Hilltop is a limited partnership of which Mr. Silver is the managing partner.

(b) The address of the Reporting Persons is 80 Columbus Circle PH76A, New York, New York 10023.

(d) and (e) The Reporting Persons have not, during the last five years, been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (b) parties to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which he or it is or was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

Pursuant to a Securities Purchase Agreement, dated as of March 18, 2005 (the “Purchase Agreement”), among the Issuer, Sherleigh and Joseph J. Grano, Jr., in March 2005, Sherleigh purchased from the Issuer 533,333 shares of Common Stock and Series A Warrants to acquire 266,667 shares of Common Stock for a purchase price of \$426,664. Thereafter, during the period of August 2005 through January 2006, Sherleigh acquired, pursuant to the Purchase Agreement, 800,000 additional shares of Common Stock and additional Series A Warrants to acquire 400,000 shares of Common Stock for an aggregate purchase price of \$639,667. Then in March 2006, pursuant to the Purchase Agreement, as amended, Sherleigh acquired 3 shares of the Issuer’s Series A Convertible Preferred Stock (the “Preferred Stock”), Series B Warrants to acquire 12,000 shares of Common Stock and Series C Warrants to acquire 5,004,000 shares of Common Stock for a purchase price of \$24,000.

In March 2009, Sherleigh provided the Issuer with a short term loan in the amount of \$50,000 and received warrants to purchase up to 200,000 shares of Common Stock.

From May 2009 through February 2010, Hilltop purchased from the Issuer convertible notes (the “Convertible Notes”) in the aggregate principal amount of \$151,016.67. In connection, with the purchase of the Convertible Notes and as consideration for various extensions of the maturity dates thereof, during the period of May 2009 through February 2010, Hilltop was issued various warrants to purchase in the aggregate of 2,807,008 shares of Common Stock.

CUSIP No. 91090020

In October 2010, Mr. Silver acquired warrants to purchase 250,000 shares of Common Stock in payment in full of \$52,000 owed to Mr. Silver by the assignor of such warrants.

On January 14, 2011, Hilltop purchased from the holder thereof (a) Convertible Notes in the aggregate principal amount of \$150,850 and (b) various warrants to purchase in the aggregate of 3,007,217 shares of Common Stock, for an aggregate purchase price of \$75,000.00.

Pursuant to an agreement with the Issuer dated January 21, 2011, Hilltop purchased (a) an additional Convertible Note in the principal amount of \$100,000.00 and (b) warrants to purchase 1,111,111 shares of the Issuer's Common Stock, for an aggregate purchase price of \$100,000.00. In connection with the purchase of the additional Convertible Note and as consideration for the extension of the maturity date of the previously issued Convertible Notes, Hilltop was issued Warrants to purchase 3,959,894 shares of the Issuer's Common Stock.

In addition, Hilltop had the right to purchase at any time prior to June 30, 2011 (a) additional Convertible Notes in the principal amount of up to \$100,000.00 (the "Future Notes") and (b) for each \$10,000.00 of Future Notes purchased, additional warrants to purchase 111,111 shares of the Issuer's Common Stock. Hilltop did not exercise the right to purchase any of the Future Notes and hence, as of June 30, 2011, these rights expired.

The sources of funds used for each of the above described purchases by Sherleigh and Hilltop were their respective working capital. None of the funds used in connection with such purchases were borrowed by Sherleigh or Hilltop.

#### **Item 4. Purpose of Transaction.**

The Reporting Persons consider the Common Stock, the warrants, the Convertible Notes and the Preferred Stock that they beneficially own investments made in their ordinary course of business. As described below under Item 6, upon the occurrence of certain Triggering Events, Sherleigh as the holder of all of the outstanding shares of the Preferred Stock is entitled to designate and elect up to a majority of the members of the Issuer's board of directors. On January 18, 2008, Sherleigh exercised its right to designate a majority of the board under the terms of the Preferred Stock. As a result, Mr. Silver and Adam Hershey (who is an employee of SIAR Capital, LLC) have been elected to the board of directors of the Issuer. In addition, Mr. Silver was appointed as Chairman of the Board.

The Committee Notes beneficially owned by the Reporting Persons are in default. Therefore, the Reporting Persons have been in discussions with the Issuer and other holders of convertible securities regarding extending the term of the Convertible Notes, which may result in the issuance of additional securities of the Issuer.

