In addition to solicitation by mail, officers and regular employees of the Company may solicit proxies by telephone, email, or personal interview at no additional compensation.

SECURITY HOLDERS ENTITLED TO VOTE

Holders of shares of common stock of the Company of record at the close of business on July 30, 2010, will be entitled to vote at the Annual Meeting and at any and all adjournments thereof. Each share of common stock entitles its owner to one vote. The number of shares of common stock of the Company (exclusive of treasury shares) outstanding at the close of business on July 30, 2010 was 11,734,632 shares.

If your shares are held in street name (which means they are held of record by a broker), you must instruct your broker how to vote the shares, or your shares will not be voted on any proposal for which the broker does not have discretionary authority to vote. Due to a recent change in the rules governing brokers, they no longer have discretionary authority to vote for the election of Directors without instructions from the beneficial owner. Voting Control

At the time of Mr. Bashinsky's death, he beneficially owned 6,698,172 shares of common stock of the Company which constituted voting control of the Company. The stock beneficially owned by Mr. Bashinsky was registered in and held by the following entities:

SYB, Inc.	5,283,128 shares
SYB, Inc. as Trustee of the Sloan Y. Bashinsky, Sr. Trust dated February 16, 1982	1,000,000 shares
Bashinsky Foundation, Inc.	400,544 shares
Sloan Y. Bashinsky, Sr.	14,500 shares

As a result of Mr. Bashinsky's death, and the probate of his will on August 12, 2005, the 1,000,000 shares held in SYB, Inc. as Trustee and the 14,500 shares held in his name passed to his Estate/Marital Testamentary Trust created under his Will. On August 9, 2010, the Personal Representatives of Mr. Bashinsky's Estate distributed 414,221 shares of Company stock to Joann F. Bashinsky and 600,279 shares of Company stock to the Marital Testamentary Trust pursuant to the terms of the Will. SYB, Inc. continues to own the 5,283,128 shares and the Bashinsky Foundation, Inc. continues to own the 400,544 shares.

(1) John S. Stein, Jr., previous Chairman of the Board, who resigned/retired from the Board on July 22, 2010, is also a Co-Personal Representative of the Estate and Co-Trustee of the Marital Testamentary Trust.

Consequently, as of the date of this Proxy Statement, the 5,283,128 shares of the Company stock held by SYB, Inc. and the 600,279 shares of the Company stock held by Mr. Bashinsky's Marital Testamentary Trust, all of which constitute a majority of the stock of the Company, are voted by the Voting Committee. The Voting Committee will continue to vote the Company stock owned by SYB, Inc. (5,283,128 shares) and by the Marital Testamentary Trust (600,279 shares), respectively, until the SYB, Inc. Common Stock Trust and the Testamentary Trust terminate. The Testamentary Trust will terminate upon the death of Joann F. Bashinsky and the SYB, Inc. Common Stock Trust will terminate upon the earliest to occur of the following dates: (i) in the event the Company should be sold, five (5) years from the date of the sale of the Company, or (ii) December 31, 2020.

Upon termination of the SYB, Inc. Common Stock Trust, the assets of the Trust will be distributed generally to Sloan Y. Bashinsky, Sr.'s descendants and control of the Company stock held by SYB, Inc. (5,283,128 shares) will transfer to these trust beneficiaries and the Voting Committee will cease to vote these shares. Upon termination of the Testamentary Trust, the Company stock held by the Testamentary Trust will transfer to various charitable organizations and the Voting Committee will cease to vote these shares.

