INFORMATION ABOUT VOTING

Who Can Vote at the Meeting. You are entitled to vote the shares of the Company's common stock that you owned as of the close of business on March 6, 2015. As of the close of business on March 6, 2015, 4,731,079 shares of Company common stock were outstanding. Each share of common stock has one vote.

Voting by Proxy. This proxy statement is being sent to you by the Board of Directors of the Company to request that you allow your shares of The Community Financial Corporation common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of the Company's common stock represented at the meeting by properly executed, dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote:

FOR each of the nominees for director;

FOR approval of The Community Financial Corporation 2015 Equity Compensation Plan;

FOR ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm; and

FOR the approval of the compensation of the named executive officers.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your common stock may also be voted by the persons named on the proxy card on the new meeting date, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the annual meeting.

Registered stockholders can vote their shares of The Community Financial Corporation common stock by mailing a proxy card, via the Internet or by telephone. Specific instructions for Internet or telephone voting are set forth on the enclosed proxy or voting instruction card. The Internet and telephone voting procedures are designed to authenticate stockholders' identities, allow stockholders to provide their voting instructions and confirm that their instructions have been recorded properly. The deadline for voting by telephone or via the Internet is 11:59 p.m., Eastern time, on May 3, 2015.

Ownership of Shares; Attending the Meeting. You may own shares of the Company in one of the following ways:

Directly in your name as the stockholder of record;

Indirectly through a broker, bank or other holder of record in street name; or

Indirectly in the Community Bank of the Chesapeake Employee Stock Ownership Plan.

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the annual meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or via the Internet. Please see the voting instruction form provided by your broker, bank or other holder of record that accompanies this proxy statement. If you hold your shares in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of The Community Financial Corporation common stock held in street name in person at the annual meeting, you must obtain

a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares.

2

If you participate in the Community Bank of the Chesapeake Employee Stock Ownership Plan, you will receive a voting instruction card that reflects all shares you may direct the plan trustees to vote on your behalf under the plan. Under the terms of the Employee Stock Ownership Plan, all allocated shares of Company stock held by the plan are voted by the trustees, as directed by plan participants. All unallocated shares of Company common stock held by the plan, and allocated shares for which no voting instructions are received, are voted by the trustees in the same proportion as shares for which the trustees have received timely voting instructions, subject to the exercise of their fiduciary duties. **The deadline for returning your voting instructions to the Employee Stock Ownership Plan trustees is April 27, 2015.**

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are represented at the meeting. If you return valid proxy instructions or attend the meeting in person, we will count your shares to determine whether there is a quorum, even if you abstain from voting. Broker non-votes (described below) also will be counted to determine the existence of a quorum.

Votes Required for Proposals. In voting on the election of directors, you may vote for all of the directors, vote against all directors or withhold your votes as to specific directors. The directors will be decided by the affirmative vote of a majority of the shares cast at the annual meeting.

In voting on the approval of The Community Financial Corporation 2015 Equity Compensation Plan, the ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm and on the non-binding resolution to approve the compensation of the named executive officers, you may vote in favor of the proposal, vote against the proposal or abstain from voting. All proposals will be decided by the affirmative vote of a majority of the shares cast at the annual meeting.

For all proposals, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on the proposals.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Item 1 of this proxy statement), the approval of The Community Financial Corporation 2015 Equity Compensation Plan (Item 2 of this proxy statement) and the approval of the non-binding advisory vote on executive compensation (Item 3 of this proxy statement). Current regulations restrict the ability of your bank or broker to vote your shares on these matters on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors and the approval of the non-binding advisory vote on executive compensation no votes will be cast on your behalf. These are referred to as broker non-votes. Your bank or broker will, however, continue to have discretion to vote any shares for which you do not provide voting instructions on the ratification of the appointment of the Company's independent registered public accounting firm (Item 2 of this proxy statement). If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

Revocation of Proxy. Stockholders who execute proxies retain the right to revoke them at any time. Unless revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company, by delivering a later-dated proxy or by attending the annual meeting and voting in person. Attendance at the annual meeting will not in and of itself constitute revocation of your proxy.

CORPORATE GOVERNANCE

Director Independence. The Company's Board of Directors currently consists of nine members, all of whom are independent under the listing requirements of The NASDAQ Stock Market, except for Michael L. Middleton and William J. Pasenelli, who are employees of the Company and the Bank. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading *Relationships and Transactions with the Company and the Bank*, including (1) legal services performed by the Jenkins Law Firm, LLC, of which Louis P. Jenkins, Jr. is a principal, and (2) loans or lines of credit that the Bank has directly or indirectly made to each of the directors on the Board.

Board Leadership Structure. The Company currently separates the offices of President and Chief Executive Officer and Chairman of the Board. Doing so allows the President and Chief Executive Officer to better focus on his responsibilities of managing the day-to-day operations of the Company, enhancing stockholder value and expanding and strengthening the franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and oversight of management. The Board also has created a Lead Director position to further enhance Board independence and oversight. Joseph V. Stone, Jr. is currently the Lead Director of the Board of Directors. Among other things, the Lead Director (1) presides at meetings of the Board at which the Chairman of the Board is not present, including executive sessions of the independent directors, and (2) may call meetings of the independent directors.

The Board's Role in Risk Oversight. Risk is inherent with every business and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, senior management attends the Board meetings and is available to discuss strategy and risks facing the Company and to address any questions or concerns raised by the Board on risk management and any other matters. The Board also provides strong oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Committees of the Board of Directors. The following table identifies the members of the Board's Audit, Enterprise Risk Management, Governance and Compensation Committees as of March 6, 2015. All members of each committee are independent in accordance with the listing requirements of The NASDAQ Stock Market. Each committee operates under a written charter, which is approved by the Board of Directors, that governs its composition, responsibilities and operation. Each committee reviews and reassesses the adequacy on its charter at least annually. The charters of the committees are available in the Shareholder Information portion of the *About Community Bank* section of the Company's website (www.cbtc.com).

Chairperson
Lead Director

Audit Committee. The Audit Committee engages the Company's independent registered public accounting firm and meets with them in connection with their annual audit and reviews the Company's policies and practices for accounting, financial reporting and regulatory reporting. Other responsibilities of the Audit Committee include engagement of compliance and internal audit providers and the review with management of reports issued by such parties. The Board of Directors has determined that the Audit Committee does not have a member who is an audit committee financial expert as defined under the rules and regulations of the Securities and Exchange Commission. While the Board has not designated any individual Board member as an audit committee financial expert, the Board believes the level of financial knowledge and experience of the current members of the Audit Committee, including the ability to read and understand financial statements, is cumulatively sufficient to discharge the Audit Committee's responsibilities.

Enterprise Risk Management Committee. The Enterprise Risk Management Committee assists the Board in its oversight responsibilities by focusing specifically on the Company's enterprise risk management activities including the significant policies, procedures and practices employed to manage capital adequacy, market risk, earnings, credit risk, liquidity, compliance, regulatory, legal, reputation, and strategic operational risk and by providing recommendations to the Board and management on strategic guidance with respect to the assumption, management and mitigation of risk.

