2019 ANNUAL MEETING OF STOCKHOLDERS
To Be Held on May 21, 2019

GENERAL INFORMATION

This Proxy Statement and accompanying Proxy Card and the 2018 Annual Report to Stockholders are being furnished to the stockholders of Standard AVB Financial Corp. (sometimes referred to as “Standard AVB” or the “Company”) in connection with the solicitation of proxies by the Board of Directors of Standard AVB, for use at the 2019 Annual Meeting of Stockholders. The Annual Meeting will be held on May 21, 2019, at 9:00 a.m., local time, at the Courtyard by Marriott Monroeville, 3962 William Penn Highway, Monroeville, PA 15146. The term “Annual Meeting,” as used in this Proxy Statement, includes any adjournment or postponement of such meeting.

This Proxy Statement is dated April 15, 2019 and is first being mailed to stockholders on or about April 15, 2019.

The 2019 Annual Meeting of Stockholders

Date, Time and Place

The Annual Meeting of Stockholders will be held on May 21, 2019, at 9:00 a.m., local time, at the Courtyard by Marriott Monroeville, 3962 William Penn Highway Monroeville, Pennsylvania 15146.

Record Date

March 29, 2019.

Shares Entitled to Vote

4,822,646 shares of Standard AVB common stock were outstanding on the Record Date and are entitled to vote at the Annual Meeting.

Purpose of the Annual Meeting

To consider and vote on the election of five directors; the ratification of the appointment of S.R. Snodgrass, P.C. as the Company’s independent registered public accountants for the fiscal year ending December 31, 2019; the consideration of an advisory, non-binding resolution with respect to the executive compensation described in the Proxy Statement; and the consideration of an advisory vote with respect to the frequency of future “say-on-pay” advisory votes on the compensation of our Named Executive Officers.

Vote Required

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is withheld. The ratification of the appointment of S.R. Snodgrass, P.C. as independent registered public accountants is determined by a majority of the votes cast, without regard to broker non-votes or proxies marked “ABSTAIN.” As to the advisory, non-binding resolution with respect to our executive compensation as described in this Proxy Statement, a stockholder may: (i) vote “FOR” the resolution; (ii) vote “AGAINST” the resolution; or (iii) “ABSTAIN” from voting on the resolution. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes or shares as to which the “ABSTAIN” box has been selected on the proxy card, is required for the approval of this non-binding resolution. As to the advisory vote on the frequency of future “say-on-pay” advisory votes on the executive compensation of our Named Executive Officers, stockholders

TABLE OF CONTENTS

may choose one of four choices: every year, every two years, every three years, or to abstain from voting. Although this advisory vote regarding the frequency of “say-on-pay” votes is non-binding on the Board of Directors, the Board of Directors will review the voting results and take them into consideration when deciding how often to conduct “say-on-pay” advisory votes.

Your Board of Directors Recommends a Vote in Favor of The Proposals

The Board of Directors has determined that the matters to be considered at the Annual Meeting are in the best interest of the Company and its stockholders, and the Board of Directors unanimously recommends a vote “FOR” the election of the director nominees as well as Proposals 2 and 3, and in favor of the “ONE YEAR” option with respect to Proposal 4.

Who Can Vote

The Board of Directors has fixed March 29, 2019 the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Standard AVB common stock, par value \$0.01 per share, at the close of business on such date will be entitled to vote at the Annual Meeting. On March 29, 2019, 4,822,646 shares of Standard AVB common stock were outstanding and held by approximately 570 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Standard AVB common stock is necessary to constitute a quorum at the Annual Meeting.

How Many Votes You Have

Each holder of shares of Standard AVB common stock outstanding on March 29, 2019 will be entitled to one vote for each share held of record. However, Standard AVB’s Articles of Incorporation provide that stockholders of record who beneficially own in excess of 10% of the then-outstanding shares of common stock of Standard AVB are not entitled to any vote with respect to the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate, as well as by any person acting in concert with such person or entity.

Matters to Be Considered

The purpose of the Annual Meeting is to vote on the election of five directors; to ratify the appointment of S.R. Snodgrass, P.C. as our independent registered public accountants for the fiscal year ending December 31, 2019; to consider an advisory, non-binding resolution with respect to the executive compensation described in the Proxy Statement; and to consider an advisory vote with respect to the frequency of future advisory votes on our executive compensation.

You may be asked to vote upon other matters that may properly be submitted to a vote at the Annual Meeting. You also may be asked to vote on a proposal to adjourn or postpone the Annual Meeting. Standard AVB could use any adjournment or postponement for the purpose, among others, of allowing additional time to solicit proxies.

How to Vote

You may vote your shares by completing and signing the enclosed Proxy Card and returning it in the enclosed postage-paid envelope or by attending the Annual Meeting. Alternatively, you may choose to vote your shares using the internet or telephone voting options explained on your Proxy Card. You should complete and return the Proxy Card accompanying this document, or vote using the internet or telephone voting options, in order to ensure that your vote is counted at the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, regardless of whether you plan to attend. Where no instructions are indicated, validly executed proxies will be voted “FOR” the election of the five director nominees named on

TABLE OF CONTENTS

the Proxy Statement, “FOR” Proposals 2 and 3 as set forth in the Proxy Statement, and in favor of the “ONE YEAR” option with respect to Proposal 4 as set forth in the Proxy Statement.

If you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from the stockholder of record to attend the Annual Meeting. Examples of such documentation include a broker’s statement or letter or other documentation that will confirm your ownership of shares of Standard AVB common stock. If you want to vote your shares of Standard AVB common stock that are held in street name in person at the Annual Meeting, you will need a written proxy in your name from the broker, bank or other nominee who holds your shares.

The Board of Directors is currently unaware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies on the Proxy Card in their best judgment.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Standard AVB common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present. A proxy submitted by a broker that is not voted is sometimes referred to as a broker non-vote.

