PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of WidePoint Corporation, a Delaware corporation (referred to herein as “WidePoint,” the “Company,” “we” or “our”), of proxies of stockholders to be voted at the 2015 WidePoint Annual Meeting of Stockholders to be held at the Washington, D.C. offices of Foley & Lardner LLP, located at 3000 K Street, N.W., Sixth Floor, Washington, D.C. 20007 at 10:00 a.m., EST, on Thursday, December 17, 2015, and any and all adjournments thereof.

Any stockholder executing a proxy retains the right to revoke it at any time prior to its being exercised by giving written notice to the Secretary of the Company.

This Proxy Statement and the accompanying proxy are first being sent to stockholders of the Company on or about October 30, 2015.

Notice of Electronic Availability of Proxy Materials

In accordance with regulations adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials, including our annual report to stockholders, to each stockholder of record, we may now furnish these materials by mail or e-mail. On or about October 30, 2015, we mailed to our stockholders who have not previously requested to receive these materials by mail or e-mail a Notice of Internet Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report and to vote online. The Notice instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet or by telephone. If you received the Notice by mail, you will not automatically receive a printed copy of our proxy materials or annual report unless you follow the instructions for requesting these materials included in the Notice. For directions to the Annual Meeting, please contact James McCubbin at jmccubbin@widepoint.com or at (703) 349-2577.

Voting Procedures and Securities

Your Vote is Very Important

Whether or not you plan to attend the meeting, please take the time to vote your shares as soon as possible. You may submit your vote by completing, signing, dating and returning the proxy card by mail. We encourage you to vote via the Internet or by telephone. These methods save us significant postage and processing charges.

Vote Required, Abstentions and Broker Non-Votes

Shares of WidePoint common stock represented by proxy will be voted according to the instructions, if any, given in the proxy. Unless otherwise instructed, the person or persons named in the proxy will vote (1) FOR the election of the nominees for director listed herein (or a substitute in the event any of the nominees are unavailable for election); (2) FOR the ratification of the selection of Moss Adams LLP as the independent accountants for the Company for the current fiscal year; and (3) in their discretion, with respect to such other business as may properly come before the meeting. The Board of Directors has designated Steve L. Komar and James T. McCubbin, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by an inspector of election appointed by the Company for the meeting. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of common stock of the Company entitled to vote are present at the Annual Meeting in person or by proxy. A director is elected by a plurality of the votes cast at the Annual Meeting, which means that the nominees who receive the highest number of properly executed votes will be elected as a director, even if that nominee did not receive a majority of the votes cast. The ratification of the appointment of Moss Adams LLP as the Company's independent accountants requires the affirmative vote of the majority of the votes present, in person or by proxy, and voting at the Annual Meeting.

The inspector of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Your broker, bank or other nominee is permitted to vote your shares on the ratification of the appointment of Moss Adams LLP as our independent auditor without receiving voting instructions from you. All other items are "non-discretionary" items. This means brokerage firms that have not received voting instructions from their clients on any proposal other than the appointment of Moss Adams LLP will not be permitted to vote such shares for any other matters at the Annual Meeting. These "broker non-votes" will be included in the calculation of the number of votes considered to be present at the Annual Meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect on the outcome of any of the proposals because in tabulating the voting results, shares that constitute broker non-votes are not considered votes cast on that proposal.

The cost of soliciting proxies will be borne by the Company. Certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Shares Outstanding

As of October 23, 2015, the record date for determining stockholders entitled to vote at the Annual Meeting, a total of 82,520,696 shares of common stock of the Company, par value \$.001 per share, which is the only class of voting securities of the Company, were issued and outstanding. All holders of record of the common stock as of the close of business on October 23, 2015 are entitled to one vote for each share held when voting at the Annual Meeting, or any adjournment thereof, upon the matters listed in the Notice of Annual Meeting. Cumulative voting is not permitted.

Other Business

The Board knows of no other matters to be presented for stockholder action at the meeting. If other matters are properly brought before the meeting, the persons named as proxies in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Proposal One – Election of Directors

The Company’s Board is classified into three classes of directors, with one class of directors being elected at each annual meeting of stockholders of the Company to serve for a term of three years or until the earlier expiration of the term of their class of directors or until their successors are elected and take office as provided below. To maintain the staggered terms of election of directors, stockholders of the Company are voting upon the election of three Class III directors to serve for a three-year period until the 2018 Annual Meeting of Stockholders and one Class I director to serve until the 2016 Annual Meeting of Stockholders.