Governance Committee. The Governance Committee is responsible for promoting sound corporate governance policies that promote the best interests of the Company and its stockholders. The Committee's responsibilities include: identification of director candidates; director education; recommendations on the size and composition of the Board and the boards of any subsidiaries, review of any shareholder proposals; monitoring of regulatory and statutory compliance; review of committee charters; and evaluations of Board oversight and effectiveness. The Governance Committee also annually reviews and recommends, in conjunction with the Compensation Committee, the appropriate level of director compensation.

Compensation Committee. The Compensation Committee approves the compensation objectives for the Company and the Bank and establishes the compensation for the Chief Executive Officer and other executives. Our Chief Executive Officer and Chief Administrative Officer make recommendations to the Compensation Committee from time to time regarding the appropriate mix and level of compensation for other executives. The Compensation Committee reviews compensation for the Company's executive officers to ensure an appropriate balance between short-term pay and long-term incentives. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the executive's total compensation package. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Compensation Committee also annually reviews and recommends, in conjunction with the Governance Committee, the appropriate level of director compensation.

Director Nomination Process. The Governance Committee selects nominees for election as directors. The Governance Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience in accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge and corporate governance. To accomplish this, the Governance Committee considers a candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would adequately represent the Company's market area. Any nominee for director must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Governance Committee solicits its current directors for the names of potential qualified candidates. The Governance Committee may also ask its directors to pursue their business contacts for the names of potentially qualified candidates. The Governance Committee would then consider the potential pool of director candidates, select the top candidates based on the candidates' qualifications and the Company's needs, and

conduct a thorough investigation of each proposed candidate's background. If a stockholder has submitted a proposed nominee in accordance with the procedures specified below, the Governance Committee would consider the proposed nominee, along with any other proposed nominees recommended by directors, in the same manner in which the Governance Committee would evaluate nominees for director recommended by the Board of Directors.

5

Consideration of Recommendations by Stockholders. The Governance Committee will consider recommendations for directors submitted by stockholders. Stockholders who wish the Governance Committee to consider their recommendations for nominees for director should submit their recommendations in writing to the Governance Committee in care of the Secretary, The Community Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Each written recommendation must set forth (1) the name of the recommended candidate, (2) the number of shares of stock of the Company that are beneficially owned by the stockholder making the recommendation and by the recommended candidate, and (3) a detailed statement explaining why the stockholder believes the recommended candidate should be nominated for election as a director. In addition, the stockholder making such recommendation must promptly provide any other information reasonably requested by the Governance Committee. To be considered by the Governance Committee for nomination for election at an annual meeting of stockholders, the recommendation must be received by the January 1 preceding that annual meeting.

Board and Committee Meetings. During 2014, the Board of Directors of the Company held 24 meetings. No director attended fewer than 75% of the meetings of the Board of Directors and Board committees on which they served in 2014.

Director Attendance at Annual Meeting of Stockholders. While the Company does not have a policy regarding Board member attendance at annual meetings of stockholders it encourages directors to attend the annual meeting of stockholders. All of the Company's directors attended the Company's 2014 annual meeting of stockholders.

Code of Ethics. The Community Financial Corporation maintains a Code of Ethics that is designed to ensure that the Company's directors and employees meet the highest standards of ethical conduct. The Code of Ethics, which applies to all employees and directors, addresses conflicts of interest, the treatment of confidential information, general employee conduct and compliance with applicable laws, rules and regulations. In addition, the Code of Ethics is designed to deter wrongdoing and promote honest and ethical conduct, the avoidance of conflicts of interest, full and accurate disclosure and compliance with all applicable laws, rules and regulations. Under the terms of the Code of Ethics, violations of the Code of Ethics are required to be reported to the Audit Committee of the Board of Directors. A copy of the Code of Ethics was filed as an exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

Directors Retirement Plan. The Bank maintains a retirement plan for non-employee members of the Board of Directors of the Bank (the *Directors Plan*). Under the *Directors Plan*, each eligible director of the Bank will receive an annual retirement benefit for ten years following his or her termination of service on the Bank's Board in an amount equal to the product of his *Benefit Percentage* and \$3,500. A participant's *Benefit Percentage* is 0% for less than five years of service, 33 1/3% for five to nine years of service, 66 2/3% for 10 to 14 years of service, and 100% for 15 or more years of service. If a participant terminates service on the Board due to disability, the Bank will pay the participant each year for ten years an amount equal to the product of his or her *Benefit Percentage* and \$3,500. If a participant dies before collecting either his or her retirement or disability benefit, the participant's surviving spouse or estate will receive a lump sum payment having a present value equal to five times the annual retirement benefit to which the participant was entitled, assuming the participant separated service on the date of death. If the participant dies after beginning to receive his or her retirement or disability benefits, the participant's surviving spouse or estate will receive a lump sum payment having a present value equal to the remaining benefits to which the participant was entitled from the date of death through the fifth annual payment thereafter. A participant will become fully vested in the event of a *change in control* (as defined in the *Directors Plan*) or upon separation from service on the Board after attaining the age 72 or incurring a disability.

The *Directors Plan* also establishes a deferred compensation program for participants, under which they may elect to defer all or any portion of the fees and/or salary otherwise payable. Deferred amounts may be invested in certain funds permissible under the Plan or may be credited quarterly and adjusted annually with a rate of return equal to the Company's return on equity for the calendar year, as determined under accounting principles generally accepted in the United States.

AUDIT RELATED MATTERS

Report of the Audit Committee. The Company's management is responsible for the Company's internal controls and financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

The Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standard No. 16, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence from the Company and its management. In concluding that the registered public accounting firm is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the firm were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examination, its evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm that, in its report, expresses an opinion on the conformity of the Company's financial statements to accounting principles generally accepted in the United States. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm is independent.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

Item 2 Approval of The Community Financial Corporation 2015 Equity Compensation Plan

At the annual meeting, our stockholders will be asked to approve The Community Financial Corporation 2015 Equity Compensation Plan (the 2015 Plan). The 2015 Plan was adopted by our Board of Directors on March 24, 2015, subject to stockholder approval.

The purposes of the 2015 Plan are to:

align the interests of our stockholders and recipients of awards under the 2015 Plan by increasing the economic interest of such recipients in the Company's growth and success;

advance the interests of the Company by attracting and retaining officers, other employees, and non-employee directors; and

encourage such persons to act in the long-term best interests of the Company and its stockholders.

The 2015 Plan reserved 400,000 shares of Company common stock to grant the following types of awards:

performance awards that can be settled in stock or cash;
restricted stock and restricted stock units (Stock Awards);
incentive stock options (within the meaning of Section 422 of the Internal Revenue Code);

15

non-qualified stock options; and
stock appreciation rights (SARs).

Our prior plan, the 2005 Equity Compensation Plan, expired on January 24, 2015. If stockholders do not approve the 2015 Plan, the Company will have no shares available for the award of equity compensation, resulting in the loss of an important compensation tool. As of March 6, 2015, stock options to purchase 87,435 shares of Company common stock with a weighted average exercise price of \$23.60 and remaining term of two years were outstanding under the prior plan.

Highlights of the 2015 Plan

Minimum Vesting Periods for Awards. Subject to limited exceptions, the 2015 Plan prescribes a one-year minimum vesting period for all awards.

Share Counting. The 2015 Plan provides that, if an award is forfeited or expires, the shares covered by the award will be available for future grant while shares withheld to cover taxes or used to pay the exercise price of stock options will not be available for future grant.