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is “Withheld.” The ratification of the appointment of S.R. Snodgrass, P.C. as independent registered public accountants is determined by a majority of the votes cast, without regard to broker non-votes or proxies marked “ABSTAIN.” As to the advisory, non-binding resolution with respect to our executive compensation as described in this Proxy Statement, a stockholder may: (i) vote “FOR” the resolution; (ii) vote “AGAINST” the resolution; or (iii) “ABSTAIN” from voting on the resolution. The advisory resolution with respect to our executive compensation as described in the Proxy Statement and the advisory vote on the frequency of future “say-on-pay” votes are determined by the affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes or abstentions. As to the advisory vote on the frequency of future “say-on-pay” advisory votes on our executive compensation, stockholders may choose one of four choices: “ONE YEAR,” “TWO YEARS,” “THREE YEARS,” or “ABSTAIN.” While voting on Proposals 3 and 4 are required by law, these votes will neither be binding on Standard AVB or the Board of Directors, nor will they create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on Standard AVB or the Board of Directors.

Revocability of Proxies

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. You may revoke your proxy by:

- submitting written notice of revocation to the Corporate Secretary of Standard AVB prior to the voting of such proxy;
- submitting a properly executed proxy bearing a later date;
- using the internet or telephone voting options explained on the Proxy Card; or
- voting in person at the Annual Meeting; however, simply attending the Annual Meeting without voting will not revoke an earlier proxy.

Written notices of revocation and other communications regarding the revocation of your proxy should be addressed to:

Monroeville, Pennsylvania 15146

Attention: Kim J. Davis, Corporate Secretary

If your shares are held in street name, your broker votes your shares and you should follow your broker's instructions regarding the revocation of proxies.

Solicitation of Proxies

Standard AVB will bear the entire cost of soliciting proxies from you. In addition to the solicitation of proxies by mail, Standard AVB will request that banks, brokers and other holders of record send proxies and proxy material to the beneficial owners of Standard AVB common stock and secure their voting instructions. Standard AVB will reimburse such holders of record for their reasonable expenses in taking those actions. If necessary, Standard AVB may also use several of its regular employees, who will not be separately compensated, to solicit proxies from stockholders, personally or by telephone, facsimile or letter.

Recommendation of the Board of Directors

The Board of Directors has determined that the matters to be considered at the Annual Meeting are in the best interest of the Company and its stockholders, and the Board of Directors unanimously recommends a vote "FOR" the election of the director nominees, "FOR" Proposals 2 and 3, and in favor of the "ONE YEAR" option with respect to Proposal 4.

TABLE OF CONTENTS

PROPOSAL I — ELECTION OF DIRECTORS

The Board of Directors currently consists of thirteen (13) members and is divided into three classes, with one class of directors elected each year.

Five (5) directors will be elected at the Annual Meeting and will serve until their successors have been elected and qualified. The Nominating and Corporate Governance Committee has nominated Terence L. Graft, John M. Lally, David C. Mathews, Ronald J. Mock and Dale A. Walker to serve as directors for a three-year term.

The biographies of each of the nominees and continuing board members below contain information regarding the person's business experience and the experiences, qualifications, attributes or skills that caused the Nominating and Corporate Governance Committee and the Board of Directors to determine that the person should serve as a director. The principal occupation during the past five years of each of our directors is set forth below. All directors have held their present positions for at least five years unless otherwise stated. Each existing director is also a director of Standard Bank, PaSB.

All of the nominees and directors continuing in office are or were long-time residents of the communities served by Standard AVB and many of such individuals have operated, or currently operate, businesses located in such communities. As a result, each nominee and director continuing in office has significant knowledge of the businesses that operate in Standard AVB's market area, an understanding of the general real estate market, values and trends in such communities and an understanding of the overall demographics of such communities. As the holding company for a community banking institution, Standard AVB believes that the local knowledge and experience of its directors assists Standard AVB in assessing the credit and banking needs of its customers, developing products and services to better serve its customers and assessing the risks inherent in its lending operations, and provides Standard AVB with greater business development opportunities.

It is intended that the proxies solicited on behalf of the Board (other than proxies in which the vote is withheld as to the nominees) will be voted at the Annual Meeting "FOR" the election of the nominees. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board may recommend. At this time, the Board knows of no reason why the nominees would be unable to serve if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES LISTED IN THIS PROXY STATEMENT.

Directors and Executive Officers

Following is the business experience for the past five years of each of the Company's directors and executive officers. Nominees for Director for a Term of Three Years

TABLE OF CONTENTS

Director Independence

The Board has determined that, except directors Timothy K. Zimmerman, Andrew W. Hasley and David C. Mathews each member of the Board is an “independent director” within the meaning of the NASDAQ corporate governance listing standards and the Company’s corporate governance policies. Messrs. Zimmerman and Hasley are not independent because they are employees of Standard AVB and Standard Bank. Mr. Mathews retired from full time employment with Standard Bank on February 27, 2019. Mr. Mathews is not independent because of his prior employment with Standard Bank. He remains on the Board of Directors. There were no transactions that the Board of Directors needed to review that are not required to be reported under “— Transactions with Certain Related Persons” that would bear in the determination of the independence of the directors.

Board Leadership Structure and Risk Oversight

The Board of Directors is chaired by Terence L. Graft and is vice-chaired by Gregory J. Saxon, each of whom is a non-executive director. This structure ensures a greater role for the independent directors in the oversight of Standard AVB and Standard Bank, and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board of Directors.

The Board of Directors is actively involved in oversight of risks that could affect Standard AVB. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding such committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within Standard AVB. Risks relating to the direct operations of Standard Bank are further overseen by the Board of Directors of Standard Bank, which consists of the same individuals who serve on the Board of Directors of Standard AVB. The Board of Directors of Standard Bank also has additional committees that conduct risk oversight and they typically meet jointly with the committees of Standard AVB. All committees are responsible for the establishment of policies that guide management and staff in the day-to-day operation of Standard AVB and Standard Bank, such as lending, risk management, asset/ liability management, investment management and others.