The Reporting Persons intend to review on a continuing basis their investment in the Issuer, including the Issuer's business, financial condition and operating results, general market and industry conditions and other investment opportunities and, based upon such review, acquire additional shares of Common Stock or other securities of the Issuer, or dispose of the shares of Common Stock or other securities of the Issuer, in each case, in the open market, in privately negotiated transactions or in any other lawful manner.

CUSIP No. 91090020

Except as set forth herein, the Reporting Persons have no present plan or proposal that relates to or would result in any other action specified in clauses (a) through (j) of Item 4 of Schedule 13D.

**Item 5. Interest in Securities of the Issuer.**

(a) As of the date hereof, the Reporting Persons beneficially own 17,163,748 shares of Common Stock, representing 37.0% of the outstanding shares of Common Stock (based upon 31,504,449 shares of Common Stock outstanding as of February 14, 2011, as reported in the Issuer's quarterly report on Form 10-Q for the quarter ended December 31, 2010). Such shares of Common Stock beneficially owned by the Reporting Person include: (i) 2,313,333 shares of Common Stock held by Sherleigh, (ii) 10,385,230 shares of Common Stock issuable upon exercise of warrants held by Hilltop, (iii) 4,465,185 shares of Common Stock issuable upon conversion of Convertible Notes in the aggregate principal amount of \$401,866.67 held by Hilltop, but excludes: (i) 200,000 shares of Common Stock issuable upon conversion of 3 shares of Preferred Stock held by Sherleigh, (ii) 200,000 shares of Common Stock issuable upon exercise of warrants held by Hilltop, and (iii) 5,632,667 shares of Common Stock issuable upon exercise of warrants held by Mr. Silver, which Preferred Stock and warrants provide that they may not be converted or exercised to the extent following the exercise or conversion thereof, the Reporting Persons would be deemed to beneficially own more than 9.99% of the total number of issued and outstanding Common Stock of the Issuer.

(b) The Reporting Persons have the sole power to vote or to direct the vote and to dispose or direct the disposition of all of the securities reported herein.

(c) No transactions in the Common Stock were effected by the Reporting Persons in the last 60 days.

(d) and (e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of Issuer.**

*Securities Purchase Agreement*

Edgar Filing: SILVER JACK - Form SC 13D/A

As described above, pursuant to the Purchase Agreement, as amended by the First Amendment to Securities Purchase Agreement, dated as of January 26, 2006 and by the Second Amendment to Securities Purchase Agreement, dated as of March 9, 2006, Sherleigh purchased from the Issuer (a) 1,333,333 shares of Common Stock; (b) Series A Warrants to acquire 666,667 shares of Common Stock; (c) Series B Warrants to acquire 12,000 shares of Common Stock; (c) Series C Warrants to acquire 5,004,000 shares of Common Stock; and (d) 3 shares of Preferred Stock.

CUSIP No. 91090020

In addition, pursuant to the Purchase Agreement, as amended, and the Preferred Stock, upon the occurrence of a “Triggering Event” and during the “Period of Triggering Event”, the holders of the majority of the outstanding Preferred Stock have the right to designate up to a majority of the members of the Issuer’s board of directors. “Triggering Event” is defined as (i) failure of the Issuer to have gross revenues of at least \$5 million for the six month period ending September 30, 2006 or (ii) material breach by the Issuer of any of its representations, warranties, agreements or covenants contained in the Purchase Agreement and certain other agreements and instruments entered into in connection therewith. The Issuer failed to have gross revenues of at least \$5 million for the six months ended September 30, 2006, and thus a Triggering Event occurred. “Period of the Triggering Event” is defined as date commencing upon the occurrence of a Triggering Event and ending on the date the purchasers under the Purchase Agreement no longer hold in the aggregate at least 1,500,000 shares of Common Stock issued pursuant to the Purchase Agreement and issuable upon the exercise of any warrants issued pursuant to the Purchase Agreement or upon conversion of the Preferred Stock.

***Series A, Series B and Series C Warrants***

Each of the Series A, Series B and Series C Warrants originally provided that they may be exercised at any time prior to the five year anniversary date of the issuance of such warrants, for an exercise price of \$1.00 per share. The warrants also provide for cashless exercise at the option of the holder and anti-dilution protection in the event the Issuer is deemed to have issued shares of Common Stock for a price less than the exercise price.