The Bylaws of the Company provide that the Board will determine the number of directors to serve on the Board. The Company’s Board presently consists of six members and there is a director vacancy in Class I. The Board, upon the recommendation of the Corporate Governance and Nominating Committee, has nominated Paul Johnson for election to the Board as a director to fill the vacancy in Class I. All other director nominees are currently serving as members of the Board.

Proxies will be voted at the Annual Meeting, unless authority is withheld, FOR the election of the persons named below. The Company does not contemplate that the persons named below will be unable or will decline to serve; however, if such nominee is unable or declines to serve, the persons named in the accompanying proxy will vote for a substitute, or substitutes, in their discretion.

Class III Director Nominees For a Term That Will Expire at the 2018 Annual Meeting of Stockholders:

Name	Age	Position
James Ritter	71	Director, Chairman of the Compensation and Corporate Governance and Nominating Committees
Otto Guenther	74	Director
George Norwood	73	Director

James M. Ritter has served as a director since December 1999 and served as Assistant Secretary of the Company from December 2002 until 2008. Mr. Ritter is the Chairman of the Corporate Governance and Nominating Committee and the Compensation Committee and is also a member of the Audit Committee. Mr. Ritter is the retired Corporate Headquarters Chief Information Officer of Lockheed Martin Corporation. distributed systems.

4

Mr. Ritter brings to the Board extensive knowledge of information systems and managerial experience as a result of a career managing and building complex information technology systems. This experience, as well as his independence from the Company, his prior performance as a Board member led the Board to conclude that he should continue to serve as a director of the Company.

Lieutenant General (Ret.) Otto J. Guenther has served as a director since his appointment on August 15, 2007. General Guenther serves as a member of the Corporate Governance and Nominating Committee. He joined the Board after a distinguished 34-year military career, including serving as the Army's first chief information officer, followed by nearly a decade of exceptional leadership within the federal information technology industry. His key assignments included the following: commanding general for Fort Monmouth, NJ, and the Communications Electronics Command; program executive officer for the Army's tactical communications equipment; project manager for the Tactical Automated Data Distribution System; and commander for the Defense Federal Acquisition Regulatory Council. General Guenther recently retired from Northrop Grumman Mission Systems, where he served as the Sector Vice President and General Manager of Tactical Systems Division. While there, he oversaw battlefield digitization, command and control, and system engineering activities for the U.S. Army. Under his leadership, the division grew to approximately 1,650 employees across several locations and completed over \$700 million in acquisitions. Previously General Guenther was general manager of Computer Associates International's Federal Systems Group, a \$300 million operation providing IT products and services to the federal market area. General Guenther was awarded several honors by the U.S. Army, including the Distinguished Service Medal, Legion of Merit (Oak Leaf Cluster), Defense Superior Service Medal (Oak Leaf Cluster), Joint Service Medal, and Army Commendation Medal. Recognized for his work within the industry, he also received several Armed Forces Communications and Electronics Association awards and was inducted into the Government Computer News Hall of Fame. Currently, General Guenther sits on two educational foundations, AFCEA Education Foundation and Aurora Foundation, and since 2006 has been an active trustee at McDaniel College. General Guenther received a Bachelor of Science Degree in Economics from Western Maryland College, now called McDaniel College, and a Master's Degree in Procurement and Contracting from the Florida Institute of Technology.

General Guenther brings to the Board extensive knowledge of the federal marketplace as a result of a career that has spanned both military and informational technology industries. In addition, General Guenther's knowledge of federal infrastructure as well as experience in successful business development and board service is particularly valuable to the Company. This experience, as well as his independence from the Company and his prior performance as a Board member, led the Board to conclude that he should continue to serve as a director of the Company.

Major General (Ret.) George W. Norwood has served as a director since his appointment on August 15, 2007. General Norwood serves as a member of the Audit Committee and the Compensation Committee. General Norwood also currently serves on the board of directors of Scalable Network Technologies. He is also on the boards of advisors of Peduzzi Associates, Ltd., AtHoc, Inc. and Airborne Tactical Advantage Company. General Norwood brings to the Board extensive knowledge of the federal marketplace as a result of a distinguished 30-year military career and more than 12-years in the commercial market with significant experience in both military and defense contracting.

General Norwood is currently President and Chief Executive Officer of Norwood & Associates, Inc. of Tampa, Fla., which maintains extensive international and U.S. networks of government, military and private sector contacts while providing technical and strategic planning expertise to corporations pursuing defense-related opportunities. General Norwood previously served as Deputy Chief of Staff for the United Nations Command and United States Forces in Korea from 1995 to 1997. He also served as the U.S. member of the United Nations Command's Military Armistice Commission responsible for crucial general officer level negotiations with North Korea.