Due to the transfer of shares of Golden Enterprises stock held by the Estate of Sloan Y. Bashinsky, Sr. to the Marital Testamentary Trust created by the Last Will and Testament of Sloan Y. Bashinsky, Sr. and Joann F. Bashinsky on August 9, 2010, SYB, Inc., the SYB, Inc. Shares represented by your proxy will be voted in accordance with your direction as to the election as directors of the persons hereinafter listed as nominees. In the absence of clear direction, otherwise the shares represented by your proxy will be voted FOR such election. Should any of the persons listed as nominees become unavailable as a nominee for election, it is intended that the shares represented by your proxy will be voted for the balance of those named and for a substitute nominee or nominees proposed by the Board of Directors unless the Board reduces the number of directors, but the Board knows of no reason to anticipate that this will occur. Proxies can not be voted for a greater number of persons than the number of nominees named.

The Board has established certain attributes that it seeks in identifying candidates/nominees for Director. In particular, the Board desires individuals

During the fiscal year ended May 28, 2010, the Company paid each of its

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

non-employee Directors a retainer of \$300 per month and a fee of \$2,000 for each regular Board meeting attended. The members of the Compensation Committee were each paid \$2,000 for attending the Compensation Committee meeting and the members of the Audit Committee were paid \$1,000 for each meeting attended.

Board Member Attendance at Annual Meetings

It is the policy of Golden Enterprises that each member of the Board shall make a reasonable effort to attend all meetings of the Board, applicable committee meetings and the Company's annual meeting of shareholders. All Directors attended the Annual Stockholders Meeting held last year.

Nomination of Directors

During the fiscal year ended May 28, 2010, the Company did not have a standing nominating committee. The NASDAQ rules do not require the Company to have a nominating committee since the Company was a "controlled company" pursuant to NASDAQ Listing Rule 5615, in that more than 50% of the voting common stock of the Company was held by SYB, Inc. and the Estate of Sloan Y. Bashinsky, Sr., all of which were affiliated, and such shares are voted by a Voting Committee created under the Will/Testamentary Trust of Sloan Y. Bashinsky, Sr. and under the SYB, Inc. Common Stock Trust. The Voting Committee is currently comprised of J. Wallace Nall, Jr., F. Wayne Pate, John P. McKleroy, Jr., Joann F. Bashinsky, David A. Jones, Paul R. Bates and Mark W. McCutcheon, all directors of the Company and Patty Townsend, an officer of the Company.

12

The Board believes that it is not necessary to have a separate nominating committee in view of the size of the Company, and the fact that the Company was a "controlled company". Nominees for election as a director are determined by the entire Board. The Company believes that the Board is able to fully consider and select appropriate nominees for election to the Board without delegating that responsibility to a committee or adopting formal procedures. Candidates have traditionally been recommended to the Board by one or more of the other Directors, and there is no formal process for identifying or evaluating new Director nominees. Candidates recommended by shareholders will be evaluated in the same manner as candidates recommended by Directors. In nominating Directors, the Board will consider all relevant qualifications, as well as the needs of the Company and compliance with NASDAQ listing standards and SEC rules.

A shareholder wishing to recommend a candidate for Director should send a letter to Golden Enterprises, Inc., attention of the Secretary, at One Golden Flake Drive, Birmingham, Alabama 35205. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications, as well as contact information for both the candidate and the shareholder. Candidates should have relevant business and financial experience, and they must be able to read and understand fundamental financial statements. All nominated candidates, if asked to do so, must evidence their willingness to serve as a Director. The Board will make all decisions regarding Board nominees based upon the best interest of the Company and its shareholders.

Communications with the Board

Shareholders interested in communicating directly with the Board of Directors may do so by writing the Secretary of the Company, at the following address:

Board of Directors of Golden Enterprises, Inc.

