corporate Governance Committee Charter, a copy of which was filed as an exhibit to the Current Report on Form 8-K, filed by the Company on November 5, 2007. The Nominating Committee submits the list of candidates to the Board of Directors who determines which candidates will be nominated to serve on the Board of Directors. The names of nominees are then submitted for election at our Annual Meeting of Stockholders. The Nominating Committee also submits to the entire Board of Directors, a list of nominees to fill any interim vacancies on the Board of Directors resulting from the departure of a member of the Board of Directors for any reason prior to the expiration of his term. In recommending nominees to the Board of Directors, the Nominating Committee keeps in mind the functions of this body. The Nominating Committee considers various criteria, including the ability of the individual to meet the NASDAQ “independence” requirements, general business experience, general financial experience, knowledge of the Company’s industry (including past industry experience), education, and demonstrated character and judgment. The Nominating Committee will consider director nominees recommended by a stockholder if the stockholder mails timely notice to the Secretary of the Company at its principal offices, which notice includes (i) the name, age and business address of such nominee, (ii) the principal occupation of such nominee, (iii) a brief statement as to such nominee’s qualifications, (iv) a statement that such nominee consents to his or her nomination and will serve as a director if elected, (v) whether such nominee meets the definition of an “independent” director under the NASDAQ listing standards and (vi) the name, address, class and number of shares of capital stock of the Company held by the nominating stockholder. Any person nominated by a stockholder for election to the Board of Directors will be evaluated based on the same criteria as all other nominees. The Nominating Committee also oversees our adherence to our corporate governance standards. The members of the Nominating Committee are Qian Min (Chair), Zheng Mingyang and Yao Zhengming. Immediately following the Meeting, assuming the election of the Nominees, the Nominating Committee will be comprised of Qian Min (Chair), Zheng Mingyang and Yao Zhengming, each of whom will be “independent” as defined by NASDAQ rules. The Nominating Committee was established on October 31, 2007, and has met one time since that date.

Director Nominations and Independence

The nomination process involves a careful examination of the performance and qualifications of each incumbent director and potential nominees before deciding whether such person should be nominated. The Board believes that the business experience of its directors has been, and continues to be, critical to the Company’s success. Directors should possess integrity, independence, energy, forthrightness, analytical skills and commitment to devote the necessary time and attention to the Company’s affairs. Directors must possess a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

The Board will generally consider all relevant factors, including, among others, each nominee’s applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to the Company, the availability of the nominee to devote sufficient time and attention to the affairs of the Company, the nominee’s reputation for personal integrity and ethics, and the nominee’s ability to exercise sound business judgment. Other relevant factors, including age and diversity of skills, will also be considered. Director nominees are reviewed in the context of the existing membership of the Board (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its stockholders. The Board uses its network of contacts when compiling a list of potential director candidates and may also engage outside consultants (such as professional search firms).

In addition, the Board of Directors reviews each nominee's relationship with the Company in order to determine whether the nominee can be designated as independent. The following members of our Board of Directors meet the independence requirements and standards currently established by NASDAQ: Fong Heung Sang, Zheng Mingyang, Yao Zhengming and Qian Min.

Stockholder Communications

The Board of Directors welcomes communications from our stockholders, and maintains a process for stockholders to communicate with the Board of Directors. Stockholders who wish to communicate with the Board of Directors may send a letter to the Chairman of the Board of Directors of Kandi Technologies, Corp., at Jinhua City Industrial Zone, Jinhua, Zhejiang Province, People's Republic of China 321016. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication." All such letters should identify the author as a security holder. All such letters will be reviewed by the Chairman of the Board of Directors and submitted to the entire Board of Directors no later than the next regularly scheduled Board of Directors meeting.

Annual Meetings

We have no policy with respect to director attendance at annual meetings.

Compensation of Directors

The Company does not pay compensation to its directors. All directors are reimbursed for out-of-pocket expenses in connection with attendance at Board of Director's and/or committee meetings.

Retirement, Post-Termination and Change in Control

We have no retirement, pension, or profit-sharing programs for the benefit of directors, officers or other employees, nor do we have post-termination or change in control arrangements with directors, officers or other employees, but our Board of Directors may recommend adoption of one or more such programs in the future.