General Norwood received a Bachelor of Science Degree in Mathematics from San Diego State University and a Master's Degree in Business Administration from Golden Gate University. He is also a graduate of the National War College and Defense Language Institute.

General Norwood's experience supporting the federal infrastructure as well as his experience in successful business development and board service is particularly valuable to the Company. This experience, as well as his independence from the Company and his prior performance as a Board member, led the Board to conclude that he should continue to serve as a director of the Company.

Class I Director Nominee For a Term That Will Expire at the 2016 Annual Meeting of Stockholders:

Name	Age	Position
-------------	------------	-----------------

Paul Johnson	54	Director Nominee
--------------	----	------------------

Paul Johnson is a nominee for director. Since its inception in 2012, Mr. Johnson has managed Nicusa Investment Advisors, a firm focused on advising senior management and boards of directors on governance, strategy, capital allocation, and shareholder value creation. Mr. Johnson is also a senior advisor to Bowen Advisors, an organization focused on offering M&A and strategic advisory services to emerging and high growth technology firms. Prior to the inception of Nicusa Investment Advisors in 2012, Mr. Johnson was the general partner and investment manager of Nicusa Capital Partners, a private investment partnership that he started in 2003, which invested in virtually all sectors of the economy, with a concentration in technology. Prior to founding Nicusa, Mr. Johnson was a Managing Director

in the Equity Research Department of Robertson Stephens, where he worked from 1994 through 2002. Mr. Johnson has been an Adjunct Professor of Finance at the Graduate School of Business, Columbia University, since 1992, where he teaches courses on securities analysis and value investing. Mr. Johnson was appointed as a Fellow to the Gabelli Center for Global Security Analysis at Fordham University in August 2015 and will teach an introductory class on value investing at the Fordham University Graduate Business School starting in January 2016. Mr. Johnson is co-author of *The Gorilla Game, Picking Winners in High Technology*, was a contributing annotator in 2012 to *The Most Important Thing Illuminated*, by Howard Marks, and wrote the history of value investing in the forthcoming book celebrating the 100-year history of the Columbia Business School. Mr. Johnson is also co-author of the forthcoming, *Pitch the Perfect Investment, The Essential Guide to Winning on Wall Street*. Mr. Johnson has a B.A. in Economics from the University of California, Berkeley and an MBA in Finance from the Executive Program at the Wharton School of the University of Pennsylvania.

In January, 2003, the SEC commenced a civil enforcement action against Mr. Johnson, alleging two counts of securities fraud with respect to research reports on three companies prepared by Mr. Johnson, primarily from the failure to disclose personal financial interests in the companies that were the subject of the reports. On November 11, 2005, a jury returned a verdict finding that Mr. Johnson violated the federal securities laws in connection with the research reports. Mr. Johnson resolved the civil action and related administrative proceedings by entering into a settlement with the SEC (i) enjoining him, for a period of five (5) years, from future securities violations, (ii) requiring disgorgement of certain profits, (iii) requiring payment of a civil penalty and (iv) consenting to a five-year bar from association with any broker or dealer that ended on July 23, 2011.

We believe that Mr. Johnson brings to the Board extensive knowledge of corporate governance, corporate strategy, and capital allocation as well as shareholder value creation. This experience and knowledge led the Board to conclude that he should continue to serve as a director of the Company.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU
VOTE FOR THE ELECTION OF THE ABOVE NOMINEES AS
DIRECTORS OF THE COMPANY.**

Board Meetings – Committees of the Board

The Board of Directors held 4 meetings during 2014. During this period, all of the directors attended or participated in more than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all Committees of the Board of Directors on which each such director served.

The Board currently has the following Committees: Audit; Corporate Governance and Nominating; and Compensation. Each Committee consists entirely of independent, non-employee directors in accordance with the listing standards of the NYSE MKT. Membership and principal responsibilities of the Board's Committees are described below. Each Committee of the Board has adopted a charter and each such charter is available free of charge on our website, www.widepoint.com, or by writing to WidePoint Corporation, 7926 Jones Branch Drive, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary.

