JUNE 30, 2010

Dear Stockholder:

Notice is hereby given that the Annual Meeting of Stockholders (the "Meeting") of China Precision Steel, Inc., a Delaware corporation (the "Company"), will be held on Tuesday, June 30, 2010, at 11:00 a.m., local time, at the Meeting Room, 8th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People's Republic of China.

1. To elect six persons to the Board of Directors of the Company, each to serve until the next annual meeting of stockholders of the Company or until such person shall resign, be removed or otherwise leave office;
2. To ratify the selection by the Audit Committee of Moore Stephens as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2010; and
3. To transact such other business as may properly come before the Meeting or any adjournment thereof.

If you owned our common stock at the close of business on May 13, 2010, you may attend and vote at the meeting.

A Proxy Statement describing the matters to be considered at the Meeting is attached to this Notice. Our 2009 Annual Report accompanies this Notice, but it is not deemed to be part of the Proxy Statement.

This year we are furnishing our proxy materials to our stockholders who hold their shares through brokers over the Internet, as permitted by rules adopted by the Securities and Exchange Commission. We believe that this "Notice and Access" process will provide you with a convenient and quick way to access our proxy materials and vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about May 21, 2010, we will mail a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and the Form 10-K for our fiscal year ended June 30, 2009 and vote online to the stockholders eligible to vote at our annual meeting. The Notice also contains instructions on how to receive a paper copy of our proxy materials. We will not mail the Notice to stockholders who had previously elected either to receive notice and access proxy materials and vote electronically via the Internet, or who receive paper copies of proxy materials.

If you plan to attend the meeting, please or notify us of your intentions via telephone or the Internet as directed on the proxy card. This will assist us with meeting preparations. If your shares are not registered in your own name and you would like to attend the meeting, please ask the broker, trust, bank or other nominee that holds your shares to provide you with evidence of your share ownership. This will enable you to gain admission to the meeting.

Your vote is important. Whether or not you plan to attend the meeting, I hope that you will vote as soon as possible. You may vote your shares by either completing, signing and returning the accompanying proxy card or casting your vote via a toll-free telephone number or over the Internet.

Sincerely,

/s/ Hai Sheng Chen

STOCKHOLDER
MEETING TO BE HELD ON JUNE 30, 2010

Under rules adopted by the U.S. Securities and Exchange Commission (“SEC”), we are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies of those materials to each stockholder. The Notice also instructs you on how to access your proxy card to vote through the Internet or by telephone.

This process is designed to expedite stockholders’ receipt of proxy materials, lower the cost of the annual meeting, and help conserve natural resources. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail until you elect otherwise. If you have previously elected to receive printed proxy materials, you will continue to receive these materials in paper format until you elect otherwise.

PROXY STATEMENT

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Precision Steel, Inc., a Delaware corporation (the "Company," "CPSL" or "we"), for the 2009 Annual Meeting of Stockholders (the "Meeting"). The Meeting will be held on Tuesday, June 30, 2010, at 11:00 a.m., local time, at 8th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People's Republic of China.

The purposes of the Meeting are to seek stockholder approval of two proposals: (i) electing six (6) directors to the Board and (ii) ratifying the appointment of the Company's accountants for fiscal year 2010.

Who May Vote

Only stockholders of record of our common stock, \$0.01 par value (the "Common Stock"), as of the close of business on May 13, 2010 (the "Record Date") are entitled to notice and to vote at the Meeting and any adjournment thereof.

A list of stockholders entitled to vote at the Meeting will be available at the Meeting, and will also be available for ten days prior to the Meeting, during office hours, at the Meeting Room, 8th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People's Republic of China.

The presence at the Meeting of holders of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to one or more proposals, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker "non-votes" are included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker "non-vote" occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Meeting. No other class of voting securities is outstanding on the date of mailing of this Proxy Statement.

