PART I

Item 1. Business.

Morgan Group Holding Co. (the "Company" or "MGHL") was incorporated in November 2001 to serve, among other business purposes, as a holding company for Lynch Interactive Corporation's controlling interest in The Morgan Group, Inc. Upon the Company's formation as a wholly owned subsidiary of Lynch Interactive Corporation, Lynch Interactive Corporation made a capital contribution to MGHL of \$500,000. Lynch Interactive Corporation also transferred to us 161,100 shares of The Morgan Group, Inc.'s outstanding Class A common stock, warrants to purchase an additional 161,100 such shares at \$9.00 per share, 2,200,000 shares of The Morgan Group, Inc.'s Class B common stock and warrants to purchase an additional 2,200,000 such shares at \$9.00 per share, giving MGHL control of more than 80% of The Morgan Group, Inc.'s aggregate voting power. On January 24, 2002, Lynch Interactive spun off all but 235,294 of its shares in MGHL to its stockholders.

Unfortunately, a combination of industry dynamics, poor management decisions, and a surge in insurance costs crippled Morgan. On October 3, 2002 Morgan ceased operations when its liability insurance expired and it was unable to secure replacement insurance. On October 18, 2002, The Morgan Group, Inc. and two of its operating subsidiaries filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Indiana, South Bend Division. As of December 31, 2002, the Debtors were conducting an orderly liquidation of their assets.

Effective October 15, 2002, the shares of The Morgan Group, Inc., Class A Common Stock were delisted from the American Stock Exchange. The stock exchange determined that The Morgan Group, Inc.'s Class A Common Stock no longer satisfied Sections 1002, 1003 and 1009 of the listing rules.

On November 12, 2002, The Morgan Group, Inc. filed a Certification and Notice of Termination of Registration under Section 12(g) of the Securities Exchange Act of 1934.

The Company expects that its ownership interest in Then Morgan Group, Inc. will have no residual value upon completion of the liquidation of the assets of The Morgan Group Inc. The Company's strategy is to look for additional investment opportunities. However, the loss did yield capital loss of about \$4.0 million.

Item 2. Properties.

Edgar Filing: MORGAN GROUP HOLDING CO - Form 10-K

The Company owns no properties.

Item 3. Legal Proceedings.

The Company is not a party to any legal proceedings.

Item 4. Submission of Matters To a Vote of Security Holders.

The Company's Annual Meeting of Stockholders was held on August 9, 2002. Votes were cast with respect to the election of three directors of the Board of Directors to serve until the 2003 Annual Meeting of Stockholders as follows:

Nominees	Number of Shares of Common Stock Voted in Favor	Number of Shares of Common Stock as to which Authority to Vote was Withheld
Mario J. Gabelli	1,583,849	10,812
Robert E. Dolan	1,583,849	10,812
John Fikre	1,583,849	10,812

Item 7. Management's Discussion and Analysis of Financial Condition and Plan of Operation.

Overview

The Company was incorporated in November 2001 as a wholly-owned subsidiary of Lynch Interactive Corporation ("Interactive") to serve as an acquisition vehicle. Initially, we received \$500,000 cash and 68.5% of The Morgan Group, Inc. (Morgan)'s equity interest and 80.8% of Morgan's voting interest. On

Edgar Filing: MORGAN GROUP HOLDING CO - Form 10-K

January 24, 2002, Interactive spun off 2,820,051 shares of our common stock through a pro rata distribution ("Spin-Off") to its stockholders. Interactive retained 235,274 shares at the time of the spin-off.

A combination of industry dynamics, poor management decisions, and a surge in insurance costs crippled Morgan. On October 3, 2002 Morgan ceased operations when its liability insurance expired and it was unable to secure replacement insurance. On October 18, 2002, Morgan and two of its operating subsidiaries filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Indiana, South Bend Division for the purpose of conducting an orderly liquidation of Morgan's assets.

As Morgan is in the process liquidation, in the accompanying financial statements the assets and liabilities and results of operations of Morgan have been reflected as a discontinued operation. In addition, the Company's management currently believes that it is very unlikely that the Company will realize any value from its equity ownership in Morgan. Given the fact that Holding has no obligation or intention to fund any of Morgan's liabilities, management believes that the Company's investment in Morgan will to have no value after the liquidation. As the liquidation of Morgan is under the control of the bankruptcy court, the Company believes it has relinquished control of Morgan and accordingly has ceased consolidating the financial statements of Morgan. As the Company's investment in Morgan was a negative of \$2,182,000 at the date of adoption of the plan of liquidation. This resulted in a gain to Holdings of that amount.