No Single-Trigger Vesting Upon a Change in Control. The 2015 Plan does not provide for vesting of equity awards based solely on the occurrence of a change in control, without an accompanying job loss.

No Repricing. The 2015 Plan prohibits repricing and exchange of underwater options and stock appreciation rights for cash or shares without shareholder approval.

The following is a summary of the material features of the 2015 Plan. This summary is qualified in its entirety by reference to the plan document, a copy of which is attached to this Proxy Statement as Appendix A and incorporated herein by reference.

Material Features of the 2015 Plan

Administration. The 2015 Plan will be administered by a committee designated by the Board of Directors (the Committee), consisting of two or more members of the Board. Each member of the Committee must be a non-employee director within the meaning of Rule 16b-3 under the Exchange Act of 1934, as amended (the Exchange Act).

Subject to the terms of the 2015 Plan, the Committee will have the authority to select eligible persons to receive awards and determine all of the terms and conditions of each award. All awards will be evidenced by an agreement containing provisions that are consistent with the 2015 Plan. The Committee will also have authority to establish rules for administering the 2015 Plan and to decide questions of interpretation or application of any provision of the 2015 Plan. The Committee may delegate some or all of its power and authority under the 2015 Plan to the Board, or one or more executive officers of the Company as the Committee deems appropriate, except that it may not delegate its power and authority to the Chief Executive Officer or any executive officer with regard to awards to persons who are subject to Section 16 of the Exchange Act.

Cancellation or Clawback of Awards. The Committee may, to the extent permitted by applicable law and stock exchange rules or by any of our policies, cancel or require reimbursement of any awards granted, shares issued or cash received upon the vesting, exercise or settlement of any awards granted under the 2015 Plan or the sale of shares underlying such awards.

Options. The 2015 Plan authorizes the grant of both incentive and non-statutory stock options, both of which are exercisable for shares of Company common stock. Incentive stock options can only be granted to our employees. The Board of Directors or the Committee will determine the exercise price at which a participant may exercise an option. Unless an individual award agreement provides otherwise, a participant may pay the option exercise price in the form

of cash or check. In addition, where the Board of Directors or the Committee and applicable laws, rules and regulations permit, a participant may also make payment: (1) by delivery of shares of Company common stock; (2) by shares of common stock withheld upon exercise; (3) by cashless exercise; or (4) a combination of these methods. At the time of grant, the Board of Directors or the Committee will determine the term and conditions of an option and the period or periods during which a

participant may exercise each option (which may not exceed ten years for incentive and non-statutory stock options or five years for incentive stock options with respect to an employee who owns more than 10% of the total combined voting power of all classes of our stock).

Stock Appreciation Rights. SARs under the 2015 Plan may be granted either in tandem or freestanding. Tandem SARs may be exercised only in connection with the exercise of the related option. Freestanding SARs may be exercised no later than ten years after the date of grant. Each grant of a freestanding SAR will specify an exercise price per share, which shall be equal to or greater than the fair market value of a share of Company common stock on the grant date.

Upon exercise of an SAR, the Company will pay the participant an amount equal to the difference between the fair market value of a share of common stock on the date of exercise and the exercise price per share (in the case of freestanding SARs) or the exercise price of the related option (in the case of tandem SARs). The amount payable upon exercise of the SAR may be paid in cash, shares of Company common stock or any combination thereof, in the Committee's discretion. SARs generally will not be transferable by the holder thereof other than by will or applicable laws of descent and distribution.

Stock Awards. The 2015 Plan provides for the grant of Stock Awards. The Committee may grant a Stock Award either as a restricted stock award or a restricted stock unit award. Except as otherwise determined by the Committee, Stock Awards will be non-transferable and subject to forfeiture if the holder does not remain continuously in the employment of the Company during the restriction period or if specified performance measures (if any) are not attained during the performance period.

Unless otherwise set forth in a restricted stock award agreement, the holder of shares of restricted stock awards will have rights as a stockholder of the Company, including the right to vote and receive dividends with respect to the shares of restricted stock. The agreement awarding restricted stock units will specify whether such award may be settled in shares of common stock, cash, or a combination thereof. Before settlement of a restricted stock unit, the holder of a restricted stock unit will have no rights as a stockholder of the Company with respect to such units.

Performance Awards. A performance award is a grant of a right to receive shares of Company common stock, which is contingent upon the achievement of performance or other objectives during a specified period. The Board of Directors or the Committee has the authority to determine the nature, length and starting date of the period during which a participant may earn a performance share and will determine the conditions that must be satisfied for a performance share to vest. These conditions may include specific performance objectives, continued service or employment for a specific period of time or a combination of conditions.

Other Awards. The Board of Directors or the Committee is authorized, subject to limitations under applicable law, to grant other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, the Company's common stock or factors that may influence the value of stock awards with value and payment contingent upon performance of the Company or other factors designated by the Board of Directors or the Committee. The Board of Directors or the Committee shall determine the terms and conditions of such awards.

Shares Available for Awards. Subject to adjustment as provided in the 2015 Plan, the 2015 Plan reserves a total of 400,000 shares of Company's common stock (representing 8.5% of our issued and outstanding shares as of the date of this proxy statement) for issuance pursuant to awards granted under the 2015 Plan. Shares granted under the 2015 Plan that are subject to an outstanding Award that is forfeited, expires, terminates, otherwise lapses or is settled for cash, in whole or in part, without the delivery of the Shares will again be available for issuance under the 2015 Plan. However, Shares tendered or withheld in payment of an exercise price or in respect of taxes related to Awards will not become

available for issuance under the 2015 Plan.

Eligibility. Our employees and directors are eligible to receive awards under the 2015 Plan.

Limitations on Transfer; Beneficiaries. Generally, participants may not assign or transfer awards, other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, by a qualified domestic relations order. The Committee may permit other transfers, however, where it concludes that a transfer will not accelerate taxation, will not cause any option intended to be an incentive stock option

to fail to qualify as such, and that a transfer is otherwise appropriate and desirable, taking into account any factors deemed relevant, including, without limitation, applicable state or federal tax or securities laws or regulations. In no event will it be permissible to transfer outstanding unexercised awards in exchange for value. A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and receive any distribution with respect to any award upon the participant's death.

Effect of Termination of Service and Change of Control. The Committee will determine the effect of a termination of employment or service on outstanding awards, including whether the awards will vest, become exercisable, settle or be forfeited. In the event of a Change in Control (as defined in the 2015 Plan attached hereto as Appendix A), the 2015 Plan provides for vesting of outstanding awards only upon a participant's termination of employment or service, other than for Cause, during the 12-month period following the Change in Control.

Adjustments. In the event of a stock split, a dividend payable in shares of Company common stock, or a combination or consolidation of the Company's common stock into a lesser number of shares, the 2015 Plan provides for the automatic proportionate adjustment of the share authorization limits, and the shares then subject to each award under the 2015 Plan, without any change in the aggregate purchase price for each award. If the Company is involved in another corporate transaction or event that affects its common stock, such as an extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the 2015 Plan will be adjusted proportionately and the Committee will adjust the 2015 Plan and outstanding awards as necessary to preserve the benefits or potential benefits of the awards.

