DIRECTOR INFORMATION

Peapack-Gladstone's by-laws authorize a minimum of five and a maximum of 25 directors; currently, the Board has 13 members. Directors are elected annually by the shareholders for one-year terms. CORPORATE GOVERNANCE

General

The business and affairs of Peapack-Gladstone are managed under the direction of the Board of Directors. Members of the Board are kept informed of Peapack-Gladstone's business through discussions with our President and CEO and Peapack-Gladstone's other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. All members of the Board also served as directors of Peapack-Gladstone's subsidiary bank, Peapack-Gladstone Bank, during 2014. The Board of Directors of Peapack-Gladstone and Peapack-Gladstone Bank held 12 meetings during 2014. During 2014, each director of Peapack-Gladstone attended no fewer than 95% of the total number of meetings of Peapack-Gladstone's Board and meetings of committees on which such director served. It is Peapack-Gladstone's policy to encourage director attendance at the Annual Meeting absent a compelling reason such as illness. Last year, all but four directors attended the Annual Meeting.

Our Board of Directors believes that the purpose of corporate governance is to maximize shareholder value in a manner consistent with legal requirements. The Board has adopted corporate governance principles, which the Board and senior management believe promote this purpose. We periodically review these governance principles, the rules and listing standards of the NASDAQ Stock Market ("NASDAQ") and Securities and Exchange Commission (the "SEC") regulations.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors is comprised of 13 directors, a majority of which are independent directors. F. Duffield Meyercord serves as our Chairman and Douglas L. Kennedy is our Chief Executive Officer and is also a member of our board of directors. The board has three primary committees composed solely of independent directors – Audit, Compensation, and Nominating - under applicable NASDAQ rules with each of the three committees having a separate independent chair. In addition to these three committees, the Corporation also has a Risk Committee, which, along with our Board of Directors is responsible for overseeing the Company’s risk management. Our full Board receives and reviews a company-wide risk assessment annually. While the Risk Committee and the full Board oversee the Company’s risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is an appropriate approach for addressing the risks facing our Company at this time. Our independent directors conduct separate executive sessions to discuss Company affairs on a semi-annual basis. The Chairman of the Board, who is independent, presides over these sessions.

We believe that having a separate chairman and CEO, independent chairs and membership for each of our Audit, Compensation and Nominating Committees and independent director sessions provides the right form of leadership for our Company. Separating the chairman and CEO positions allowed us to expand our management structure to position the Company for future growth, while our experienced independent director majority provides oversight of Company operations and provides different perspectives based on the directors’ experience, oversight and expertise from outside our Company.

Director Independence

The Board has determined that a majority of the directors and all current members of the Nominating, Compensation, and Audit Committees are “independent” for purposes of the NASDAQ rules, and that the members of the Audit Committee are also “independent” for purposes of the

heightened standards of independence under NASDAQ rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended, and members of the Compensation Committee are also “independent” for purposes of the heightened standard of independence under the NASDAQ rules. The Board based these determinations on a review by the Nominating Committee and on a review by management of the responses of the directors and executive officers to questions regarding employment and transaction history, affiliations and family and other relationships. The independent directors are Dr. Susan A. Cole, Anthony J. Consi, II, Richard Daingerfield, Edward A. Gramigna, Jr., James R. Lamb, Edward A. Merton, F. Duffield Meyercord, Philip W. Smith, III and Beth Welsh.

To assist it in making determinations of independence, the Board has concluded that the following relationships are immaterial and that a director whose only relationships with Peapack-Gladstone fall within these categories is independent absent any other relationship which would interfere with the exercise of the director’s exercise of independent judgment in carrying out the responsibilities of a director:

A loan made by the Bank to a director, his or her immediate family member or an entity affiliated with a director or his or her immediate family member, or a loan personally guaranteed by such persons, if such loan (i) complies with state and federal regulations on insider loans, where applicable; and (ii) is not classified by the Bank’s credit committee or by any bank regulatory agency which supervised the Bank as substandard, doubtful or loss.

A deposit, trust, insurance brokerage, securities brokerage or similar customer relationship between Peapack-Gladstone or its subsidiaries and a director, his or her immediate family member or an affiliate of his or her immediate family member if such relationship is on customary and usual market terms and conditions.

The employment by Peapack-Gladstone or its subsidiaries of any immediate family member of the director if the employee serves below the level of a senior vice president.

Annual contributions by Peapack-Gladstone or its subsidiaries to any charity or non-profit corporation with which a director is affiliated if the contributions do not exceed an aggregate of \$20,000 in any calendar year and the contribution is made in the name of Peapack-Gladstone.

Purchases of goods or services by Peapack-Gladstone or any of its subsidiaries from a business in which a director or his or her immediate family member is a partner, shareholder or officer, if the director or his or her immediate family member owns five percent or less of the equity interests of that business and does not serve as an executive officer of the business.

Purchases of goods or services by Peapack-Gladstone, or any of its subsidiaries, from a director or a business in which the director or his or her immediate family member is a partner, shareholder or officer if the annual aggregate purchases of goods or services from the director, his or her immediate family member or such business in the last calendar year does not exceed the greater of \$60,000 or two percent of the gross revenues of the business.

Fixed retirement benefits paid or payable to a director either currently or on retirement.

The following categories or types of transactions, relationships or arrangements were considered by the Board in determining that each listed director is independent in accordance with the NASDAQ listing standards and Peapack-Gladstone’s Corporate Governance Principles.

Independent Director Category or Type

Mr. Consi	Loans, Deposits, Trust
Mr. Daingerfield	Loans, Deposits
Mr. Gramigna	Deposits

Mr. Lamb	Loans, Deposits, Trust
Mr. Merton	Loans, Deposits, Trust
Mr. Meyercord	Loans, Deposits, Trust
Mr. Smith	Deposits, Trust, Employment of Immediate Family Member below level of Senior Vice President
Ms. Welsh	Loans, Deposits

Independent Director Sessions

Our Corporate Governance Principles require that executive sessions including only independent directors be held at least semi-annually. The Chairman of the Board, who is independent, presides over these independent director sessions.

