**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
OF FIRST KEYSTONE CORPORATION TO BE HELD ON MAY 6, 2014**

GENERAL INFORMATION

Introduction, Date, Time and Place of Annual Meeting

First Keystone Corporation (the “Corporation”), a Pennsylvania business corporation and registered bank holding company, furnishes this Proxy Statement in connection with the solicitation, by its Board of Directors, of proxies to be voted at the Annual Meeting of Shareholders (the “Annual Meeting”) and at any adjournment or postponement of the Annual Meeting. The Corporation will hold the meeting on Tuesday, May 6, 2014, at 10:00 a.m., Eastern Daylight Time, at the McBride Memorial Library, Community Room, 500 Market Street, Berwick, Pennsylvania 18603.

The principal executive office of the Corporation is located at First Keystone Community Bank (the “Bank”), 111 West Front Street, Berwick, P.O. Box 289, Pennsylvania 18603. The Bank is the sole, wholly-owned subsidiary of the Corporation. The telephone number for the Corporation and the Bank is (570) 752-3671. All inquiries should be directed to Matthew P. Prosseda, President and Chief Executive Officer of the Corporation and the Bank.

When we say “we”, “us”, “our” or the “Company”, we mean the Corporation on a consolidated basis with the Bank.

Solicitation and Voting of Proxies

By properly completing and returning your proxy card, a shareholder is appointing the proxy holders to vote his or her shares as the shareholder specifies on the proxy. If a shareholder signs the proxy but does not make any selection, the proxy holders will vote the proxy:

- **FOR** the election of the nominees for Class C Directors named in this Proxy Statement;
- **FOR** the ratification of the selection of BDO USA, LLP as the independent registered public accounting firm for the Corporation for the year ending December 31, 2014; and
- **FOR** the compensation of the named executive officers.

Although the Board of Directors (the “Board”) knows of no other business to be presented at the Annual Meeting, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board.

The execution and return of your proxy card will not affect your right to attend the Annual Meeting and vote in person.

The Corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Corporation may furnish shareholders in connection with the Annual Meeting. In addition to the use of the mail, directors, officers and employees of the Corporation and the Bank may solicit proxies personally, by telephone, or other electronic means. The Corporation will not pay any additional compensation for the solicitation. The Corporation will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners and will reimburse them for their reasonable forwarding expenses.

Revocability of Proxy

A shareholder who returns a proxy may revoke the proxy at any time before it is voted only:

- By executing a later-dated proxy; or
- By attending the Annual Meeting and voting in person.

Voting Securities, Record Date and Quorum

At the close of business on March 11, 2014, the Corporation had 5,521,325 shares of common stock outstanding, par value \$2.00 per share. Our common stock is the Corporation's only issued and outstanding class of stock. The Corporation also had 235,149 shares held in treasury, as issued but not outstanding shares on that date. The Corporation's Articles of Incorporation authorize the issuance of up to 20,000,000 shares of common stock and 1,000,000 shares of preferred stock. No shares of preferred stock are issued or outstanding.

Only shareholders of record as of the close of business on March 11, 2014, may vote at the Annual Meeting. Cumulative voting rights do not exist with respect to the election of directors. On all matters to come before the Annual Meeting, each shareholder is entitled to one vote for each share of common stock held on the record date.

Pennsylvania law and the bylaws of the Corporation require the presence of a quorum for each matter that shareholders will vote on at the Annual Meeting. The presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast constitutes a quorum for the transaction of business at the Annual Meeting. The Corporation will count votes withheld and abstentions in determining the presence of a quorum for a particular matter. The Corporation will not count broker non-votes in determining the presence of a quorum for a particular matter. A broker non-vote occurs when a broker nominee, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item, and has not received instructions from the beneficial owner. Those shareholders present, in person or by proxy, may adjourn the meeting to another time and place if a quorum is lacking.

Vote Required for Approval of Proposals

Assuming the presence of a quorum, the 3 nominees for director receiving the highest number of votes cast by shareholders will be elected. Votes withheld from a nominee and broker non-votes will not be cast for the nominee.

Assuming the presence of a quorum, ratification of the selection of BDO USA, LLP requires the affirmative vote of a majority of all votes cast by shareholders, in person or by proxy, on the matter. Abstentions and broker non-votes are not votes cast and do not count either for or against ratification. Abstentions and broker non-votes have the practical effect of reducing the number of affirmative votes required to obtain a majority vote for each matter by reducing the total number of shares voted from which the majority is calculated.

Advisory Vote on Executive Compensation

At the Corporation's 2011 Annual Meeting, the shareholders approved, on an advisory basis, the compensation of the named executive officers, as disclosed in the Corporation's Proxy Statement for the 2011 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission (the "SEC"), including the 2010 Summary Compensation Table and the other related tables and disclosures. The shareholders also voted to conduct an advisory vote on the Corporation's executive compensation for named executive officers every three years.