Termination and Amendment. The Board of Directors or the Committee may, at any time and from time to time, terminate, modify or amend the 2015 Plan. Stockholders must approve amendments to the 2015 Plan that will materially increase the number of shares of stock issuable under the 2015 Plan, expand the types of awards provided under the 2015 Plan, materially expand the class of participants eligible to participate in the 2015 Plan, materially extend the term of the 2015 Plan, reduce the exercise price of stock options or otherwise constitute a material amendment requiring stockholder approval under applicable stock market or stock exchange listing requirements, laws, policies or regulations. In addition, the Board of Directors or the Committee may condition any amendment on the approval of the stockholders for any other reason. No termination or amendment of the 2015 Plan may adversely affect any award previously granted under the 2015 Plan without the written consent of the affected participant.

Prohibition on Repricing

As discussed above under *Termination and Amendment*, outstanding stock options and stock appreciation rights cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders. The exchange of an underwater option (*i.e.*, an option having an exercise price in excess of the current market value of the underlying stock) for another award under the 2015 Plan would be considered an indirect repricing and would, therefore, require the prior consent of the Company's stockholders.

Certain Federal Income Tax Effects

Non-Statutory Stock Options. An option holder does not recognize any income upon the grant of a non-statutory stock option under the 2015 Plan. When the optionee exercises a non-statutory option, however, he or she will recognize ordinary income equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding federal income tax deduction, subject to any applicable limitations under Internal Revenue Code Section 162(m). Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the optionee held the shares.

Incentive Stock Options. An option holder typically does not recognize any income upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for at least two years after the date we grant the option and for one year after receiving the shares upon exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes

of the option shares in a sale, exchange, or other disqualifying disposition before the expiration of the required holding periods, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to that same amount. While the exercise of an incentive stock option may not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price may be an item of adjustment for determining the optionee's alternative minimum taxable income.

Stock Awards. A participant will not recognize taxable income at the time restricted stock is granted and the Company will not be entitled to a tax deduction at that time, unless the participant makes an election to be taxed at that time. If such election is made, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time of the grant in an amount equal to the excess of the fair market value for the shares at such time over the amount, if any, paid for those shares. If such election is not made, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for those shares. In addition, a participant receiving dividends with respect to restricted stock for which the above-described election has not been made, and prior to the time the restrictions lapse, will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee), rather than dividend income, in an amount equal to the dividends paid.

A participant will not recognize taxable income at the time a restricted stock unit is granted and the Company will not be entitled to a tax deduction at that time. Upon settlement of restricted stock units, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of any cash paid by the Company.

SARs. A participant will not recognize taxable income at the time SARs are granted and the Company will not be entitled to a tax deduction at that time. Upon exercise, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by the Company.

Performance Awards and Other Awards. When the restrictions lapse on the awards, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock) or cash distributions, and the Company will be allowed a corresponding federal income tax deduction at that time. Any future income recognized in the stock will be taxable to the participant at capital gains rates.

New Plan Benefits. No grants have been made with respect to the shares reserved for issuance under the 2015 Plan. The number of shares that may be granted to any director or named executive officer is not determinable at this time because such grants are subject to the discretion of the Committee.

Stockholder Vote Requirement

To be approved, the 2015 Plan must receive the affirmative vote of a majority of the votes cast at the annual meeting.

Item 3 Ratification of the Independent Registered Public Accounting Firm.

Stegman & Company, which was the Company's independent registered public accounting firm for 2014, has been retained by the Audit Committee of the Board of Directors to be the Company's independent registered public accounting firm for 2015, subject to ratification by the Company's stockholders. A representative of Stegman & Company is expected to be present at the annual meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

If the ratification of the appointment of the independent registered public accounting firm is not approved by a majority of the votes cast by stockholders at the annual meeting, the Audit Committee may consider other independent registered public accounting firms.

The Board of Directors recommends that stockholders vote FOR the ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm.

Item 4 Advisory Vote on Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") requires that we provide our stockholders with the opportunity to express their views, on a non-binding basis, on the compensation of our named executive officers as disclosed in this proxy statement. This vote, which is often referred to as the say-on-pay vote, provides stockholders with the opportunity to endorse or not endorse the following resolution:

Resolved, that the stockholders approve the compensation of the named executive officers, as described in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this proxy statement.

Because your vote is advisory, it will not be binding upon the Compensation Committee or the Board of Directors.

However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors unanimously recommends a vote FOR approval of the compensation of the named executive officers.

RETIREMENT BENEFITS

The Bank maintains salary continuation agreements with each of the named executive officers to provide the executives with additional compensation at retirement or upon termination of employment due to death, disability or a change in control. Messrs. Middleton, Pasenelli and Cockerham are entitled to a total annual benefit for a period of 15 years of \$128,048, \$92,212 and \$77,035, respectively, upon normal retirement at or after age 62 for Mr. Middleton and 65 for Messrs. Pasenelli and Cockerham. A reduced benefit is payable if the executive retires before normal retirement age. The annual benefits are payable on a monthly basis to the executives or their designated beneficiaries.

The Bank also maintains a supplemental executive retirement plan (SERP) with Messrs. Middleton, Pasenelli and Cockerham to provide the executives with additional compensation at retirement or upon termination of employment due to death, disability or a change in control. Messrs. Middleton, Pasenelli and Cockerham are entitled to a total annual benefit for a period of 15 years of \$28,348, \$124,974 and \$13,087, respectively, upon normal retirement at or after age 65 for Messrs. Pasenelli and Cockerham and age 67 in the case of Mr. Middleton. A reduced benefit is payable if the executive retires before normal retirement age. The annual benefits are payable on an annual basis to the executives or their designated beneficiaries.

The Bank maintains an Executive Deferred Compensation Plan under which Messrs. Middleton, Pasenelli and Cockerham may defer all or any portion of their base salary. Deferred amounts may be invested in certain funds permissible under the Plan or may be credited annually with interest at a rate equal to the Company's return on equity for the calendar year. The executive's account balance under the plan will be distributed to the executive following the executive's termination of service in either a lump sum or over a period of one to ten years, as elected by the executive.

OTHER POTENTIAL POST-TERMINATION BENEFITS

Payments Made Upon Termination with Cause. Each of the named executive officer's employment agreements contain a definition of cause for which we may terminate the executive's employment. If we terminate the executive's employment for cause, he will receive only his base salary or other compensation earned through the date of termination and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided.

The SERPs for Messrs. Middleton, Pasenelli and Cockerham contain a definition of cause for which we may terminate the executive's employment. If the executive's employment is terminated for cause, they will not be entitled to any benefits under the terms of the SERPs.

Under the 1995 Stock Option and Incentive Plan, if we terminate an executive for just cause (as defined in the plan), any stock option granted under the plan and held by the terminated employee is cancelled upon the date of termination.

Pursuant to the 2005 Equity Compensation Plan, if an executive is terminated for cause, all rights to any restricted stock and long-term restricted stock units award granted under the plan and held by the terminated employee will expire as of the effective date of termination.

Payments Made Upon Termination Without Cause. If we terminate Mr. Middleton's employment without cause, he will receive (1) his base salary or other compensation earned through the date of termination and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided, and (2) a lump sum payment equal to his base salary for the remaining term of the agreement, which expires on July 1, 2016. We would also continue Mr. Middleton's medical, dental and life insurance benefits as of the date of termination until the expiration date of the agreement.