Voting

Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held beneficially in street name, by submitting voting instructions to your stockbroker, trustee or nominee. In most cases, you will be able to do this by

using the Internet or telephone or by mail if you received a printed set of the proxy materials.

3

By Internet – If you have Internet access, you may submit your proxy via the Internet by following the instructions provided in the Notice, or if you received a printed version of the proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

By Telephone or Mail – If you received printed proxy materials, you may submit your proxy by telephone by following the instructions provided on your proxy card or voting instruction card. If you received a Notice, you may submit your proxy by telephone after accessing the proxy materials via the Internet. You may also submit your proxy by mail by signing your proxy card if your shares are registered or, for shares held beneficially in street name, by following the voting instructions included by your stockbroker, trustee or nominee, and mailing it in the envelope provided. If you provide specific voting instructions, your shares will be voted as you have instructed. Voting by telephone is not available to persons outside of the United States.

The shares represented by any proxy duly given will be voted at the Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees for director set forth herein and FOR ratification of Moore Stephens as the Company's independent registered public accounting firm. In addition, if other matters come before the Meeting, the persons named in the accompanying proxy card will vote in accordance with their best judgment with respect to such matters.

Under Proposal 1 (Election of Directors), the six candidates for election as directors at the Meeting are uncontested. In uncontested elections, directors are elected by plurality of the votes cast at the meeting. Proposal 2 (Ratification of Independent Auditors) requires the vote of a majority of the shares present in person or by proxy at the Meeting for approval.

Absentions and broker non-votes will not be counted as votes in favor of a matter being voted on, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on matters (such as the election of directors, and the ratification of the selection of the independent registered public accounting firm) that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Revoking Your Proxy

Even if you execute a proxy, you retain the right to revoke it and to change your vote by notifying us at any time before your proxy is voted. Mere attendance at the meeting will not revoke a proxy. Such revocation may be effected by calling the toll-free telephone number identified in the Notice, or by accessing the Internet website specified in the Notice, or in writing by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of our principal office set forth in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement, or by attending and voting in person at the Meeting. Unless revoked, the shares represented by timely received proxies will be voted in accordance with the directions given therein.

If the Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the previously convened Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous Meeting.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company, who will receive no extra compensation therefore, may solicit proxies personally or by telephone. The Company will reimburse brokerage houses and other nominees for their expenses incurred in

sending proxies and proxy materials to the beneficial owners of shares held by them.

4

Delivery of Proxy Materials to Households

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as “householding,” permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to you. Under this process, certain stockholders of record who do not participate in electronic delivery of proxy materials will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to or wish to begin householding may contact our Corporate Secretary, orally or in writing at the telephone number or address, as applicable, at China Precision Steel, Inc., 18th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People’s Republic of China, telephone number (+852) 2543 2290. We will send an individual copy of the proxy statement to any stockholder who revokes their consent to householding within 30 days of our receipt of such revocation.

Notice of Voting Results

The preliminary voting results will be announced at the Annual Meeting. The final results will be published in our current report on Form 8-K to be filed with the Securities and Exchange Commission within four business days after the date of the Annual Meeting, provided that the final results are available at such time. In the event the final results are not available within such time period, the preliminary voting results will be published in our current report on Form 8-K to be filed within such time period, and the final results will be published in an amended current report on Form 8-K/A to be filed within four business days after the final results are available. Any stockholder may also obtain the results from the Secretary, China Precision Steel, Inc., 18th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People’s Republic of China.

Except as set forth in our discussion below in "Certain Relationships and Related Transactions, and Director Independence," none of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Promoters and Certain Control Persons

We did not have any promoters at any time during the past five fiscal years.

Section 16(A) Beneficial Ownership Reporting Compliance

Under U.S. securities laws, directors, certain executive officers and persons holding more than 10% of our common stock must report their initial ownership of the common stock, and any changes in that ownership, to the SEC. The SEC has designated specific due dates for these reports. Based solely on our review of copies of such reports filed with the SEC, we believe that the required reports were filed on time in fiscal year 2009.