Audit Committee

The members of the Audit Committee are:

Morton S. Taubman (Chair)
James M. Ritter
George W. Norwood
Otto J. Guenther

The Audit Committee met four times in 2014. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities and Exchange Act of 1934. The primary functions of the Audit Committee are to: appoint (subject to stockholder approval), and be directly responsible for the compensation, retention and oversight of, the firm that will serve as the Company's independent accountants to audit our financial statements and to perform services related to the audit (including the resolution of disagreements between management and the independent accountants regarding financial reporting); review the scope and results of the audit with the independent accountants; review with management and the independent accountants, prior to the filing thereof, the annual and interim financial results (including Management's Discussion and Analysis) to be included in our Forms 10-K and 10-Q, respectively; consider the adequacy and effectiveness of our internal accounting controls and auditing procedures; review, approve and thereby establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; review and approve related person transactions in accordance with the policies and procedures of the Company; and consider the accountants' independence and establish policies and procedures for pre-approval of all audit and non-audit services provided to

WidePoint by the independent accountants who audit its financial statements. At each meeting, Audit Committee members may meet privately with representatives of Moss Adams LLP, our independent accountants, and with the Company's Executive Vice President and Chief Financial Officer.

The Board has determined that Messrs. Taubman, Ritter, Norwood and Guenther each meet the definition of "independent directors" for purposes of serving on an audit committee under applicable rules of the Securities and Exchange Commission and the listing standards of the NYSE MKT. In addition, the Board has determined that Mr. Taubman satisfies the "financially sophisticated" requirements set forth in the NYSE MKT Company Guide, and has designated Mr. Taubman as the "audit committee financial expert," as such term is defined in the rules and regulations of the SEC.

Corporate Governance and Nominating Committee

The members of the Corporate Governance and Nominating Committee are:

.	James M. Ritter (Chair)
.	Morton S. Taubman

Director Independence

The listing standards of the NYSE MKT require that our Board be comprised of a majority of "independent directors" and that the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee each be comprised solely of "independent directors," as defined under the listing standards of the NYSE MKT.

The Company's Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the Company's non-employee directors and its director nominee—Messrs. Taubman, Ritter, Guenther, Norwood and Johnson—satisfy the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the listing standards of the NYSE MKT and Securities and Exchange Commission rules. Each of the Board's Committees consists entirely of independent, non-employee directors.

Identification and Evaluation of Director Candidates

The Corporate Governance and Nominating Committee is charged with seeking individuals qualified to become directors and recommending candidates for all directorships to the full Board of Directors. The Committee considers director candidates in anticipation of upcoming director elections and other potential or expected Board vacancies.

The Committee considers director candidates suggested by members of the Committee, other directors, senior management and stockholders.

Director candidates are reviewed by the Committee based on the needs of the Board and the Company's various constituencies, their relative skills, characteristics and age, and against the following qualities and skills that are considered desirable for Board membership: exemplification of the highest standards of personal and professional integrity; independence from management under applicable securities laws, listing standards, and the Company's Corporate Governance Principles; experience and industry and educational background; potential contribution to the composition, diversity and culture of the Board; and ability and willingness to constructively challenge management through active participation in Board and committee meetings and to otherwise devote sufficient time to Board duties.

The Committee's charter includes diversity as one of the criteria used to evaluate director candidates. The Corporate Governance and Nominating Committee may consider diversity in its broadest sense when evaluating candidates. Though we do not have a formal policy regarding how diversity will be considered in identifying potential director nominees, our Corporate Governance Guidelines direct that the evaluation of nominees should include (but not be limited to) an assessment of whether a nominee would provide the Board with a diversity of viewpoints, backgrounds, experiences, and other demographics.

In evaluating the needs of the Board, the Committee considers the qualifications of sitting directors and consults with other members of the Board, the Chief Executive Officer and other members of senior management. All recommended candidates must possess the requisite personal and professional integrity, meet any required independence standards, and be willing and able to constructively participate in, and contribute to, Board and committee meetings. Additionally, the Committee conducts regular reviews of current directors whose terms are nearing expiration, but who may be proposed for re-election, in light of the considerations described above and their past contributions to the Board.

The Corporate Governance and Nominating Committee has adopted a policy pursuant to which a stockholder who has owned at least 5% of the Company's outstanding shares of common stock for at least two years may recommend a director candidate that the Committee will consider when there is a vacancy on the Board either as a result of a director resignation or an increase in the size of the Board. Such recommendation must be made in writing addressed to the Chairman of the Corporate Governance and Nominating Committee at the Company's principal executive offices and must be received by the Chairman at least 120 days prior to the anniversary date of the release of the prior year's proxy statement.