The interpretation and construction by the Committee of any provision of the Plan, any Award or any Award Agreement shall be final, binding and conclusive. Without limitation, the Committee shall have full and final authority, subject to the other terms and conditions of the Plan, to:

- (i) designate Grantees;
- (ii) determine the type or types of Awards to be made to a Grantee;
- (iii) determine the number of shares of Stock to be subject to an Award;
- (iv) establish the terms and conditions of each Award (including, but not limited to, the Option Price of any Option, the nature and duration of any restriction or condition (or provision for lapse thereof) relating to the vesting, exercise, transfer, or forfeiture of an Award or the shares of Stock subject thereto, and any terms or conditions that may be necessary to qualify Options as Incentive Stock Options);
- (v) prescribe the form of each Award Agreement; and
- (vi) amend, modify, or supplement the terms of any outstanding Award including the authority, in order to effectuate the purposes of the Plan, to modify Awards to foreign nationals or individuals who are employed outside the United States to recognize differences in local law, tax policy, or custom.

Notwithstanding the foregoing, no amendment or modification may be made to an outstanding Option or SAR that (i) causes the Option or SAR to become subject to Section 409A, (ii) reduces the Option Price or SAR Exercise Price, either by lowering the Option Price or SAR Exercise Price or by canceling the outstanding Option or SAR and granting a replacement Option or SAR with a lower Option Price or SAR Exercise Price or (iii) would be treated as a repricing under the rules of the exchange upon which the Company’s Stock trades, without, with respect to item (i), the Grantee’s written prior approval, and with respect to items (ii) and (iii), without the approval of the stockholders of the Company, provided, that, appropriate adjustments may be made to outstanding Options and SARs pursuant to **Section 15**.

The Company may retain the right in an Award Agreement to cause a forfeiture of the gain realized by a Grantee on account of actions taken by the Grantee in violation or breach of or in conflict with any employment agreement, non-competition agreement, any agreement prohibiting solicitation of employees or clients of the Company or any Affiliate thereof or any confidentiality obligation with respect to the Company or any Affiliate thereof or otherwise in competition with the Company or any Affiliate thereof, to the extent specified in such Award Agreement applicable to the Grantee. Furthermore, the Company may annul an Award if the Grantee is terminated for Cause as defined in the applicable Award Agreement or the Plan, as applicable. The grant of any Award may be contingent upon the Grantee executing the appropriate Award Agreement.

3.2. Deferral Arrangement.

The Committee may permit or require the deferral of any Award payment into a deferred compensation arrangement, subject to such rules and procedures as it may establish and in accordance with Section 409A, which may include provisions for the payment or crediting of interest or dividend equivalents, including converting such credits into deferred Stock units.

The maximum number of Common Stock that will be awarded to any one Grantee during any calendar year shall not exceed 1,000,000.

The Committee may adopt reasonable procedures for making adjustments in accordance with **Section 15**. If the Option Price of any Option granted under the Plan, or if pursuant to **Section 16.3** the withholding obligation of any Grantee with respect to an Option or other Award, is satisfied by tendering shares of Stock to the Company (by either actual delivery or by attestation) or by withholding shares of Stock, the number of shares of Stock issued net of the shares of Stock tendered or withheld shall be deemed delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan. To the extent that an Award under the Plan is canceled, expired, forfeited, settled in cash, settled by issuance of fewer shares than the number underlying the Award, or otherwise terminated without delivery of shares to the Grantee, the shares retained by or returned to the Company will be available under the Plan; and shares that are withheld from such an Award or separately surrendered by the Grantee in payment of any exercise price or taxes relating to such an Award shall be deemed to constitute shares not delivered to the Grantee and will be available under the Plan. In addition, in the case of any Award granted in assumption of or in substitution for an award of a company or business acquired by the Company or a Subsidiary or Affiliate or with which the Company or a Subsidiary or Affiliate combines, shares issued or issuable in connection with such substitute Award shall not be counted against the number of shares reserved under the Plan.

The Plan shall be effective as of the Effective Date and shall terminate on the ten (10) year anniversary of the Effective Date, and may be terminated on any earlier date as provided in **Section 5.2**.

5.2. Amendment and Termination of the Plan.

The Board may, at any time and from time to time, amend, suspend, or terminate the Plan as to any Awards which have not been made. An amendment shall be contingent on approval of the Company's stockholders to the extent stated by the Board, required by applicable law or required by applicable stock exchange listing requirements. No Awards shall be made after termination of the Plan. No amendment, suspension, or termination of the Plan shall, without the consent of the Grantee, impair rights or obligations under any Award theretofore awarded.

6. AWARD ELIGIBILITY AND LIMITATIONS

6.1. Service Providers and Other Persons.

Subject to this **Section 6**, Awards may be made to any Service Provider, including any Service Provider who is an officer or director of the Company or of any Affiliate, as the Committee shall determine and designate from time to time in its discretion.

