ITEM 2. DISPOSITION OF ASSETS.

In January 2003, the Registrant ("ITEC" or the "Company) and Greenland Corporation ("GRLC") completed a stock purchase transaction whereby ITEC became the majority shareholder of GRLC. Since January 2003, GRLC has been a subsidiary of ITEC.

Pursuant to a letter agreement dated February 9, 2003 and approved by the Board of Directors of both ITEC and GRLC, the Registrant and GRLC have implemented the following:

1. GRLC has canceled a certain Convertible Promissory Note issued by ITEC to GRLC in the amount of \$2,225,000;

2. GRLC has canceled an existing inter-company transfer debt of ITEC to GRLC estimated at approximately \$1,200,000;

3. ITEC has returned all shares of GRLC common stock except for 19,183,390 shares;

4. 6,000,000 of the shares returned by ITEC to GRLC may, at the option of GRLC, be held in a separate escrow account under the name of ITEC, but ITEC will convey through proxy or other document, all of its rights to GRLC;

1

5. ITEC has assigned and granted all right, title, and interest in its rights to acquire any and all interest in and to ePEO Link, Inc. assets and/or client base; and

6. Members of the GRLC Board of Directors who also serve on ITEC Board have resigned from the GRLC Board.

As a result of the above, the Registrant is now a minority shareholder of GRLC. GRLC will no longer be operated as a subsidiary of ITEC. The financial impact of this transaction is detailed in Item 7 of this report.

ITEM 7. FINANCIAL STATEMENTS AND EXHIBITS.

(b) Pro forma financial information

The accompanying pro forma consolidated balance sheet presents the accounts of Imaging Technologies Corporation and Subsidiaries ("ITEC") as if the disposition of Greenland Corporation ("Greenland") occurred on December 31, 2003. The accompanying pro forma consolidated statements of operations present the accounts of ITEC for the year ended June 30, 2003 and the six months ended December 31, 2003 as if the disposition of Greenland had occurred on July 1, 2002.

The following adjustments would be required if the disposition occurred as indicated in the presentation below: (a) to remove all of Greenland's balance sheet accounts from the consolidated financial statements and to record the gain on the disposition of Greenland; and (b) to remove all of Greenland's statement of operations activity from the consolidated financial statements.