Although the Committee has not formulated any specific minimum qualifications that the Committee believes must be met by a nominee that the Committee recommends to the Board, the factors it will take into account will include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. There will be no differences between the manner in which the Committee evaluates a nominee recommended by a stockholder and the manner in which the Committee evaluates nominees recommended by other persons.

The Company did not receive in a timely manner, in accordance with the Securities and Exchange Commission's requirements, any recommendation of a director candidate from a stockholder, or group of stockholders, that beneficially owned more than 5% of the Company's common stock for at least two years as of the date of recommendation.

Process for Communicating with Board Members

Interested parties may communicate directly with the Board, or the presiding director for an upcoming meeting or the non-employee directors as a group, by writing to WidePoint Corporation, 7926 Jones Branch, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary. Communications may also be sent to individual directors at the above address.

Director Attendance at Annual Meetings

The Company has adopted a policy that each director should attempt to attend and/or be available via online access or phone for each Annual Meeting of Stockholders. All members of the Board were available and/or attended last year's Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

Our Corporate Governance Guidelines allow flexibility as to whether the role of Chief Executive Officer and Chairman of the Board are separated or combined. The Board's policy is to adopt the practice that best serves the Company at any point in time. At this time, the Board believes that combining the role of Chairman of the Board with the role of Chief Executive Officer provides the most effective and efficient leadership model for the Company. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. Currently, Steve L. Komar serves as our Chief Executive Officer and as our Chairman of the Board.

Because we have combined the Chairman and Chief Executive Officer roles, pursuant to our Corporate Governance Guidelines, our independent directors have designated Mr. Ritter to serve as the Presiding Independent Director to further strengthen our governance structure. The Presiding Independent Director is responsible for coordinating the activities of the independent directors, calling for meetings or sessions of the independent directors, presiding at executive sessions and coordinating the agenda for such sessions with at least two such meetings being held annually,

facilitating communications and functioning as principal liaison on Board-wide issues between independent directors and the Chairman of the Board, and when necessary, recommending the retention of outside advisors and consultants who report directly to Board.

Non-management members of the Board of Directors conduct at least two regularly scheduled meetings per year without members of management being present. Following an executive session of non-employee directors, the Presiding Independent Director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

The Board oversees the management of the risks inherent in the operation of the Company's business. This is accomplished principally through the Audit Committee. Additionally, the Compensation Committee is responsible for overseeing the assessment of risks associated with the Company's compensation policies and programs. Each of these committees receives and discusses reports regularly with members of management who are responsible for applicable day-to-day risk management functions of the Company, and reports regularly to the Board. The Board's, the Audit Committee's and the Compensation Committee's respective roles in our risk oversight process have not affected our Board leadership structure.

Executive Compensation

Compensation Discussion and Analysis

This compensation discussion and analysis describes the material elements of compensation awarded to, earned by, or paid to each of our named executive officers, whom we refer to as our “NEOs,” during 2014 and describes our policies and decisions made with respect to the information contained in the following tables, related footnotes and narrative for 2014. The NEOs are identified below in the table titled “Summary Compensation Table.” In this compensation discussion and analysis, we also describe various actions regarding NEO compensation take before or after 2014 when we believe it enhances the understanding of our executive compensation program.

Overview of Our Executive Compensation Philosophy and Design

We believe that a skilled, experienced and dedicated executive and senior management team is essential to the future performance of our Company and to building stockholder value. We have sought to establish competitive compensation programs that enable us to attract and retain executive officers with these qualities. The other objectives of our compensation programs for our executive officers are the following:

- to motivate our executive officers to achieve strong financial performance;

- to attract and retain executive officers who we believe have the experience, temperament, talents and convictions to contribute significantly to our future success; and

- to align the economic interests of our executive officers with the interests of our stockholders.

Setting Executive Compensation

Our compensation committee has primary responsibility for, among other things, determining our compensation philosophy, evaluating the performance of our NEOs, setting the compensation and other benefits of our NEOs, overseeing the Company’s response to the outcome of the advisory votes of stockholders on executive compensation, assessing the relative enterprise risk of our compensation program and administering our equity compensation plans. The Company’s compensation planning is done annually for cash based performance goals and in multi-year periods

for equity based performance goal setting.

