QUESTIONS AND ANSWERS ABOUT THE MEETING

The Board recommends a vote:

FOR each of the seven nominated directors;

TABLE OF CONTENTS

Proposal 4: The determination, on an advisory basis, on the frequency of future say-on-pay votes requires the affirmative vote of the plurality of votes cast by the holders of our common stock present, or represented, at the Annual Meeting, assuming a quorum is present. In voting on this resolution, you should mark your proxy for one, two, or three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. If you do not have a preference you should abstain.

What constitutes a quorum?

In order to conduct our Annual Meeting, the presence in person or by proxy of holders of one-third of the shares entitled to vote at the Annual Meeting will be necessary. This is known as a quorum. Abstentions and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, referred to as broker non-votes, will count for purposes of establishing a quorum.

Who may vote at the Annual Meeting?

The record holders of our common stock as of the close of business on March 8, 2013 (the Record Date) are entitled to receive notice of, to attend, and to vote at the Annual Meeting or any adjournments thereof. Each outstanding share of our common stock is entitled to one vote upon each matter presented. As of the Record Date, there were 13,970,339 shares of the Company's common stock issued and outstanding held by 98 holders of record. A list of stockholders of record entitled to vote will be available for inspection by any record stockholder at our corporate headquarters at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona 85260 prior to and at our Annual Meeting.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, The Bank of New York Mellon (BONY), you are considered the stockholder of record with respect to those shares, and this Notice and Proxy Statement was sent directly to you by BONY and you received a proxy card.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in street name, and the Notice and Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. This Notice was sent to you by your brokerage firm, bank, broker-dealer, or other similar organization and you received the voting instruction form of that brokerage firm, bank, broker-dealer, or other similar organization.

How do I vote?

There are four ways to vote:

1. By completing and mailing the enclosed proxy card (applicable only to stockholders of record);
2. By following the instructions on the voting instruction form you received from your brokerage firm, bank, broker-dealer, or other similar organization (applicable only to beneficial holders);
3. Electronically via telephone at (800) 690-6903 or via the Internet at www.proxy.vote.com; or
4. By attending our Annual Meeting in person and submitting a written ballot.

Edgar Filing: America's Suppliers, Inc. - Form DEF 14A

If you are a beneficial owner and your broker holds your shares in its name, the broker is permitted to vote your shares on the proposal to ratify MaloneBailey, LLP as the Company's independent auditor even if the broker does not receive voting instructions from you.

If your shares are held in the name of a broker, bank or other holder of record, you are not entitled to attend our Annual Meeting or vote in person at our Annual Meeting unless you obtain a legal proxy from the broker, bank, trustee, or nominee that holds your shares giving you the right to vote the shares.

2

TABLE OF CONTENTS

What does it mean if I get more than one proxy?

It means your shares are held in more than one account. Please vote all proxies to ensure all your shares are counted.

Can I change my vote or revoke my proxy?

You can change your vote or revoke your proxy at any time prior to the Annual Meeting, by:

returning a later-dated proxy card;
voting in person at our Annual Meeting; or
notifying our Secretary by written revocation letter.

Any revocation should be filed at our corporate headquarters at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona 85260.

Attendance at our Annual Meeting will not in itself constitute revocation of a proxy. All shares entitled to vote and represented by properly completed proxies timely received and not revoked will be voted as you direct. If no direction is given, the proxies will be voted as the Board recommends.

Who conducts the proxy solicitation?

The Board is soliciting these proxies. We will bear the cost of the solicitation of proxies. Our regular employees may solicit proxies by mail, by telephone, personally or by other communications, without compensation apart from their normal salaries.

Who will count the votes?

The Board will appoint one or more persons to serve as the inspector(s) of elections to tabulate the votes cast by proxy or in person at the Annual Meeting. The inspector(s) of elections will also determine whether or not a quorum is present.

Do I have any appraisal rights in connection with any matter to be acted upon?

No. Our stockholders do not have appraisal rights in connection with any matter to be acted upon.

Who can help answer my questions?

If you have any questions about the Annual Meeting or the proposals to be voted on at the Annual Meeting, or if you need additional copies of this proxy statement or copies of any of our public filings referred to in this proxy statement, you should contact Michael Moore, the Company's Chief Financial Officer, at (877) 837-9569. RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board recommends that you vote **FOR** each of the director nominees.