Accordingly, the Board has determined that the next shareholder advisory vote on executive compensation will take place at the Corporation's 2014 Annual Meeting, and the next shareholder advisory vote on the frequency by which shareholders will vote on executive compensation will take place at the 2017 Annual Meeting.

GOVERNANCE OF THE COMPANY

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote this purpose are sound and represent best practices.

Board Leadership Structure

The Corporation separates the roles of Chief Executive Officer ("CEO") and Chairman of the Board (the "Chairman") in recognition of the differences between the two roles. The CEO is responsible for setting the strategic direction for the Corporation and the day to day operation and performance of the Corporation, while the Chairman provides guidance to the CEO, sets the agenda for Board meetings and presides over meetings of the Board. Mr. Robert E. Bull, our Chairman, has been a director for over 52 years, including serving as Chairman for the past 32 years. The Board believes the separated roles of CEO and Chairman are in the best interest of shareholders because it promotes both strategic development and facilitates information flow between management and the Board, both essential for effective governance.

The Corporation's Board oversees all business, property and affairs of the Corporation. The Chairman and the Corporation's officers keep the members of the Board informed of the Corporation's business through discussions at Board meetings and by providing them with reports and other materials. The directors of the Corporation also serve as the directors of the Corporation's wholly-owned bank subsidiary, First Keystone Community Bank, upon election by the Corporation.

Currently, our Board has ten members. Based on the qualifications for independence established under the SEC and NASDAQ standards for independence, John E. Arndt, J. Gerald Bazewicz, Don E. Bower, Joseph B. Conahan, Jr., Jerome F. Fabian, and David R. Saracino meet the standards for independence. Only independent directors serve on our Audit Committee. As of October 1, 2013, J. Gerald Bazewicz meets the standards for independence and serves as an independent director on the Audit Committee.

In determining the Directors' independence, the Board considered loan transactions between the Bank and the directors, their family members and businesses with whom they are associated, as well as any contributions made to non-profit organizations with whom they are associated.

Risk Management

The Board's role in the Corporation's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Corporation, including operational, financial, legal and regulatory, and strategic and reputational risks. The Board receives reports from the various committees of the Board. When a committee presents a report to the full Board, the Chairman of the relevant committee leads the discussion. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. As part of its charter, the Audit Committee discusses the policies with respect to risk assessment and management.

Diversity

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Board has determined that they must have the right diversity. This includes the candidate's integrity, business acumen, age, experience, commitment, diligence, conflicts of interest and the ability to act in the interests of all shareholders. The Board seeks nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

CODE OF ETHICS

As required by law and regulation, in 2003 the Corporation adopted the Directors and Senior Management Code of Ethics (the "Code of Ethics") to be applicable to our directors and senior management. The Code of Ethics is posted on our website at www.firstkeystonecorporation.com, which we filed with the SEC as exhibit 14 on Form 8-K on August 27, 2013.

COMMITTEES OF THE BOARD OF DIRECTORS

The Corporation's Board of Directors has, at present, an Audit Committee.

Audit Committee. Members of the Audit Committee, during 2013, were David R. Saracino, Chairman, J. Gerald Bazewicz, Don E. Bower, and Jerome F. Fabian, each of whom the Board has determined satisfies the SEC and NASDAQ independence and audit committee qualification standards. As of October 1, 2013, J. Gerald Bazewicz satisfies the SEC and NASDAQ independence and audit committee qualification standards. The Audit Committee met four times during 2013.

The principal duties of the Audit Committee are set forth in its charter which is available on our website at www.firstkeystonecorporation.com under the governance documents menu. The duties include reviewing significant audit and accounting principles, policies and practices, reviewing performance of internal auditing procedures, reviewing reports of examination received from regulatory authorities and recommending annually, to the Board, the engagement of an independent registered public accounting firm.

The Board has determined that David R. Saracino is an “audit committee financial expert” and “independent” as defined under applicable SEC and NASDAQ rules in 2013. The Board deemed Mr. Saracino a “financial expert” as he possesses the following attributes:

- An understanding of financial statements;
- Proficiency in assessing the general utilization of such principles in connection with accounting for estimates, accruals and reserves;
- Lengthy experience preparing, auditing, analyzing and evaluating financial statements;
- Understanding of internal controls and procedures for financial reporting; and
- Understanding of audit committee functions.

Oversight of Executive Compensation and Director Nominations

During 2013, the Corporation did not have formal nominating or compensation committees. The Board determined that it is appropriate for the Corporation not to have a nominating or compensation committee in view of the Corporation’s relative size, stability of the Corporation’s Board, and the historic involvement of the entire Board in the director selection process and in the compensation process. Because there is no formal nominating or compensation committee, the Corporation does not have a formal charter for such committees.