Shareholder Communication with Directors

The Board of Directors has established the following procedures for shareholder communications with the Board of Directors:

Shareholders wishing to communicate with the Board of Directors should send any communication to the Board of Directors, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Mary M. Russell, at 500 Hills Drive, Suite 300, PO Box 700, Bedminster, New Jersey, 07921. Any such communication should state the number of shares owned by the shareholder.

The Corporate Secretary will forward such communication to the Board of Directors or as appropriate to the particular Committee Chairman, unless the communication is a personal or similar grievance, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the Board of Directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.

The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by any Board member, and shall regularly review all such communications with the Board or the appropriate Committee Chairman.

The Board of Directors has also established the following procedures for shareholder communications with the Chairman, who presides over the independent director sessions:

Shareholders wishing to communicate with the Chairman should send any communication to the Presiding Director of Independent Director Sessions, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Mary M. Russell, at 500 Hills Drive, Suite 300, P.O. Box 700, Bedminster, New Jersey, 07921. Any such communication should state the number of shares owned by the shareholder.

The Corporate Secretary will forward such communication to the Chairman, unless the communication is a personal or similar grievance, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the non-management directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.

The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by the Chairman, and shall regularly review all such communications with the Chairman at the next meeting.

Committees of the Board of Directors

In 2014, the Board of Directors maintained an Audit Committee, a Compensation Committee, a Nominating Committee, a Risk Committee, and a CEO Advisory Committee. The Audit Committee, Compensation Committee and Nominating Committee are each solely comprised of independent directors; a description of each of these three committees follows.

Audit Committee

Mr. Consi serves as Chair of the Audit Committee. Other members of the Audit Committee currently are Messrs. Daingerfield, Gramigna, Lamb and Ms. Welsh. Mr. Daingerfield was added to the Committee in October 2014. The Audit Committee met seven times during 2014.

The Board of Directors has determined that at least one member of the Audit Committee, Mr. Consi, meets the NASDAQ standard of being financially sophisticated. The Board of Directors has also determined that Mr. Consi meets the SEC criteria of an “audit committee financial expert.”

The Audit Committee operates pursuant to a charter. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by our independent auditors. Other responsibilities of the Audit Committee pursuant to the charter include: reviewing the scope and results of the audit with our independent auditors; reviewing with management and our independent auditors Peapack-Gladstone’s interim and year-end operating results including press releases; considering the appropriateness of the internal accounting and auditing procedures of Peapack-Gladstone; considering our outside auditors’ independence; reviewing examination reports by bank regulatory agencies; reviewing audit reports prepared by the Internal Audit Department of Peapack-Gladstone, reviewing audit reports prepared by any outside firm which may conduct some internal audit functions for Peapack-Gladstone; and reviewing the response of management to those reports. The Audit Committee reports to the full Board concerning pertinent matters coming before it.

Compensation Committee

Peapack-Gladstone's Compensation Committee currently consists of Messrs. Meyercord (Chair), Consi, Merton and Smith. During 2014, the Compensation Committee met four times.

The Compensation Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Compensation Committee recommends to the independent members of the Board the CEO's compensation, sets specific compensation for executive officers (other than the CEO) and ratifies general compensation levels for all other officers and employees. It also administers our long-term stock incentive plans and makes awards under those plans. The Board has approved its charter, which delegates to the Compensation Committee the responsibility to recommend Board compensation. Included in this process is a thorough analysis and consideration of overall Company performance, individual job performance, the overall need of the Company to attract, retain and incent executive talent, and the total cost of the compensation programs.

The Compensation Committee has the authority to hire, fire, and seek the services of compensation consulting and advisory firms as it deems appropriate to its role. In 2014, the Compensation Committee engaged the services of McLagan, an Aon Hewitt Company ("McLagan"), an independent compensation consulting firm specializing in executive compensation. Services were related to providing an updated competitive market analysis. McLagan reports directly to the Compensation Committee and carries out its responsibilities to the Compensation Committee in coordination with the Human Resources Department as requested by the Compensation Committee. As a matter of policy the Compensation Committee does not prohibit its advisors from providing services to management, but any such engagement must be requested or approved by the Compensation Committee.

Nominating Committee

Peapack-Gladstone's Nominating Committee currently consists of Messrs. Smith (Chair), Merton, Meyercord and Ms. Welsh. The Nominating Committee met four times during 2014.

The Nominating Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Nominating Committee reviews qualifications of and recommends to the Board candidates for election as director of Peapack-Gladstone and the Bank, considers the composition of the Board, recommends committee assignments, and discusses management succession for the Chairman and the CEO positions. The Nominating Committee is also charged with reviewing the Board's adherence to the Corporate Governance Principles and the Code of Business Conduct and Ethics. The Nominating Committee reviews recommendations from shareholders regarding corporate governance and director candidates. The procedure for submitting recommendations of director candidates is set forth

below under the caption “Nomination of Directors.”

Nomination of Directors

Nominations for director may be made only by the Board of Directors or a committee of the Board or by a shareholder of record entitled to vote. The Board of Directors has established minimum criteria for members of the Board.

These include:

- Directors are encouraged to live and/or work in the communities served by Peapack-Gladstone’s subsidiary bank.
 - Directors shall maintain stock ownership in compliance with the Corporation’s stock ownership guidelines.
- Directors shall be experienced in business, shall be financially literate and shall be respected members of their communities.
 - Directors shall be of high ethical and moral standards and have sound personal finances.
- A Director may not serve on the board of directors of any other bank that serves the same market area as Peapack-Gladstone.

The Nominating Committee has not adopted a formal diversity policy with regard to the selection of director nominees. The Nominating Committee considers diversity of experience, both of the individual under consideration and of the Board as a whole, as a factor in identifying nominees for director. In accordance with the Company’s Corporate Governance Principles, in assessing candidates for nomination, the Nominating Committee considers, among other factors, the candidate’s independence, diversity, skills and experience in the context of the needs of the Board.

