Item 1.01. Entry into a Material Definitive Agreement.

On September 16, 2010, SPO Medical Inc. (the "Company") raised aggregate gross proceeds of \$180,500 pursuant to a private placement of its securities (the "Private Placement"). The Company entered into subscription agreements with eight accredited investors (the "Investors"), pursuant to which the Company sold and issued to the Investors an aggregate of 6.016 units (the "Units") at a purchase price of \$30,000 per Unit. Each Unit is comprised of (i) 200,000 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), and (ii) a three-year warrant (the "Investor Warrant") to purchase 100,000 shares of the Company's Common Stock at a per share exercise price of \$0.25 per share.

A total of 1,204,000 shares of Common Stock were issued in the Private Placement. In addition, Investor Warrants to purchase a total of 602,000 shares of Common Stock at the exercise price of \$0.25 per share were issued pursuant to such closing.

The Company received net proceeds of \$163,640 after payment of \$15,660 of cash commissions and an expense allowance to the placement agent of the Private Placement (the "Placement Agent") and other offering expenses and related costs in connection with the Private Placement. In addition, the Company issued to the Placement Agent three-year warrants to purchase an aggregate of 216,720 shares of the Company's Common Stock, of which warrants for 144,480 shares are at an exercise price of \$0.15 per share and warrants for 72,240 shares are at an exercise price of \$0.25 per share. The warrants issued to the Placement Agent are referred to in this report collectively as the "Agent Warrants."

The Investor Warrants and Agent Warrants may be exercised in cash or pursuant to a net exercise provision if on or after the six month anniversary of issuance there is not an effective registration statement relating to the resale of the shares of Common Stock and the share of Common Stock issuable upon exercise of the Investor Warrants and the Agent Warrants. The exercise price of the Investor Warrants and the Agent Warrants is subject to adjustment for stock splits, stock dividends, recapitalizations and the like, and also provide for certain price protection anti-dilution provisions in the event of future issuances of Common Stock or Common Stock equivalents at less than \$0.15 per share (subject to certain customary exceptions). The Investor Warrants and Agent Warrants also are subject to a blocker that would prevent each holder's Common Stock ownership at any given time from exceeding 4.999% of the Company's outstanding Common Stock, which provision may be waived by the holder on 61 days prior written notice.

None of the Units, Investor Warrants or Agent Warrants, or the Common Stock issuable upon conversion or exercise thereof, has been registered under the Securities Act of 1933 and none may be offered or sold absent registration or an applicable exemption from registration.

Item 3.02. Unregistered Sales of Equity Securities.

The information disclosed in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

The sale and issuance of the Units, Investor Warrants and Agent Warrants (and the issuance of shares of Common Stock upon exercise or conversion thereof) have been determined to be exempt from registration under the Securities Act of 1933, in reliance on Section 4(2) thereof and Rule 506 of Regulation D promulgated thereunder as a transaction by an issuer not involving a public offering, in which the investors are accredited and have acquired the securities for investment purposes only and not with a view to or for sale in connection with any distribution thereof.