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

C/O Corporate Secretary
One Golden Flake Drive

All such letters must identify the author as a shareholder. The Secretary of Golden Enterprises, Inc. will review all such communications and forward all appropriate communications to the Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that Directors, certain Executive Officers and beneficial owners of more than ten percent of the stock of the Company file reports of stock ownership and changes in ownership with the Securities and Exchange Commission. These reports consist of Forms 3, Initial Statement of Ownership, 4, Statement of Changes in Beneficial Ownership, and 5, Annual Statement of Changes in Beneficial Ownership. Based upon a review of copies of such reports, or representations that no reports were due to be filed by Directors, Executive Officers or beneficial owners of more than ten percent of the stock of the Company, the Company believes that Section 16(a) filing requirements applicable to its Directors, Executive Officers and beneficial owners of more than ten percent of the stock of the Company were complied with during the fiscal year 2010. However, after fiscal year 2010, except for a Form 5 for David A Jones reporting his purchase of 14.216 shares of stock in May 2010 was untimely filed.

Board of Directors, Duties and Committees

Directors are expected to devote sufficient time to carrying out their duties and responsibilities effectively. The Board of Directors meets regularly four times each fiscal year to review matters affecting the Company and to act on matters requiring the Board's approval. It also holds special meetings whenever circumstances require and may act by unanimous written consent without a meeting.

13

The Company's Board of Directors currently consists of eleven directors (nine during the fiscal year ended May 28, 2010). Mark W. McCutcheon serves as the Chairman of the Board. The Board of Directors met four times during the fiscal year ended May 28, 2010, all of which were regularly scheduled meetings. In the last fiscal year, the Independent Directors met twice in executive sessions. All directors attended 100% of the meetings of the Board and the meetings of the committees on which they served during the fiscal year ended May 28, 2010. The Board has a policy expecting director attendance at all Board and committee meetings and the Company's annual meeting of stockholders.

The Company's Board has established an Audit Committee, Compensation Committee and Stock Option Committee. The Charter for the Audit Committee is available from the Company. The Compensation Committee has no Charter, but its duties and responsibilities are set forth in corporate minutes adopted by the Board. In addition, the Board may from time to time establish special purpose committees. There were no special purpose committees existing in the last fiscal year.

Board Leadership Structure

The Board of Directors is led by the Chairman of the Board. This role is currently occupied by Mark W. McCutcheon, who also serves as Chief Executive Officer. The Board of Directors has determined that having Mr. McCutcheon serve as both the Chief Executive Officer and the Chairman of the Board is in the best interest of the Company and its stockholders. The Board believes that this

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

combination is appropriate because, in its opinion, the overseeing of Board functions is integrally related to the Chief Executive Officer's responsibility of day-to-day management of a Company this size and, that due to Mr. McCutcheon's abilities, he is also the best person to handle both duties. The Board of Directors does not however have a formal policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board of Directors believes it is in the best interests of the Company to make the determination regarding how to fulfill these functions based on the position and direction of the Company and the qualifications of the CEO and Board members.

Risk Oversight

The Board believes that effective risk management and control processes are critical to the Company's ability to manage the challenges that the Company faces. Management is responsible for implementing the Company's risk assessment and management functions and for reporting to the Board on its processes and assessments with respect to the management of risk. The Board, in turn, is responsible for overseeing management's risk functions. The Audit Committee monitors the processes by which management assesses and manages risk. Management meets with, or provides reports to, the Company's Audit Committee at least once per quarter to review the Company's risk profile and other risk topics. In addition, the Chief Financial Officer meets at least quarterly with the Audit Committee and the full Board to discuss the Company's financial risk, results and financial forecasts. The Compensation Committee and the Board as a whole assess the risks that the Company's overall compensation goals and objectives, as well as any compensation or other programs that are reasonably likely to create a material risk to the Company.

Corporate Governance Documents

Certain documents relating to corporate governance matters are available on the Company website at www.goldenflake.com. These corporate governance documents include, among others, the following:

- Charter for the Audit Committee of the Board (which is also attached hereto as Schedule 1);
- Code of Business Conduct and Ethics;
- Complaint Procedures for Accounting and Accounting Matters; and
- Disclosure Controls and Procedures.

Stockholders may also obtain a copy of these documents free of charge by contacting Patty Townsend, Chief Financial Officer, by email at ptownsend@goldenflake.com or by telephone at (205) 323-6161.