In June 2008, the Issuer and Sherleigh agreed to extend the exercise period of the Series A, Series B and Series C Warrants to June 30, 2013. In February 2009, pursuant to the terms of the anti-dilution provisions contained in Series A, Series B and Series C Warrants, the exercise price of such warrants was reduced to \$.12; however, pursuant to an Anti-Dilution Waiver Agreement, dated February 13, 2009, Sherleigh agreed to waive portions of the anti-dilution provisions which would have increased the number of shares of Common Stock underlying such warrants.

Then, in October 2009, pursuant to the terms of the anti-dilution provisions contained in Series A, Series B and Series C Warrants, the exercise of such warrants was reduced further to \$.09; however, pursuant to an Anti-Dilution Waiver Agreement, dated October 31, 2009, Sherleigh agreed to waive portions of the anti-dilution provisions which would have increased the number of shares of Common Stock underlying such warrants.

***Series A Convertible Preferred Stock***

Each share of Preferred Stock earns dividends at the rate of 6% per annum of the Stated Value of \$8,000. Such dividends are payable from legally available funds on June 30th and December 30 of each year, or at the option of the holder, in shares of Common Stock at the then current conversion price.

Each share of Preferred Stock was originally convertible at a conversion price of \$1.00 per share into 8,000 shares of Common Stock at the option of the holder. Such conversion rate is subject to anti-dilution protections in the event the Issuer is deemed to have issued shares of Common Stock at a price less than the conversion price. In February 2009, pursuant to the terms of such anti-dilution provision, the conversion price of the Preferred Stock was reduced to \$.12 and each share of Preferred Stock became convertible into 66,667 shares of Common Stock. In October 2009, pursuant to the October 2009 Anti-Dilution Waiver Agreement, as well as Anti-Dilution Waiver Agreement, dated January 21, 2011, Sherleigh agreed to waive the anti-dilution provisions which would have resulted in the conversion price to be reduced to \$.09 per share.

CUSIP No. 91090020

The holders of the Preferred Stock have no voting rights except as required by law and except the right to designate and elect a majority of the Issuer's board of directors upon the occurrence of a Triggering Event, as described in Item 4 above.

In the event of a liquidation, dissolution or winding up of the Issuer's business, the holders of the Preferred Stock have a liquidation preference equal to \$8,000 per share of Preferred Stock plus all accrued but unpaid dividends thereon.

### ***Registration Rights Agreement***

In connection with the Purchase Agreement the Issuer, Sherleigh and the Mr. Grano entered into a Registration Rights Agreement, dated as of March 18, 2005 (the "2005 Registration Rights Agreement"). Pursuant to the 2005 Registration Rights Agreement, the Issuer agreed to file a registration statement registering the Common Stock issued pursuant to the Purchase Agreement and the Common Stock underlying the Series A Warrants, the Series B Warrants and the Preferred Stock.

In connection with the Second Amendment to Securities Purchase Agreement, the Issuer and Sherleigh entered into a Registration Rights Agreement, dated as of March 9, 2006 (the "2006 Registration Rights Agreement"). Pursuant to the 2006 Registration Rights Agreement, the Issuer agreed to file a registration statement registering the Common Stock underlying the Series C Warrants.

### ***Director Warrants***

On February 13, 2009, Mr. Silver and each of the other directors of the Issuer were granted warrants (the "Director Warrants") to acquire 150,000 shares of Common Stock at an exercise price of \$0.12 per share. Such warrants are exercisable for a period of ten years. The warrants also provide for cashless exercise at the option of the holder.

On August 24, 2010, Mr. Silver and each of the other directors of the Issuer were granted warrants (the "Additional Director Warrants") to acquire 250,000 shares of Common Stock at an exercise price of \$0.09 per share. Such warrants are exercisable for a period of ten years. The warrants also provide for cashless exercise at the option of the holder. On

October 22, 2010, pursuant to an Exchange Agreement, Mr. Silver acquired from one of the directors of the Issuer warrants to acquire 250,000 shares of Common Stock, which was issued in August 2010, in full satisfaction of a \$52,000.00 debt.

***Promissory Notes and Related Warrants***

In March 2009, Sherleigh purchased from the Issuer a note (the "March Note") in the principal amount of \$50,000 and warrants to purchase 200,000 shares of Common Stock at an exercise price of \$.125 per share.