Company Code of Conduct and Ethics

Our board of directors has adopted a Code of Conduct and Ethics that applies to our directors, officers and employees. A copy of this policy is available via our website at <http://www.chinaprecisionsteelinc.com>.

CORPORATE GOVERNANCE

Our current corporate governance practices and policies are designed to promote stockholder value and we are committed to the highest standards of corporate ethics and diligent compliance with financial accounting and reporting rules. Our Board provides independent leadership in the exercise of its responsibilities. Our management oversees a system of internal controls and compliance with corporate policies and applicable laws and regulations, and our employees operate in a climate of responsibility, candor and integrity.

Corporate Governance Guidelines

We and our Board are committed to high standards of corporate governance as an important component in building and maintaining stockholder value. To this end, we regularly review our corporate governance policies and practices to ensure that they are consistent with the high standards of other companies. We also closely monitor guidance issued or proposed by the SEC and the provisions of the Sarbanes-Oxley Act, as well as the emerging best practices of other companies. The current corporate governance guidelines are available on the Company's website at <http://www.chinaprecisionsteelinc.com>. Printed copies of our corporate governance guidelines may be obtained, without charge, by contacting the Corporate Secretary, China Precision Steel, Inc., 18th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People's Republic of China.

The Board and Committees of the Board

Our board of directors currently consists of six members: Wo Hing Li, Hai Sheng Chen, Tung Kuen Tsui, Che Kin Lui, David Peter Wong and Daniel Carlson; Mr. Carlson serves as a non-executive, non-voting member of the board of directors. Our board of directors has established three committees: an audit committee, a compensation committee, and a nominating and governance committee. Each committee is comprised entirely of independent directors. From time to time, our board of directors may establish other committees. Our board of directors has adopted a written charter for each of the committees which is available on our website <http://www.chinaprecisionsteelinc.com>. Printed copies of these charters may be obtained, without charge, by contacting the Corporate Secretary, China Precision Steel, Inc., 18th Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, People's Republic of China.

Governance Structure

The Board believes the interests of all stockholders are best served at the present time through a leadership model that separates the roles of the Chairman of the Board of Directors and the Chief Executive Officer. On May 1, 2010, the Board appointed Hai Sheng Chen, to serve as Chief Executive Officer, in lieu of Wo Hing Li, who resigned from this position on the same day, but continues in his role as Chairman of the Board. We have chosen to implement such a governance structure to allow our Chief Executive Officer the ability to focus the majority of his time and efforts on the day to day operations of the Company. Each of our Chief Executive Officer and Board Chairman possesses an in-depth knowledge of the Company, its integrated operations, the domestic and international industry, and the array of challenges to be faced, gained through over 25 years of combined experience. The Board believes that these experiences and other insights put each of them in the best position to provide broad leadership for the Board as it considers strategy and as it exercises its fiduciary responsibilities to its stockholders. We believe that this governance structure will serve the Company's shareholders well in the coming years.

Further, the Board has demonstrated its commitment and ability to provide independent oversight of management. A majority of the Board is comprised of independent directors, and 100 percent of the Audit, Compensation, and Corporate Governance committees are independent. Each independent director has access to the Chief Executive Officer and other Company executives on request, may call meetings of the independent directors, and may request agenda topics to be added or dealt with in more detail at meetings of the full Board or an appropriate Board committee.

We encourage our stockholders to learn more about our Company's governance practices at our website, <http://www.chinaprecisionsteelinc.com>.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks facing the Company. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for the Company to be competitive on a global basis and to achieve its objectives.

While the Board oversees risk management, Company management is charged with managing risk. The Company has robust internal processes and a strong internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management program at least annually. Management communicates routinely with the Board, Board Committees and individual Directors on the significant risks identified and how they are being managed. Directors are free to, and indeed often do, communicate directly with senior management.