Director Independence

Of the eleven directors currently serving on the Board of Directors, the Board has determined that Messrs Pascoe, Samford, Morton and Stein are "Independent Directors" as defined in the rules of the NASDAQ Stock Market, Inc. (NASDAQ) Listing Rules and the SEC. As a Controlled Company, as previously discussed, the Company is exempt from certain independence requirements of the NASDAQ rules, including the requirement to maintain a majority of Independent Directors on the Board of Directors, an Independent Compensation Committee or a Standing Nominating/Corporate Governance Committee or committees performing similar function.

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

All members of the Audit Committee must be Independent Directors as defined by NASDAQ Policies and Practices and U.S. Securities and Exchange Commission. The Company's four Independent Directors serve on the Audit Committee, with Mr. Samford serving as Chairman.

Policies and Practices

The Company's policies and practices reflect corporate governance initiatives that comply with the listing requirements of NASDAQ and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including the following:

- All members of the Audit Committee are independent;
- The Charter of the Audit Committee establishes the Committee's duties and responsibilities;
- The independent members of the Company's Board of Directors meet regularly ("executive sessions") without the presence of management;
- The Company has a policy for attendance of Board members at both regular Board and committee meetings and shareholder meetings;

15

- The Company has adopted a Code of Conduct and Ethics;
- The Company has adopted Disclosure Controls and Procedures which establishes a committee for regular evaluation of internal company disclosure control and procedures;
- The Company has procedures in place for the anonymous submission to the Audit Committee of employee and third party complaints on accounting, internal accounting controls or auditing matters;
- The Company has policies and procedures for stockholders to communicate directly with the Board of Directors; and
- The Audit Committee must review, approve and/or ratify all related party transactions.

EXECUTIVE COMPENSATION

The Objectives of the Executive Compensation Program

The Compensation Committee is responsible for establishing and administering the Company's policies governing the compensation for the Executive Officers. All actions of the Compensation Committee must be approved by the Board of Directors. Because the Company qualifies as a Controlled Company pursuant to the exception of NASDAQ Listing Rule 5615, the Compensation Committee is composed of both independent and non-independent directors. See "Committees of the Board of Directors" above.

The purpose of the Company's executive compensation program is to attract, retain and motivate qualified executives to manage the business so as to maximize profits and stockholder value. No outside consultants have been used to evaluate or determine compensation. Executive compensation in the aggregate is made up principally of the executive's annual base salary, a bonus based upon operating earnings and Company perquisites or benefits. The Compensation

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

Committee annually considers and makes recommendations to the Board as to executive compensation including changes in base salary and cash incentive bonuses. Stock options and awards of stock under the Long Term Incentive Plan have been granted from time to time by the Stock Option Committee, which is composed of the same members as the Compensation Committee, however, no new stock options may be granted under the Long Term Incentive Plan. No stock options have been granted in the last nine years.

Consistent with the above-noted purpose of the executive compensation program, in recommending the aggregate annual compensation of Executive Officers, the Compensation Committee considers the individual contribution and performance of the executive, the Company's overall performance and the total return to stockholders. The Company's executive compensation program focuses on strategic plans, corporate performance measures, and specific corporate goals. The corporate performance measures which the Compensation Committee considers include sales, earnings, return on equity and comparisons of sales and earnings with prior years.

The Compensation Committee does not rely on any fixed formulae or specific numerical criteria in determining an executive's aggregate compensation. It considers corporate and personal performance criteria and the economic environment, changes in the cost of living, competitive compensation levels and the recommendations of management. The Compensation Committee exercises business judgment based on all of these criteria and the purposes of the executive compensation program.