Under his employment agreement, if we terminate the employment of Mr. Pasenelli without cause, he would receive a lump sum payment equal to three times his base salary and three times his most recent annual incentive compensation payment. Under Mr. Cockerham's employment agreement, if we terminate his employment without cause, he would receive a lump sum payment equal to two times his base salary and two times his most recent annual incentive compensation payment. We would also continue both executives' medical, dental and life insurance benefits for 36 months.

Pursuant to the 2005 Equity Compensation Plan, if we terminate an executive without cause and unless otherwise determined by the Compensation Committee, all unvested shares of restricted stock and interests under long-term restricted stock units are forfeited as of the termination date of the executive.

Payments Made Upon Termination by Executive with Good Reason. If Mr. Middleton voluntarily terminates his employment under circumstances that would constitute good reason (as defined in his employment agreement), he will receive (1) his base salary or other compensation earned through the date of termination and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided, and (2) a lump sum payment equal to his base salary for the remaining term of the agreement.. We would also continue Mr. Middleton's medical, dental and life insurance benefits as of the date of termination until the expiration date of the agreement.

Pursuant to the 2005 Equity Compensation Plan, if an executive voluntarily terminates his or her employment and unless otherwise determined by the Compensation Committee, all unvested shares of common stock and interests under long-term restricted stock units are forfeited as of the termination date of the executive.

Payments Made Upon Disability. Under Mr. Middleton's employment agreement, if he becomes disabled and we terminate his employment pursuant to the terms of the agreement, he will receive his base salary or other compensation earned through the date of termination and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided. In addition, Mr. Middleton will be entitled to the base salary that would have been paid through the expiration date of his agreement, reduced by any amounts to be paid under any disability program sponsored by the Company or the Bank during the same period.

Under Mr. Pasenelli's and Mr. Cockerham's employment agreements, if we terminate an executive due to disability pursuant to the terms of the agreement, the executive will receive the compensation and benefits provided for under the agreement for (1) any period during the term of the agreement and before the establishment of the executive's disability; or (2) any period of disability before the executive's termination of employment due to disability.

The SERPs for Messrs. Middleton, Pasenelli and Cockerham provide for a disability benefit equal to the executive's accrued benefit, calculated as of the date of determination of disability. Payment of the disability benefit will commence on the first day of the month following the earlier of the executive's 65th birthday or death and shall be paid in 15 equal annual installments.

Under the salary continuation agreements dated September 6, 2003, as amended, upon termination of employment as a result of disability, Messrs. Middleton, Pasenelli and Cockerham are entitled to an annual benefit for a period of 15 years of \$128,048, \$74,112 and \$72,235, respectively, commencing with the month following the executive attaining age 65, or in Mr. Middleton's case, age 62. Under the salary continuation agreements dated August 21, 2006, as amended, Messrs. Pasenelli and Cockerham are entitled to an annual disability benefit ranging from \$11,644 to \$18,100 and \$3,592 to \$4,800, respectively, depending on the date of termination, commencing with the month following the executive attaining age 65.

Under the 1995 Stock Option and Incentive Plan, if we terminate an executive's employment due to a disability, outstanding stock options will vest and remain exercisable until the earlier of one year from the date of termination or the expiration date of the stock options.

Pursuant to the 2005 Equity Compensation Plan, if we terminate an executive's employment due to a disability, outstanding restricted stock and long-term restricted stock unit awards will immediately vest as of the date of termination.

Payments Made Upon Death. Under Mr. Middleton's employment agreement, upon Mr. Middleton's death, Mr. Middleton's beneficiary will receive the sum of the base salary that would have been paid for the remaining term of the agreement, plus any other compensation or benefits to be provided in accordance with the terms and provisions of the Company's benefit plans and programs.

Under Mr. Pasenelli's and Mr. Cockerham's employment agreements, upon the executive's death, the Company will pay his or her beneficiary or estate any compensation due to the executive through the end of the month in which death occurred, plus any other compensation or benefits to be provided in accordance with the terms and provisions of the Company's benefit plans and programs.

Mr. Middleton's, Mr. Pasenelli's and Mr. Cockerham's SERPs provide for a death benefit equal to the executive's accrued benefit, payable to the executive's beneficiary in 15 equal annual installments beginning the second month following the death of the executive if the executive dies before reaching normal retirement age. If the executive dies after the commencement of the SERP benefit payments, the executive's beneficiary is entitled to the unpaid balance of the executive's 15 annual benefit payments.

Under their salary continuation agreements, if the executive dies while in active service with the Bank, Mr. Middleton's, Mr. Pasenelli's and Mr. Cockerham's designated beneficiaries will receive an annual benefit, for a period of 15 years, of \$128,048, \$92,212 and \$77,035, respectively, commencing with the month following the executive's death. If the executive dies after his employment has terminated but before payments under the agreement have commenced, their designated beneficiary will be entitled to the same payments beginning on the first day of the month after the executive's death.

Under the 1995 Stock Option and Incentive Plan, if an executive dies, outstanding stock options will vest and remain exercisable until the earlier of two years from the date of death or the expiration date of the stock options.

Pursuant to the 2005 Equity Compensation Plan, if an executive dies, outstanding awards vest immediately.

Payments Made Upon a Change in Control. Mr. Middleton's employment agreement provides that if during the two-year period following a change in control (as defined in the agreement), Mr. Middleton terminates employment for any reason, he will be entitled to (1) his base salary or other compensation earned through the date of termination, and retain the rights to any vested benefits subject to the terms of the plan or agreement under which those benefits are provided, and (2) a lump sum payment equal to his base salary for the remaining term of the agreement. We would also continue Mr. Middleton's medical, dental and life insurance benefits as of the date of termination through the remaining term of the agreement. Section 280G of the Internal Revenue Code provides that payments related to a change in control that equal or exceed three times the individual's base amount (defined as average annual taxable compensation over the five preceding calendar years) constitute excess parachute payments. Individuals who receive excess parachute payments are subject to a 20% excise tax on the amount that exceeds the base amount, and the employer may not deduct such amounts. Mr. Middleton's employment agreement provides for an additional tax indemnification payment if payments under the agreement exceed three times his base amount (280G Limit). The indemnification payment provides the executive with a net amount sufficient to pay the excise tax and related taxes to place Mr. Middleton in the same economic position in which he would have been had the 280G Limit not applied.

Mr. Pasenelli's employment agreement provides that if (1) the executive's employment is terminated without cause or without the executive's consent and for a reason other than cause in connection with or within 12 months after a change in control (as defined in the agreement); or (2) the executive voluntarily terminates employment within 12 months following a change in control upon the occurrence of events described in the agreement, he will receive a lump sum payment equal to three times his annual base salary and three times his most recent annual incentive compensation payment, plus continued health and welfare benefits for 36 months following termination. Under Mr. Cockerham's employment agreement, he will receive a lump sum payment equal to two times his annual base salary and two times his most recent annual incentive compensation payment, plus continued health and welfare benefits for 36 months following termination. Mr. Pasenelli's and Mr. Cockerham's employment agreements provide that if the value of the benefits provided under the agreements in connection with a change in control exceed his 280G Limit, his payment will be reduced or revised so that the aggregate payments do not exceed his 280G Limit.