6.2. Successive Awards.

An eligible person may receive more than one Award, subject to such restrictions as are provided herein.

6.3. Stand-Alone, Additional, Tandem, and Substitute Awards.

Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate, or any other right of a Grantee to receive payment from the Company or any Affiliate. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award, the Committee shall have the right to require the surrender of such other Award in consideration for the grant of the new Award. The Board shall have the right, in its discretion, to make Awards in substitution or exchange for any other award under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Affiliate, in which the value of Stock subject to the Award is equivalent in value to the cash compensation (for example, Restricted Stock Units or Restricted Stock).

7.

AWARD AGREEMENT

Each Award shall be evidenced by an Award Agreement, in such form or forms as the Committee shall from time to time determine. Without limiting the foregoing, an Award Agreement may be provided in the form of a notice which provides that acceptance of the Award constitutes acceptance of all terms of the Plan and the notice. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement evidencing an Award of Options shall specify whether such Options are intended to be Non-Qualified Stock Options or Incentive Stock Options, and in the absence of such specification such options shall be deemed Non-Qualified Stock Options.

8.

TERMS AND CONDITIONS OF OPTIONS

8.1. Option Price.

The Option Price of each Option shall be fixed by the Committee and stated in the related Award Agreement. The Option Price of each Incentive Stock Option shall be at least the Fair Market Value of a share of Stock on the Grant Date; provided, however, that (i) in the event that a Grantee is a Ten Percent Stockholder as of the Grant Date, the Option Price of an Option granted to such Grantee that is intended to be an Incentive Stock Option shall be not less than 110 percent of the Fair Market Value of a share of Stock on the Grant Date, and (ii) with respect to Awards made in substitution for or in exchange for awards made by an entity acquired by the Company or an Affiliate, the Option Price does not need to be at least the Fair Market Value on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a share of Stock.

8.2. Vesting.

Subject to **Section 8.3** hereof, each Option shall become exercisable at such times and under such conditions (including without limitation performance requirements) as shall be determined by the Committee and stated in the Award Agreement. For purposes of this **Section 8.2**, fractional numbers of shares of Stock subject to an Option shall be rounded down to the next nearest whole number.

8.3. Term.

Each Option shall terminate, and all rights to purchase shares of Stock thereunder shall cease, upon the expiration of ten years from the Grant Date, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Committee and stated in the related Award Agreement (the "Termination Date"); provided, however, that in the event that the Grantee is a Ten Percent Stockholder, an Option granted to such Grantee that is intended to be an Incentive Stock Option at the Grant Date shall not be exercisable after the expiration of five years from its Grant Date.

8.4. Separation from Service.

Except as otherwise provided in an Award Agreement, if a Grantee's employment with or service to the Company or Affiliate terminates for any reason other than Cause, (i) Options granted to such Grantee, to the extent that they are exercisable at the time of such termination, shall remain exercisable for a period of not more than 90 days after such termination (one year in the case of termination by reason of death or Disability), on which date they shall expire, and (ii) Options granted to such Grantee, to the extent that they were not exercisable at the time of such termination, shall expire on the date of such termination. In the event of the termination of a Grantee's employment or service for Cause, all out-standing Options granted to such Grantee shall expire on the date of such termination. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

8.5. Limitations on Exercise of Option.

Notwithstanding any other provision of the Plan, in no event may any Option be exercised, in whole or in part, (i) prior to the date the Plan is approved by the stockholders of the Company as provided herein or (ii) after the occurrence of an event referred to in **Section 15** hereof which results in termination of the Option.

8.6. Method of Exercise.

An Option that is exercisable may be exercised by the Grantee's delivery to the Company of written notice of exercise on any business day, at the Company's principal office, on the form specified by the Company. Such notice shall specify the number of shares of Stock with respect to which the Option is being exercised and shall be accompanied by payment in full of the Option Price of the shares for which the Option is being exercised plus the amount (if any) of federal and/or other taxes which the Company may, in its judgment, be required to withhold with respect to an Award. Except as otherwise provided by the Committee, payments hereunder shall be made in cash or cash equivalents acceptable to the Company. Notwithstanding anything contained herein to the contrary, the Committee may, solely in its discretion, approve payment in whole or in part by an alternative method, including (i) by means of any cashless exercise procedure approved by the Committee, (ii) in the form of unrestricted shares of Stock already owned by the Grantee on the date of surrender to the extent the shares of Stock have a Fair Market Value on the date of surrender equal to the aggregate Option Price of the shares as to which such Option shall be exercised, *provided* that, in the case of an Incentive Stock Option, the right to make payment in the form of already owned shares of Stock may be authorized only at the time of grant, or (iii) any combination of the foregoing.