COMMITTEES OF THE BANK

The Bank's Board maintains standing committees: trust, asset/liability management, marketing, loan administration, human resources, executive and building. The composition of these committees is described below:

Building Committee - This committee makes recommendations to the Board relating to the Bank's physical assets, including both current and proposed physical assets.

Board Meetings and Attendance

The members of the Board of the Corporation also serve as members of the Board of Directors of the Bank. During 2013, the Corporation's Board held 10 meetings. Each of the directors attended at least 75% of the combined total number of meetings of the Corporation's Board and the committees of which he is a member. Although there is no formal policy, all directors are expected to attend the Annual Meeting. All Directors attended the 2013 Annual Meeting.

SHAREHOLDER OR INTERESTED PARTY COMMUNICATIONS

The Board does not have a formal process for shareholders or interested parties to send communications to the Board. Due to the infrequency of shareholder or interested party communications to the Board, the Board does not believe that a formal process is necessary. Any shareholders or interested party may communicate with the Board by sending a letter to: First Keystone Corporation Board of Directors, c/o Corporate Secretary, 111 West Front Street, P.O. Box 289, Berwick, PA 18603. All communications so received from shareholders or other interested parties will be forwarded to the members of the Board or to the applicable director or directors if so designated by such person.

Shareholders or interested parties who have concerns regarding accounting, improper use of Corporation assets, or ethical improprieties may report these concerns to the Audit Committee by sending an email to David R. Saracino, Audit Committee Chairman, at auditcommitteechairman@fkcbank.com.

SHAREHOLDER PROPOSALS AND NOMINATIONS

If a shareholder wants us to include a proposal in the Proxy Statement for presentation at our 2015 Annual Meeting, the proposal must be received at our principal executive office at 111 West Front Street, P.O. Box 289, Berwick, Pennsylvania 18603, no later than November 25, 2014. Any proposal must comply with SEC regulations regarding the inclusion of shareholder proposals in Corporation-sponsored proxy materials. If a shareholder proposal is submitted to the Corporation after November 25, 2014, it is considered untimely; and, although the proposal may be considered at the Annual Meeting, the Corporation is not obligated to include it in the 2015 Proxy Statement.

The Corporation's Board nominates individuals for the position of director. Neither the Corporation nor the Bank has a nominating committee. A shareholder who desires to propose an individual for consideration by the Board as a nominee for director, should submit a proposal in writing to the Secretary of the Corporation in accordance with Section 10.1 of the Corporation's bylaws. Any shareholder who intends to recommend nomination of any candidate for election to the Board must notify the Secretary of the Corporation in writing not less than 45 days prior to the date of any meeting of shareholders called for the election of directors and must provide the specific information listed in Section 10.1 of the bylaws. You may obtain a copy of the Corporation's bylaws by writing to John E. Arndt, Secretary, First Keystone Corporation, 111 West Front Street, P.O. Box 289, Berwick, Pennsylvania 18603. Specifically, a shareholder who recommends a director candidate for consideration to the Board must provide the candidate's name, biographical data, and qualifications. A written statement from the candidate, consenting to be named as a candidate, and if nominated and elected to serve as a director, should accompany any such recommendation.

The process that the Board uses for identifying and evaluating nominees for director is as follows. When there is a vacancy on the Board, either through the retirement of a director or the Board's determination that the size of the Board should be increased, nominations to fill that vacancy are made by current directors on the Board. The name of any individual recommended by the directors is provided to Chairman Robert E. Bull, who contacts the prospective director nominee and generally meets with him or her. The members of the Board then may meet with the prospective director nominee. If a nominee is qualified and will make a positive addition to the Board, the Board then nominates the candidate.

PROPOSAL NO. 1: ELECTION OF CLASS C DIRECTORS

The Corporation's bylaws provide that its Board will manage the Corporation's business. Sections 10.2 and 10.3 of the bylaws provide that the number of directors on the Board will not be less than 7 nor more than 25 and that the Board will be classified into 3 classes, each class to be elected for a term of 3 years. Within the foregoing limits, the Board may, from time to time, fix the number of directors and their classifications. No person 75 years or older may serve as director, with the exception of Mr. Robert E. Bull. Section 11.1 of the bylaws require that a majority of the remaining members of the Board, even if less than a quorum, will select and appoint directors to fill vacancies on the Board, and each person so appointed will serve as director until the expiration of the term of office of the class of directors to which he or she was appointed.

Section 10.3 of the bylaws provides for a classified Board with staggered three-year terms of office. Accordingly, at the 2014 Annual Meeting, three Class C Directors will be elected to serve for a three-year term and until their successors are properly elected and qualified. The Board of the Corporation has nominated the current Class C Directors to serve as Class C Directors for the next three-year term of office. The nominees for reelection this year are as follows:

- Don E. Bower, director since 2001;
- Robert A. Bull, director since 2006; and
- Matthew P. Prosseda, director since 2012.

