Specifically, we have amended and adjusted our financial statements for the fiscal years ended December 31, 2009, 2008 and 2007 to reflect our acquisitions, in two separate transactions on January 15, 2010, of controlling interests in American Railcar Industries, Inc. We are also providing Selected Financial Data and Management’s Discussion and Analysis of Financial Condition and Results of Operations to reflect the acquisitions for all periods presented.

## Section 8 – Other Events

### Item 8.01 Other Events.

On January 15, 2010, we filed a Current Report on Form 8-K disclosing that on January 15, 2010, in two separate transactions, we acquired controlling interests in ARI and Viskase, which are each considered entities under common control.

As a result of the acquisitions of ARI and Viskase that occurred on January 15, 2010, our financial statements now include the results of ARI and Viskase effective when common control (over 50% ownership) has been achieved which for ARI was in May 1988 and for Viskase was in November 2006.

For accounting purposes, ARI’s and Viskase’s earnings for the period of common control up until our acquisition of the controlling interests in each of these companies on January 15, 2010 have been allocated to Icahn Enterprises GP, our general partner, and therefore are excluded from the historical computation of basic and diluted income per LP unit.

This Current Report on Form 8-K provides updated financial information for Item 8, “Financial Statements and Supplementary Data,” for the periods contained in our 2009 Annual Report on Form 10-K. Specifically, we have amended and adjusted our financial statements for the fiscal years ended December 31, 2009, 2008 and 2007 to reflect our acquisitions of ARI and Viskase. We are also providing Selected Financial Data and Management’s Discussion and Analysis of Financial Condition and Results of Operations to reflect the acquisitions for all periods presented.