It is our Chief Executive Officer's responsibility to provide recommendations to the Compensation Committee for most compensation matters related to executive compensation. The recommendations are based on a general analysis of market standards and trends and an evaluation of the contribution of each executive officer to the Company's performance. Our Compensation Committee considers, but retains the right to accept, reject or modify such recommendations and has the right to obtain independent compensation advice. Neither the Chief Executive Officer nor any other members of management is present during executive sessions of the Compensation Committee. The Chief Executive Officer is not present when decisions with respect to his compensation are made. Our Board of Directors appoints the members of our compensation committee and delegates to the compensation committee the direct responsibility for overseeing the design and administration of our executive compensation program.

We have not historically utilized a compensation consultant to set the compensation of our NEOs.

Elements of Executive Compensation

We believe the most effective compensation package for our NEOs is one designed to reward achievement of individual and corporate objectives, provide for short-term, medium-term and long-term financial and strategic goals and align the interest of management with those of the stockholders by providing incentives for improving stockholder value. Compensation for our NEOs consists of base salary and an annual bonus opportunity, along with multi-year accelerated vesting goals associated with either stock option awards and or stock grant awards. Our annual bonus opportunity is intended to incentivize the achievement of goals that drive annual and multi-year performance, while our accelerated stock option and or stock grant vesting goals are intended to incentivize the achievement of goals that drive multi-year performance.

Base Salary. We pay our NEOs a base salary to compensate them for services rendered and to provide them with a steady source of income for living expenses throughout the year. The fiscal 2015 base salaries for our NEOs, as well as the percentage increase from the fiscal 2014 base salaries, are as follows:

Name	Fiscal 2015 Base Salary	Percentage Increase	
		Over Fiscal 2014 Base Salary	
Steve Komar	\$ 270,000	8	%(1)
James McCubbin	\$ 265,000	6	%(1)
Jin Kang	\$ 265,000	11	%(1)

(1) NEOs original base salary for fiscal 2014 included a voluntarily agreed to 10% reduction in base salary for five months. This voluntary reduction ended on December 31, 2014. In addition, the fiscal 2015 base salaries were increased on April 9, 2015.

Annual Cash Based Bonus Opportunity. The amount of the annual discretionary cash based bonus award is based on individual performance assessments along with the financial performance of the Company. Our performance-based cash incentive compensation in recent years has included targets for achieving various levels of revenue, operating income, and other financial goals and metrics, along with individual performance assessments that has included goals in personal professional improvement, team building, and other individual personal growth goals. The annual cash based bonus opportunity is for up to 50% of a NEOs base salary. In 2014, none of our NEOs earned a bonus because due to our net operating losses.

We believe these cash based award opportunities reinforce the alignment of interests of our executive officers with those of our stockholders in the shorter term as the positive financial performance that drives the cash based bonus awards also indirectly influences the performance of the Company's common stock. We believe the personal professional improvement goals enhance the value of the NEO to expand their expertise and expand the effectiveness of the Company's staff allowing for greater organization efficiencies while improving Company performance, which drives short-term, medium-term, and long-term organizational improvement and ultimately value for the stockholders in the form of better financial and common stock performance.

Restricted Stock Equity Awards. Mr. Komar and Mr. McCubbin were each awarded 250,000 shares of restricted common stock in 2010 that vest 100% upon the earlier of (i) the seventh anniversary from the date of grant or (ii) upon an acceleration event that is determined by the Compensation Committee.

Stock Option Equity Awards. Mr. Kang was awarded 170,000 stock options in 2013 that vest one third per year over a term of three years in order to reward Mr. Kang for improved performance in the Company's common stock price. On May 8, 2015, Mr. Kang was awarded 25,000 stock options that vest 50% on each of December 31, 2015 and 2016.

Acceleration of Equity Awards. The acceleration of the common shares and or stock options are tied generally to performance measures such as earnings before interest, taxes, amortization and depreciation and other triggers predominately tied to performance goals of the Company. In keeping with our philosophy for incentivizing the performance of our named executive officers over a medium to longer term horizon the Company has used equity grants and awards linked to accelerated vesting goals to reinforce the alignment of interest of our named executive officers with those of our stockholders, as the value of the awards granted thereunder is linked to the value of our Common Stock, which, in turn, is indirectly attributable to the performance of our executive officers.

Retirement and Other Benefits. We are strongly committed to encouraging all employees to save for retirement. To provide employees with the opportunity to save for retirement on a tax-deferred basis, we sponsor a defined contribution 401(k) savings plan. We also provide health, dental, vision and short term disability insurance to our NEOs on the same basis offered to all of our employees.

For a five month period in calendar 2014, Mr. McCubbin voluntarily agreed to a 10% reduction in base salary.