16

Base Salary

The Board of Directors, upon recommendation of the Compensation Committee sets base salaries for the Company's executive officers at levels which the Company believes are fair and reasonable based on the scope of the executive officer's responsibilities, taking into account competitive market compensation paid by other companies for similar positions. With our named executive officers, we set base salaries based on level of responsibility, span of control and experience. Base salaries are reviewed annually, as well as at the time of hire, promotion or changes in responsibility. Base salaries may also be adjusted from time to time to realign salaries with market levels. Base salary changes also impact bonus amounts and actual bonus payouts.

Discretionary Performance-Based Bonus

The Board of Directors, upon recommendation of the Compensation Committee, has the authority to award performance-based bonuses to our executive officers payable in cash. The Board of Directors, upon recommendation of the Compensation Committee, has utilized a formula adopted at the beginning of the year for determining bonuses, which is based on performance of the Company during the fiscal year. There is no requirement that the Board continue using this formula for the payment of bonuses.

Performance Measurement

Annual, performance-based awards are intended to compensate executive officers for achieving Company-wide financial goals and objectives. These objectives generally relate to general profitability factors.

Generally, performance bonuses are accrued on a quarterly basis and with seventy-five percent (75%) of the accrued amount paid after the end of the each of the first three quarters with the remainder of the final accrued amount paid after the end of the fiscal year when audited annual financial statements are

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

received.

The formula used for bonuses focuses on net operating profits of the Company to determine the amount of bonuses. The bonuses provide for a percentage bonus on net profits up to a set net profit amount (excluding extraordinary items) and a different, smaller percentage bonus on net profits in excess of the set net profit amount (excluding extraordinary items).

Perquisites and Benefits

Other than the use of a Company car, the Company generally does not have programs to provide personal perquisites or executive benefits solely to executive officers. The exception is that Mr. McCutcheon, as CEO of the Company, is provided a nonqualified salary continuation plan which is generally payable beginning at retirement, disability or death, Company-provided life insurance, healthcare reimbursement and use of a Company vehicle. Our executive officers are eligible to participate in the same benefit programs as all other employees. These benefits include the following:

17

- Medical and dental care plans
- Life accidental death and dismemberment and plan disability insurance
- Paid time off
- Flexible Spending Accounts for healthcare and dependent care spending
- 401(k)

Consistent with our compensation philosophy, we intend to maintain our current benefits for our executive officers. However, the Board of Directors in its discretion may revise, amend or add to the executive officers' benefits if it deems it advisable.

Employment Agreements, Severance Benefits and Change in Control Provisions

The Company has a non-qualified Salary Continuation Plan established for the benefit of the Company's Chief Executive Officer, Mark W. McCutcheon. The Company entered into this Salary Continuation Plan, on May 15, 2002, to ensure the performance of his role in the Company for an extended period of time. In addition, the Company also considered the critical nature of the position and the Company's need to retain him when it committed to establish this plan. The Salary Continuation Plan provides for payments of up to \$120,000 per year, as adjusted for inflation, for 15 years following death or retirement at age 65. In the event of disability prior to retirement, the yearly benefit of \$120,000 is reduced by any payments of social security disability benefits and long term disability benefits which were funded or provided by the Company. The Salary Continuation Plan may be amended or terminated by the Company's Board of Directors, except that in the event of a change of control in the Company, the Salary Continuation Plan becomes irrevocable. The Plan is funded in part with life insurance on the life of Mr. McCutcheon.

The Company's Certificate of Incorporation provides that the Company indemnify and hold harmless each of its directors and officers to the fullest extent authorized by the Delaware General Corporation Law, against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection with services rendered by such directors or officers to or on behalf of the Company.

The Certificate of Incorporation also provides that a director will not be personally liable to the Company or its stockholders for monetary damages for breach of the fiduciary duty of care as a director. This provision does not eliminate or limit the liability of a director:

- for breach of his or her duty of loyalty to the Company or to the stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (relating to unlawful payments of dividends or unlawful stock repurchases or redemptions); or

The Company maintains Officer and Director's Insurance to protect and for the benefit of Directors.