BOARD INFORMATION AND DIRECTOR NOMINATION PROCESS

Number of Board Meetings During Fiscal 2012

The Board met five times during fiscal 2012, either telephonically or in person. Six of our directors attended all of the meetings of the Board held during the director's service or of any committee on which the director served during fiscal

2012; while one member attended 40% of the meetings of the Board. All seven members of the Board attended the 2012 Annual Meeting. Two directors are expected to attend the Annual Meeting.

Director Independence

Although the Company's securities are listed on the Over-the-Counter Bulletin Board and we are therefore not required to have a majority of independent directors, we apply the NYSE AMEX standard for independent directors to determine which, if any, of our directors are independent pursuant to such definition. The NYSE

6

TABLE OF CONTENTS

AMEX defines an independent director generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the Board would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director.

The Board has determined that Messrs. Baker, Pino, Gomes, Best, Bergren and Klapper are independent directors as defined under the Section 803(A) of the NYSE AMEX LLC Company Guide.

The Board has appointed members to two standing committees – the Audit Committee and the Compensation Committee. The members of the committees are identified in the following table.

Director	Audit	Compensation
Christopher Baker		Chair
Marc Joseph		
Vincent Pino	Chair	X
Justiniano Gomes	X	X
Eric Best		X
Byron L. (Bud) Bergren		
Paul Klapper		

Board Leadership Structure

Our Company is led by Mr. Baker, who has served as Chairman of the Board since 2010. We believe that having Mr. Baker act in this role is most appropriate for the Company at this time because it provides the Board with consistent and efficient leadership. Marc Joseph has served as the Company's Chief Executive Officer since 2010. Mr. Joseph increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board and its audit and compensation committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial reporting, succession, compensation, compliance, and other risks. The audit committee is tasked with oversight of financial and reporting and compliance risks and the compensation committee is tasked with oversight of compensation risks, while the Board as a whole oversees all other risks.

Board Committees

The Board has an Audit Committee and a Compensation Committee, each of which is a standing committee of the Board.

Audit Committee. The Company has established an Audit Committee and is charged with assisting and representing the Board in fulfilling its oversight responsibilities with respect to (i) assessing the integrity of the financial statements of the Company, (ii) our Company's compliance with legal and regulatory requirements, (iii) assessing the qualifications, independence and performance of our independent public accountants, (iv) accessing our Company's financial risks, and (v) performing our Company's internal audit function. The Audit Committee's current members are

Mr. Pino (Chairman) and Mr. Gomes. Each member of the committee satisfies the independence standards specified in Section 803(B) of the NYSE AMEX LLC Company Guide and the related rules of the SEC, and each member of the committee has been determined by the Board to be financially literate with accounting or related financial management experience. The Board has also determined that Mr. Pino is an audit committee financial expert as defined under SEC rules and regulations. The Board has adopted a charter for the Audit Committee, a copy of which is posted on our website at www.americassuppliers.com. The Audit Committee did not meet during fiscal 2012.

Compensation Committee. The purpose of the Compensation Committee is to (i) discharge the Board's responsibilities relating to compensation of the Company's directors and executives, (ii) produce an annual

TABLE OF CONTENTS

report on executive compensation for inclusion in the Company's proxy statement, as necessary, and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans. Mr. Baker (Chairman), Mr. Pino, Mr. Gomes and Mr. Best currently serve on the Compensation Committee. Mr. Pino, Mr. Gomes and Mr. Best each satisfy the independence standards specified in Section 803(A) of the NYSE AMEX LLC Company Guide. The Board has adopted a charter for the Compensation Committee, a copy of which is posted on our website at www.americassuppliers.com .. The Compensation Committee did not meet during fiscal 2012.

Compensation Committee Processes and Procedures. In assessing the compensation plans for executive officers and key employees, the Compensation Committee considers total compensation opportunities, both short- and long-term, while at the same time focusing on the Company's short- and long-term objectives.

Nominations of Directors

The Board does not have a standing nominating committee. When necessary, the Board as a whole performs functions equivalent to that of a nominating committee. In that capacity, the Board has no charter. For this reason the Board, (i) has no policy with regard to the nomination of candidates recommended by security holders; (ii) has developed no specific minimum qualifications that it believes must be met by a Board-recommended nominee for a position on the Board; (iii) has developed no specific qualities or skills that it believes are necessary for a member of the Board to possess; (iv) has no specific process for identifying and evaluating nominees for director and (v) does not have a policy with regard to the consideration of diversity in identifying director nominees.

PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected MaloneBailey, LLP, an independent registered public accounting firm, to audit our financial statements for our fiscal year ending December 31, 2013. MaloneBailey, LLP audited our financial statements for the fiscal years ended December 31, 2012 and 2011. Although stockholder approval of the selection of MaloneBailey, LLP is not required, the Board believes it is advisable to give stockholders the opportunity to ratify this selection. PROPOSAL 3 ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS (SAY-ON-PAY)

The Dodd-Frank Act Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act) and related SEC rules requires that our stockholders have the opportunity to cast an advisory (non-binding) vote on executive compensation, as well as an advisory vote with respect to whether future votes on executive compensation will be held every one, two or three years, which is the subject of Proposal 4 in this proxy statement.

For more information about the compensation that we paid to our named executive officers during fiscal 2012, as well as a description of our overall executive compensation philosophy and program, please refer to the Compensation Discussion and Analysis section of this Proxy Statement, as well as the compensation tables and accompanying narrative disclosures that follow such section.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our named executive officers and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee and the Board will consider the outcome of the vote when making future executive compensation decisions.

The compensation of our named executive officers (say-on-pay) will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked ABSTAIN with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such broker non-votes will not be deemed a vote cast.

Recommendation of the Board of Directors

The Board recommends a vote FOR approval, on an advisory basis, of the compensation of the Company's named executives, as disclosed in this Proxy Statement.

PROPOSAL 4 ADVISORY VOTE ON FREQUENCY OF FUTURE SAY-ON-PAY VOTES

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our named executive officers (say-on-pay). See Proposal No. 3 above in this Proxy Statement. The Dodd-Frank Act and applicable SEC rules also require that, at least once every six years, stockholders be given the opportunity to vote on the advisory resolution set forth immediately above regarding the frequency of future say-on-pay votes.

Stockholders may vote to recommend that future say-on-pay votes be held every year, every two years or every three years. There are advantages and disadvantages associated with each of the frequencies permitted under the Dodd-Frank Act and applicable SEC rules, including certain administrative, compliance and other corporate expenses.

Because the vote on this proposal is advisory in nature, it will not be binding on the Board. However, the Board of Directors will consider the outcome of the vote along with other factors when making its decision about the frequency of future say-on-pay votes.

Recommendation of the Board of Directors

The Board does not have a recommendation for this proposal.

TABLE OF CONTENTS

It is the duty of the Audit Committee to provide independent, objective oversight of our accounting functions and internal controls. The Audit Committee acts under a written charter that sets forth the audit-related functions we are expected to perform. Our functions are to:

serve as an independent and objective party to monitor America's Suppliers, Inc.'s financial reporting process and system of internal control structure;
review and appraise the audit efforts of America's Suppliers, Inc.'s independent registered public accounting firm; and
provide an open avenue of communication among the independent auditors, financial and senior management, and the Board.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate financial personnel. We regularly meet privately with the independent auditors, who have unrestricted access to the Audit Committee. We also recommend to the Board the appointment of the independent auditors and review periodically their performance and independence from management. Toward that end, we have considered whether the non-audit related services provided by America's Suppliers, Inc.'s independent auditors are compatible with their independence. In addition, we review our financing plans and report recommendations to the full Board for approval and to authorize action.

Management of America's Suppliers, Inc. has primary responsibility for the Company's financial statements and the overall reporting process, including its system of internal control structure. The independent auditors (a) audit the annual financial statements prepared by management, (b) express an opinion as to whether those financial statements fairly present America's Suppliers, Inc.'s financial position, results of operations, and cash flows in conformity with generally accepted accounting principles, and (c) discuss with the Company any issues they believe should be raised.

Our responsibility is to monitor and review these processes.

It is not our duty or responsibility to conduct auditing or accounting reviews or procedures. We are not employees of America's Suppliers, Inc. while serving on the Audit Committee. We are not and we may not represent ourselves to be or to serve as accountants or auditors by profession or experts in the fields of accounting and auditing. Therefore, we have relied, without independent verification; on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United

States of America and on the representations of the independent auditors included in their report on America's Suppliers, Inc.'s consolidated financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that the audit of the Company's consolidated financial statements has been carried out in accordance with generally accepted auditing standards or that America's Suppliers, Inc.'s independent accountants are, in fact, independent.

This year, we reviewed America's Suppliers, Inc.'s audited consolidated financial statements and met with both management and MaloneBailey, LLP, America's Suppliers, Inc.'s independent auditors, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with MaloneBailey, LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from America's Suppliers, Inc. We also discussed with MaloneBailey, LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

TABLE OF CONTENTS

In reliance on the reviews and discussions referred to above, we recommended to the Board that America's Suppliers, Inc.'s audited consolidated financial statements should be included in America's Suppliers, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2012.