The Nominating Committee has adopted a policy regarding consideration of director candidates recommended by shareholders. The Nominating Committee will consider nominations made by shareholders. In order for a shareholder to make a nomination, the shareholder must provide a notice along with the additional information and supporting materials to our Corporate Secretary not less than 120 days or more than 150 days prior to the first anniversary of the date of the preceding year's annual meeting. The shareholder wishing to propose a candidate for consideration by the Nominating Committee must have a significant stake in Peapack-Gladstone. To qualify for consideration by the Nominating Committee, the shareholder submitting the candidate must demonstrate that he or she has been the beneficial owner of at least one percent of Peapack-Gladstone's outstanding shares for a minimum of one year prior to the submission of the request. In addition, the Nominating Committee has the right to require any additional background or other information from any director candidate or the recommending shareholder, as it may deem appropriate. For our annual meeting in the year 2016, we must receive this notice on or after November 30, 2015, and on or before December 30, 2015.

The following factors, at a minimum, are considered by the Nominating Committee as part of its review of all director candidates and in recommending potential director candidates to the Board:

- appropriate mix of educational background, professional background and business experience to make a significant contribution to the overall composition of the Board;
- if the Committee deems it applicable, whether the candidate would be able to read and understand fundamental financial statements and considered to be financially sophisticated as described in the NASDAQ rules, or considered to be an audit committee financial expert as defined pursuant to the Sarbanes-Oxley Act of 2002;
- if the Committee deems it applicable, whether the candidate would be considered independent under the NASDAQ rules and the Board's additional independence guidelines set forth in Peapack-Gladstone's Corporate Governance Principles;
- demonstrated character and reputation, both personal and professional, consistent with that required for a bank director;
 - willingness to apply sound and independent business judgment;
 - ability to work productively with the other members of the Board;
- availability for the substantial duties and responsibilities of a Peapack-Gladstone director; and
- meets the additional criteria set forth in the Peapack-Gladstone's Corporate Governance Principles.

You can obtain a copy of the full text of our policy regarding shareholder nominations by writing to Mary M. Russell, Corporate Secretary, Peapack-Gladstone Financial Corporation, 500 Hills Drive, Suite 300, P.O. Box 700, Bedminster, New Jersey 07921.

Directors provide for the award of non-qualified stock options to non-employee directors. The 2006 and 2012 Long-Term Stock Incentive Plan provides for the award of non-qualified stock options, stock appreciation rights or restricted stock to non-employee directors. The plans provide that grants are made based upon recommendations from the Compensation Committee to the Board.

Under each of the plans, the exercise price for the option shares may not be less than the fair market value of the common stock on the date of grant of the option. The options granted under these plans are, in general, exercisable not earlier than one year after the date of grant, at a price equal to the fair market value of the common stock on the date of grant, and expire not more than ten years after the date of grant.

Shares awarded vest in three equal annual installments commencing with the first anniversary of the grant date.

(3) Peapack-Gladstone has a retirement plan for eligible non-employee directors of Peapack-Gladstone and/or its Subsidiaries. The amended plan provides five years of annual benefits to directors with ten or more years of service, which commence after a director has retired from the Board. The annual benefit is equal to \$40,000, with an additional \$10,000 paid to the chairs of the Audit and Compensation Committees and an additional \$10,000 paid to the Chairman. No director was credited with more than ten years of service when the plan became effective, regardless of how long the person had served as director as of the effective date. If a director with ten years of service ceases to be a director as a result of death or disability, or a director with five years of service ceases to be a director following a change in control, the director will be credited with a total of 15 years of service for plan purposes. In the event that the director dies prior to receipt of all benefits, the payments continue to the director's beneficiary or estate.

(4) The amount in this column represents the change in pension value. There were no above-market, nonqualified deferred compensation earnings.

(5) Dr. Cole joined the Board in February 2014 and Mr. Daingerfield joined in August 2014.

COMPENSATION DISCUSSION AND ANALYSIS

The following is a discussion and analysis of our compensation programs as they apply to our Chief Executive Officer ("CEO"), our Chief Financial Officer ("CFO") and the three other most highly compensated individuals who were serving as executive officers at the end of fiscal 2014 (collectively, the "Named Executive Officers").

Executive Summary

2014 Financial Highlights and Company Performance

The Compensation Committee of the Board of Directors (“Committee”) believes that the Company, under the leadership and guidance of its CEO and other Named Executive Officers, has been successful in executing its Strategic Plan – “Expanding Our Reach.” The Strategic Plan focuses on the client experience and aggressively building and maintaining a private banking platform.

In particular, the Committee noted the following factors, which it believes demonstrated the success of the Company and of the CEO and other Named Executive Officers in 2014:

For the year ended December 31, 2014, the Company reflected year over year improvement in revenue, earnings, returns, and efficiency, as shown in the table below:

(Dollars in millions, except EPS)	2014	2013	Improvement	
Pretax income	\$24.29	\$14.76	\$9.53	65%
Net income	\$14.89	\$9.26	\$5.63	61%
Diluted EPS	\$1.22	\$1.01	\$0.21	21%
Total revenue	\$88.70	\$73.37	\$15.33	21%
Return on average assets	0.63 %	0.54 %	0.09	
Return on average equity	7.96 %	7.37 %	0.59	
Efficiency ratio	67.45 %	76.63 %	(9.18)	

The Company successfully sold 2.776 million common shares (\$50 million gross) in its at-the-market equity offering in the fourth quarter of 2014, just one year after selling 2.471 million common shares (\$42 million gross) in its rights offering/sale to stand-by investors in the fourth quarter of 2013. The 2014 capital raise has positioned the Company for continued growth and expansion.

Loans at December 31, 2014 totaled \$2.25 billion. This reflected growth of \$676 million when compared to \$1.57 billion at December 31, 2013. Year over year loan growth was 43 percent.