8.7. Rights of Holders of Options.

Unless otherwise stated in the related Award Agreement, an individual holding or exercising an Option shall have none of the rights of a stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the subject shares of Stock or to direct the voting of the subject shares of Stock) until the shares of Stock covered thereby are fully paid and issued to him. Except as provided in **Section 15** hereof, no adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such issuance.

8.8. Delivery of Stock Certificates.

Promptly after the exercise of an Option by a Grantee and the payment in full of the Option Price, such Grantee shall be entitled to the issuance of a stock certificate or certificates evidencing his or her ownership of the shares of Stock subject to the Option.

8.9. Transferability of Options.

Except as provided in **Section 8.10**, during the lifetime of a Grantee, only the Grantee (or, in the event of legal incapacity or incompetence, the Grantee's guardian or legal representative) may exercise an Option. Except as provided in **Section 8.10**, no Option shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

8.10. Family Transfers.

If authorized in the applicable Award Agreement, a Grantee may transfer, not for value, all or part of an Option which is not an Incentive Stock Option to any Family Member. For the purpose of this **Section 8.10**, a "not for value" transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) a transfer to an entity in which more than fifty percent of the voting interests are owned by Family Members (or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 8.10**, any such Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer. Subsequent transfers of transferred Options are prohibited except to Family Members of the original Grantee in accordance with this **Section 8.10** or by will or the laws of descent and distribution. Notwithstanding the foregoing, the Committee may also provide that Options may be transferred to persons other than Family Members. The events of termination of Service of **Section 8.4** hereof shall continue to be applied with respect to the original Grantee, following which the Option shall be exercisable by the transferee only to the extent, and for the periods specified, in **Section 8.4**.

8.11. Limitations on Incentive Stock Options.

An Option shall constitute an Incentive Stock Option only (i) if the Grantee of such Option is an employee of the Company or any Subsidiary of the Company; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Stock with respect to which all Incentive Stock Options held by such Grantee become exercisable for the first time during any calendar year (under the Plan and all other plans of the Grantee's employer and its Affiliates) does not exceed \$100,000. This limitation shall be applied by taking Options into account in the order in which they were granted.

9. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS

9.1. Right to Payment.

A SAR shall confer on the Grantee a right to receive, upon exercise thereof, the excess of (i) the Fair Market Value of one share of Stock on the date of exercise over (ii) the SAR Exercise Price, as determined by the Committee. The Award Agreement for an SAR shall specify the SAR Exercise Price, which shall be fixed on the Grant Date. SARs may be granted alone or in conjunction with all or part of an Option or at any subsequent time during the term of such Option or in conjunction with all or part of any other Award. A SAR granted in tandem with an outstanding Option following the Grant Date of such Option may have a grant price that is equal to the Option Price.

9.2. Other Terms.

The Committee shall determine at the Grant Date or thereafter, the time or times at which and the circumstances under which a SAR may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which SARs shall cease to be or become exercisable following termination of Service or upon other conditions, the method of exercise, whether or not a SAR shall be in tandem or in combination with any other Award, and any other terms and conditions of any SAR.

9.3. Term of SARs. The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that such term shall not exceed ten years.

9.4. Payment of SAR Amount. Upon exercise of a SAR, a Grantee shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (i) the difference between the Fair Market Value of a Share on the date of exercise over the SAR Exercise Price; by
- (ii) the number of Shares with respect to which the SAR is exercised.

SARs may be settled in cash or Stock, as determined by the Committee and set forth in the Award Agreement.

10. TERMS AND CONDITIONS OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS

10.1. Restrictions.

At the time of grant, the Committee may, in its sole discretion, establish a period of time (a “restricted period”) and any additional restrictions including the satisfaction of corporate or individual performance objectives applicable to an Award of Restricted Stock or Restricted Stock Units in accordance with **Section 13.1** and **13.2**. Each Award of Restricted Stock or Restricted Stock Units may be subject to a different restricted period and additional restrictions. Neither Restricted Stock nor Restricted Stock Units may be sold, transferred, assigned, pledged or otherwise encumbered or disposed of during the restricted period or prior to the satisfaction of any other applicable restrictions.