Each nominee has consented to serve a three-year term of office and until his successor is elected and qualified.

Unless otherwise instructed, the proxy holders will vote the proxies for the election of these 3 director nominees. If any nominee should become unavailable for any reason, proxies will be voted in favor of a substitute nominee named by the Board of the Corporation. A majority of the directors of the Corporation, in office, may appoint a new director to fill any vacancy occurring on the Board for any reason, and the new director will serve until the expiration of the term of the class of directors to which he or she was appointed.

The Corporation's Articles of Incorporation provide that cumulative voting rights do not exist with respect to the election of directors. Accordingly, each share of common stock entitles its owner to cast one vote for each nominee. For example, if a shareholder owns 10 shares of common stock, he or she may cast up to 10 votes for each director to be elected.

The Board of Directors recommends that shareholders vote **FOR** the election of the above-named director nominees.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Corporation's financial reporting process on behalf of the Board. In that connection, the committee, along with the Board, has formally adopted an audit committee charter setting forth its responsibilities.

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The committee reviewed with J.H. Williams & Co., LLP, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards. In addition, the committee has discussed with J.H. Williams & Co., LLP, their independence from management and the Corporation including the matters in written disclosures required by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T and considered the compatibility of non-audit services with the accountants' independence.

The committee discussed the overall scope and plans for their audits with the Corporation's internal auditors and J.H. Williams & Co., LLP. The committee meets with the internal auditors and J.H. Williams & Co., LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls and the overall quality of the Corporation's financial reporting. The Corporation believes that it has established appropriate policies and procedures to comply with requirements of the Sarbanes-Oxley Act of 2002. The committee held 4 meetings during fiscal year 2013.

The committee, among other things, discussed with J.H. Williams & Co., LLP matters relating to their independence, including their written disclosures made to the committee and their letter as required by applicable requirements of the Public Company Accounting Oversight Board regarding their communications with the Audit Committee concerning independence.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

The committee and the Board have approved the selection of BDO USA, LLP as the Corporation's independent accountants for 2014 as detailed in Proposal No. 2: Ratification of Independent Registered Public Accounting Firm.

¹Audit Fees include fees billed for professional services rendered for the audit of annual financial statement and fees billed for the review of financial statements included in the Corporation’s Forms 10-Q or services that are normally provided by J.H. Williams & Co., LLP in connection with statutory and regulatory filings or engagements.

²Tax Fees include fees billed for professional services rendered by J.H. Williams & Co., LLP for tax compliance. These services include preparation of Federal and State Annual Tax Returns for the Corporation and the Bank.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Corporation. J.H. Williams & Co., LLP served as the Corporation’s independent accountants for the year 2013. These services may include audit services, audit related services, tax services, and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent accountants. Under the policy, pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific Board approved budget. In addition, the Audit Committee may also pre-approve particular services on a case by case basis. For each proposed service, the independent accountant is required to provide a detailed engagement letter.

The committee is comprised of four directors, all of whom are considered “independent” as defined by SEC Rules and NASDAQ listing standards, including Mr. Bazewicz as of October 1, 2013. The Board has determined that no member of the committee has a relationship with the Corporation that should interfere with his independence from the Corporation or its management.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Board serves as the Compensation Committee for the Bank and develops the Bank's and the Corporation's executive compensation policy. The Board also determines the named executive officers' individual compensation. For the year 2013, the named executive officers were Matthew P. Prosseda, Kevin L. Miller, Diane C.A. Rosler, Elaine A. Woodland, and James S. Szewc. Mr. Miller resigned from the Corporation and the Bank on January 3, 2014.

Compensation Objectives and Program Design

For the fiscal year 2013, executive compensation included base salary, the opportunity for cash bonuses and the ability to participate in the Bank's health and welfare plans and the Bank's retirement plan.

The compensation program is designed to reward the named executive officers based on their level of assigned management responsibilities and individual performance levels.

The basic mission of the Corporation's executive compensation policy is to provide executives with a competitive compensation package that attracts and retains qualified executives while placing a portion of total pay at risk. The at risk element of compensation, the Management Incentive Compensation Plan, may have no value or may be worth less than the target value if goals are not met.

Executive Officers' Role in Determining Compensation

The Board, acting as the Compensation Committee, considers information provided by the Chief Executive Officer in determining the appropriate level of compensation for other named executive officers. Individual performance objectives are set by the Chief Executive Officer and a year-end appraisal on each named executive officer prepared by the Chief Executive Officer is reviewed by the Board. No named executive officer other than the Chief Executive Officer attends those portions of the Board meetings during which the performance of the other named executive officers is evaluated or their compensation is being determined.

The Chief Executive Officer is not present during the Compensation Committee's discussion of his performance and compensation.