On October 18, 2002, Morgan adopted the liquidation basis of accounting and accordingly, Morgan's assets and liabilities have been adjusted to estimate net realizable value. As the carry value of Morgan's liabilities exceeded the fair value of its assets, the liabilities were reduced to equal the estimated net realizable value of the assets.

As of December 31, 2002, the Company's only assets consisted of \$433,000 in cash and an unrecognized asset relating to capital loss carryforward of about \$4 million.

The Company currently has no operating businesses and will seek acquisitions as part of its strategic alternatives. Its only costs are the administrative expenses required to make the regulatory filings needed to maintain its public status. These costs are estimated at \$50,000 to \$100,000 per year.

Results of Operations

For the year ended December 31, 2002, the Company incurred administrative expenses of \$64,000. As the Company was formed in November 2001 and Lynch Interactive paid the expenses associated with the spin-off, no such expenses administration were incurred by the Company in the year ended December 31, 2001..

Compensation of Directors

The Company does not compensate its directors at the present time, although it may do so in the future. The Company does, however, indemnify directors pursuant to Delaware law and may reimburse them for certain out-of-pocket costs in connection with serving as directors.

Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, the Company has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities. The Company's certificate of incorporation provides that its directors and officers shall be indemnified to the fullest extent permitted by the Delaware law. The certificate of incorporation also provides that the Company shall, to the fullest extent permitted by Delaware law, as amended from time to time, indemnify and advance expenses to each of its currently acting and former directors, officers, employees and agents.

Delaware law provides that a corporation may limit the liability of each director to the corporation or its stockholders for monetary damages except for liability:

- o for any breach of the director's duty of loyalty to the corporation or its stockholders,
- o for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law,
 - o in respect of certain unlawful dividend payments or stock redemptions or repurchases and
 - o for any transaction which the director derives an improper personal benefit.

The Company's certificate of incorporation provides for the elimination and limitation of the personal liability of its directors for monetary damages to the fullest extent permitted by Delaware law. In addition, the certificate of incorporation provides that if Delaware law is amended to authorize the further elimination or limitation of the liability of a director, then the liability of our directors shall be eliminated or limited to the fullest extent permitted by Delaware law, as amended. The effect of this provision is to eliminate the Company's rights and its stockholders rights, through stockholders' derivative suits, to recover monetary damages against a director for breach of the fiduciary duty of care as a director, except in the situations described above. This provision does not limit or eliminate the Company's rights or its stockholders' rights to seek non-monetary relief such as an injunction or rescission in the event of a breach of a director's duty of care.

Insofar as indemnification for liabilities arising under the Securities Act

Edgar Filing: MORGAN GROUP HOLDING CO - Form 10-K

of 1933, as amended, may be permitted for its directors, officers, and controlling persons, pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission that this sort of indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.

At present, there is no pending litigation or proceeding involving any of our directors, officers, employees or agents where indemnification will be required or permitted.

Item 11. Executive Compensation.

The Company does not pay any compensation to any person, including its directors and executive officers.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters.

The following table sets forth information concerning ownership of our common stock as of March 26, 2003 by each person known by us to be the beneficial owner of more than five percent of the common stock, each director, each executive officer, and by all directors and executive officers as a group. We believe that each stockholder has sole voting power and sole dispositive power with respect to the shares beneficially owned by him. Unless otherwise indicated, the address of each person listed below is 401 Theodore Fremd Avenue, Rye, New York 10580.

Beneficial Owner	Number of Shares of Common Stock Beneficially Owned	Percent of Ownership
Mario J. Gabelli	858,384 (1)	28.1%

John Fikre	--	--
Lynch Interactive Corporation	235,294	7.7%
All directors and executive officers as a group (3 in total)	858,963	28.1%

Item 13. Certain Relationships and Related Transactions.

Each of our directors and officers is also an officer of Lynch Interactive Corporation.

On December 18, 2001, Lynch Interactive Corporation made a capital contribution to us of \$500,000 and assigned to us a services agreement with The Morgan Group, Inc. pursuant to which The Morgan Group, Inc. agreed to pay \$100,000 per year for certain management services. The Morgan Group, Inc. has not made any payments under this agreement since the first quarter of 2001 and as a result of the bankruptcy and liquidation of its assets, the Company does

Edgar Filing: MORGAN GROUP HOLDING CO - Form 10-K

not expect to recover any amounts due under such agreement.