10.2. Restricted Stock Certificates.

The Company shall issue stock, in the name of each Grantee to whom Restricted Stock has been granted, stock certificates or other evidence of ownership representing the total number of shares of Restricted Stock granted to the Grantee, as soon as reasonably practicable after the Grant Date. The Committee may provide in an Award Agreement that either (i) the Secretary of the Company shall hold such certificates for the Grantee's benefit until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse, or (ii) such certificates shall be delivered to the Grantee, provided, however, that such certificates shall bear a legend or legends that comply with the applicable securities laws and regulations and makes appropriate reference to the restrictions imposed under the Plan and the Award Agreement.

10.3. Rights of Holders of Restricted Stock.

Unless the Committee otherwise provides in an Award Agreement, holders of Restricted Stock shall have the right to vote such Stock and the right to receive any dividends declared or paid with respect to such Stock. The Committee may provide that any dividends paid on Restricted Stock must be reinvested in shares of Stock, which may or may not be subject to the same restrictions applicable to such Restricted Stock. All distributions, if any, received by a Grantee with respect to Restricted Stock as a result of any stock split, stock dividend, combination of shares, or other similar transaction shall be subject to the restrictions applicable to the original Award.

10.4. Rights of Holders of Restricted Stock Units.

10.4.1. Settlement of Restricted Stock Units.

Restricted Stock Units may be settled in cash or Stock, as determined by the Committee and set forth in the Award Agreement. The Award Agreement shall also set forth whether the Restricted Stock Units shall be settled (i) within the time period specified in **Section 16.9.1** for short term deferrals or (ii) otherwise within the requirements of Section 409A, in which case the Award Agreement shall specify upon which events such Restricted Stock Units shall be settled.

10.4.2. Voting and Dividend Rights.

Holders of Restricted Stock Units shall have no rights as stockholders of the Company. The Committee may provide in an Award Agreement that the holder of such Restricted Stock Units shall be entitled to receive, upon the Company's payment of a cash dividend on its outstanding Stock, a cash payment for each Restricted Stock Unit held equal to the per-share dividend paid on the Stock, which may be deemed reinvested in additional Restricted Stock Units at a price per unit equal to the Fair Market Value of a share of Stock on the date that such dividend is paid to shareholders.

10.4.3.

Creditor's Rights.

A holder of Restricted Stock Units shall have no rights other than those of a general creditor of the Company. Restricted Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

10.5. Termination of Service.

Unless the Committee otherwise provides in an Award Agreement or in writing after the Award Agreement is issued, upon the termination of a Grantee's Service, any Restricted Stock or Restricted Stock Units held by such Grantee that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited, and the Grantee shall have no further rights with respect to such Award.

10.6. Purchase of Restricted Stock.

The Grantee shall be required, to the extent required by applicable law, to purchase the Restricted Stock from the Company at a Purchase Price equal to the greater of (i) the aggregate par value of the shares of Stock represented by such Restricted Stock or (ii) the Purchase Price, if any, specified in the related Award Agreement. If specified in the Award Agreement, the Purchase Price may be deemed paid by Services already rendered. The Purchase Price shall be payable in a form described in **Section 12** or, in the discretion of the Committee, in consideration for past Services rendered.

10.7. Delivery of Stock.

Upon the expiration or termination of any restricted period and the satisfaction of any other conditions prescribed by the Committee, the restrictions applicable to shares of Restricted Stock or Restricted Stock Units settled in Stock shall lapse, and, unless otherwise provided in the Award Agreement, a stock certificate for such shares shall be delivered, free of all such restrictions, to the Grantee or the Grantee's beneficiary or estate, as the case may be.

11. TERMS AND CONDITIONS OF UNRESTRICTED STOCK AWARDS

The Committee may, in its sole discretion, grant (or sell at par value or such other higher purchase price determined by the Committee) an Award of Unrestricted Stock to any Grantee pursuant to which such Grantee may receive shares of Stock free of any restrictions ("Unrestricted Stock") under the Plan. Awards of Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past Services rendered and other valid consideration, or in lieu of, or in addition to, any cash compensation due to such Grantee. Unless otherwise provided by the Committee, Awards of Unrestricted Stock shall be paid within the time period specified in **Section 16.9.1** for short-term deferrals.

12. FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK

12.1. General Rule.

Payment of the Option Price for the shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock shall be made in cash or in cash equivalents acceptable to the Company, except as provided in this **Section 12**.

12.2. Surrender of Stock.

To the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock may be made all or in part through the tender to the Company of shares of Stock, which shares shall be valued, for purposes of determining the extent to which the Option Price or Purchase Price has been paid thereby, at their Fair Market Value on the date of exercise or surrender.