Compensation Consultant

In 2013, a compensation consultant did not play a role in setting compensation or advising on specific compensation. The Compensation Committee reviewed the L. R. Webber Associates, Inc.'s 2013 Salary/Benefits for Financial Institutions Survey ("the Survey") to acquaint itself with current trends and practices in compensation.

Benchmarking

The Compensation Committee reviewed the data contained in the Survey. The Survey provides information in ranges by job position including certain executives. The peer group of financial institutions chosen by the Board for purposes of making a comparative analysis of executive compensation does include some of the same financial institutions incorporated in the peer group established to compare shareholder returns as indicated in the performance graph included in the Annual Report on Form 10-K.

The financial institutions chosen for the Survey included seventeen banks with assets generally between \$600 million and \$1 billion with headquarters located in Northeastern and Central Pennsylvania. They included:

- Citizens and Northern Bank (Wellsboro)
- Dime Bank (Honesdale)
- Ephrata National Bank (Ephrata)
- ESSA Bank & Trust (Stroudsburg)
- First Citizens Community Bank (Mansfield)
- First Columbia Bank and Trust Co. (Bloomsburg)
- First National Community Bank (Dunmore)
- Jersey Shore State Bank (Williamsport)
- Mid Penn Bank (Millersburg)
- Mifflinburg Bank and Trust Company (Mifflinburg)
- Muncy Bank and Trust Company (Muncy)
- National Penn Bank (Scranton)
- Northumberland National Bank (Northumberland)
- Penn Security Bank & Trust (Scranton)
- Peoples Neighborhood Bank (Hallstead)
- Peoples State Bank of Wyalusing (Wyalusing)
- Turbotville National Bank (Turbotville)

After reviewing the base salaries and benefits provided in the Survey, no adjustments to compensation were made in 2013, other than the normal annual salary increases. The goal of the Corporation is to compensate at approximately the average range mid-point for each job classification with the at risk portion of compensation to reward favorable overall bank earnings performance. The named executive officer positions were reviewed and three of the five fall below the mid-point range.

Shareholder Vote

The Compensation Committee reviewed and considered the shareholder response to the Say-On-Pay Vote at the 2011 Annual Meeting. For 2013, the Compensation Committee acknowledged and considered the shareholders' approval of the Corporation's and Bank's compensation policies and did not make any adjustments thereto.

Base Salary

The executive compensation established by the Compensation Committee is based upon its overall subjective assessment of the value of the services provided by each named executive officer with consideration given to

performance factors and peer group compensation information.

For the base salary paid to named executive officers other than the Chief Executive Officer, the Compensation Committee considers information provided by the Chief Executive Officer as to each executive officer's level of individual performance, contribution to the organization, scope of responsibilities, salary history and general market levels gathered from the Survey.

For the base salary paid to the Chief Executive Officer, the Compensation Committee, with the Chief Executive Officer not being present, considers his performance level, the results of management decisions made by him and the earnings of the organization. The Compensation Committee reviews the return on assets and return on equity when making the subjective determination of whether or not the Chief Executive Officer's base pay should be at the median, below the median, or above the median provided in the compensation survey. No particular weight is assigned to any of the foregoing individual performance factors and no specific performance targets are used in determining whether an increase in base salary is warranted.

Decisions regarding base salary are made without consideration of other forms of compensation provided. Bonuses are intended to provide additional incentive to the named executive officers to achieve a higher level of success. Adjusting the base salary to correspond with the amount of the bonuses would defeat the purpose of having at risk compensation.

Cash Bonuses

The purpose of the Management Incentive Compensation Plan (the “Plan”) is to provide incentives and awards to top management employees who, through high levels of performance, contribute to the success and profitability of the bank. Participation in the Plan is limited to the executive management team. This management team includes the following functional job titles: Chief Executive Officer, Chief Operating Officer, Senior Vice President and Chief Financial Officer, Executive Vice President and Director of Lending and effective January 1, 2013, the Vice President and Senior Trust Officer. The management incentive pool created after the achievement of a required budget net income is distributed to the executive management team as follows:

Chief Executive Officer	40 %
Chief Operating Officer	20 %
Senior Vice President and Chief Financial Officer	8 %
Executive Vice President and Director of Lending	8 %
Vice President and Senior Trust Officer	8 %

The Plan serves as a short-term incentive that aligns executive pay with the annual performance of the Corporation and is earned through the achievement of overall annual earnings objectives. It aligns management’s interests with those of the shareholders because, generally, the higher the net income for the year, the larger the bonuses paid to management. The Plan is also designed to support organizational objectives and financial goals, as defined by the Bank’s Strategic and Financial Plans, by making available additional, variable and contingent incentive compensation.

The Plan is also established to augment regular salary and benefits programs already in existence. It is not meant to be a substitute for salary increases, but as a supplement to salary, and, as stated earlier, as an incentive for performance that contributes to outstanding levels of achievement.