Board Meetings and Committees

The Board of Directors of Standard AVB met 12 times during the fiscal year ended December 31, 2018. No director attended fewer than 75% of the aggregate of the total number of Board meetings and committee meetings on which he or she served (during the period in which he or she served) that were held during the fiscal year ended December 31, 2018. Executive sessions of the independent directors are conducted on a regular basis. Although not required, attendance of Board members at the Annual Meeting of Stockholders is encouraged. All of the directors attended the 2018 Annual Meeting of Stockholders.

The Company has three standing Board committees: Compensation and Personnel; Nominating and Corporate Governance; and Audit.

Compensation and Personnel Committee

The Compensation and Personnel Committee (“Compensation Committee”) is composed of independent (as defined in the Standard AVB Nominating and Corporate Governance Committee Charter), non-employee directors who are not eligible to participate in management compensation programs. The current members of the Compensation Committee consist of Directors Graft, who serves as Chairman, Ferri, Saxon, Thomasmeyer and Walker. The Compensation Committee has a written charter, which is available on our website at www.standardbankpa.com. The Compensation Committee met 4 times during the fiscal year ended December 31, 2018.

None of these individuals was an officer or employee of Standard AVB or Standard Bank during the fiscal year ended December 31, 2018, or is a former officer of Standard AVB or Standard Bank. Each member of the Compensation Committee is independent in accordance with the listing standards of the NASDAQ Stock Market.

TABLE OF CONTENTS

Pursuant to the Compensation Committee's Charter, the Compensation Committee approves the compensation objectives for Standard AVB and Standard Bank and establishes the compensation for the Chief Executive Officer and other senior executives. The Chief Executive Officer provides recommendations to the Compensation Committee on matters of compensation philosophy, plan design and the general guidelines for employee compensation. These recommendations are then considered by the Compensation Committee. However, Mr. Zimmerman does not vote on and is not present for any discussion of his own compensation.

The Compensation Committee, in performing its duties and responsibilities with respect to director and executive officer compensation, relies on market compensation, survey information and the assistance of the Human Resources Department. In addition, during the fiscal year ended December 31, 2018, the Compensation Committee retained Pearl Meyer & Partners, LLC ("Pearl Meyer") to provide market survey salary data and recommendations with respect to compensation for the Board of Directors. Pearl Meyer had also been retained to perform a comprehensive review of compensation for the Board of Directors and senior executive management compensation and benefit plans during 2017. This information for senior executive management was refreshed during 2018 using independent compensation and benefit survey information.

Analysis of Compensation Risk. In setting compensation, the Compensation Committee also considers the risks to the Company's stockholders that may be inherent in the compensation program and to the achievement of our goals. Based on its review, the Compensation Committee believes our compensation programs represent an appropriate balance of short-term and long-term compensation and do not encourage executive officers or other employees to take unnecessary or excessive risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee review also considered our internal controls, policies and risk-mitigating components in our incentive arrangements currently in place.

We considered the following elements, among others, of our executive compensation plans and policies when evaluating whether such plans and policies encourage our executives to take unreasonable risks:

- we set performance goals that we believe are reasonable but challenging in light of past performance and market conditions; and

- we have a balanced portfolio between long-term and short-term compensation, variable and fixed pay, and cash, equity and deferred compensation with a compensation portfolio weighted similar to our peers.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of at least six directors who are "independent" as defined in the Nominating and Corporate Governance Committee Charter. The current members of the Nominating and Corporate Governance Committee consist of Director Graft, who serves as Chairman, Rennie, Ferri, Thomasmeyer, Iurlano and Saxon. The Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.standardbankpa.com. The Nominating and Corporate Governance Committee of Standard AVB met 2 times during the fiscal year ended December 31, 2018.

Pursuant to the Nominating and Corporate Governance Committee charter, the Nominating and Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as members of the Board of Directors, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board of Directors effectiveness and in developing and implementing our corporate governance guidelines. The Nominating and Corporate Governance Committee also considers and recommends the nominees for director to stand for election at our annual meeting of stockholders.

If the candidate is deemed eligible for election to the Board of Directors, the Committee will consider the following criteria in selecting nominees, as described in more detail in the Committee's Charter: the candidate's personal and professional integrity, exceptional ability and judgment, effectiveness in serving the long-term interests of our stockholders and our desire to have directors of diverse backgrounds and perspectives.

TABLE OF CONTENTS

The Nominating and Corporate Governance Committee will also consider an individual's independence, experience relevant to Standard AVB's needs, leadership qualities, diversity and stock ownership.

In addition to meeting these qualifications, a person is not qualified to serve as a director if he or she: (1) has ever been convicted of a criminal offense involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year, (2) is a person against whom a banking agency has issued a cease and desist order, agreement or written statement subject to public disclosure under 12 U.S.C. §1818(u), or (3) is currently charged in any information, indictment or other complaint with the commission or participation in a crime. In addition, no person may serve on the Board of Directors and at the same time be a director or officer of another co-operative bank, credit union, savings bank, savings and loan association, bank, trust company or holding company thereof (in each case whether chartered under state, federal or other law) that engages in business activities in the same market area as Standard AVB or any of its subsidiaries or in any county contiguous to such market area. At least two-thirds of the members of the Board of Directors must be residents of Pennsylvania or reside within a 100-mile radius of an office of Standard Bank. No person 75 years or older shall be eligible for election, re-election, appointment or reappointment to the Board of Directors, unless such person was a director of Standard Bank on June 1, 1998. Finally, Standard AVB restricts candidates who are affiliated with or representative of controlling stockholders that own more than 10% of Standard AVB common stock that would themselves be ineligible to serve on the Board of Directors.

The Nominating and Corporate Governance Committee has adopted as part of its Charter a commitment to develop and recommend to the Board of Directors criteria for the selection of individuals to be considered for election or re-election to the Board and committees thereof. Standard AVB understands the importance and value of gender and ethnic diversity on a board of directors. The Nominating and Corporate Governance Committee recognizes that diversity in professional and life experiences may include consideration of gender, race, or ethnicity in identifying individuals who possess the qualifications that the Nominating and Corporate Governance Committee believes are important to be represented on the Board of Directors and has committed to include those factors in its selection of individuals to serve on the Board of Directors.

