Credit Facility

(PPL Corporation and PPL Energy Supply, LLC)

As previously announced, on June 21, 2010, PPL Energy Supply, LLC (“PPL Energy Supply”) entered into an Escrow Agreement with Wells Fargo, National Association, as Administrative Agent, and the Lenders referred to below, with respect to a \$4 billion Revolving Credit Agreement, to be dated and effective as of the Effective Date described below, among PPL Energy Supply, Wells Fargo, National Association, as Administrative Agent, Swingline Lender and Issuing Lender, and the other Lenders party thereto (the “Credit Agreement”). On October 19, 2010 (the “Effective Date”), the Credit Agreement became effective and replaced PPL Energy Supply’s (a) \$3.4 billion Second Amended and Restated Credit Facility dated as of May 4, 2007, which PPL Energy Supply terminated as of the Effective Date, and (b) \$400 million Amended and Restated 364-day Credit Agreement dated September 8, 2009, which terminated in September 2010 in accordance with its terms on its scheduled termination date.

The Credit Agreement allows for borrowings at market-based rates plus a spread, which is based upon PPL Energy Supply’s senior unsecured long-term debt rating. In addition, PPL Energy Supply may request certain Lenders under the Credit Agreement to issue letters of credit, which issuances reduce available borrowing capacity. PPL Energy Supply intends to use this credit facility for general corporate purposes of PPL Energy Supply and its affiliates, including for working capital purposes, for making investments in or loans to affiliates, and as a commercial paper backstop. In addition, PPL Energy Supply intends to use proceeds of borrowings under the Credit Agreement to make loans to certain of its affiliates to provide interim financing of amounts required to pay a portion of the purchase price of PPL Corporation’s previously announced approximately \$7.6 billion acquisition (“Acquisition”) of E.ON U.S. LLC, the owner of Louisville Gas and Electric Company and Kentucky Utilities Company, from E.ON AG. Closing of the Acquisition is subject, among other things, to receipt of required regulatory approvals and is expected to occur during the fourth quarter of 2010. PPL Energy Supply will pay customary commitment and letter of credit issuance fees under the Credit Agreement.

The Credit Agreement contains a financial covenant requiring PPL Energy Supply’s debt to total capitalization to not exceed 65% (as calculated pursuant to the Credit Agreement), and other customary covenants. Failure to meet the covenants beyond applicable grace periods and certain other events, including the occurrence of a Change of Control (as defined in the Credit Agreement), could result in acceleration of due dates of any borrowings, cash collateralization of outstanding letters of credit and/or termination of the Credit Agreement. The Credit Agreement also contains certain customary representations and warranties that must be made and certain other conditions that must be met for PPL Energy Supply to borrow or to cause the Issuing Lender to issue letters of credit.

Under certain conditions, PPL Energy Supply may request that the facility’s principal amount be increased by up to \$500 million.

Section 9 - Financial Statements and Exhibits

Item 9.01 Financial Statements and Exhibits

(d) Exhibits

10.1 \$4,000,000,000 Revolving Credit Agreement, dated as of October 19, 2010, among PPL Energy Supply, LLC, the Lenders party thereto and Wells Fargo Bank, National Association, as Administrative Agent, Swingline Lender and Issuing Lender.