Under the Plan, the Board of Directors elected not to award bonuses for the year 2013.

Supplemental Employee Retirement Plan

The Supplemental Employee Retirement Plan (the “SERP”) rewards certain named executive officers for their long-term contributions to the bank. To encourage Mr. Prosseda and Ms. Woodland to continue their employment with the Corporation until retirement, the Compensation Committee believed it to be in the best interests of the Corporation and Bank to enter into salary continuation agreements with them. The agreements were also established to reward them for past and future services to the Corporation. The Compensation Committee believes the income benefit amounts are reasonable and consistent with the compensation standards of Section 39 of the Federal Deposit Insurance Company Improvement Act of 1991 and the related implementing regulations. Another benefit to the Bank from providing the SERP is that it contains a restrictive covenant prohibiting the executive from competing with the Bank while receiving benefits under the SERP, except after a change of control.

Employee Benefits Provided to Eligible Employees

All named executive officers participate in the Bank's retirement plan and health and welfare plans that are offered to other eligible employees of the Bank. Retirement and health and welfare benefits are not tied to Corporation, Bank, or individual performance. The cost of providing such benefits is not taken into account when determining specific salaries of the named executive officers and is seen as a cost of doing business.

Retirement Plan

The Compensation Committee believes that it is essential for employees to save for retirement and as such has provided all employees a vehicle through which to do so by maintaining a 401(k) plan, which has a combined tax qualified savings feature and profit sharing feature.

Health and Welfare Plans

Group life insurance, group disability, vision benefits and health insurance are available to all employees, as well as an IRS Section 125 plan. Such plans are standard in the industry and in the geographic area for all industries and necessary to compete for talented employees at all levels of the Corporation. Named executive officers participate in these plans under the same terms and conditions as other employees.

Health insurance premiums are partially paid by employees through payroll deductions for the employee share of the health care cost.

Triggering Events In Contracts

Presently, there are no named executive officers who are parties to employment or consulting agreements with the Corporation.

Under the SERP to which both Mr. Prosseda and Ms. Woodland are parties, the triggering events are change of control, retirement, disability, involuntary termination and death.

The Compensation Committee believes that the triggering events in these agreements are appropriate in that they encourage executives to act in the best interests of the shareholders in evaluating any change of control opportunities and it keeps the executives focused on running the Corporation in the face of real or rumored corporate transactions. The Compensation Committee also believes that it is appropriate to provide the named executive officers a benefit under the SERP in the event the executive becomes disabled and a benefit to his or her beneficiaries in the event of his or her death as consideration for the executive's past employment with the Bank. Additionally, as the SERP is a benefit upon which the executive will rely upon for retirement income, the Compensation Committee understands that it is important to provide the executive with a reduced benefit under the SERP if the executive is terminated without cause before retirement age.

Accounting and Tax Treatments

Sections 162(m) of the Internal Revenue Code generally limits the tax deductibility of compensation paid in one year to highly compensated employees to \$1 million. Given the current level of compensation, the Compensation Committee does not feel that it is necessary to have a formal policy with regard to Section 162(m). There were no accounting treatments which were considered in establishing the Compensation Policy.

Material Differences in Named Executive Officers' Compensation

The named executive officers are compensated based upon their respective position and longevity with the Bank. All named executive officers participate in the retirement and health insurance benefits provided to all employees on the same terms as all other employees. The difference in the named executive officers' base salary is premised upon their position, experience, and individual performance. Only Mr. Prosseda and Ms. Woodland are provided SERP agreements as a result of Mr. Prosseda's role as Chief Executive Officer and as a result of Ms. Woodland's role as Director of Lending of the Bank.

Conclusion

The Compensation Committee believes the amount and types of compensation provided to the named executive officers are competitive and appropriate for the Corporation to attain its short and long-term objectives and goals. The compensation programs are designed to provide an incentive to the named executive officers on both a short-term and long-term basis. The programs have been tailored by the Corporation so that the various elements of compensation align the interests of our shareholders and those of the named executive officers to maximize shareholder value.

Compensation Committee Report

The Board, acting as the Compensation Committee, has reviewed and discussed the Compensation Discussion and Analysis with management, and based on the review and discussions, the Board concluded that the Compensation Discussion and Analysis be included in the Corporation's Proxy Statement.

Compensation Committee Interlocks and Insider Participation

The Board, which includes Matthew P. Prosseda, President and Chief Executive Officer, functions as the Compensation Committee. For compensation paid to executive officers other than the Chief Executive Officer, the Board of Directors considers information provided by the Chief Executive Officer. For compensation paid to the Chief Executive Officer, the Board of Directors, with Mr. Prosseda not being present, determines his compensation, as outlined above under “Base Salary”.

