(a) Such Seller has all necessary power and authority under all applicable provisions of applicable law to execute and deliver this Agreement and to carry out the provisions hereof. All action on such Seller's part required for the lawful execution and delivery of this Agreement has been taken as of the date hereof.

(b) This Agreement has been duly and validly executed and delivered by such Seller, and constitutes the valid and binding agreement of such Seller, enforceable against such Seller in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and/or (ii) as limited by general principles of equity that restrict the availability of equitable remedies.

(c) The execution, delivery and performance of this Agreement by such Seller will not: (i) contravene any law, rule or regulation of any state or of the United States, or any order, writ, judgment, injunction, decree, determination or award, or cause the suspension or revocation of any authorization, consent, approval or license, presently in effect that affects or binds such Seller; or (ii) conflict with or result in a material breach of or default under any indenture or loan or credit agreement or any other agreement or instrument to which such Seller is a party or by which such Seller or its, his or her properties may be affected or bound.

(d) The number of Shares set forth next to such Seller's name on Schedule 1 hereto are owned of record and beneficially by such Seller free and clear of any and all restrictions on transfer (other than restrictions on transfer under applicable state and federal laws), taxes, liens, encumbrances, options, warrants, purchase rights, contracts, commitments, equities, claims, and demands; and such Seller is not a party to any option, warrant, purchase right, or other contract or commitment that could require such Seller to sell, transfer, or otherwise dispose of its, his or her Shares (other than pursuant to this Agreement).

(e) The Assignment Separate from Certificate/s (defined below) and the other instruments executed and delivered by such Seller to the applicable Purchaser/s pursuant to Section 7.1(d) will be valid and binding obligations of such Seller, enforceable in accordance with their respective terms, and will effectively vest in the applicable Purchaser/s good, valid and marketable title to the Shares to be transferred by such Seller to the applicable Purchaser/s pursuant to and contemplated by this Agreement, free and clear of all encumbrances whatsoever, other than those that may be created by the applicable Purchaser/s.

(g) Such Seller has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of its, his, or her Shares and has independently and without reliance upon the Purchasers or their agents made its, his or her own analysis and decision to sell the Shares.

5. Representations & Warranties of Purchasers. Each Purchaser hereby, for itself and for no other Purchaser, represents and warrants to each of the Sellers as of the date hereof and as of the Closing Date, that:
- (a) Such Purchaser has all necessary power and authority under all applicable provisions of law to execute and deliver this Agreement and to carry out the provisions hereof. All action on such Purchaser's part required for the lawful execution and delivery of this Agreement has been taken as of the date hereof.
  - (b) This Agreement has been duly and validly executed and delivered by such Purchaser, and constitutes the valid and binding agreement of such Purchaser, enforceable against such Purchaser in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and/or (ii) as limited by general principles of equity that restrict the availability of equitable remedies.
  - (c) The execution, delivery and performance of this Agreement by such Purchaser will not: (i) contravene any law, rule or regulation of any state or of the United States, or any order, writ, judgment, injunction, decree, determination or award, or cause the suspension or revocation of any authorization, consent, approval or license, presently in effect that affects or binds such Purchaser; or (ii) conflict with or result in a material breach of or default under any indenture or loan or credit agreement or any other agreement or instrument to which such Purchaser is a party or by which such Purchaser or its properties may be affected or bound.
  - (d) The Shares being acquired by such Purchaser are being acquired for investment for such Purchaser's own account only, and not with a view to, or for resale in connection with, any "distribution" of such Shares within the meaning of the Securities Act.
  - (e) Such Purchaser has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the purchase of Common Stock and independently and without reliance upon the Sellers or their agents has made its own analysis and decision to purchase the number of Shares set forth next to its name on Schedule 2 hereto.
  - (f) Such Purchaser is sophisticated and experienced in evaluating the merits and risks involving an investment in Common Stock. Such Purchaser has the ability to bear the economic risks of its purchase of Common Stock and has independently and without reliance upon the Sellers or their agents made its own analysis and decision to acquire the Shares set forth next to its name on Schedule 2 hereto.
  - (g) The Purchaser's address set forth on the signature page hereto represents the Purchaser's true and correct state of domicile upon which the Seller may rely for the purpose of complying with any applicable state securities laws.