The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Chair will:

- forward the communication to the director(s) to whom it is addressed;

- handle the inquiry directly, for example, where it is a request for information about the Company or it is a stock-related matter; or

Information with respect to the experience of Audit Committee Chairman Walker is included in “— Directors.” Our Audit Committee has a written charter, which is available on our website at www.standardbankpa.com. The Audit Committee appoints, compensates, retains and oversees the work performed by the independent registered public accountants for the purpose of preparing or issuing an audit report or related work. Transactions with Certain Related Persons

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits us from making loans to our executive officers and directors, but it contains a specific exemption from such prohibition for loans made by Standard Bank to our executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. Standard Bank is therefore prohibited from making any loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made to executive officers under a benefit program maintained by Standard Bank that is generally available to all other employees and that does not give preference to any executive officer over any other employee.

In addition, loans made to a director or executive officer must be approved in advance by a majority of the disinterested members of the Board of Directors. The aggregate amount of our total potential loan exposure to our officers and directors and their related entities was \$3,176,500 at December 31, 2018. As of December 31, 2018, these loans were performing according to their original terms.

Pursuant to the Company's Policy and Procedures for Approval of Related Person Transactions, the Audit Committee periodically reviews, no less frequently than twice a year, a summary of the Company's transactions in excess of \$25,000 with directors and executive officers of the Company and with firms that employ directors, as well as any other related person transactions, for the purpose of recommending to the disinterested members of the Board of Directors that the transactions are fair, reasonable and within Company policy and should be ratified and approved. For the 2018 fiscal year, the Company was not engaged in any transactions with related persons of a type or in such amount that was required to be disclosed pursuant to applicable Securities and Exchange Commission rules and regulations, except as described above.

Also, in accordance with banking regulations, the Board of Directors reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and their related interests, exceeds \$500,000 and such loan must be approved in advance by a majority of the disinterested members of the Board of Directors. Additionally, pursuant to the Company's Code of Ethics and Business Conduct, all executive officers and directors of the Company must disclose any existing or emerging conflicts of interest to the Company's Chief Executive Officer. Such potential conflicts of interest include, but are not limited to, the following: (i) the Company conducting business with or competing against an organization in which a family member of an executive officer or director has an ownership or employment interest and (ii) the ownership of more than 1% of the outstanding securities or 5% of total assets of any business entity that does business with or is in competition with the Company.

Procedures Governing Related Persons Transactions

The Company maintains a Policy and Procedures Governing Related Person Transactions, which is a written set of procedures for the review and approval of transactions involving related persons. Under these procedures, related persons consist of directors, director nominees, executive officers, persons or entities known to us to be the beneficial owner of more than 5% of any outstanding class of the voting securities of the Company or immediate family members or certain affiliated entities of any of the foregoing persons.

Transactions covered by the procedures consist of any financial transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, in which:

- the aggregate amount involved will or may be expected to exceed \$25,000 in any calendar year;

- the Company is, will, or may be expected to be a participant; and

- any related person has or will have a direct or indirect material interest.

The procedures exclude certain transactions, including:

- any compensation paid to an executive officer of the Company if the Compensation Committee of the Board approved (or recommended that the Board approve) such compensation;
- any compensation paid to a director of the Company if the Board or an authorized committee of the Board of Directors approved such compensation; and

TABLE OF CONTENTS

- any transaction with a related person involving consumer and investor financial products and services proved in the ordinary course of the Company's business and on substantially the same terms as those prevailing at the time for comparable services provided to persons unrelated to the Company, or to the Company's employees on a broad basis (and, in the case of loans, in compliance with the Sarbanes-Oxley Act of 2002).

Related person transactions will be reviewed by the Audit Committee. In connection with its review, the Audit Committee will consider all relevant factors, including:

- whether the terms of the proposed transaction are at least as favorable to the Company as those that might be achieved with an unaffiliated third party;

- the size of the transaction and the amount of consideration payable to the related person;

- the nature of the interest of the related person;

- whether the transaction may involve a conflict of interest as defined in the Company's Code of Ethics and Business Conduct; and

- whether the transaction involves the provision of goods and services to the Company that are available and from unaffiliated third parties.

For each periodic review of related persons transactions, the Audit Committee will determine if the transactions were fair, reasonable, and within Company policy and will recommend to the disinterested members of the Board of Directors that they should be ratified and approved or make such other recommendation to the Board of Directors as the Audit Committee deems appropriate. If any transaction recommended for ratification and approval by the Audit Committee is not ratified and approved by the Board of Directors, the Secretary of the Audit Committee will provide a report to the Audit Committee setting forth information about the Board's actions.

Stock Ownership Guidelines

The Board of Directors adopted stock ownership guidelines in 2017 for our senior executive officers and directors that require the following minimum investment in Standard AVB common stock. These guidelines became effective on January 1, 2018.

Chief Executive Officer: A number of shares having a market value equal to 3x annual base salary

Other senior executive officers: A number of shares having a market value equal to 1x annual base salary

Directors: \$100,000 of common stock

Stock holdings are expected to be achieved within five years of either the implementation of the ownership guidelines or the starting date of the individual, whichever is later. Progress and compliance in achieving the minimum ownership guidelines will be reviewed at the end of each fiscal year and reported to the Compensation Committee during the first quarter of the following fiscal year.

Covered individuals may satisfy the ownership guidelines with common stock in the following categories:

- Shares owned directly;

- Shares owned indirectly (e.g., by a spouse or a trust) if the covered individual has a pecuniary interest in such shares;

- Time vested restricted stock and/or restricted stock units granted under the Company's equity compensation arrangements; and
- Unexercised stock options that are vested and in-the-money, valued using a "net settlement" methodology.