The employment agreement contains a severance provision which provides that upon the termination of his employment without Cause (as described below) or his voluntary resignation for a Good Reason (as described below), Mr. McCubbin will receive severance compensation payable in a lump-sum of cash equal to the greater of (a) an amount equal to twelve (12) months of his base salary then in effect, or (b) an amount equal to Mr. McCubbin's base salary for the remainder of the term of the employment agreement as if the employment agreement had not been terminated; provided that if employment terminates by reason of death or disability, then Mr. McCubbin shall receive a one-time payment equal to the amount of Base Salary owed for the immediate twelve (12) months following the death or disability event, or an amount equal the remainder of the contractual term of the employment agreement whichever is less and all granted but unvested stock options shall be immediately vested and the period of exercise extended for an additional 2 years.

The employment agreement further provides that if within two years after a change in control of the Company there occurs any termination of Mr. McCubbin for any reason other than for Cause or a voluntary resignation without a Good Reason, then the Company will be required to pay to Mr. McCubbin a one-time severance payment equal to the greater of (a) an amount equal to twelve (12) months of his base salary then in effect, or (b) an amount equal to Mr. McCubbin's base salary for the remainder of the term of the employment agreement. If Mr. McCubbin's employment terminates for any reason other than for Cause or a voluntary retirement without Good Reason, Mr. McCubbin will be eligible to participate, at the Company's expense, in all executive medical and dental plans provided by the Company for the remainder of the term of the employment agreement. Mr. McCubbin will receive a payment equal to any excise, income and other taxes resulting from the imposition of parachute penalties of the Internal Revenue Code or applicable state tax law.

Termination of Mr. McCubbin's employment by the Company shall be deemed for "Cause" if, and only if, it is based upon (i) conviction of a felony by a federal or state court of competent jurisdiction; (ii) material disloyalty to the Company such as embezzlement or misappropriation of corporate assets; or (iii) engaging in unethical or illegal behavior which is of a public nature, brings the Company into disrepute, and results in material damage to the Company. A resignation by Mr. McCubbin shall not be deemed to be voluntary and shall be deemed to be a resignation with "Good Reason" if it is based upon (i) a diminution in Mr. McCubbin's title, duties, or salary; (ii) a material reduction in benefits; (iii) a direction by the Board of Directors that Mr. McCubbin report to any person or group other than the Board of Directors, or (iv) a geographic relocation of the Company's primary business operations outside of the Washington Metropolitan Area.

Mr. Kang. On April 9, 2015, we entered into an employment agreement with Jin Kang, our Executive Vice President and Chief Executive Officer of iSYS LLC and Chief Operations Officer, which replaced Mr. Kang's prior employment agreement, dated November 27, 2012. The agreement is for a term ending on December 31, 2016 and provides for (1) a base salary of \$265,000 per year, (2) reimbursement for business expenses, (3) medical and other benefits consistent with our existing policies with respect to our key executives, as such policies may be amended from time to time in the future, and (4) bonus compensation in the reasonable discretion of the Compensation Committee of the Board of Directors.

Mr. Kang's employment period will continue from the date of his agreement until December 31, 2016 unless he is terminated earlier due to (a) Mr. Kang's death or permanent disability which renders Mr. Kang unable to perform his duties hereunder (as determined by the Company in its good faith judgment), (b) Mr. Kang's resignation upon prior written notice to the Company of one-hundred and eighty (180) days, (c) termination by the Company for Cause or (d) termination by the Company without Cause upon prior written notice of one-hundred and eighty (180) days. "Cause" is defined in the Agreement as: (i) the repeated failure or refusal of Mr. Kang to follow the lawful directives of the Company, or its designee (except due to sickness, injury or disabilities), after prior notice to Mr. Kang and a reasonable opportunity to cure by Mr. Kang for up to thirty (30) days, (ii) gross inattention to duty or any other willful, reckless or grossly negligent act (or omission to act) by Mr. Kang, which, in the good faith judgment of the Company, materially injures the Company, including the repeated failure to follow the policies and procedures of the Company, after prior written notice to Employee and a reasonable opportunity to cure by Mr. Kang of up to thirty (30) days, (iii) a material breach of this Agreement by Mr. Kang, after prior written notice to Mr. Kang and a reasonable opportunity to cure by Mr. Kang of up to thirty (30) days, (iv) the commission by Mr. Kang of a felony or other crime involving moral turpitude or the commission by Mr. Kang of an act of financial dishonesty against the Company or, (v) a proper business purpose of the Company, which shall be limited to the elimination of the position filled by Mr. Kang as a result of a material decrease in revenues and/or profits of the Company, but with other cost cutting measures and the termination of other employees being first considered and instituted as determined in the sole judgment of the Company prior to the termination of Mr. Kang; provided, however, that in the event the Company terminates Mr. Kang under (v) above, then (I) the scope of the non-compete shall be limited to the products and services offered by the Company as of the termination of Mr. Kang and (II) the Company shall pay to Mr. Kang a continuation of base salary and benefits each month for the six (6) month period immediately following such termination. In the event Mr. Kang is terminated without Cause, then the Company shall pay to Mr. Kang a continuation of base salary and benefits each month for the six (6) month period immediately following such termination and the non-compete provisions in the agreement shall not apply.