Mr. Middleton's, Mr. Pasenelli's and Mr. Cockerham's SERPs provide that if the executives experience a separation from service within 24 months following a change in control, the executives are entitled to an annual benefit for a period of 15 years of \$28,348, \$124,974 and \$13,087, respectively. The executives will receive the benefit payment in the form of (1) a lump sum, (2) equal annual installments over two years, or (3) equal annual installments over five years, as previously elected by each executive.

Under the salary continuation agreements dated September 6, 2003, as amended, upon the termination of employment within 12 months (24 months in the case of Mr. Middleton) subsequent to a change in control and before age 65 (62 in the case of Mr. Middleton), Mr. Middleton, Mr. Pasenelli and Mr. Cockerham are entitled to an annual benefit for a period of 15 years of \$128,048, \$74,112 and \$72,235, respectively, commencing with the month following the executive attaining age 65 (62 in the case of Mr. Middleton). As with his employment agreement, Mr. Middleton's salary continuation agreement provides for an additional tax indemnification payment if payments under the agreement exceed his 280G Limit. Each of Mr. Pasenelli's and Mr. Cockerham's salary continuation agreements dated September 6, 2003, as amended, provide that if the value of the benefits provided in connection with a change in control exceed his 280G Limit, his payment will be reduced or revised so that the aggregate payments do not exceed his 280G Limit. Under the salary continuation agreement dated August 21, 2006, as amended, Mr. Pasenelli is entitled to an additional annual benefit ranging from \$11,893 to \$18,100 (based on the date of termination) if his employment is terminated within 12 months subsequent to a change in control and before age 65. Under the salary continuation agreement dated August 21, 2006, as amended, Mr. Cockerham is entitled to an additional annual benefit equal to the present value of \$4,800 using an interest factor of 5% upon the termination of employment within 12 months subsequent to a change in control and before age 65.

In the event of a change in control of The Community Financial Corporation or Community Bank of the Chesapeake, outstanding stock options granted pursuant to our 1995 Stock Option and Incentive Plan automatically vest and, unless otherwise provided for by the committee administering the plan, the option holder will receive in cash an amount equal to the difference between the fair market price of the securities and the exercise price of the option for each option held. Under the Company's 2005 Equity Compensation Plan, a change in control accelerates the vesting of all outstanding stock options, restricted stock awards and long-term restricted stock units. The value of the accelerated options count toward the executive's 280G Limit.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance. Pursuant to federal securities laws, the Company's officers, directors and persons who own more than 10% of the outstanding common stock are required to file reports detailing their ownership and changes of ownership in such common stock, and to furnish the Company with copies of all such reports. Based solely on its review of the copies of such reports received during the past fiscal year and written representations from such persons that no additional reports of changes in beneficial ownership were required, the Company believes that during 2014, all of its officers, directors and all of its stockholders owning in excess of 10% of the outstanding common stock of the Company, have complied with the reporting requirements, except for one late report filed by John K. Parlett, Jr., director of the Bank, with regard to the purchase of shares.

Policies and Procedures for Approval of Related Persons Transactions. We maintain a Policy and Procedures Governing Related Person Transactions, which is a written policy and set of procedures for the review and approval or ratification of transactions involving related persons. Under the policy, related persons consist of directors, director nominees, executive officers, persons or entities known to us to be the beneficial owner of more than five percent of any outstanding class of the voting securities of the Company, or immediate family members or certain affiliated entities of any of the foregoing persons.

Transactions covered by the policy consist of any financial transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, in which:

- the aggregate amount involved will or may be expected to exceed \$50,000 in any calendar year;
 - the Company is, will or may be expected to be a participant; and
 - any related person has or will have a direct or indirect material interest.
- The policy excludes certain transactions, including:

- any compensation paid to an executive officer of the Company if the Governance Committee of the Board approved (or recommended that the Board approve) such compensation;
- any compensation paid to a director of the Company if the Board or an authorized committee of the Board approved such compensation; and
- any transaction with a related person involving consumer and investor financial products and services provided in the ordinary course of the Company's business and on substantially the same terms as those prevailing at the time for comparable services provided to unrelated third parties or to the Company's employees on a broad basis (and, in the case of loans, in compliance with the Sarbanes-Oxley Act of 2002).

Related person transactions will be approved or ratified by the Audit Committee. In determining whether to approve or ratify a related person transaction, the Audit Committee will consider all relevant factors, including:

- whether the terms of the proposed transaction are at least as favorable to the Company as those that might be achieved with an unaffiliated third party;
- the size of the transaction and the amount of consideration payable to the related person;
- the nature of the interest of the related person;
- whether the transaction may involve a conflict of interest; and
- whether the transaction involves the provision of goods and services to the Company that are available from unaffiliated third parties.

A member of the Audit Committee who has an interest in the transaction will abstain from voting on approval of the transaction, but may, if so requested by the chair of the Audit Committee, participate in some or all of the discussion.

Relationships and Transactions with the Company and the Bank. The Sarbanes-Oxley Act of 2002 generally prohibits loans by the Company to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by the Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the Bank and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public. Notwithstanding this rule, federal regulations permit the Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee. The Bank does not currently have such a program in place. From time to time, the Bank makes loans and extensions of credit to its executive officers and directors, and members of their immediate families. The outstanding loans made to our directors and executive officers, and members of their immediate families, were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank, and did not involve more than the normal risk of collectibility or present other unfavorable features. As of December 31, 2014, these loans were performing according to their original terms.

In accordance with banking regulations, the Board of Directors reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceed the greater of \$25,000 or 5% of the Company's capital and surplus (up to a maximum of \$500,000), and such loan must be approved in advance by a majority of the disinterested members of the Board of Directors.

STOCKHOLDER PROPOSALS AND NOMINATIONS

To be eligible for inclusion in the Company's proxy materials for next year's annual meeting of stockholders, any stockholder proposal to take action at such meeting must be received at the Company's main office at 3035 Leonardtown Road, Waldorf, Maryland 20601 no later than November 25, 2015. If next year's annual meeting is held on a date more than 30 calendar days from May 4, 2016, a stockholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation materials. Any stockholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

Stockholder proposals, other than those submitted above, and nominations must be submitted in writing, delivered or mailed by first class United States mail, postage pre-paid, to the Secretary of the Company not fewer than 30 days nor more than 60 days before any such meeting; provided, however, that if notice or public disclosure of the meeting is given fewer than 40 days before the meeting, such written notice shall be delivered or mailed to the Secretary of the Company not later than the close of the 10th day following the day on which notice of the meeting was mailed to stockholders.

BOARD POLICIES REGARDING COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to the Secretary, The Community Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Any communication

must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is addressed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

In addition to conducting solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone without additional compensation.

The Company's 2014 Annual Report to Stockholders, including financial statements, accompanies this proxy statement. 5.2 SHARE COUNTING. If any Award is forfeited, expires, terminates, otherwise lapses or is settled for cash, in whole or in part, without the delivery of Shares, then the Shares covered by such forfeited, expired, terminated or lapsed Award shall again be available for grant under the Plan. For the avoidance of doubt, the following will not again become available for issuance under the Plan: (i) any Shares withheld in respect of taxes and (ii) any Shares tendered or withheld to pay the exercise price of Options.