CUSIP No. 91090020

In May 2009, the March Note was repaid in full, and Hilltop purchased from the Issuer a 12% Secured Convertible Note (the "May Note") in the stated principal amount of \$101,016.57 and warrants to acquire 400,000 shares of Common Stock. The May Note is convertible at \$.12 per share, is secured by substantially all of the assets of the Issuer and had an original maturity date of July 2009. The warrants issued in connection with the May Note have an exercise price of \$.12 per share. Thereafter, in July 2009, the maturity date of the May Note was extended for a period of one month and in consideration for such extension, Hilltop received warrants to purchase 204,054 shares of Common Stock at an exercise price of \$.12 per share.

In August 2009, Hilltop made a further loan in the amount of \$50,000 to the Issuer, and pursuant to an Agreement (the "October Agreement"), dated October 31, 2009, Hilltop received a 12% Secured Convertible Note (the "August Note") in the stated principal amount of \$50,000. The August Note is convertible at \$.09 per share, is secured by substantially all of the assets of the Issuer and had an original maturity date of January 2010. Hilltop also agreed to further extend the maturity date of the May Note to January 2010, and the conversion price of the May Note was reduced to \$.09 per share. In connection with the August Note and the extension of the maturity date of the May Note, Hilltop received warrants to purchase 400,000 shares of Common Stock at an exercise price of \$.09 per share.

In February 2010, pursuant to an Agreement (the "January 2010 Agreement"), dated as of January 29, 2010, Hilltop agreed to extend the maturity date of the May Note and the August Note for a period of one year. In consideration for the extension of the maturity date, Hilltop received warrants to purchase 1,802,954 shares of Common Stock at an exercise price of \$.222 per share.

In January 2011, Hilltop purchased from the holder thereof 12% Secured Convertible Notes in the stated principal amount of \$150,850 (the "Transferred Notes") and various warrants to purchase in the aggregate of 3,007,217 shares of Common Stock, for an aggregate purchase price of \$75,000.00. The terms of the Transferred Notes are substantially identical to those of the May Note and the August Note. Of the warrants acquired, 200,000 are exercisable at \$.125 per share, 603,717 are exercisable at \$.12 per share and 1,803,500 are exercisable at \$.22 per share.

In January 2011, Hilltop made an additional loan in the amount of \$100,000 to the Issuer, and pursuant to an agreement dated January 21, 2011 (the "January 2011 Agreement"), Hilltop received a 12% Secured Convertible Promissory Note (the "January Note") in the stated principal amount of \$100,000.00. The January Note is convertible at \$.09 per share, is secured by substantially all of the assets of the Issuer and has a maturity date of December 2011. Hilltop also agreed to further extend the maturity date of the May Note, the August Note and the Transferred Notes to December 2011. In connection with the January Note and the extension of the maturity date of the May Note, the August Note and the Transferred Notes, Hilltop received warrants to purchase 5,071,005 shares of Common Stock at an exercise price of \$.11 per share. In addition, pursuant to the January 2011 Agreement, Hilltop had the right to

purchase additional 12% Secured Convertible Notes in the principal amount of up to \$100,000.00 (the "Future Notes"), and for each \$10,000.00 of Future Notes purchased, warrants to purchase 111,111 shares of Common Stock with an exercise price of \$0.11 per share. These rights to purchase were not exercised and hence have expired.

CUSIP No. 91090020

Each of the warrants issued in connection with the March Note, the May Note, the August Note, the Transferred Notes and the January Note provide for cashless exercise at the option of the holder and are exercisable for a period of five years from the date of issuance.

*Consulting Agreement*

In September 2008, the Issuer entered into a Consulting Agreement with SIAR Capital, LLC (“SIAR”) pursuant to which the Issuer retained SIAR to provide management consulting services for a period of five (5) years, which was subsequently extended for an additional two (2) years. As compensation for the consulting services, the Issuer is required to pay an amount equal to two percent of the annual increase in the market capitalization of the Issuer during each twelve month period of the consulting term, as determined by the average closing price for the thirty trading days preceding the end of each such twelve month period as compared to the higher of (i) the average closing price for the thirty trading days preceding the end of the prior twelve month period (the “Base Year”) and (ii) the highest average closing price for the thirty trading days preceding the end of any prior Base Year, except that the market capitalization at the commencement of the consulting term shall be based on a price of \$.50 per share.

The foregoing summaries of the agreements and instruments are qualified in their entirety by reference to the copies of such agreements and instruments which are incorporated by this reference.