The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

- The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and the Company's ethics programs, including the Code of Business Conduct. The Audit Committee members meet separately with representatives of the independent auditing firm.
- The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

Independent Directors; Committees and Meetings

Our Board currently has three standing committees which, pursuant to delegated authority, perform various duties on behalf of and report to the Board: (i) Audit Committee, (ii) Compensation Committee and (iii) Corporate Governance and Nominating Committee. Each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are comprised entirely of independent directors. From time to time, the Board may establish other committees.

During the fiscal year ended June 30, 2009, each of our three committees met 4 times. Copies of the charters for each of our four standing committees may be obtained from our website at <http://www.chinaprecisionsteelinc.com>.

Audit Committee and Audit Committee Financial Expert

Tung Kuen Tsui, Che Kin Lui and David Peter Wong serve as members of the Company's Audit Committee, each of whom our Board determined to be "independent" as that term is defined by Rule 4200(a)(15) of the Nasdaq Marketplace Rules. Mr. Wong serves as chair of the Audit Committee.

The purpose of the audit committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The primary function of the audit committee is to oversee the Board by reviewing the financial information that will be provided to the stockholders and others, the preparation of our internal financial statements, and our audit and financial reporting process, including internal control over financial reporting. In addition, our audit committee is responsible for maintaining free and open lines of communication among the committee, the independent auditors and management. Our audit committee consults with our management and independent auditors before the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. The committee is also responsible for considering, appointing, and establishing fee arrangements with our independent auditors and, if necessary, dismissing them. It is not responsible for preparing our financial statements or for planning or conducting the audits.

Our Board of Directors has determined that David Peter Wong possesses the accounting or related financial management experience that qualifies him as financially sophisticated within the meaning of Rule 4350(d)(2)(A) of the Nasdaq Marketplace Rules and that he is an “audit committee financial expert” as defined by the rules and regulations of the SEC.

The Report of the Audit Committee regarding the audited financials statements of the Company for the fiscal year ended June 30, 2009 is located on Exhibit A to this Proxy Statement.

Compensation Committee

Our compensation committee consists of Tung Kuen Tsui, Che Kin Lui and David Peter Wong, each of whom are “independent” as that term is defined by Rule 4200(a)(15) of the Nasdaq Marketplace Rules. Our compensation committee assists the Board in reviewing and approving the compensation structure of our directors and executive officers, including all forms of compensation to be provided to our directors and executive officers. Our chief executive officer may not be present at any committee meeting during which his compensation is deliberated. Mr. Che Kin Lui serves as Chair of the compensation committee.

The compensation committee is responsible for, among other things:

- approving and overseeing the compensation package for our executive officers;
- reviewing and making recommendations to the Board with respect to the compensation of our directors;

Mr. Tung Kuen Tsui serves as Chair of the corporate governance and nominating committee.

The corporate governance and nominating committee is responsible for, among other things:

Director Qualifications

Directors are responsible for overseeing the Company’s business consistent with their fiduciary duty to shareowners. This significant responsibility requires highly-skilled individuals with various qualities, attributes and professional experience. The Board believes that there are general requirements for service on the Company’s Board of Directors that are applicable to all Directors and that there are other skills and experience that should be represented on the Board as a whole but not necessarily by each Director. The Board and the Governance and Nominating Committee of the Board consider the qualifications of Directors and Director candidates individually and in the broader context of the Board’s overall composition and the Company’s current and future needs.

Qualifications for All Directors

In its assessment of each potential candidate, including those recommended by shareowners, the Governance and Nominating Committee considers the nominee’s judgment, integrity, experience, independence, understanding of the Company’s business or other related industries and such other factors the Governance and Nominating Committee determines are pertinent in light of the current needs of the Board. The Governance and Nominating Committee also takes into account the ability of a Director to devote the time and effort necessary to fulfill his or her responsibilities to the Company.