Asset quality metrics continued to be strong at December 31, 2014. Nonperforming assets at December 31, 2014 were just \$8.2 million or 0.30 percent of total assets, compared to \$8.6 million or 0.44 percent at December 31, 2013. Total loans past due 30 through 89 days were only \$1.76 million at year end 2014, compared to \$2.95 million at year end 2013.

Total “customer” deposit balances (defined as deposits excluding brokered CDs and brokered “overnight” interest-bearing demand deposits) grew to \$1.98 billion at December 31, 2014 from \$1.63 billion at December 31, 2013. Year over year customer deposit growth totaled 21 percent.

At December 31, 2014, the market value of assets under administration at the Private Wealth Management Division of Peapack-Gladstone Bank (“the Bank”) was \$2.99 billion.

Fee income from the Private Wealth Management Division totaled \$15.24 million for 2014, growing from \$13.84 million for 2013. Year over year growth in wealth management fee income was 10 percent.

Capital ratios were benefitted by the 2014 capital raise and were improved and strong as of December 31, 2014, even with over \$700 million growth in assets for the year.

For 2014, overall results were better than our budget/plan for 2014 (“2014 budget/plan”), as shown in the table below:

	Actual vs. Budget			
(Dollars in millions, except EPS)	2014	Budget	Variance	
Pretax income	\$24.29	\$21.09	\$3.20	15 %
Net income	\$14.89	\$12.97	\$1.92	15 %
Diluted EPS	\$1.22	\$1.09	\$0.13	12 %
Total revenue	\$88.70	\$88.29	\$0.41	1 %
Return on average assets	0.63 %	0.58 %	0.05	
Return on average equity	7.96 %	7.31 %	0.65	
Efficiency ratio	67.45 %	67.28 %	0.17	

After consideration of 2014’s results compared to budget, we determined 2014 Company performance to be rated *maximum* under the Executive Performance Plan, based on the following guidelines:

- Threshold – 90% to 99% of budget achievement;
- Target – 100% to 109% of budget achievement;
- Maximum – 110% and greater of budget achievement;

Budget achievement is based on pretax income and net income, with consideration given to earnings per share (“EPS”), return on average assets (“ROAA”), return on average equity (“ROAE”), total revenue and asset quality.

We believe that we need to offer competitive compensation in order to retain, motivate and recruit qualified executives. In addition, we are committed to delivering strong performance for our shareholders, and, as such, we link executive compensation to performance. As a result, the Committee undertook the following compensation initiatives:

Executive Performance Plan (“EPP”) that was established in 2013 remained in place for 2014

In 2014 we continued the performance based incentive plan established in 2013 that links compensation to the Strategic Plan on both an annual and multi-year basis. The EPP provides for both annual short-term (cash) and annual long-term (equity) awards based upon achieving Company and individual performance goals and objectives, and also provides for a long term Strategic Plan Award (Equity) based upon achieving Company performance goals.

- *Short-Term (Cash) (“STI Awards”) and Long-Term (Equity) (“LTI Awards”) Incentives*

Under the EPP, annual awards are made based upon achievement of Company goals and individual objectives. The Company measurements include: pretax income, net income, EPS, ROAA, ROAE, total revenue, and asset quality.

- *Strategic Plan Award (“SPA Grant”):*

Under the EPP, restricted stock will be granted to Named Executive Officers. For the EVP, Commercial Banking the grant is generally made annually and vests in equal increments over a five year period. For the CEO, CFO, Chief Operating Officer (“COO”), and President of Private Wealth Management the grant is not an annual grant and is expected to cover multiple years up to and including the year ended December 31, 2017. 50% of the grant vests in equal increments over a five year period and the remaining 50% vests only if four of five pre-determined high performing annual targets are met for an annual period of time. If the high performing targets are not met by year end 2017, the stock is forfeited. The high performing targets are as follows:

· ROAA total assets of 1 percent,
· ROAE of 12 percent,
· revenue growth of 15 percent,
· EPS growth of 15 percent and
· non-performing assets to total assets of less than 1.5 percent of assets.

The CEO, COO, and CFO received these grants in 2013. The President of Private Wealth Management received his grant in 2014 when he joined the Company.

· *Claw-back language was added to the EPP effective for the 2014 year grants:*

The following was adopted by the Committee effective for the 2014 EPP grants: For Plan years 2014 and forward, the Company shall recover any award made under the EPP that is later found to have been based on materially inaccurate financial statements or other materially inaccurate measurements of performance.

· *Contract Revisions were put in place in 2013:*

The excise tax gross-up provisions pursuant to Section 280G of the Internal Revenue Code (the “Code”) were eliminated from all Change in Control contracts. For officers other than the CEO, CFO, and COO, the change in control period and payment was reduced from three years to either two years or 18 months, depending on the executive officer.

· *CEO Compensation:*

Mr. Kennedy joined the Company in October 2012 at a base salary of \$500,000. He did not receive a base salary increase in 2013 or in 2014.

Mr. Kennedy received a short-term incentive award (cash) under the EPP of \$450,000. This award was based on 2014 Company performance (75% weighting) and 2014 individual performance (25% weighting). As fully described previously, Company performance for 2014 was set at the *maximum* level as results were in excess of 10 percent ahead of the 2014 Budget/Plan. Individual performance was also set at the *maximum* level. In evaluating Mr.

Kennedy's individual performance for 2014, the Committee considered, among other things, Mr. Kennedy's 2014 strategic objectives which were set at the beginning of 2014.

The following include the more significant broad objectives, all of which were met or exceeded:

- expand our wealth business;
- grow our retail business;
- grow our C&I business;
- reposition our residential mortgage business to attract wealth relationships;
- continue building a sales culture;
- enhance communications – internal and external;
- position the Company for a capital raise; and
- deliver revenue, expense, profitability targets;

In March 2014, Mr. Kennedy was granted a long-term incentive award (restricted stock) under the EPP of \$337,500. This award was based on 2013 Company performance (75% weighting) and 2013 individual performance (25% weighting). Company performance for 2013 was on *target* with the 2013 Budget/ Plan, after adjusting for several large unusual items not contemplated by the 2013 Budget/Plan (the larger of which included gain on sale of classified loans, write-down of an REO property, various severance expenses, and accelerated depreciation associated with the Operations Center move to the headquarters building). Individual performance was at the *maximum* level. This grant vests in equal increments over three years.