Certain Related Person Transactions

A related person transaction is a consummated or currently proposed transaction in which the Company has been, is or will be a participant and the amount involved exceeds \$120,000, and in which a related person (i.e., any director or executive officer or nominee for director, or any member of the immediate family of such person) has or will have a direct or indirect material interest.

The Company was not a participant in any related person transactions in the past two fiscal years and no such transactions are currently proposed.

Under the Company's corporate governance principles (the "Corporate Governance Principles"), a majority of the Company's Board will consist of independent directors. An "independent" director is a director who meets the NYSE MKT definition of independence and other applicable independence standards under SEC guidelines, as determined by the Board. The Company's Corporate Governance and Nominating Committee conduct an annual review of the independence of the members of the Board and its Committees and report its findings to the full Board of Directors. Based on the report and recommendation of the Corporate and Nominating Governance Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, and Norwood—satisfies the independence criteria (including the enhanced criteria with respect to members of the Audit Committee) set forth in the applicable NYSE MKT listing standards and SEC rules. Each Board Committee consists entirely of independent, non-employee directors.

Non-management members of the Board of Directors conduct at least two regularly-scheduled meetings per year without members of management being present. Mr. Ritter serves as the presiding director of such meetings. Following an executive session of non-employee directors, the presiding director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

Proposal Two – Independent Accountants

The Audit Committee is recommending that stockholders ratify its appointment of Moss Adams LLP as independent accountants for WidePoint to audit its consolidated financial statements for the fiscal year ending December 31, 2015, to perform audit-related services, including review of our quarterly interim financial information, periodic reports and registration statements filed with the Securities and Exchange Commission and consultation in connection with various accounting and financial reporting matters. The stockholder vote is not binding on the Audit Committee. If the appointment of Moss Adams LLP is not ratified by stockholders, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Moss Adams LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Moss Adams LLP provided audit and other services in 2015 for the Company's audit of its consolidated financial statements for the fiscal year ended December 31, 2014. Moss Adams LLP also provided audit and other services in 2014 for the Company's audit of its consolidated financial statements for the fiscal year ended December 31, 2013.

A resolution will be presented at the Annual Meeting to ratify the appointment of Moss Adams LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2015. A representative of Moss Adams LLP will be available either via phone or in person at the Annual Meeting to answer appropriate questions concerning the Company's financial statements and to make a statement if desired.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF THE RATIFICATION OF THE COMPANY'S AUDITORS.

Audit Committee Policies and Procedures For Pre-Approval of Independent Auditor Services

The following describes the Audit Committee's policies and procedures regarding pre-approval of the engagement of the Company's independent auditor to perform audit as well as permissible non-audit services for the Company.

For audit services, the independent auditor will provide the Audit Committee with an engagement letter during the March-May quarter of each year outlining the scope of the audit services proposed to be performed in connection with the audit of the current fiscal year. If agreed to by the Audit Committee, the engagement letter will be formally accepted by the Audit Committee at an Audit Committee meeting held as soon as practicable following receipt of the engagement letter. The independent auditor will submit to the Audit Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services, Company management may submit to the Audit Committee for approval (during May through September of each fiscal year) the list of non-audit services that it recommends the Audit Committee engage the independent auditor to provide for the fiscal year. The list of services must be detailed as to the particular service and may not call for broad categorical approvals. Company management and the independent auditor will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year may be provided. The Audit Committee will consider for approval both the list of permissible non-audit services and the budget for such services. The Audit Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Audit Committee delegates to its Chairman the authority to amend or modify the list of approved permissible non-audit services and fees. The Chairman will report any action taken pursuant to this delegation to the Audit Committee at its next meeting.

All audit and non-audit services provided to the Company are required to be pre-approved by the Audit Committee. The Chief Financial Officer of the Company will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Audit Committee.