12.3. Cashless Exercise.

With respect to an Option only (and not with respect to Restricted Stock), to the extent permitted by law and to the extent the Award Agreement so provides, payment of the Option Price may be made all or in part by delivery (on a form acceptable to the Committee) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell shares of Stock and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and any withholding taxes described in **Section 16.3**.

12.4. Other Forms of Payment.

To the extent the Award Agreement so provides, payment of the Option Price or the Purchase Price may be made in any other form that is consistent with applicable laws, regulations and rules.

13. TERMS AND CONDITIONS OF PERFORMANCE AND ANNUAL INCENTIVE AWARDS

13.1. Performance Conditions.

The right of a Grantee to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to performance conditions, except as limited under **Sections 13.2** hereof in the case of a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m).

13.2. Performance or Annual Incentive Awards Granted to Designated Covered Employees.

If and to the extent that the Committee determines that a Performance or Annual Incentive Award to be granted to a Grantee who is designated by the Committee as likely to be a Covered Employee should qualify as “performance-based compensation” for purposes of Code Section 162(m), the grant, exercise and/or settlement of such Performance or Annual Incentive Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this **Section 13.2**.

13.2.1. Performance Goals Generally.

The performance goals for such Performance or Annual Incentive Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this **Section 13.2**. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being “substantially uncertain.” The Committee may determine that such Performance or Annual Incentive Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance or Annual Incentive Awards. Performance goals may differ for Performance or Annual Incentive Awards granted to any one Grantee or to different Grantees.

13.2.2. Business Criteria.

One or more of the following business criteria for the Company, on a consolidated basis, and/or specified subsidiaries or business units of the Company (except with respect to the total stockholder return and earnings per share criteria), shall be used exclusively by the Committee in establishing performance goals for such Performance or Annual Incentive Awards: (i) total stockholder return; (ii) such total stockholder return as compared to total return (on a comparable basis) of a publicly available index such as, but not limited to, the Standard & Poor’s 500 Stock Index; (iii) net income; (iv) pretax earnings; (v) earnings before interest expense, taxes, depreciation and amortization; (vi) pretax operating earnings after interest expense and before bonuses, service fees, and extraordinary or special items; (vii) operating margin; (viii) earnings per share; (ix) return on equity; (x) return on capital; (xi) return on investment; (xii) operating earnings; (xiii) working capital; (xiv) ratio of debt to stockholders’ equity and (xv) revenue.

13.2.3. Timing for Establishing Performance Goals.

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance or Annual Incentive Awards, or at such other date as may be required or permitted for “performance-based compensation” under Code Section 162(m).

13.2.4. Settlement of Performance or Annual Incentive Awards; Other Terms.

Settlement of such Performance or Annual Incentive Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance or Annual Incentive Awards. The Committee shall specify the circumstances in which such Performance or Annual Incentive Awards shall be paid or forfeited in the event of termination of Service by the Grantee prior to the end of a performance period or settlement of Performance Awards.

13.3. Written Determinations.

All determinations by the Committee as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and as to the achievement of performance goals relating to Performance Awards, and the amount of any Annual Incentive Award pool or potential individual Annual Incentive Awards and the amount of final Annual Incentive Awards, shall be made in writing in the case of any Award intended to qualify under Code Section 162(m). To the extent permitted by Code Section 162(m), the Committee may delegate any responsibility relating to such Performance Awards or Annual Incentive Awards.

13.4. Status of Section 13.2 Awards Under Code Section 162(m).

It is the intent of the Company that Performance Awards and Annual Incentive Awards under **Section 13.2** hereof granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of Code Section 162(m) and regulations thereunder shall, if so designated by the Committee, constitute “qualified performance-based compensation” within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of **Section 13.2**, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards or an Annual Incentive Award, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards or Annual Incentive Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

14.

REQUIREMENTS OF LAW

14.1. General.

The Company shall not be required to sell or issue any shares of Stock under any Award if the sale or issuance of such shares would constitute a violation by the Grantee, any other individual exercising an Option, or the Company of any provision of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration or qualification of any shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares hereunder, no shares of Stock may be issued or sold to the Grantee or any other individual exercising an Option pursuant to such Award unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Specifically, in connection with the Securities Act, upon the exercise of any Option or the delivery of any shares of Stock underlying an Award, unless a registration statement under such Act is in effect with respect to the shares of Stock covered by such Award, the Company shall not be required to sell or issue such shares unless the Committee has received evidence satisfactory to it that the Grantee or any other individual exercising an Option may acquire such shares pursuant to an exemption from registration under the Securities Act. Any determination in this connection by the Committee shall be final, binding, and conclusive. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the shares of Stock covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