Lastly, in 2013 Mr. Kennedy executed an Employment Agreement and a Change in Control Agreement which provide for severance and other benefits combined with a non-competition clause. The Change in Control Agreement did not include Section 280G tax gross up provisions.

Compensation Philosophy and Program Objectives

The fundamental objective of the Company's executive compensation program is to fairly compensate our Named Executive Officers at levels appropriate in our market and grant equity compensation to align the interests of our Named Executive Officers with those of our shareholders. Our compensation program is designed to retain and attract qualified executives and motivate such executives to achieve short-term and long-term strategic and operational goals that strengthen our franchise value and ultimately deliver shareholder value. We believe in a pay-for-performance philosophy that appropriately aligns our executives' total compensation with the performance and value of their contributions and the Company's ultimate success. In 2014, the Committee continued the EPP that was adopted in 2013, which links the Named Executive Officers' short-term and long-term incentive compensation directly to Company and individual performance.

Our compensation program consists of base salary, cash and equity incentive compensation, as well as benefits and perquisites. We pay base salary in order to fairly compensate our Named Executive Officers for their day-to-day efforts in managing our business. We pay short term incentives (cash) to incentivize performance over a one-year period. We make awards of long term incentives (equity) in order to give our Named Executive Officers a stake in our business, align their interests with those of our shareholders and to retain our Named Executive Officers.

Roles and Decision Process

The Compensation Committee of the Board of Directors ("the Committee") is responsible for establishing and overseeing policies governing annual and long-term compensation programs for our executives, and for determining executive compensation levels in line with our philosophy. Details of the Committee's functions are more fully described in its charter, which has been approved by the Board of Directors and is available on our website. The

Committee met four times in 2014. The Chair of the Committee regularly reports on Committee actions at the Company's Board of Directors meetings.

The Committee reviews all compensation components for the Company's CEO and other Named Executive Officers, including base salary, annual cash and equity incentives, benefits and contracts/arrangements.

Although the Committee makes independent determinations on all matters related to compensation of the Named Executive Officers, certain members of management may be requested to attend or provide input to the Committee. The CEO provides advice to the Committee relative to the compensation of the four other Named Executive Officers. The Chief Executive Officer is not present for the discussion by the Committee of his compensation. Other senior officers, such as the Head of Human Resources, COO/General Counsel, the CFO, and/or the Comptroller may provide information and perspective to the Committee as appropriate and/or as requested. The Committee's independent compensation consultant (McLagan) also provides benchmarking information and advice as appropriate. The Committee makes all of its determinations based on its holistic assessment of the Company's performance and individual performance and on data provided by management and its independent compensation consultant.

The Committee has the sole authority to retain, terminate, obtain advice from, oversee and compensate its outside advisors, including its independent compensation consultant. The Committee has determined that it has the funding it needs to retain the advisors necessary to carry out its duties effectively. In 2013 the Committee first retained McLagan, an Aon Hewitt Company, as an independent outside compensation consultant. McLagan was retained again for 2014. McLagan's 2013 and 2014 services included peer group development and market benchmarking studies, assisting with the design and subsequent review of the incentive program, and providing insight and best practices with respect to the compensation of our Named Executive Officers as well as the Employment Agreement and Change in Control Agreement for Mr. Kennedy and the Amended Change in Control Agreements for other Executive Officers.

While the Committee seeks independent external perspective, the Committee makes all decisions regarding the compensation of Peapack-Gladstone's Named Executive Officers.

The Committee reviewed its relationship with McLagan and considered McLagan's independence in light of all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934 and under the applicable Nasdaq listing rules. The Compensation Committee received a report from McLagan addressing its independence, including the following factors: (1) there were no services provided to the Company, other than compensation related consulting by McLagan; (2) fees paid by the Company as a percentage of McLagan's total revenue; (3) policies or procedures maintained by McLagan that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisors and a member of the Compensation Committee; (5) any Company stock owned by the senior advisors; and (6) any business or personal relationships between the executives and the senior advisors. The Compensation Committee discussed these considerations and concluded that the work performed by McLagan and McLagan's senior advisors involved in the engagements did not raise any conflict of interest.

Compensation Review

Understanding the competitive landscape is a key element the Committee considers in making compensation decisions. Each year, the Committee commissions a compensation review by its independent compensation consultant. The purpose of this review is to provide an independent and objective analysis of our total compensation relative to a peer group and industry practices. The Committee utilizes the benchmarking data and best practices information for ongoing monitoring of executive pay relative to market practices and to determine executive compensation.

The foundation for the review is data from a peer group of banks. The 2014 peer group was selected by the Committee after considering recommendations from McLagan. The peer group used for executive compensation comparisons consisted of 19 commercial banks. The selection criteria generally included: eastern U.S. commercial banks in metro areas; total assets \$1.1 billion to \$4.7 billion; non-interest income to total revenue greater than 12.5% or trust and investment revenue greater than \$2 million; and non-performing assets to total assets of less than or equal to 2%. This peer group of 19 banks had median total assets of \$2.2 billion (comparable to the Company's \$2.7 billion at December 31, 2014) and median revenue of \$89 million (comparable to the Company's \$89 million for 2014).

The 2014 proxy peer group consisted of the following 19 banks:

- American National Bankshares
- Arrow Financial Corp.
- Bancorp Inc.
- Bridge Bancorp Inc.
- Bryn Mawr Bank Corp.
- Cardinal Financial Corp.
- Century Bancorp Inc.
- Chemung Financial Corp.
- Lakeland Bancorp
- Merchants Bancshares Inc.
- Metro Bancorp Inc.
- Middleburg Financial Corp
- National Bankshares Inc.
- Sandy Spring Bancorp Inc.
- Suffolk Bancorp
- Univest Corp. of Pennsylvania

- Enterprise Bancorp Inc.
- Washington Trust Bancorp Inc.
- Hudson Valley Holding Corp

The following salary and estimated total compensation (at target) comparisons were considered by the Committee in determining salaries and total compensation for the Named Executive Officers:

The 2014 salaries for the Company's five Named Executive Officers were 3.4% above the 50th percentile and 12.0% below the 75th percentile of the peer group.