5.3 STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market. No fractional shares shall be delivered under this Plan. No fewer than 50 Shares may be purchased on exercise of any Award (or, in the case of Stock Appreciation Rights, no fewer than 50 rights may be exercised at one time) unless the total number of purchased Shares or exercised rights is the total number at the time available for purchase or exercise under the Award.

ARTICLE 6 ELIGIBILITY

Awards may be granted only to Eligible Participants; except that Incentive Stock Options may be granted only to Eligible Participants who are employees of the Company or a Parent or Subsidiary of the Company.

ARTICLE 7 STOCK OPTIONS

7.1 GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

(a) **Exercise Price.** The exercise price of an Option shall not be less than 100% of the Fair Market Value of the Stock as of the Grant Date.

Time and Conditions of Exercise. The Committee shall determine the time or times at which an Option may be (b) exercised in whole or in part, subject to Section 7.1(d) of the Plan. The Committee shall also determine the conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested.

Payment. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, check payable to the Company or electronic funds, the (c) delivery of previously owned Shares, or other property and the methods by which Shares shall be delivered or deemed to be delivered to Participants. Further subject to the procedures adopted by the Committee, an Option may also be exercised pursuant to a broker-assisted cashless exercise.

(d) **Exercise Term.** In no event may any Option be exercisable for more than ten (10) years from the Grant Date.

7.2 INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

Lapse of Option. Subject to any earlier termination provision contained in the Award Agreement, an Incentive Stock Option shall lapse upon the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of an Incentive Stock Option under the circumstances described in subsections (3), (4) or (5) (a) below, provide in writing that the Option will extend until a later date, but if an Incentive Stock Option is so extended and is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Nonstatutory Stock Option:

- (1) The expiration date set forth in the Award Agreement.

A-5

- (2) The tenth anniversary of the Grant Date.
- (3) Three (3) months after termination of the Participant's Continuous Status as a Participant for any reason other than the Participant's Disability or death.
- (4) One (1) year after the Participant's Continuous Status as a Participant by reason of the Participant's Disability. One (1) year after the termination of the Participant's death if the Participant dies while employed, or during the
- (5) three-month period described in paragraph (3) or during the one-year period described in paragraph (4), but before the Incentive Stock Option otherwise lapses.

Unless the exercisability of an Incentive Stock Option is accelerated as provided in Articles 9.6 of the Plan, if a Participant exercises an Incentive Stock Option after termination of employment, the Incentive Stock Option may be exercised only with respect to the Shares that were otherwise vested on the Participant's termination of employment.

Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's beneficiary, determined in accordance with Section 9.4 of the Plan.

Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the Grant Date) of all Shares (b) with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 (or any higher value as may be permitted under Section 422 of the Code).

Ten Percent Owners. No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the (c) Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least one hundred and ten percent (110%) of the Fair Market Value per Share at the Grant Date and the Option expires no later than five (5) years after the Grant Date.

Expiration of Authority to Grant Incentive Stock Options. No Incentive Stock Option may be granted pursuant (d) to the Plan after the day immediately prior to the tenth anniversary of the date the Plan was approved by shareholders, or the termination of the Plan, if earlier.

Right to Exercise. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the (e) Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.

Eligible Grantees. The Committee may not grant an Incentive Stock Option to a person who is not at the Grant (f) Date an employee of the Company or of an Affiliate.

ARTICLE 8

RESTRICTED STOCK/RESTRICTED STOCK UNITS/PERFORMANCE AWARDS/SARS

8.1 GRANT OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS. The Committee may from time to time award Restricted Stock and Restricted Stock Units to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee. Any Share of Restricted Stock granted under the Plan may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate. In the event any stock certificate is issued in respect of shares of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock.

8.2 ISSUANCE AND RESTRICTIONS. Restricted Stock and Restricted Stock Units shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, vesting conditions, limitations on the right to vote or the right to receive dividends). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

8.3 VOTING RIGHTS. Unless otherwise determined by the Committee at the time of grant, a Participant holding a Restricted Stock Award shall be entitled to exercise full voting rights with respect to those Shares during the restriction period. A Participant receiving a Restricted Stock Unit Award shall not possess voting rights.

8.4 DIVIDENDS AND OTHER DISTRIBUTIONS. During the restriction period, a Participant holding a Restricted Stock Award may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares. Such dividends shall be paid to the Participant at times determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. A Participant receiving a Restricted Stock Unit Award shall not be credited with dividends.

8.5 PERFORMANCE AWARDS. Subject to the limitations of this Plan, the Committee may, in its discretion, grant performance awards to eligible individuals upon such terms and conditions and at such times as the Committee shall determine. Performance awards may be in the form of performance shares. An award of a performance share is a grant of a right to receive shares of Stock which is contingent upon the achievement of performance or other objectives during a specified period and which has a value on the date of grant equal to the Fair Market Value of a share of Stock.

Subject to the terms of this Plan and the requirements of Section 409A of the Code, the Committee has the authority to determine the nature, length and starting date of the period during which a Participant may earn a performance award and will determine the conditions that must be met in order for a performance award to be granted or to vest or be earned. These conditions may include specific performance objectives, continued service or employment for a certain period of time, or a combination of such conditions.

8.6 GRANT OF SARS. The Committee is authorized to grant free-standing SARs or SARS in tandem with Options under the Plan.

(a) **Exercise Price.** The exercise price for each Stock Appreciation Right shall be determined by the Committee and shall not be less than 100% of the Fair Market Value of a Share on the Grant Date.

(b) **Payment.** Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive the excess, if any, of:

(1) The Fair Market Value of a Share on the date of exercise; over

(2) The exercise price of the Stock Appreciation Right.

The Committee shall have the sole discretion to determine in each SAR Agreement whether the payment with respect to the exercise of a SAR will be in the form of all cash, all Shares, or any combination thereof. Unless and to the extent the Committee specifies otherwise, such payment will be in the form of Shares.

8.7 OTHER AWARDS. The Committee shall have the authority to specify the terms and provisions of other forms of equity-based or equity-related awards not described in this Article 8 and Article 7 of the Plan that the Committee determines to be consistent with the purpose of the Plan and the interests of the Company (Other Awards). Other Awards may include awards of shares of Stock which may be awarded as payment of Non-Employee Director fees, in lieu of cash compensation, awards in exchange for cancellation of a compensation right, as a bonus, or otherwise.

A-7

ARTICLE 9

GENERAL PROVISIONS APPLICABLE TO AWARDS

9.1 STAND-ALONE AND TANDEM AWARDS. Awards granted under the Plan may, in the sole discretion of the Committee, be granted either alone or in addition to or, in tandem with, any other Award granted under the Plan.

9.2 TERM OF AWARD. The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option exceed a period of ten (10) years from its Grant Date (or, if Section 7.2(c) applies, five (5) years from its Grant Date).

9.3 LIMITS ON TRANSFER. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if that Code section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be an option described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

9.4 BENEFICIARIES. Notwithstanding Section 9.3 of the Plan, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and the Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

9.5 STOCK ISSUANCE. All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

9.6 ACCELERATION UPON DEATH OR DISABILITY. Except as otherwise provided in the Award Agreement, upon the Participant's death or Disability during his or her Continuous Status as a Participant, all of such Participant's outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all time-based vesting restrictions on the Participant's outstanding Awards shall lapse. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Agreement. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(b) of the Plan, the excess Options shall be deemed to be Nonstatutory Stock Options.