Executive Compensation Objectives and Philosophy	
The primary objectives of the Company's executive compensation program are the following:	
• Provide market competitive compensation	
• Link pay and Company performance and align executive interests with stockholder value creation	
• Reward executives for performance	
• Align compensation with the external market in order to enable the Company to attract, motivate and retain key executive talent	
• Balance risk and reward in order to mitigate unnecessary risk to the Company by avoiding certain compensation practices that may incentivize risk	

- Be consistent from both an internal (company) and external (market) perspective

To achieve these objectives, the Company has structured the senior executive officers compensation program in the following manner:

- Salary levels and merit increases that reflect position responsibilities, competitive market rates, strategic importance of the position and individual performance.
- Annual cash incentive (i.e., bonus) payments that are based on the Company's annual financial performance, as approved by the Compensation Committee, and achievement of certain strategic non-financial performance objectives. The Compensation Committee has the discretion to take into consideration extraordinary items that affect income, gain, expense or loss and other factors it may deem relevant.
- Long-term equity-based incentives that reward outstanding performance with incentives that focus the management team on creating stockholder value over the long term. By granting equity awards to the senior executive officers, the Company provides the senior executive officers with a continuing stake in the Company's long-term success.
- Benefit programs that provide all employees, including the senior executive officers, with access to health and welfare benefits. All employees are also eligible to participate in retirement plans sponsored by the Company. The benefit programs are designed to be competitive with peers. To support these objectives, the total compensation (sum of base salary, annual incentive, long-term incentives) and benefits package for the senior executive officers are generally positioned around

TABLE OF CONTENTS

median competitive levels for commensurate performance, taking into account their relative responsibilities. Actual total compensation in any given year may be above or below the target level and market median, based on individual and corporate performance.

Compensation Decision Process

The Compensation Committee determines the salaries and other forms of compensation to be paid each year to the Chief Executive Officer and those executive officers who report directly to the Chief Executive Officer. The Compensation Committee currently consists of Messrs. Graft (Chair), Ferri, Saxon, Thomasmeyer and Walker. None of these individuals was an officer or employee of Standard AVB or Standard Bank during the fiscal year ended December 31, 2018, or is a former officer or employee of Standard AVB or Standard Bank.

The Compensation Committee is responsible for establishing and overseeing the executive compensation program, annually reviewing and approving the compensation of the CEO and reviewing and approving the recommendations regarding the compensation of the other senior executive officers. The Compensation Committee makes reference to market data to determine changes in compensation of the senior executive officers, and it weighs a variety of different factors in its deliberations.

The CEO does not play any role in the Compensation Committee's determination of his own pay. When appropriate, the Compensation Committee meets in executive session absent the CEO. The Compensation Committee does, however, solicit input from the CEO concerning the performance and compensation of the other senior executive officers. The CEO bases his respective recommendations on an assessment of each individual's performance, external market pay practices, retention risk and the Company's overall pay philosophy. All senior executive officer compensation decisions are ultimately approved by the Compensation Committee.

Role of Compensation Consultant

The Compensation Committee has the authority to retain and terminate a compensation consultant and to approve the consultant's fees and all other terms of the engagement. The Compensation Committee has engaged the services of an independent compensation consultant, Pearl Meyer & Partners LLC ("Pearl Meyer"), to assist it in evaluating executive compensation programs and in making determinations regarding board of directors' and senior executive officers' compensation. In 2017, Pearl Meyer performed a competitive assessment of the Company's executive compensation programs. The annual executive compensation assessment included, but was not limited to, an assessment of Company's compensation program compared to its peers, recommendations for total direct compensation opportunities (base salary, cash incentives and long-term incentives), an assessment of the Company's financial performance relative to its peers, and a review of the alignment of pay and performance. The assessment provides the Compensation Committee with a broad array of information from which to evaluate the effectiveness of its compensation programs and serve as a foundation for its compensation decisions. While the Compensation Committee considers input from its independent compensation consultant, its final decisions are based upon many factors and considerations.

The independent compensation consultant reports directly to the Compensation Committee. In addition to advising the Compensation Committee on compensation matters pertaining to the NEOs, the consultant provided limited consulting advice concerning other key employees of the Company. This work was done with the prior knowledge and approval of the Compensation Committee and was not in conflict with the services provided to the Committee.

The Compensation Committee has analyzed whether the work of Pearl Meyer as a compensation consultant has raised any conflict of interest, taking into consideration the following factors, among others: (i) the provision of other services to the Company by Pearl Meyer; (ii) the amount of fees from the Company paid to Pearl Meyer as a percentage of Pearl Meyer's total revenue; (iii) Pearl Meyer's policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of Pearl Meyer or the individual compensation advisors employed by Pearl Meyer with an executive officer of the Company; (v) any business or personal relationship of the individual compensation advisors with any member of the Compensation Committee; and (vi) any stock of the Company owned by Pearl Meyer or the

TABLE OF CONTENTS

individual compensation advisors employed by Pearl Meyer. The Compensation Committee has determined, based on its analysis of the above factors, among others, that the work of Pearl Meyer and the individual compensation advisors employed by Pearl Meyer as compensation consultants to the Company has not created any conflict of interest.

Assessing Competitive Practice (Peer Groups)

In order to ensure that the Company is providing a competitive executive compensation program that will attract and retain key executive talent, the Company conducts a market-based compensation analysis annually. The Company conducts this market analysis with the assistance of the independent compensation consultant.

Elements of the Compensation Package and 2018 Pay Outcomes

The total compensation package primarily consists of base salaries, annual incentives and long-term incentives. The Company also provides competitive benefits available to all employees in addition to limited retirement benefits.

Base Salaries. Senior executive officer base salary levels are evaluated by the Compensation Committee on an annual basis. In general, salary ranges are developed considering the results of the independent review of the competitiveness of the total compensation program for the position, as well as overall importance of each position within the organization. The Compensation Committee then takes into consideration the senior executive officer's performance and contribution to the long-term goals of the Company, leadership, operational effectiveness and experience in the industry, overall competitiveness with market levels, as well as recent operating results, performance targets and other relevant factors.

Fiscal Year 2018 Base Salaries

Name	2018 Salary (\$)	2017 Salary (\$)	Percent Change
Timothy K. Zimmerman	350,000	312,500	12.0%
Andrew W. Hasley	290,000	280,535	3.3%
Susan A. Parente	192,000	165,000	16.4%

Fiscal Year 2019 Base Salaries

Base salaries for Messrs. Zimmerman, Hasley and Ms. Parente (collectively, the "NEOs") were increased for 2019 as follows: \$360,000 for Mr. Zimmerman, \$299,000 for Mr. Hasley and \$198,000 for Ms. Parente.