Immediately after the spin-off, Lynch Interactive Corporation retained 235,294 shares of the Company's common stock, which it held as escrow agent for Cascade Investment LLC, the holder of an outstanding convertible promissory note issued by Lynch Interactive Corporation. In the event that Cascade Investment LLC converted all or a portion of the principal amount of that note into shares of Lynch Interactive Corporation common stock prior to December 10, 2004, Lynch Interactive Corporation would have transferred to Cascade Investment LLC a pro rata portion of those 235,294 shares of common stock, depending on how much of the principal amount of such note was converted, to Cascade Investment LLC. However, on November 29, 2002, Lynch Interactive repurchased the remaining outstanding principal amount such notes from Cascade Investment LLC and, as a result, the 235,294 shares will be retained by Lynch Interactive Corporation. Lynch Interactive Corporation has advised the Company that it will sell or dispose of any shares of our common stock retained by it prior to the fifth anniversary of the spin-off.

Item 14. Controls And Procedures.

PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

AUGUST 9, 2002

INTRODUCTION

This proxy statement is being furnished to you by the Board of Directors of Morgan Group Holding Co., a Delaware corporation (the "Company"), in connection with the solicitation of the accompanying Proxy for use at the 2002 Annual Meeting of Stockholders of the Company (the "Meeting") to be held at 4:30 p.m., local time, on Friday, August 9, 2002, at the Bruce Museum, One Museum Drive, Greenwich, Connecticut, or any adjournment thereof.

The principal executive offices of the Company are located at 401 Theodore Fremd Avenue, Rye, New York 10580. The approximate date on which this Proxy Statement and the accompanying Proxy will first be sent or given to stockholders is July 5, 2002.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on July 2, 2002 (the "Record Date") will be entitled to notice of, and to vote at, the Meeting and any adjournment thereof. As of the close of business on the Record Date, there were 3,055,345 outstanding shares of the Company's common stock, \$.01 par value (the "Common Stock"). Each holder of Common Stock is entitled to one vote per share. The presence in person or by proxy of holders of a majority of the outstanding shares of Common Stock is required for a quorum.

VOTING OF PROXIES

Shares of Common Stock represented by Proxies that are properly executed, duly returned and not revoked will be voted in accordance with the instructions contained therein. If no specification is indicated on the Proxy, the shares of Common Stock represented thereby will be voted (i) for the election as directors of each person who has been nominated by the Board of Directors and (ii) on any other matter that may properly be brought before the Meeting in accordance with the judgment of the person or persons voting the Proxies.

The execution of a Proxy will in no way affect a stockholder's right to attend the Meeting and vote in person. Any Proxy executed and returned by a stockholder may be revoked at any time thereafter if written notice of revocation is given to the Secretary of the Company prior to the vote to be taken at the Meeting, or by execution of a subsequent proxy that is presented at the Meeting, or if the stockholder attends the Meeting and votes by ballot, except as to any matter or matters upon which a vote shall have been cast

Edgar Filing: MORGAN GROUP HOLDING CO - Form 10-K

pursuant to the authority conferred by such Proxy prior to such revocation.

Broker "non-votes" and the shares as to which a stockholder abstains from voting are included for purposes of determining whether a quorum of shares is present at a meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

The three candidates for election as directors who receive the highest number of affirmative votes will be elected. In tabulating the vote on the election of directors, withholding of authority and broker "non-votes" will be disregarded and will have no effect on the outcome of such vote.

The cost of solicitation of the Proxies being solicited on behalf of the Board of Directors will be borne by the Company. In addition to the use of the mails, proxy solicitation may be made by telephone, telegraph and personal interview by officers, directors and employees of the Company. The Company will, upon request, reimburse brokerage houses and persons holding Common Stock in the names of their nominees for their reasonable expenses in sending soliciting material to their principals.

SECURITY OWNERSHIP

Based upon information available to the Company, the following table sets forth information concerning ownership of the Company's Common Stock as of June 24, 2002, by each person known by the Company to be the beneficial owner of more than five percent of the Common Stock, each director, each executive officer, each nominee for election as a director and by all directors and executive officers of the Company as a group. The Company believes that each stockholder has sole voting power and sole dispositive power with respect to the shares beneficially owned by him.