CERTAIN RELATED PARTY TRANSACTIONS

During the fiscal year ended May 28, 2010, the law firm of Spain & Gillon, L.L.C., of which John P. McKleroy, Jr. is a member, served as General Counsel and performed various legal services for the Company and its subsidiary for which it was paid legal fees of \$212,131. The firm will continue to perform legal services for the current fiscal year.

Golden Flake owned a Cessna Citation II Airplane (the "Airplane") for business use. Joann F. Bashinsky has leased the Airplane for personal use of up to 100 flight hours per year. The lease required monthly payments of \$20,000.

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

On April 22, 2010, Golden Flake sold the Airplane and the lease with Mrs. Bashinsky was terminated. During fiscal year 2010, Mrs. Bashinsky paid lease payments to Golden Flake of \$210,000, and also paid all flight crew expenses for flights used under the lease. The lease was structured so that a substantial portion of the costs of ownership, maintenance, and operation of the plane to Golden Flake was offset by the monthly lease payments and payments for the flight crew expenses on flights used under the lease. The lease with Mrs. Bashinsky was for a term of one year and automatically renewed annually on each February 1, unless Golden Flake or Mrs. Bashinsky elected to terminate the same. Golden Flake and Mrs. Bashinsky mutually agreed to terminate the lease upon sale of the Airplane. The use of the plane under the lease was coordinated with Golden Flake so as not to interfere with Golden Flake's business use.

21

The Company believes that these transactions were on terms equal to or better than those available from unaffiliated third parties.

The Audit Committee Charter requires that the Audit Committee review and approve or ratify all related party transactions. Accordingly, the Audit Committee reviewed, approved and ratified the above-described related party transactions.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee reviews with the independent auditors, the Company's Chief Financial Officer and the Company's general counsel the results of the independent auditor's annual report on the Company's financial statements. The Audit Committee selects and engages the Company's independent auditors and performs such additional functions as are necessary or prudent to fulfill the Committee's duties and responsibilities and reports its recommendations and findings to the full Board of Directors.

The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed and reassessed for adequacy on an annual basis.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended May 28, 2010 with management. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and has discussed with the independent auditors their independence. The Audit Committee has also discussed with the management of the Company and the independent auditors, such other matters and received such assurances from them as deemed appropriate by the Audit Committee.

The Audit Committee has considered whether the provision of the non-audit services performed by Dudley, Hopton-Jones, Sims and Freeman PLLP, as described on Page 23 hereof is compatible with maintaining Dudley, Hopton-Jones, Sims and Freeman PLLP's independence.

The Audit Committee recognizes the importance of maintaining the independence of the Company's independent registered public accountants. Consistent with its Charter, the Audit Committee has evaluated Dudley, Hopton-Jones, Sims & Freeman PLLP's qualifications, performance, and independence, including that of the lead audit partner. In addition, Dudley, Hopton-Jones, Sims & Freeman PLLP has provided the Audit Committee with a letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountant's communications with the Audit Committee concerning independence and the Audit Committee has engaged in

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

dialogue with Dudley, Hopton-Jones, Sims & Freeman PLLP about their independence.

The Audit Committee reviewed, approved and ratified the related party transactions set forth and described in "Certain Transactions" on Page 21 hereof.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on form 10-K for filing with the Securities and Exchange Commission.

With the use of specific pre-approval, the Audit Committee must specifically pre-approve the services that are to be rendered by the Independent Auditors prior to their engagement to render such services. The Audit Committee has elected to implement the specific pre-approved policy and procedure. As a result, all services provided by the Independent Auditors must be specifically pre-approved by the Audit Committee.

The services of the Independent Auditors described above were specifically pre-approved by the Audit Committee prior to the engagement of the Independent Auditors to render such services.

This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household Proxy Statements, delivering a single Proxy Statement to multiple stockholders sharing an address. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent.