Annual Incentives. The Compensation Committee established bonus targets for each NEO as a percentage of base salary. For 2018, actual bonuses were paid out as follows:

Name	Target Bonus %	Actual Bonus as % of Base Salary	Actual Bonus Paid in Cash (\$)	Actual Bonus Paid in Stock Award \$(1)
Timothy K. Zimmerman	50%	56.8%	118,125	—
Andrew W. Hasley	40%	42.5%	77,162	—
Susan A. Parente	40%	40.0%	48,077	28,800

(1)

For Messrs. Zimmerman and Hasley, the remaining portion of the bonus was contributed to their accounts under the supplemental executive retirement agreements, which are described herein.

The Company implemented an Executive Incentive Plan (the "EIP") for the fiscal year ending December 31, 2018. The Compensation Committee engaged Pearl Meyer to assist in the development of the EIP. The purpose of offering cash incentives is to provide structured annual cash award opportunities to key management personnel for their contributions to the achievement of the Company's strategic objectives.

TABLE OF CONTENTS

The 2018 EIP provided our NEOs the opportunity to earn a performance-based annual cash bonus. Actual bonus payouts depended on the achievement of pre-established performance objectives and ranged from 0% to 150% of target award amounts, depending on the financial measure. Target annual award opportunities for the NEOs are approved by the Compensation Committee and are intended to be competitive in the market in which the Company competes for talent and reflects the level of responsibility of the role.

Other Compensation. While the majority of each NEO's compensation packages are comprised of base salary, annual incentives and long-term incentives as discussed above, the Company does provide very limited benefits, which are discussed following our tabular disclosures on the pages that follow.

Other Benefit Plans and Agreements

Employment Agreements. Timothy K. Zimmerman, Andrew W. Hasley and Susan A. Parente (referred to collectively below as the “executives” or individually as the “executive”) are parties to employment agreements, effective as of January 25, 2018, with Standard AVB and Standard Bank. Standard AVB’s continued success depends to a significant degree on the skills and competence of these executives and the employment agreements are intended to ensure that Standard AVB maintains a stable management base. The employment agreements contain substantially similar terms except for the individual’s title and base salary.

The employment agreements provide for a three-year term and the term renews daily, unless the Board of Directors or executive elects not to extend the term. If the Board of Directors or executive elects not to extend the term of the agreement, the term will become fixed and will end on the third anniversary of the date of the non-renewal. The current base salaries are \$360,000 for Mr. Zimmerman, \$299,000 for Mr. Hasley and \$198,000 for Ms. Parente. Upon termination of an executive’s employment for cause, as defined in each of the agreements, the executive will receive no further compensation or benefits under the agreement. If Standard AVB terminates the executive for reasons other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason (as defined in the agreements), the executive will receive an amount equal to two times the sum of the executive’s highest annual base salary plus the average of the bonuses earned in the two fiscal years immediately preceding the year of termination of employment, payable in a lump sum on the thirtieth day following the date of termination. Standard AVB, or its successor, will also continue to provide the executive with continued medical, vision and dental coverage, at no cost to the executive, for the remaining term of the agreement but not to exceed eighteen (18) months, and if the remaining term is more than eighteen (18) months, the executive will receive a cash payment equal to the cost of such coverage for the months remaining in the term of the agreement. In order to receive the severance payment and insurance benefits, the executive must execute a release agreement.

In the event of a change in control, followed within eighteen (18) months by the executive’s termination for a reason other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason (as defined in the agreements), the executive will receive an amount equal to three times the sum of the

executive's highest annual base salary plus the average of the bonuses earned in the two fiscal years immediately preceding the year of termination of employment, payable in a lump sum

24

TABLE OF CONTENTS

within ten (10) days following the date of termination. Standard AVB, or its successor, will also continue to provide the executive with continued medical, vision and dental coverage for eighteen (18) months, and the executive will receive a lump sum cash payment equal to the cost of such monthly insurance premiums for eighteen (18) months. Assuming the executives had been terminated in connection with a change in control on December 31, 2018, Mr. Zimmerman, Mr. Hasley and Ms. Parente would have received aggregate severance payments of approximately \$1,556,000, \$1,300,000 and \$747,000, respectively. The agreements also provide for benefits upon the occurrence of an executive's death or disability.

Change in Control Agreements. John P. Kline, Christian M. Chelli, Sheila D. Crystaloski and Susan M. DeLuca (referred to below as the "executives" or "executive") are parties to change in control agreements, effective as of January 25, 2018, except for Mr. Kline, whose agreement was effective as of September 28, 2018. The change in control agreements contain substantially similar terms and provide for a two-year term. The term renews annually, provided that the Board of Directors elects to extend the term. If the Board of Directors elects not to extend the term of the agreement, the term will end on the second anniversary of the date of the non-renewal.

In the event of a change in control, followed by the executive's termination of employment for a reason other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason (as defined in the agreements), the executive will receive an amount equal to two times the sum of the executive's annual base salary as of the date of termination of employment plus two times the highest bonus earned by the executive in the three calendar years immediately preceding the year of termination of employment, payable in a lump sum within ten (10) days following the date of termination. Standard AVB, or its successor, will also continue to pay the executive's medical, vision and dental coverage for eighteen (18) months.

Non-Compete Agreement with David C. Mathews. Standard Bank had entered into a Non-Compete Agreement with Mr. Mathews, which provided that in order to protect the business, confidential and other proprietary information of Standard Bank, for a period of two years following his termination of employment or retirement, Mr. Mathews would not (i) directly or indirectly solicit any officer or employee to terminate their employment with Standard Bank; (ii) accept employment or become affiliated with any competitor of Standard Bank within 100 miles of where Standard Bank operates (except this provision shall not apply if he is terminated without cause); and (iii) solicit or cause any customer of Standard Bank to terminate an existing business relationship with Standard Bank.