6. Additional Acknowledgements & Covenants by the Sellers. Each Seller further acknowledges and agrees that the Purchasers may now possess nonpublic information concerning the Company not known to such Seller, including, without limitation, information which the Purchasers may have received from the Company on a confidential basis or information received from other sources (the “Confidential Information”). Such Confidential Information may include certain forecasts and projections and information relating to the transactions the Company may be conducting. The Confidential Information may or may not be material, may or may not have been publicly disclosed by or on behalf of the Company, and may or may not be available to such Seller from sources other than the Purchasers. Such Seller acknowledges that such information may be material to such Seller’s decision to sell the Shares, and that if such information was made known to such Seller, it could cause such Seller to not proceed with, or delay the timing of, the sale of its, his or her Shares, or could cause such Seller to change the terms and conditions, including the Purchase Price, of the sale of its, his or her Shares. Such Seller, on behalf of itself and its directors, officers, trustees, shareholders, employees, beneficiaries, attorneys, agents, representatives, partners, limited partners, investors, affiliates, heirs, successors and assigns, to the maximum extent permitted by applicable law, hereby:

(i) agrees that neither the Purchasers nor any of their affiliates nor any of Purchasers’ or their affiliates’ respective current or former directors, officers, managers, members, partners (general or limited), employees, beneficiaries, attorneys, agents or representatives (collectively, the “Purchaser Released Parties”) shall have any liability to such Seller or its current or former directors, officers, trustees, employees, beneficiaries, attorneys, agents, representatives, partners, limited partners, investors, heirs, shareholders, with respect to, based upon, arising from, resulting from, or relating to directly or indirectly the existence, substance, possession, disclosure, or nondisclosure of any Confidential Information whatsoever, whether arising directly or indirectly, primarily or secondarily, by contract or operation of law or otherwise, including, without limitation, as a matter of contribution, indemnification, set-off, rescission, or reimbursement;

(ii) waives, to the maximum extent permitted by law, any right, claim or cause of action at law or in equity with respect to, arising from, based upon, resulting from or relating to directly or indirectly the existence, substance, possession, disclosure or nondisclosure of any Confidential Information, including, without limitation, pursuant to Sections 10(b) and 20A of the Securities Exchange Act of 1934 as amended (the “Exchange Act”), or the rules and regulations promulgated by the Securities and Exchange Commission under the Exchange Act, or of any state statute or regulation, and relinquishes all rights and remedies accorded by applicable law to a purchaser of securities with respect to the Shares to the maximum extent permitted by law, as well as all rights to participate in any claim, action or remedy others may now or hereafter have with respect to the foregoing; and

(iii) forever releases and discharges the Purchaser Released Parties of and from any and all suits, demands, obligations, liabilities, claims and causes of action, contingent or otherwise, of every kind and nature, at law and in equity, whether asserted, unasserted, absolute, contingent, known or unknown, which such Seller or its directors, officers, trustees, shareholders, employees, beneficiaries, attorneys, agents, representatives, partners, members, limited partners, investors, affiliates, heirs, successors and/or assigns may have against the Purchaser Released Parties, or any of them, to the extent arising from, relating to, based upon, resulting from, relating to directly or indirectly, or in connection with the existence, substance, possession, disclosure or nondisclosure of any Confidential Information.

(iv) waives any and all protections afforded by any state or federal statute or regulation that would, if enforced, have the effect of limiting the enforceability or effectiveness of the foregoing releases or other foregoing provisions of this Agreement.

7. Conditions to Purchase and Sale of the Shares.

7.1 Conditions to Obligations of Purchasers. The obligations of the Purchasers to purchase the Shares are subject to the fulfillment or waiver of each of the following conditions on or before the Closing Date:

8. Miscellaneous.

(a) Governing Law. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of law.

(b) Entire Agreement; Enforcement of Rights; Amendment. This Agreement, together with any appendices hereto, sets forth the entire agreement and understanding of the parties relating to the subject matter herein and merges all prior discussions between them. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing signed by the parties to this Agreement. The failure by a party to enforce any rights under this Agreement shall not be construed as a waiver of any rights of such party. No amendment or waiver of this Agreement will be effective with respect to any party unless made in writing and signed by the parties hereto.

(c) Construction. This Agreement is the result of negotiations between and has been reviewed by each of the parties hereto and their respective counsel, if any; accordingly, this Agreement shall be deemed to be the product of all of the parties, and no ambiguity shall be construed in favor of or against any one of the parties.

Notwithstanding the foregoing, the parties acknowledge that the other parties may make any press release or similar announcement reasonably required so as to allow such party or any of its affiliates to comply with the disclosure requirements of any applicable securities laws.

(g) **Attorneys' Fees.** If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

(h) **Delays or Omissions.** No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, shall impair any such right, power or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, nor an acquiescence therein, nor a waiver of or acquiescence in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permission, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. (k) Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled to seek specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity.

(l) Successors and Assigns. The terms of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns; provided, however, this Agreement will be assignable by Purchaser only with the prior written consent of Seller.

The arbitration called for herein shall be held at the Washington D.C. office of JAMS or, if such proceeding cannot be lawfully held in such location, as near thereto as applicable law permits. (o) Word Usage. Unless the context of this Agreement clearly requires otherwise, (a) the masculine, feminine, and neuter genders shall each be deemed to include the others; (b) "shall," "will," "must," or "agrees" are mandatory, and "may" is permissive; (c) "or" is not exclusive; and (d) "includes" and "including" are not limiting.

(q) Transaction Expenses. The parties shall be responsible for their own fees and expenses related to the transactions contemplated by this Agreement.