The salaries for the CEO, COO, CFO and EVP, Commercial Banking were 4.8% below the 50th percentile and 19.0% below the 75th percentile of the peer group. The salary for the President of Private Wealth Management was 35.5% above the 50th percentile and 14.9% above the 75th percentile of the peer group.

The 2014 estimated total compensation at target for the Company's five Named Executive Officers were 3.6% above the 50th percentile and 13.4% below the 75th percentile of the peer group.

The estimated total compensation at target for the CEO, COO, CFO and EVP, Commercial Banking were 4.3% above the 50th percentile and 15.0% below the 75th percentile of the peer group. The estimated total compensation at target for the President of Private Wealth Management was 1.1% above the 50th percentile and 7.0% below the 75th percentile of the peer group.

The salary and total compensation for the President of Private Wealth Management is generally above peer group levels as he joined the Company in 2014 with significant experience with much larger financial institutions and the Committee set his salary and total compensation at levels commensurate with this experience and competitive with the larger institutions.

Say on Pay Consideration

The Committee also considers feedback from our shareholders in making compensation determinations. In 2013 and in 2014 our shareholders showed strong support for our compensation practices. At the 2014 Annual Meeting, over 85% of votes cast were in favor of the say-on-pay proposal. We view this as a positive endorsement of pay practices.

Even in light of this strong support, we continue to monitor our pay alignment and seek ways to improve our compensation program. In 2013 we implemented the EPP which ties a significant portion of executive compensation to Company and individual performance on both an annual and long-term basis, and we also eliminated the change in control excise tax gross-up feature in our employment agreements pursuant to Section 280G of the Code. Effective for 2014, we added claw-back language to our EPP.

Elements of Compensation and Decisions

We target our total compensation in a way that is fair and appropriate considering market conditions, peer group comparisons, Company performance, individual performance, as well as our long-term strategic goals. We believe our compensation policies and practices appropriately balance risk against our desire to award competitive compensation and are unlikely to have an adverse effect on our Company. The elements of our compensation include base salary and short-term incentive awards, long-term incentive awards and long-term strategic plan awards under our EPP as highlighted below.

Base Salary

Our Named Executive Officers' base salaries are set to reflect a combination of factors, including but not limited to, level of responsibility, competitive market, experience, skill-set, and individual performance, as well as the Company's compensation philosophy and overall performance. We design our base salaries in significant part to retain and attract talented executives who can help drive long-term shareholder value. We believe we must keep our base salaries competitive, within the context of our conservative compensation culture, or risk losing executive talent because the markets in which we operate present current and potential executives with higher-paying alternatives.

The following summarizes the 2014 and 2013 salaries for the Company's Named Executive Officers:

Vincent A. Spero EVP, Commercial Banking	\$ 236,385	\$ 229,500	3.0%

(A) Mr. Babcock joined the Company in March 2014

Although Company performance for 2014 was at the *maximum* level as overall results were in excess of 10 percent ahead of the 2014 Budget/Plan, and each executive's individual performance was at *target* or at *maximum* level, salary increases were limited in 2014 in light of each executive's March 2014 cash bonus, as well as earnings under the EPP.

Executive Performance Plans

As noted earlier, in 2014 the Committee continued the EPP which was put in place in 2013. The EPP consists of the following three components, as previously described:

Short term incentive awards ("STI Awards") that provide an annual cash incentive opportunity based on achievement of pre-defined Company and individual performance goals;

Long term incentive awards (“LTI Awards”) that provide annual restricted stock awards, with three year vesting, based on achievement of pre-defined Company and individual performance goals; and

Long term Strategic Plan Award grants (“SPA Grants”) that are intended to motivate executives to focus on the achievement of the Company’s high performing long-term strategic planning goals.

The amount of STI Awards, LTI Awards and SPA Grants earned by each Named Executive Officer is dependent on the achievement of both Company goals and individual goals. The following chart depicts the potential for awards granted to each Named Executive Officer under the EPP. The percentages referenced in the chart with respect to the STI Awards (Cash), LTI Awards (Restricted Stock) and the SPA Grants (Restricted Stock) refer to percentages of base salary. The SPA Grants in 2013 for the CEO, CFO and COO and, in 2014 for the President of Private Wealth Management were one-time, intended to cover multiple periods of up to and including the year ended December 31, 2017, as discussed above. The EVP, Commercial Banking is eligible to receive an annual SPA Grant, in the percentage noted below.

	<u>Goals & Objectives</u>		<u>STI Awards (Cash)</u>			<u>LTI Awards (Stock)</u>			<u>SPA (Stock)</u>

Douglas L. Kennedy President and Chief Executive Officer	75%	25%	45%	60%	90%	45%	60%	90%	0% (250% granted in 2013)

John P. Babcock President of Private Wealth Management	50%	50%	30%	40%	60%	30%	40%	60%	200% (Granted in 2014)
Vincent A. Spero EVP, Commercial Banking	50%	50%	23%	30%	45%	23%	30%	45%	30%

In formulating the EPP, the Committee also considered internal policies and relevant guidance from bank regulatory authorities which direct the Committee to ensure that compensation incentive programs do not jeopardize the safety and soundness of the Company or the Bank. To that end, the Committee believes that the EPP and the Company’s other incentive compensation policies:

appropriately balance risk and reward;
are compatible with effective controls and procedures; and

are supported by strong corporate governance, including active oversight by the Committee. While the Committee adopted the EPP in 2013, it uses the EPP as a general guideline and is not required to award compensation based strictly on the terms of the EPP. Accordingly, the Committee has the absolute discretion to make awards that are less than or greater than awards contemplated by the EPP. The Committee also may change, modify or discontinue the EPP at any time, including during the course of a particular year. The Committee may take into account the following factors:

- the safety and soundness of the Company;
- unexpected events that occur during the year;
- the Company's performance relative to its peer group;
- regulatory changes; and
- extraordinary efforts in achieving non-financial but important strategic goals.