As noted previously, Mr. Mathews retired effective February 27, 2019. As a result, in exchange for the non-compete and non-solicitation provisions Standard Bank will pay Mr. Mathews \$40,000, payable in four equal quarterly installments, since he retired after age 64 but before age 65. The first payment was made on the date of Mr. Mathews' retirement and each subsequent payment shall be made on each three-month anniversary of the date of his retirement.

Supplemental Executive Retirement Agreements. Standard Bank entered into a supplemental executive retirement agreement with each of Messrs. Zimmerman and Hasley in March 2019. The supplemental executive retirement agreements replace the prior long term incentive for Messrs. Zimmerman and Hasley, which was the long term incentive portion of the 2018 Executive Incentive Plan. Under the terms of the agreements, Messrs. Zimmerman and Hasley are entitled to the value of the vested account balance upon termination of employment.

Pursuant to the agreements, commencing as of December 31, 2018, and on each subsequent December 31, Standard Bank will credit the executive's account balance with an amount equal to five percent (5.0%) of the executive's base salary and, in addition, may make a discretionary contribution in an amount up to ten percent (10.0%) of the executive's base salary, for a total annual maximum contribution of fifteen percent (15.0%) of base salary.

Contributions will be made only if the executive is employed with Standard Bank on the date of such contribution. The account balance will be credited with interest as of each December 31 at a rate equal to the average of the Moody's Aaa Corporate Bond Index over the prior one-year period. For Mr. Hasley only, Standard Bank will not be obligated to make any contributions, other than interest crediting, on and after the date that Mr. Hasley attains age sixty-five (65). As of December 31, 2018, Standard Bank contributed \$70,000 and \$43,500, respectively, to the accounts of

TABLE OF CONTENTS

Mr. Zimmerman and Mr. Hasley, respectively, with such amounts approved after reviewing the independent auditors' report for the 2018 fiscal year.

For Mr. Zimmerman, the account balance is subject to a vesting schedule, with 50% of the account balance vesting on January 1, 2020 and the remainder vesting on June 30, 2020, subject to full vesting in the event of death, disability or a termination of employment within two years following a change in control. For Mr. Hasley, the account balance is subject to a five-year vesting schedule, with 20% of the account balance vesting annually, commencing January 1, 2020 and on each subsequent January 1, with 100% vesting on January 1, 2024, subject to full vesting in the event of death, disability or a termination of employment within two years following a change in control.

Upon a termination of employment or death, the account balance will be paid in a lump sum payment to Mr. Zimmerman or his beneficiary, as applicable. For Mr. Hasley, upon a termination of employment, the account balance will be paid in fifteen substantially equal annual installments, and in the event of Mr. Hasley's death, the account balance will be paid in a lump sum to his beneficiary.

Equity Incentive Plans. Standard Financial stockholders approved the Standard Financial Corp. 2012 Equity Incentive Plan (the "Equity Incentive Plan") in 2012. In addition, Standard AVB assumed the Allegheny Valley Bancorp's 2011 Stock Incentive Plan ("2011 Plan"), which was previously approved by Allegheny Valley Bancorp's stockholders. The Equity Incentive Plan provides officers, employees and directors of Standard AVB with additional incentives to promote Standard AVB's growth and performance. Most of the companies that Standard AVB competes with for directors and management-level employees are public companies that also offer equity compensation as part of their overall director and officer compensation programs. By approving the Equity Incentive Plan, Standard AVB's stockholders have given Standard AVB the flexibility it needs to continue to attract and retain highly qualified officers and directors by offering a competitive compensation program that is linked to the performance of its common stock. The Equity Incentive Plan authorizes the issuance of up to 486,943 shares of Standard AVB common stock pursuant to grants of restricted stock awards, incentive stock options and non-qualified stock options; provided, however, that the maximum number of shares of stock that may be delivered pursuant to the exercise of stock options is 347,817 (all of which may be granted as incentive stock options) and the maximum number of shares of stock that may be issued as restricted stock awards is 139,126. In addition, there remain 77,385 shares of Standard AVB common stock in the 2011 Plan.

The Equity Incentive Plan is administered by the members of Standard AVB's Compensation Committee. The Compensation Committee has the authority and discretion to select the persons who will receive awards; establish the terms and conditions relating to each award; adopt rules and regulations relating to the Equity Incentive Plan; and interpret the Equity Incentive Plan. The Equity Incentive Plan also permits the Compensation Committee to delegate all or any portion of its responsibilities and powers.

On April 7, 2017, stock options granted under the 2011 Plan automatically became stock options for common stock of Standard AVB, subject to an adjustment for the exchange ratio, and all outstanding grants became fully vested.

Tax-Qualified Benefit Plans

401(k) Plan. Standard Bank maintains the Standard Bank, PaSB 401(k) Plan, administered by Pentegra Retirement Services, which provides benefits to substantially all of Standard AVB's employees (the "401(k) Plan"). Employees of Standard Bank who are 18 or older and have completed 250 hours during a continuous three-month period are eligible to participate in the 401(k) Plan ("Participants"). Participants may contribute up to 75% of their annual compensation to the 401(k) Plan on a pre-tax basis, subject to limits prescribed by law. Standard Bank provides a 401(k) match equal to 100% of the Participant's salary deferral on the first 3% of compensation and 50% of the Participant's salary deferral of the next 2% of compensation, for a maximum employer matching contribution of 4% of a Participant's pre-tax compensation. Participants are always 100% vested in employer contributions and their salary deferrals. Participants will also become 100% vested in the employer contributions allocated to their accounts upon attainment of normal retirement age or in the event of the participant's death or disability. Participants may invest their accounts in the investment options provided under the 401(k) Plan. Participants may request a withdrawal from their accounts in the event they incur a financial hardship. A Participant will become

TABLE OF CONTENTS

eligible for distribution of his or her 401(k) Plan benefit upon termination of employment and a Participant that satisfies certain eligibility requirements may request distributions of certain portions of their account balance while employed. Participants may elect to receive payments of their benefits in a lump sum or in installments, provided that their account balance equal or exceeds \$500.