The Board and the Governance and Nominating Committee require that each Director be a recognized person of high integrity with a proven record of success in his or her field. Each Director must demonstrate innovative thinking, familiarity with and respect for corporate governance requirements and practices, an appreciation of multiple cultures and a commitment to sustainability and to dealing responsibly with social issues. In addition to the qualifications required of all Directors, the Board assesses intangible qualities including the individual’s ability to ask difficult questions and, simultaneously, to work collegially.

The Board does not have a specific diversity policy, but considers diversity of race, ethnicity, gender, age, cultural background and professional experiences in evaluating candidates for Board membership. Diversity is important because a variety of points of view contribute to a more effective decision-making process.

Qualifications, Attributes, Skills and Experience to be Represented on the Board as a Whole

The Board has identified particular qualifications, attributes, skills and experience that are important to be represented on the Board as a whole, in light of the Company’s current needs and business priorities. The Company is a NASDAQ listed company that offers products in the steel industry in China. Therefore, the Board believes that a diversity of professional experiences in the steel industry, specific knowledge of key geographic growth areas, and knowledge of U.S. capital markets and of U.S. accounting and financial reporting standards should be represented on the Board. Set forth below is a tabular disclosure summarizing some of the specific qualifications, attributes, skills and experiences of our directors.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected Moore Stephens to serve as the independent registered public accounting firm of the Company for the fiscal year ending June 30, 2010. Moore Stephens was the Company's independent registered public accounting firm for the fiscal years ending June 30, 2009 and 2008. Prior to the appointment of Moore Stephens on November 29, 2007, Murrell, Hall, McIntosh & Co. PLLP ("Murrell") served as the Company's the independent registered public accounting firm for the fiscal years ended June 30, 2007 and 2006.

We are asking our shareholders to ratify the selection of Moore Stephens as our independent registered public accounting firm. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Moore Stephens to our shareholders for ratification as a matter of good corporate practice. In the event our shareholders fail to ratify the appointment, the Audit Committee may reconsider this appointment.

The Company has been advised by Moore Stephens that neither the firm nor any of its associates had any relationship with the Company other than the usual relationship that exists between independent registered public accountant firms and their clients during the last fiscal year. Representatives of Moore Stephens will be available via teleconference during the Meeting, at which time they may make any statement they consider appropriate and will respond to appropriate questions raised at the Meeting.

Independent Registered Public Accounting Firm's Fees

The following are the fees billed to us by our former auditors, Murrell, for services rendered to us during 2008, and by Moore Stephens, for services rendered to us during 2009 and 2008:

Tax Fees	\$ -	\$ 7,500
All Other Fees	\$ 3,000	\$ 15,855

"Audit Fees" consisted of the aggregate fees billed for professional services rendered for the audit of our annual financial statements and the reviews of the financial statements included in our Forms 10-Q and for any other services that were normally provided by Murrell and Moore Stephens, respectively, in connection with our statutory and regulatory filings or engagements.

"Audit Related Fees" consisted of the aggregate fees billed for professional services rendered for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and were not otherwise included in Audit Fees.

Included in such Other Fees were fees for services rendered by Murrell and Moore Stephens, respectively, in connection with our S3 registration statements and private and public offerings conducted during such years.

Our audit committee has considered whether the provision of the non-audit services described above is compatible with maintaining auditor independence and determined that such services are appropriate. Before auditors are engaged to provide us audit or non-audit services, such engagement is (without exception, required to be) approved by the audit committee of our board of directors.

Pre-Approval Policies and Procedures

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by our auditors must be approved in advance by our board of directors to assure that such services do not impair the auditors’ independence from us. In accordance with its policies and procedures, our board of directors pre-approved the audit service performed by Moore Stephens, Certified Public Accounts for our financial statements as of and for the year ended June 30, 2009.

The Board of Directors recommends a vote FOR ratification of the selection of Moore Stephens as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2010.
