China Sky One Medical, Inc.

We are in the process of valuing our outstanding warrants in order to effect the required accounting treatment under Accounting Standards Codification 815-40, “Derivatives and Hedging – Contracts in Entity’s Own Equity”, formerly Emerging Issues Task Force Issue No. 07-05, “Determining Whether an Instrument (or Embedded Feature) Is Indexed to an Entity’s Own Stock”. Based on preliminary information, which has not been reviewed by our independent registered public accounting firm, we expect:

- revenues to increase to approximately \$28.9 million for the three month period ended March 31, 2010, from approximately \$24.8 million for the three month period ended March 31, 2009;
- income from operations to increase to approximately \$10.1 million for the three month period ended March 31, 2010, from approximately \$9.1 million in the comparable period in the previous year; and
- comprehensive income for the first quarter of fiscal 2010 to be between \$12.1 million and \$13.1 million (including a \$4.5 million - \$5.5 million gain on change in fair value of derivatives), compared to approximately \$7.4 million for the three month period ended March 31, 2009.