14.2. Rule 16b-3.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards and the exercise of Options granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or Committee does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

15. EFFECT OF CHANGES IN CAPITALIZATION

15.1. Changes in Stock.

If the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, the number and kinds of shares for which grants of Options and other Awards may be made under the Plan shall be adjusted proportionately and accordingly by the Company; provided that any such adjustment shall comply with Section 409A. In addition, the number and kind of shares for which Awards are outstanding shall be adjusted proportionately and accordingly so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Any such adjustment in outstanding Options or SARs shall not change the aggregate Option Price or SAR Exercise Price payable with respect to shares that are subject to the unexercised portion of an outstanding Option or SAR, as applicable, but shall include a corresponding proportionate adjustment in the Option Price or SAR Exercise Price per share. The conversion of any convertible securities of the Company shall not be treated as an increase in shares effected without receipt of consideration. Notwithstanding the foregoing, in the event of any distribution to the Company's stockholders of securities of any other entity or other assets (including an extraordinary cash dividend but excluding a non-extraordinary dividend payable in cash or in stock of the Company) without receipt of consideration by the Company, the Company shall in such manner as the Company deems appropriate, adjust (i) the number and kind of shares subject to outstanding Awards and/or (ii) the exercise price of outstanding Options and Stock Appreciation Rights to reflect such distribution.

15.2. Definition of Change in Control.

Unless an Award Agreement provides for a different meaning, a "Change in Control" shall mean the occurrence of any of the following:

- (i) Any 'person' (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becomes the 'beneficial owner' (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the total voting power represented by the Company's then-outstanding voting securities, provided, however, that a Change in Control shall not be deemed to occur if an employee benefit plan (or a trust forming a part thereof) maintained by the Company, directly or indirectly, becomes the beneficial owner of more than fifty percent (50%) of the then-outstanding voting securities of the Company after such acquisition;
- (ii) A majority of the members of the Board is replaced during any 12-month period commencing on the Effective Date, by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment;
- (iii) The consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in (a) the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or being converted into voting securities of the surviving entity) at least fifty percent (50%) of the total

voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or
(b) the directors of the Company immediately prior thereto continuing to represent at least fifty percent (50%) of the directors of the Company or such surviving entity immediately after such merger or consolidation; or

- (iv) The consummation of the sale or disposition by the Company of all or substantially all of the Company's assets.

Notwithstanding the foregoing, if it is determined that an Award hereunder is subject to the requirements of Section 409A, the Company will not be deemed to have undergone a Change in Control unless the Company is deemed to have undergone a change in control pursuant to the definition in Section 409A.

15.3. Effect of Change in Control; Corporate Transactions

The Committee shall determine the effect of a Change in Control upon Awards, and such effect may be set forth in the appropriate Award Agreement. Unless an Award Agreement explicitly provides otherwise, if the Company is to be consolidated with or acquired by another entity in a merger, sale of all or substantially all of the Company's assets other than a transaction to merely change the state of incorporation (a "Corporate Transaction"), the Committee or the board of directors of any entity assuming the obligations of the Company hereunder (the "Successor Board"), shall, as to outstanding Options and/or SARs, either (i) make appropriate provision for the continuation of such Options and/or SARs by substituting on an equitable basis for the Shares then subject to such Options and/or SARs either the consideration payable with respect to the outstanding shares of Common Stock in connection with the Corporate Transaction or securities of any successor or acquiring entity; or (ii) upon written notice to the Grantees, provide that all Options and/or SARs must be exercised (either to the extent then exercisable or, at the discretion of the Committee or, upon a change of control of the Company, all Options and/or SARs being made fully exercisable for purposes of this Section 15.3), within a specified number of days of the date of such notice, at the end of which period the Options and/or SARs shall terminate; or (iii) terminate all Options and/or SARs in exchange for a cash payment equal to the excess of the Fair Market Value of the Shares subject to such Options and/or SARs (either to the extent then exercisable or, at the discretion of the Committee, all Options and/or SARs being made fully exercisable for purposes of this Section 15.3) over the exercise price thereof.