Defined Benefit Pension Plan. Standard Bank maintains the Standard Bank, PaSB Defined Benefit Pension Plan and Trust (the "Pension Plan"), a noncontributory defined benefit pension plan, which was frozen effective August 1, 2005. Freezing the Pension Plan eliminated all future benefit accruals; however, the accrued benefit as of August 1, 2005 remains. As a frozen plan, future service or salary changes will not increase retirement benefits.

Employee Stock Ownership Plan. Standard Bank adopted an ESOP for eligible employees in 2010. Eligible employees commenced participation in the ESOP on the later of October 6, 2010 or upon the first entry date commencing on or after the eligible employee's completion of 1,000 hours of service during a continuous 12-month period and the attainment of age 21.

The ESOP trustee purchased, on behalf of the ESOP, 178,254 shares of Standard AVB (previously Standard Financial Corp.) common stock issued in the offering and an additional 100,000 shares in the secondary market, for a total of 278,254 shares. The ESOP funded its stock purchase with a loan from Standard AVB equal to the aggregate purchase price of the common stock. The loan is repaid principally through Standard Bank's contribution to the ESOP and dividends payable on common stock held by the ESOP over the 20-year term of the loan. The interest rate for the loan is an annually adjustable rate equal to the prime rate, as published in The Wall Street Journal, which is currently 5.50%.

The trustee holds the shares purchased by the ESOP in an unallocated suspense account, and shares are released from the suspense account on a pro-rata basis as Standard Bank repays the loan. The trustee will allocate the shares released among participants on the basis of each participant's proportional share of compensation relative to all participants. Participants will become 100% vested upon the completion of six years of service. Participants who were employed by Standard Bank immediately prior to the offering received credit for vesting purposes for years of service prior to adoption of the ESOP. Participants also will become fully vested automatically upon normal retirement, death or disability, a change in control, or termination of the ESOP. Generally, participants receive distributions from the ESOP upon separation from service.

The ESOP permits participants to direct the trustee as to how to vote the shares of common stock allocated to their accounts. The trustee votes unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee's fiduciary responsibilities.

Under applicable accounting requirements, Standard Bank records a compensation expense for the ESOP at the fair value of the shares as they are committed to be released from the unallocated suspense account to participants' accounts. The compensation expense resulting from the release of the common stock from the suspense account and allocation to plan participants result in a corresponding reduction in Standard Bank's earnings.

PROPOSAL II — RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Company's independent registered public accountants for the fiscal year ended December 31, 2018 were S.R. Snodgrass, P.C. ("Snodgrass"). The Audit Committee of the Board has approved the engagement of Snodgrass to be the Company's independent registered public accountants for the fiscal year ending December 31, 2019, subject to the ratification of the appointment by the Company's stockholders at the Annual Meeting.

Stockholder ratification of the selection of Snodgrass is not required by the Company's Bylaws or otherwise. However, the Board will submit the selection of the independent registered public accountants to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection of Snodgrass, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee may, at its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Fees Paid to Snodgrass

These services were primarily related to the audits of the Company's employee benefit plans.

Tax Fees. The aggregate fees billed to the Company by Snodgrass for professional services rendered for tax compliance were \$17,434 and \$14,908 during fiscal 2018 and 2017, respectively.

Other Fees. There were no aggregate fees billed to the Company by Snodgrass for professional services rendered during fiscal 2018 and 2017, respectively.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Registered Public Accountants

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services. Pre-approval is provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chair when necessary, with subsequent reporting to the Audit Committee. The independent registered public accountants and management are required to report to the Audit Committee quarterly regarding the extent of services provided by the independent registered public accountants in accordance with this pre-approval policy, and the fees for the services performed to date.

Required Vote and Recommendation of the Board

In order to ratify the appointment of Snodgrass as independent registered public accountants for fiscal 2019, the proposal must receive the affirmative vote of at least a majority of the votes cast at the Annual Meeting, either in person or by proxy.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF SNODGRASS AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS.

PROPOSAL III — ADVISORY VOTE ON EXECUTIVE COMPENSATION

The compensation of our Principal Executive Officer and our two other most highly compensated executive officers of Standard AVB (“Named Executive Officers”) is described in “PROPOSAL I — ELECTION OF DIRECTORS — Compensation Matters.” Stockholders are urged to read the Compensation Matters section of this Proxy Statement, which discusses our compensation policies and procedures with respect to our Named Executive Officers. Based on the information and rationale contained in this Proxy Statement, included among other things our performance-driven compensation program, our risk-management, and our adherence to best governance practices, we believe stockholders should vote in favor of the compensation program.

Stockholders will be asked at the Annual Meeting to provide their support with respect to the compensation of our Named Executive Officers by voting on the following advisory, non-binding resolution:

RESOLVED, that the stockholders of Standard AVB Financial Corp. (the “Company”) approve, on an advisory basis, the compensation of the Company’s Named Executive Officers described in the Executive Compensation section of the Proxy Statement.

This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee value constructive dialogue on executive compensation and other important governance topics with our stockholders and encourages all stockholders to vote their shares on this matter. The Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs.

Unless otherwise instructed, validly executed proxies will be voted “FOR” this resolution.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE RESOLUTION SET FORTH IN PROPOSAL III.

PROPOSAL IV — ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION TO OUR NAMED EXECUTIVE OFFICERS

We are providing stockholders with the opportunity to cast an advisory vote regarding the frequency of future advisory votes on executive compensation. As required by law, our stockholders are entitled to vote on an advisory basis regarding whether Standard AVB should hold the shareholder vote to approve the compensation of our named executive officers every one, two or three years.

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Board of Directors values the opinions expressed by stockholders in these votes and will take into account the outcome of the vote when determining how frequently it will submit future advisory votes on the compensation of our named executive officers. The Board of Directors believes that an advisory shareholder vote to approve the compensation of our named executive officers should be held every year. For purposes of this proposal, you are being asked to vote on one of four choices (every year, every two years, every three years or abstain). You are not voting to approve or disapprove of the Board's recommendation.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE ON A NON-BINDING BASIS TO HOLD THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR.