9.7 EFFECT OF TERMINATION OF SERVICE OR A CHANGE IN CONTROL.

The Committee may provide, by rule or regulation or in any applicable Award Agreement, or may determine in any individual case, the circumstances in which, and the extent to which, an Award may be exercised, settled, vested, (a) paid or forfeited in the event of the Participant's termination of service prior to the end of a performance period or vesting, exercise or settlement of such Award.

A-8

- (b) Notwithstanding any other provision of the Plan to the contrary, in the event of a Change of Control: Any Options and Stock Appreciation Rights outstanding which are not then exercisable and vested shall become
- (1) fully exercisable and vested upon the termination of the Participant's employment or service, other than for Cause, during the Applicable Period.
The restrictions applicable to any Restricted Stock or Restricted Stock Unit Award which are not
- (2) performance-based shall lapse and such Restricted Stock or Restricted Stock Unit shall become free of all restrictions and become fully vested and transferable upon the termination of the Participant's employment, other than for Cause, during the Applicable Period.
The conditions applicable to any Performance Award shall be deemed satisfied at the target level and shall become
- (3) free of all restrictions and become fully vested and transferable upon the termination of the Participant's employment, other than for Cause, during the Applicable Period.
- (c) For purposes of this Section 9.7 and unless otherwise provided in the Award Agreement, (i) the term "Applicable Period" shall mean the twelve (12) month period ending on the first anniversary of a Change in Control.
In order to maintain the Participant's rights in the event of a Change of Control, the Committee, as constituted before such Change of Control, is hereby authorized, and has sole discretion, as to any Award, either at the time such Award is made hereunder or any time thereafter, to take any one or more of the following actions: (i) provide for the purchase of any such Award for an amount of cash equal to the amount that could have been attained upon
- (d) the exercise of such Award or realization of the participant's rights, had such Award been currently exercisable or payable; or (ii) cause any such Award then outstanding to be assumed, or new rights substituted therefore, by the acquiring or surviving corporation after such Change of Control. The Committee may, in its discretion, include such further provisions and limitations in any Award Agreement, as it may deem equitable and in the best interests of the Company.

9.8 MINIMUM VESTING. Notwithstanding anything in the Plan to the contrary, no Award shall vest or become exercisable prior to the first anniversary of the date of grant, except to the extent that the Committee shall specify in the Award Agreement that the Award shall vest upon the Participant's death, disability or as provided in Section 9.7 of the Plan.

ARTICLE 10

CHANGE IN CAPITAL STRUCTURE

10.1 CHANGES IN CAPITAL STRUCTURE. In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Article 5 shall be adjusted proportionately, and the Committee shall adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. Without limiting the foregoing, in the event of a subdivision of the outstanding stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding stock unto a lesser number of Shares, the authorization limits under Article 5 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor.

ARTICLE 11

AMENDMENT, MODIFICATION AND TERMINATION

11.1 AMENDMENT, MODIFICATION AND TERMINATION. The Board of Directors or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without shareholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board of Directors or the Committee, either (i) materially increase the number of Shares available under the Plan, (ii) expand the types of awards under the Plan, (iii) materially expand the class of participants eligible to participate in the Plan, (iv) materially extend the term of the Plan, or (v) otherwise constitute a material change requiring shareholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to shareholder approval; and provided, further, that the Board of Directors or the Committee may condition any other amendment or modification on the approval of shareholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) permit Awards made hereunder to be exempt from liability under Section 16(b) of the 1934 Act, (ii) comply with the listing or other requirements of an exchange, or (iii) satisfy any other tax, securities or other applicable laws, policies or regulations. Notwithstanding the foregoing, except as provided in Section 10.1, no action shall directly or indirectly, through cancellation and re-grant or any other method, reduce, or have the effect of reducing, the exercise price of any Award established at the time of grant thereof without approval of the Company's shareholders.

11.2 AWARDS PREVIOUSLY GRANTED. Subject to Section 9.7 of the Plan, at any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

- Subject to the terms of the applicable Award Agreement, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been
- (a) exercised, vested, or otherwise settled on the date of such amendment or termination (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise price of such Award);
 - (b) The original term of an Option may not be extended without the prior approval of the shareholders of the Company;
 - (c) Except as otherwise provided in Article 10 of the Plan, the exercise price of an Option may not be reduced, directly or indirectly, without the prior approval of the shareholders of the Company; and
 - (d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be adversely affected by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, or otherwise settled on the date of such amendment (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise or base price of such Award).

ARTICLE 12

GENERAL PROVISIONS

12.1 NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive,

Awards (whether or not such Eligible Participants are similarly situated).

12.2 NO SHAREHOLDER RIGHTS. Except as otherwise provided in this Plan or in an Award Agreement, no Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

A-10

12.3 WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy withholding obligations in excess of the minimum withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as necessary to avoid variable accounting for the Option. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award, Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

12.4 NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, in any Award Agreement or in any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

12.5 UNFUNDED STATUS OF AWARDS. The Plan is intended to be an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

12.6 RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan.

12.7 EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

12.8 TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

12.9 GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

12.10 FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

12.11 GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Maryland.

12.12 ADDITIONAL PROVISIONS. Each Award Agreement may contain such other terms and conditions as the Committee may determine; provided, however, that such other terms and conditions are not inconsistent with the provisions of the Plan.

12.13 INDEMNIFICATION. To the extent allowable under applicable law, each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or

reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he or she may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf.

The foregoing right of

indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify or hold them harmless.

12.14 NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume Awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

12.15 SUCCESSORS. Any obligations of the Company or an Affiliate under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company or Affiliate, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company or Affiliate, as applicable.

12.16 SECTION 409A. With respect to Awards subject to Section 409A of the Code, the Plan is intended to comply with the requirements of Section 409A of the Code and the regulations thereunder, and the provisions of the Plan and any Award Agreement shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code, and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition shall be interpreted and deemed amended so as to avoid this conflict. Notwithstanding anything else in the Plan, if the Board considers a Participant to be a specified employee under Section 409A of the Code at the time of such Participant's separation from service (as defined in Section 409A of the Code), and the amount hereunder is deferred compensation subject to Section 409A of the Code, any distribution that otherwise would be made to such Participant with respect to an Award as a result of such separation from service shall not be made until the date that is six months after such separation from service, except to the extent that earlier distribution would not result in such Participant's incurring interest or additional tax under Section 409A of the Code. If the Award includes a series of installment payments (within the meaning of Section 1.409A-2(b)(2)(iii) of the Treasury Regulations), the Participant's right to the series of installment payments shall be treated as a right to a series of separate payments and not as a right to a single payment. Notwithstanding the foregoing, the tax treatment of the benefits provided under the Plan or any Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by the Participant on account of non-compliance with Section 409A of the Code.

12.17 RECOUPMENT OF AWARDS. The Committee may, to the extent permitted by applicable law and stock exchange rules or by any policies adopted by the Company, cancel or require reimbursement of Awards granted, shares issued or cash received upon the vesting, exercise or settlement of any Awards granted under this Plan or the sale of shares underlying such Awards.
