Item 1.01. Entry into a Material Definitive Agreement.

(the "Coatings Business") to PPG Industries, Inc. ("PPG"). The total consideration to be received by Ameron upon the closing of the transaction is \$115 million in cash. In addition, the Agreement includes a post-closing purchase price adjustment, which based on Ameron's current estimate of net assets would result in approximately \$5 million of additional consideration.

Certain assets are excluded from the sale, including cash and cash equivalents and certain real properties that are currently used in the Coatings Business. Ameron intends to sell those retained properties in the next 12 to 18 months and expects to generate additional proceeds of approximately \$15 million, based on current estimates of market values.

Pursuant to the Agreement, PPG will assume certain liabilities related to the Coatings Business, including, without limitation, (i) warranty and guaranty obligations and liabilities for products sold or manufactured by Ameron, (ii) all environmental liabilities associated with the real properties that PPG is acquiring and (iii) general tort liability. PPG also agreed to a cost-sharing arrangement with respect to any product liability claims relating to Ameron's operation of the Coatings Business prior to the closing of the transaction.

Pursuant to the Agreement, PPG will not assume certain other liabilities related to Ameron's operation of the Coatings Business prior to the closing of the transaction, including, without limitation, (i) any liability of the Coatings Business arising out of asbestos, silica or lead and (ii) any pre-closing environmental liabilities related to the real properties that Ameron will be retaining. Additionally, PPG will not be assuming any liabilities related to Ameron's lawsuits with Dominion Exploration and Production, Inc. and Pioneer Natural Resources USA, Inc. and with Sable Offshore Energy Inc. (as those lawsuits are more particularly described in Ameron's Annual Report on Form 10-K for the year ended November 30, 2005).

The transaction is expected to close within 30 to 45 days, subject to the conditions to closing in the Agreement and following regulatory review in Europe. Pursuant to the Agreement, in the event the transaction does not close by October 31, 2006 and either party terminates the Agreement, PPG is obligated to pay Ameron a \$7.5 million termination fee and reimburse Ameron for its costs and expenses incurred in connection with the transaction.

A copy of the press release announcing the transaction is attached to this Form 8-K and is hereby incorporated by reference.