Unless an Award Agreement explicitly provides otherwise, with respect to outstanding grants of Restricted Stock, Restricted Stock Units and/or Unrestricted Stock, the Committee or the Successor Board, shall either (i) make appropriate provisions for the continuation of such grants of Restricted Stock, Restricted Stock Units and/or Unrestricted Stock by substituting on an equitable basis for the Shares then subject to such Restricted Stock, Restricted Stock Units and/or Unrestricted Stock either the consideration payable with respect to the outstanding Shares of Common Stock in connection with the Corporate Transaction or securities of any successor or acquiring entity; or (ii) upon written notice to the Grantees, provide that all grants of Restricted Stock, Restricted Stock Units and/or Unrestricted Stock must be accepted (to the extent then subject to acceptance) within a specified number of days of the date of such notice, at the end of which period the offer of the Restricted Stock, Restricted Stock Units and/or Unrestricted Stock shall terminate; or (iii) terminate all grants of Restricted Stock, Restricted Stock Units and/or Unrestricted Stock in exchange for a cash payment equal to the excess of the Fair Market Value of the Shares subject to such Restricted Stock, Restricted Stock Units and/or Unrestricted Stock over the purchase price thereof, if any. In addition, in the event of a Corporate Transaction, the Administrator may waive any or all Company repurchase rights with respect to outstanding Restricted Stock and/or Restricted Stock Units.

15.4. Reorganization Which Does Not Constitute a Change in Control.

If the Company undergoes any reorganization, merger, or consolidation of the Company with one or more other entities which does not constitute a Change in Control, any Option or SAR theretofore granted pursuant to the Plan shall pertain to and apply to the securities to which a holder of the number of shares of Stock subject to such Option or SAR would have been entitled immediately following such reorganization, merger, or consolidation, with a corresponding proportionate adjustment of the Option Price or SAR Exercise Price per share so that the aggregate Option Price or SAR Exercise Price thereafter shall be the same as the aggregate Option Price or SAR Exercise Price of the shares remaining subject to the Option or SAR immediately prior to such reorganization, merger, or consolidation. Subject to any contrary language in an Award Agreement, any restrictions applicable to such Award shall apply as well to any replacement shares received by the Grantee as a result of the reorganization, merger or consolidation.

15.5. Adjustments.

Adjustments under this **Section 15** related to shares of Stock or securities of the Company shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share.

15.6. No Limitations on Company.

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

16.

GENERAL PROVISIONS

16.1. Disclaimer of Rights.

No provision in the Plan or in any Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a Service Provider, if applicable. The obligation of the Company to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

16.2. Nonexclusivity of the Plan.

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals), including, without limitation, the granting of stock options as the Board in its discretion determines desirable.

16.3. Withholding Taxes.

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by law to be withheld (i) with respect to the vesting of or other lapse of restrictions applicable to an Award, (ii) upon the issuance of any shares of Stock upon the exercise of an Option, or (iii) pursuant to an Award. At the time of such vesting, lapse, or exercise, the Grantee shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Affiliate, which may be withheld by the Company or the Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Affiliate to withhold shares of Stock otherwise issuable to the Grantee or (ii) by delivering to the Company or the Affiliate shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the shares of Stock used to satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 16.3** may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements.

16.4. Captions.

The use of captions in this Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or any Award Agreement.

16.5. Other Provisions.

Each Award Agreement may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Committee, in its sole discretion.

16.6. Number and Gender.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

16.7. Severability.

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

16.8. Governing Law.

The validity and construction of this Plan and the instruments evidencing the Awards hereunder shall be governed by the laws of the State of Delaware, without regard to any choice of law principles thereof or of any other jurisdiction.

16.9. Section 409A.

16.9.1. Short-Term Deferrals.

For each Award intended to comply with the short-term deferral exception provided for under Section 409A, the related Award Agreement shall provide that such Award shall be paid out by the later of (i) the 15th day of the third month following the Grantee's first taxable year in which the Award is no longer subject to a substantial risk of forfeiture or (ii) the 15th day of the third month following the end of the Company's first taxable year in which the Award is no longer subject to a substantial risk of forfeiture.

16.9.2. Adjustments.

To the extent that the Board determines that a Grantee would be subject to the additional 20% tax imposed on certain deferred compensation arrangements pursuant to Section 409A as a result of any provision of any Award, to the extent permitted by Section 409A, such provision shall be deemed amended to the minimum extent necessary to avoid application of such additional tax. The Board shall determine the nature and scope of such amendment.

16.10. Stockholder Approval; Effective Date of Plan.

The Plan shall be effective as of November 12, 2008, the date of its approval by the Board (the "Effective Date"). Any Option that is designated as an Incentive Stock Option shall be a Non-Qualified Stock Option if the Plan is not approved by the shareholders of the Company within twelve (12) months after the Effective Date of the Plan. No award that is intended to qualify as performance-based compensation within the meaning of section 162(m) of the Code shall be effective unless and until the Plan is approved by the stockholders of the Company.