Short Term Incentive Awards (Cash)

We paid short term incentive awards (cash) to our Named Executive Officers based on 2014 Company performance and Individual performance. As fully described previously, Company performance for 2014 was at the *maximum* level as results were in excess of 10 percent ahead of the 2014 Budget/Plan. Individual performance for each named executive was either at the *maximum* level or the *target* level. Based on these factors, the Committee awarded the short term incentives (cash) detailed below.

Named Executive Officer	Cash Bonus Paid in March 2014 (A)	% of Base Salary	Short Term Incentive Award	
			(Cash) Paid in December 2014 and March 2015	% of Base Salary
Douglas L. Kennedy President and Chief Executive Officer	\$ 112,500	23%	\$ 450,000	90%
Jeffrey J. Carfora Senior EVP and Chief Financial Officer	\$ 38,456	15%	\$ 153,826	60%
Finn M.W. Caspersen, Jr. Senior EVP, COO and General Counsel	\$ 45,000	15%	\$ 165,000	55%
John P. Babcock President of Private Wealth Management	\$ 500,000	(B)	\$ 250,000	50%
Vincent A. Spero EVP, Commercial Banking	\$ 25,819	11%	\$ 106,373	45%

Cash bonuses were paid to Messrs. Kennedy, Carfora, Caspersen, and Spero in March 2014 in the amounts shown (A) above based on performance, including, but not limited to, capital raise, 2014 planning and budgeting, and management restructuring.

(B) Mr. Babcock joined the Company in March 2014. In connection with his offer letter and hiring, Mr. Babcock was granted a \$500,000 cash sign on bonus.

Long Term Incentive Awards (Restricted Stock)

Our long term incentive awards (restricted stock) are designed to focus our executives on long-term performance and shareholder value. We granted long term incentive awards (restricted stock) to Messrs. Kennedy, Carfora, Caspersen, and Spero in March 2014. These awards were based on 2013 Company performance and 2013 individual performance. Company performance for 2013 was on *target* with the 2013 Budget/Strategic Plan, after adjusting for several large unusual items not contemplated by the 2013 Budget/Plan (the larger of which included gain on sale of classified loans, write-down of an REO property, various severance expenses, and accelerated depreciation associated with the move of our Operations Center to our headquarters building). Individual performance was either at the *maximum* level or at *target* level. These grants vest in equal increments over three years.

The following table sets forth the awards of restricted stock granted in March 2014 to our Named Executive Officers.

Named Executive Officer	Short Term	Short Term	% of
	Incentive Award (Restricted Stock) Granted March 2014 (in	Incentive Award (Restricted Stock) Granted March 2014 (in	Base Salary

Finn M.W. Caspersen, Jr. Senior EVP, COO and General Counsel	\$ 135,000	6,934	45%
John P. Babcock President of Private Wealth Management	\$ 200,000	10,272	(A)
Vincent A. Spero EVP, Commercial Banking	\$ 86,063	4,420	38%

(A) Mr. Babcock joined the Company in March 2014. In connection with his offer letter and hiring, Mr. Babcock was granted \$200,000 of restricted stock which vests evenly over three years.

Strategic Plan Award (SPA) Grants

As described previously, SPA Grants of restricted stock are intended to motivate executives to focus on the achievement of the Company's high performing long-term strategic planning goals. For the EVP, Commercial Banking the grant is generally made annually and vests in equal increments over a five year period. For the CEO, CFO, COO, and President of Private Wealth Management the grant is not an annual grant and is expected to cover multiple years up to and including the year ended December 31, 2017: 50% of the grant vests in equal increments over a five year period and the remaining 50% vests only if four of five pre-determined high performing annual targets are met for an annual period of time. If the high performing targets are not met by year end 2017, the stock is forfeited. The high performing targets are as follows:

- ROAA total assets of one percent;
- ROAE of 12 percent;
- revenue growth of 15 percent;
- EPS growth of 15 percent and
- non-performing assets to total assets of less than 1.5 percent of assets.

The CEO, COO and CFO received these grants in 2013. The President of Private Wealth Management received his grant in 2014 when he joined the Company.

The SPA Grant to Mr. Spero was an annual grant, with future grants to be conditioned upon achieving goals consistent with the Company's Strategic Plan. The following table sets forth SPA Grants in 2014 to the Named Executive Officers.

Named Executive Officer	Strategic Plan Award (Restricted Stock) (in dollars)	Strategic Plan Award (Restricted Stock) (in shares)	% of Base Salary
Douglas L. Kennedy Chief Executive Officer and President	\$ 0	0	0%
Jeffrey J. Carfora Senior EVP and Chief Financial Officer	\$ 0	0	0%
Finn M.W. Caspersen, Jr. Senior EVP, COO and General Counsel	\$ 0	0	0%
John P. Babcock President of Private Wealth Management	\$ 1,000,000	51,362	200%
Vincent A. Spero EVP, Commercial Banking	\$ 68,850	3,536	30%

Benefits/Other Compensation

The Company provides bank-sponsored insurance and retirement benefit plans to our Named Executive Officers. The benefit packages are designed to assist Named Executive Officers in providing for their financial security.

The Company provides retirement benefits to Named Executive Officers through a combination of plans that are qualified and nonqualified under the Internal Revenue Code of 1986, as amended (the "Code"). The Company has established a qualified defined contribution plan under Section 401(k) of the Code, covering substantially all salaried employees over the age of twenty-one with at least twelve months of service and whose participation is not prohibited by the 401(k) plan. Under the savings portion of the 401(k) plan, employees may contribute up to 15% of their base pay (up to a maximum of \$17,500 in 2014) to their elective account via payroll withholding. Annually, the Company makes a matching contribution equal to 50% of the first 6% of an employee's salary, plus up to an additional 3% employer contribution for all employees, on a discretionary basis. The Committee believes that employees require 401(k) plans, and that to attract and retain able employees the Company must offer these benefits to its employees, including its Named Executive Officers.

