This Amendment No. 3 (this “Amendment No. 3”) amends and supplements the Schedule 13D (the “Original Schedule 13D”) filed with the Securities and Exchange Commission (the “Commission”) on October 8, 2008, as amended pursuant to Amendment No. 1 to the Original Schedule 13D filed with the Commission on January 14, 2010, and Amendment No. 2 to the Original Schedule 13D filed with the Commission on February 5, 2016. Unless specifically amended hereby, the disclosures set forth in the Original Schedule 13D, as amended, remain unchanged.

All capitalized terms used, but not defined, in this Amendment No. 3 shall have the meanings given to them in the Original Schedule 13D, as amended.

Item 4. Purpose of Transaction.

Item 4 of the Original Schedule 13D is hereby amended and restated in its entirety as follows:

On February 5, 2016, Mr. Wang, the chairman and chief executive officer of the Issuer, Right Advance and Chiming Bells entered into a consortium agreement (the “Consortium Agreement”) with IDG-Accel China Growth Fund II L.P. (“IDG Growth II”), and IDG-Accel China Investors II L.P. (“IDG Investors II”, together with Mr. Wang, Right Advance, Chiming Bells, and IDG Growth II, the “Consortium”), pursuant to which the Consortium will cooperate in good faith in connection with an acquisition transaction (the “Transaction”) with respect to the Issuer. The Consortium Agreement provides, among other things, for: cooperation in arranging financing; engaging advisors; admission of new Consortium members; cooperation in obtaining applicable governmental, statutory, regulatory or other approvals, licenses, waivers or exemptions for the consummation of the transactions; and cooperation in preparing definitive documentation with respect to the Transaction. During the period beginning on the date of the Consortium Agreement and ending on the earlier of (i) the 12-month anniversary of the date of the Consortium Agreement and (ii) the termination of the Consortium Agreement on the occurrence of other termination events, members of the Consortium have agreed to work exclusively with each other with respect to the Transaction and not to (a) make a competing proposal for the acquisition of control of the Issuer or (b) acquire or dispose of any securities of the Issuer.

On February 17, 2016, () (Shanghai Trend Asset Management Center (Limited Partnership)) (“Shanghai T limited partnership, signed an adherence agreement to the Consortium Agreement (the “Shanghai Trend Adherence Agreement”), pursuant to which Shanghai Trend joined the Consortium. References to the “Consortium” or “Consortium Members” after February 17, 2016 shall include Shanghai Trend.

Mr. Wang and IDG Growth II have previously submitted a preliminary non-binding proposal (the “Proposal”) to the Issuer’s board of directors in connection with the Transaction. Under the Proposal, members of the Consortium proposed to acquire, through an acquisition vehicle to be formed by them, all of the outstanding ordinary shares of the Company and ADSs not owned by them for US\$8.56 per ADS or US\$0.2140 per ordinary share in cash, representing a premium of 21.8% to the closing price of the Issuer’s ADSs on June 26, 2015 and a premium of approximately 20%

to the average closing price of the Issuer's ADSs during the last 30 trading days. The Proposal also provides that, among other things, the Consortium will negotiate and execute definitive agreements with respect to the Transaction that will include provisions typical for transactions of this type.

If the Transaction is completed, the Issuer's ADSs would be delisted from the NASDAQ Global Select Market, and the Issuer's obligation to file periodic reports under the Act would terminate. In addition, consummation of the Transaction could result in one or more of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D, including the acquisition or disposition of securities of the Issuer, a merger or other extraordinary transaction involving the Issuer, a change to the board of directors of the Issuer (as the surviving company in the merger), and a change in the Issuer's memorandum and articles of association to reflect that the Issuer would become a privately held company.

Other than as described above, none of the Reporting Persons currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto. As a result of these activities, one or more of the Reporting Persons may suggest or take a position with respect to potential changes in the operations, management, or capital structure of the Issuer as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Issuer or disposing of securities of the Issuer; entering into an extraordinary corporate transaction such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the present board of directors or management of the Issuer, including changing the number or term of directors or filling any existing vacancies on the board of directors; materially changing the present capitalization or dividend policy of the Issuer; materially changing the Issuer’s business or corporate structure; changing the Issuer’s certificate of incorporation, bylaws or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act; and taking any action similar to any of those enumerated above.

References to the Consortium Agreement and the Shanghai Trend Adherence Agreement in this statement are qualified in their entirety by reference to the Consortium Agreement and the Shanghai Trend Adherence Agreement, copies of which are attached hereto as Exhibits 2 and 3 and incorporated herein by reference in their entirety.

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer.

Item 6 of the Original Schedule 13D is hereby amended and restated in its entirety as follows:

The Consortium Agreement and the Shanghai Trend Adherence Agreement, which have been filed as Exhibit 2 and Exhibit 3 to this statement, are incorporated herein by reference in their entirety. In addition, the information set forth in Items 3, 4 and 5 of this statement is incorporated by reference in its entirety into this Item 6. To the best knowledge of the Reporting Persons, except as provided herein, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons and between any of the Reporting Persons and any other person with respect to any securities of the Issuer, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency, the occurrence of which would give another person voting power over the securities of the Issuer.