None of the members of the Compensation Committee, with the exception of Matthew P. Prosseda, President and Chief Executive Officer, has served as an officer or employee of the Corporation or its subsidiary, nor did any of them have any relationship with the Corporation requiring disclosure under Item 404 of Regulation S-K of the SEC. In addition, none of our executive officers served as a director of another entity, or as a member of the Compensation Committee or other committee serving an equivalent function of another entity at any time during 2013.

Executive Compensation

During the beginning of 2013, the Board conducted a risk assessment of the Bank's compensation program. The Board concluded that the program is balanced, does not motivate imprudent risk taking, and is not reasonably likely to have a material adverse effect on the Bank.

The following table shows information concerning the annual and long-term compensation for services rendered in all capacities to the Corporation and the Bank for the fiscal year ended December 31, 2013 of those persons who were:

- all individuals who served as the Principal Executive Officer and Principal Financial Officer during 2013; and
- the other 3 most highly compensated named executive officers of the Corporation and the Bank at December 31, 2013 whose total compensation exceeded \$100,000.

The Bank maintains a 401(k) Plan which has a combined tax qualified savings feature and profit sharing feature. The plan provides benefits to employees who have completed at least one year of service and are at least 21 years of age. The plan agreement provides that the Bank will match employee deferrals to the plan up to 3% of their respective eligible compensations. Additionally, the Bank may make a discretionary profit sharing contribution annually to the plan. Contributions made by the Bank to the plan are allocated to participants in the same portion that each participant's compensation bears to the aggregate compensation of all participants. Each participant in the plan is 100% vested at all times. Benefits are payable under the plan upon termination of employment, disability, death or retirement.

Supplemental Employee Retirement Plan

The Corporation maintains a Supplemental Employee Retirement Plan (“SERP”) covering 2 of the Bank’s named executive officers, Matthew P. Prosseda and Elaine A. Woodland. The SERP, which is a salary continuation agreement, provides that if the executive officer continues to serve as an officer of the Bank until a stated retirement age of 62 years for Mr. Prosseda and 63 years for Ms. Woodland, the Bank will pay 240 guaranteed consecutive monthly payments for Mr. Prosseda and 180 guaranteed consecutive monthly payments for Woodland commencing on the first day of the month following the officer’s 62^d or 63rd birthday and the termination of employment in the amounts indicated below. The established retirement benefit under the SERP for Mr. Prosseda and Ms. Woodland will be \$4,167 per month, and \$2,083 per month, respectively, and is not subject to change.

If the executive officer attains their stated retirement age, but dies before receiving all of the guaranteed monthly payments, then the Bank will make the remaining payments to the officer’s beneficiary. In the event the officer dies while serving as an officer, prior to his or her stated retirement age, the Bank will remit the guaranteed monthly payment to the officer’s beneficiary commencing the month following the executive’s death. In the event of a change of control and the termination of the officer’s employment, the guaranteed monthly payments will commence the month following the executive’s termination of service. Generally, no benefit will be paid if the executive officer voluntarily terminates employment prior to attaining the stated retirement age or is terminated for cause.

The SERP allows the executive officers to achieve a retirement income percentage that is more consistent with their experience and years of service to the Bank. The plan objective is to provide the executive officers with a final wage replacement ratio of approximately 75% of projected final salary including projected benefits from the Bank 401(k) Plan, social security, and salary continuation provided through the agreement.

Related Person Transactions

Related person transactions are subject to approval by the Board of Directors.

In deciding whether to approve a related person transaction the following factors may be considered:

information about the goods or services proposed to be or being provided by or to the related party or the nature of the transactions;

- the nature of the transactions and the costs to be incurred by the Corporation or payments to the Corporation;
- an analysis of the costs and benefits associated with the transaction and a comparison of comparable or alternative goods or services that are available to the Corporation from unrelated parties; and
- the business advantage the Corporation would gain by engaging in the transaction.

To receive approval, the related person transaction must be on terms that are fair and reasonable to the Corporation, and that are as favorable to the Corporation as would be available from non-related entities in comparable transactions.

There have been no material transactions between the Corporation or the Bank, nor any material transactions proposed, with any director or executive officer of the Corporation or the Bank, or any associate of these persons. The Corporation and the Bank have engaged in and intend to continue to engage in banking and financial transactions in the ordinary course of business with directors and officers of the Corporation and the Bank and their associates on comparable terms and with similar interest rates as those prevailing from time to time for other customers of the Corporation and the Bank.

Total loans outstanding and commitments from the Corporation and the Bank at December 31, 2013, to the Corporation's and the Bank's named executive officers and directors as a group and members of their immediate families and companies in which they had an ownership interest of 10% or more was \$6,096,000, or approximately 6.3% the total equity capital. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the lender, and did not involve more than the normal risk of collectability or present other unfavorable features. All loans are current and being paid as agreed. The largest aggregate amount of indebtedness outstanding at any time during fiscal year 2013 to the named executive officers and directors of the Corporation and the Bank, and their affiliates as a group was \$6,742,000. The aggregate amount of outstanding indebtedness as of the latest practicable date, March 3, 2014, to the above described group was \$6,052,000.