The Named Executive Officers receive the same insurance package covering all employees, which includes health, dental, vision, disability and basic group life insurance.

The Company has also purchased bank owned life insurance and entered into a split-dollar plan with the Named Executive Officers (except for Mr. Kennedy and Mr. Babcock) and certain other employees to provide current and post-employment life insurance in an amount which ranges from \$25,000 to 2.5 times the participant's annual base salary. A life insurance benefit of 2.5 times a Named Executive Officer's annual base salary vests if prior to the termination of employment there is a change in control or the Named Executive Officer becomes disabled. A benefit of 2.5 times the Named Executive Officer's salary is paid if the participant dies while employed by the Company. Named Executive Officers are also entitled to a vested post-employment life insurance benefit based on years of service and age as of the date of termination of employment. This vested benefit ranges from a minimum of 1.0 times base annual salary at age 50 to a maximum of 2.5 times annual base salary at age 60, in each case after completion of 15 years of service. There is a minimum benefit of \$25,000 if the participant does not reach the vesting levels. Bank owned life insurance assists the Company in offsetting the rising costs of employee benefits by providing the Company with current income prior to the death of an insured, and a lump-sum payment upon the death of an insured. The Company owns the cash surrender value of the policies and records the increases in the cash surrender value as income. Upon the death of an insured the Company will receive cash equal to the cash surrender value of the policy and excess life insurance over the amount paid to the insured's beneficiary. The Committee believes that bank owned life insurance is primarily a good investment for the Company, and secondarily a supplementary life insurance benefit for many of our officers, including our Named Executive Officers.

Change in Control Agreements

Upon his hire in March 2014, we entered into a change in control agreement with Mr. Babcock. In December 2013 we entered into a change in control agreement with Mr. Kennedy, our CEO, and amended change in control agreements with each of our other three Named Executive Officers. With the exception of Mr. Spero's agreement, the terms of each of these agreements are substantially the same among the Named Executive Officers. The agreements each provide for the employment of the Named Executive Officer for a period of three years commencing on the day prior to a change in control (as defined in the agreement). During the three year period in which the agreement is in effect, the executives will each be provided with (i) the same base salary that existed prior to the change in control, (ii) an opportunity for a bonus equal to at least the bonus opportunity in effect immediately prior to the change in control, and (iii) benefits and perquisites at levels generally available to the executive prior to the change in control. If, during such three-year period, the executive resigns for good reason (as defined in the agreement) or is terminated other than for cause (as defined in the agreement) he will be entitled to a lump-sum payment equal to three times his then base salary and the greater of his average bonus amount for the three preceding fiscal years and the bonus paid during the most recent fiscal year. For Mr. Spero, upon a resignation for good reason or a termination for other than cause, he will be entitled to a lump-sum payment equal to two times his then base salary and the greater of his average bonus amount for the two preceding fiscal years and the bonus paid during the most recent fiscal year. Each named executive will also be entitled to receive payments from the Company equal to the costs of COBRA continuation life insurance coverage for 18 months following termination of employment. In the event that the total payments following a change in control would require the executive to pay an excise tax under Section 4999 of the Internal Revenue Code, as amended, then the total payments paid to the executive will be the greater of (i) a payment equal to the amount which would not result in the payment of an excise tax by the executive under Section 4999, and (ii) a payment equal to the greatest after tax amount payable to the executive after taking into account any excise tax imposed under Section 4999. The agreements also prohibit the executives from competing against the Company and soliciting the Company's customers and employees for a one year period following termination of employment. The Committee feels these agreements are necessary to encourage our Named Executive Officers to approach an advantageous merger or acquisition transaction without regard to immediate loss of salary and benefits. The Committee also believes that,

given the high degree of consolidation within the banking business, these agreements are necessary to retain and attract talented Named Executive Officers.

Employment Contracts

We are also a party to employment agreements that give the Named Executive Officers certain benefits. These agreements provide, among other things, for eligibility for (i) participation during the employment term in all compensation and employee benefits plans for which any salaried employees of the Company are eligible, (ii) an annual base salary and (iii) discretionary bonus payments with respect to each calendar year. Under these agreements, if a Named Executive Officer's employment is terminated without cause, the Company shall pay the executive's base salary for a period equal to two years from the effective date of such termination. In the event that the Company terminates a Named Executive Officer's employment for cause or in the event of the Named Executive Officer's retirement, permanent disability or death, the Company shall pay the Named Executive Officer any earned but unpaid base salary as of the date of termination of employment. The employment agreements also include certain non-compete and non-solicitation provisions. The Committee believes the Company would be unable to retain and attract talented senior executives without employment agreements, which are customary in the competitive market.

Income Tax Considerations

Our federal income tax deduction for non-performance based compensation paid to certain of our Named Executive Officers is limited by Section 162(m)(1) of the Code to \$1 million annually. Compensation paid to any of them exceeding \$1 million is non-deductible for federal income tax purposes unless they are “performance based,” meaning generally, that the compensation is based on the executive’s achieving pre-established objective performance goals and paid under a plan pre-approved by our shareholders.

The Committee monitors, and will continue to monitor, the effect of Section 162(m) on the deductibility of the Company’s compensation. The Committee weighs the benefits of full deductibility with the other objectives of the executive compensation program and, accordingly, may from time to time pay compensation subject to the deductibility limitations of Section 162(m).

COMPENSATION COMMITTEE REPORT

The Committee has reviewed and discussed with management the Compensation Discussion and Analysis and based on such review and discussions the Committee has recommended to the Board that the Compensation Discussion and Analysis be included in Peapack-Gladstone’s Annual Report on Form 10-K and the Proxy Statement.
