For Immediate Release

Pointer Telocation Announces the Execution of a Binding Memorandum of Understanding (MOU) with the leading provider of Road Side Assistance in Argentina to Cooperate in Offering Location Based and Stolen Vehicle Retrieval Services

Givatayim, Israel March 12, 2007, Pointer Telocation Ltd. (Nasdaq PNTR), a leading provider of services to insurance companies and car owners, including road-side assistance, towing and stolen vehicle retrieval services in Israel, Argentina and Mexico, announced today its signing of a binding MOU with the leading provider of Road Side Assistance & Towing services in Argentina (the Argentinean Partner) to cooperate in offering location based services and stolen vehicle retrieval (SVR) services.

The closing of the transaction is subject to the Argentinean Partner's success in reaching an agreement with a leading automotive manufacturer in Argentina to provide location based services and SVR services (the New Project).

If Yes is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): 82-

Edgar Filing: Pointer Telocation Ltd - Form 6-K

Based on the MOU, upon closing the Argentinean Partner shall transfer to Pointer Localización y Asistencia S.A, Pointer's subsidiary in Argentina (Pointer Argentina) all of its location based services and SVR business in consideration for 11% of the outstanding share capital of Pointer Argentina. Thereafter, based on the success of the New Project during the two years following the closing, the Argentinean Partner may increase its holdings in Pointer Argentina. Pointer Telocation undertook to provide certain financing to Pointer Argentina during these two years.

Danny Stern, CEO of Pointer Telocation commented: The cooperation with our new partner has already provided us important contacts with Argentinean insurance companies that we expect to materialize during 2007. We believe that the contemplated new project shall be an important milestone, to achieve additional material growth in Argentina, as well as provide us with the platform and opportunity to launch services to the automotive industry.