**PROPOSAL NO. 2: RATIFICATION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

In 2013, all audit and tax fees associated with J.H. Williams & Co., LLP's services were approved by the Audit Committee.

J.H. Williams & Co., LLP served as the Corporation's independent accountants for the 2013 fiscal year, assisted the Corporation and the Bank with preparation of their federal and state annual tax returns, and provided assistance in connection with regulatory matters, charging the Bank for services at its customary hourly billing rates. Representatives of J.H. Williams & Co., LLP will attend the Annual Meeting of Shareholders, will have the opportunity to make a statement and are expected to be available to respond to any questions.

The Board has appointed BDO USA, LLP, Certified Public Accountants, located at 320 Market Street, 6th Floor, Harrisburg, Pennsylvania 17101, as the Corporation's independent registered public accounting firm for its 2014 fiscal year. The Board proposes that shareholders ratify this selection. BDO USA, LLP has advised the Corporation that none of its members has any financial interest in the Corporation. Ratification of BDO USA, LLP will require the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting by shareholders entitled to vote.

In the event that the shareholders do not ratify the selection of BDO USA, LLP as the Corporation's independent registered public accounting firm for the 2014 fiscal year, another accounting firm may be chosen to provide independent audit services for the 2014 fiscal year.

The Board of Directors recommends that the shareholders vote **FOR** the ratification of the selection of BDO USA, LLP as the independent registered public accounting firm for the Corporation for the year ending December 31, 2014.

CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

On February 11, 2014, the Audit Committee and the Board of Directors of the Corporation appointed BDO USA, LLP as the Corporation's new independent registered public accounting firm for and with respect to the year ending December 31, 2014 and dismissed J.H. Williams & Co., LLP from that role.

The reports of J.H. Williams & Co., LLP on the Corporation's financial statements as of and for the years ended December 31, 2012 and 2011 did not contain an adverse opinion or a disclaimer of an opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Corporation's two most recent fiscal years and the subsequent interim period preceding J.H. Williams & Co., LLP's dismissal, there were: (i) no disagreements with J.H. Williams & Co., LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of J.H. Williams & Co., LLP, would have caused it to make reference to the subject matter of the disagreements in its reports on the consolidated financial statements for the Corporation; and, (ii) no "reportable events", as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Corporation provided J.H. Williams & Co., LLP with a copy of the above disclosures prior to filing a Form 8-K prior with the U.S. Securities and Exchange Commission and requested to furnish to the Corporation a letter addressed to the SEC stating that it agrees with the statements made above. A copy of J.H. Williams & Co., LLP's letter dated February 13, 2014 was attached as Exhibit 16.1 to the Form 8-K filed on February 14, 2014.

During the Corporation's two most recently completed fiscal years and through the date of the Corporation's appointment of BDO USA, LLP, the Corporation did not consult with BDO USA, LLP regarding: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Corporation's consolidated financial statements, and no written or oral advice was provided by BDO USA, LLP that was an important factor considered by the Corporation in reaching a decision as to accounting, auditing, or financial reporting issues; or, (ii) any matter that was either the subject of a disagreement or event, as set forth in Item 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K.

PROPOSAL NO. 3: NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act")) and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder vote to approve, in a non-binding vote, the compensation of our named executive officers.

As described in detail under the heading "Compensation Discussion and Analysis" and "Executive Compensation," our executive compensation programs are designed to attract, incentivize and retain our named executive officers, who are critical to our success. We are asking our shareholders to indicate their support for our named executive officer compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we ask our shareholders to vote **FOR** the following resolution at the Annual Meeting:

"RESOLVED, that the Corporation's shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Corporation's Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the 2013 Summary Compensation Table and the other related tables and disclosure."

The say-on-pay vote is advisory, and therefore not binding on the Corporation or our Board of Directors. Our Board of Directors values the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our shareholders' concerns and will evaluate whether any actions are necessary to address those concerns.

Vote Required; Recommendation of the Board of Directors

The approval of the compensation of the named executive officers as disclosed in this Proxy Statement will be approved if a majority of the votes cast at the Annual Meeting are voted “FOR” this proposal. Abstentions and “broker non-votes” will not be counted as votes cast and therefore will not affect the determination as to whether this proposal is approved.

The Board recommends a vote FOR the compensation of the named executive officers as disclosed in this Proxy Statement.

Based solely on its review of copies of Section 16(a) forms received by it, or written representations from reporting persons that no Forms 5 were required for those persons, the Corporation believes that during the period January 1, 2013 through December 31, 2013, its officers, directors and reporting shareholders were in compliance with all filing requirements applicable to them.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Proxy Statement to the extent that a statement contained in another subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement.
