G. WILLI-FOOD INTERNATIONAL LTD. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - GENERAL

The unaudited Condensed Interim Consolidated Financial Statements should be read in conjunction with the audited consolidated financial statements and notes for the year ended December 31, 2008 included in the Company's Annual Report on Form 20-F.

The Company's consolidated financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRSs") as issued by the International Accounting Standards Board ("IASB").

The unaudited condensed consolidated financial statements of which these notes are a part, have been prepared in accordance with generally accepted accounting principles for interim financial information. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for annual financial statements. In the opinion of our management, all adjustments (consisting only of normal recurring accruals) considered necessary for a fair presentation of the financial information as of and for the periods presented have been included.

ACCOUNTING POLICIES

The significant accounting policies followed in the preparation of these interim financial statements are identical to those applied in the preparation of the latest annual financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

RECLASSIFICATION

Certain amounts in prior years' financial statements have been reclassified in order to conform to 2009 presentation

NOTE 2 - MATERIAL EVENTS

Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

1. On April 16, 2009 the Company was served with a purported class action lawsuit which had been filed against the Company. The complaint alleges that the Company misled its customers by illegal marking of a product that the Company imports and sells as "suger free", according to The Israeli Consumer Protection Law, 1981.

The group which the lawsuit desires to represent are any Israeli resident who bought this product due to such person's preference for a suger free or a reduced suger product (the "Group"). According to the plaintiff, the Group consists of 2,000 customers. The plaintiff appraises its own damages at NIS 2,000 (approximately USD 510) and the damages of the entire Group to be NIS 4 million (approximately USD 1 million).

On July 13, 2009 the Company filed its statement of response. Given the early stage of these proceedings, the Company is unable at this point to assess the risks involved.

F - 7

G. WILLI-FOOD INTERNATIONAL LTD. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - MATERIAL EVENTS (CONT.)

2. On May 14, 2009 the Company received a notice from the minority shareholders of Shamir Salads (2006) Ltd. ("Shamir Salads" and the "Sellers", respectively), with whom the Company had entered into a January 2, 2008 agreement to purchase approximately 51% of the shares of Shamir Salads (the "Shamir Agreement"), cancelling the Shamir Agreement due to an alleged violation of the Agreement by the Company. In addition, on May 18, 2009, the Sellers notified the Company that the board of directors and the shareholders of Shamir Salads had convened without the Company's board and shareholder representatives and resolved to cancel the Shamir Agreement, change Shamir Salads' board composition and signatory rights, and replace the articles of association of Shamir Salads depriving the Company of its board representation and signatory rights in Shamir Salads.

The Company's position is that the Sellers' actions referred to above are illegal, violate the Shamir Agreement and Shamir Salads' articles of association and were not properly authorized by Shamir Salads. The Company believes that the actions taken by the Sellers are in response to the claim by the Company that the Sellers return a portion of the advance payment made by the Company to the Sellers in connection with the acquisition of shares in Shamir Salads. The Company has claimed that the Sellers made false representations to the Company as to the 2008 financial results of Shamir Salads, inflating the amount of the advance payment made by the Company, and the Sellers have not responded to this claim.

The Company submitted an urgent application to the district court in Tel Aviv requesting, among other things, a declaratory judgement that the Shamir Agreement is in full force and effect and various injunctions against the Sellers.

On May 27, 2009, the district court in Tel Aviv issued a temporary injunction against the Sellers. Pursuant to the injunction issued by the court, the Sellers are prohibited from taking any action not in accordance with the signatory rights in Shamir Salads in effect prior to May 18, 2009, performing any disposition of the shares of Shamir Salads held by the Company, taking any action not in accordance with the articles of

Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

association of Shamir Salads as in effect prior to May 18, 2009, and/or interfering with the functions of Shamir Salads' board of directors as composed prior to May 18, 2009. In addition, pursuant to the injunction, the Sellers are prohibited from interfering with the functions of the co-CEO of Shamir Salads nominated by the Company and/or from preventing the deputy CFO of Shamir Salads from participating in the discussions to approve the financial statements of Shamir Salads.

On June 17, 2009, the Sellers petitioned the district court in Tel Aviv for temporary relief against the Company and others, a declaratory judgement and other relief in connection with an alleged fundamental breach by the Company of the Shamir Agreement and for the return of the shares in Shamir Salads and the consideration paid therefor. On June 22, 2009, an arbitrator was chosen to address all disputes between the parties. As part of the arbitration proceeding, the Sellers and the Company each submitted a complaint against the other for damages on August 4, 2009. The Company intends to vigorously defend its rights in this matter. The temporary injunction against the Sellers will remain in effect until the arbitration procedures will end.

3. Gold Frost Ltd. ("Gold Frost") signed an agreement to sell Gold Frost's 51% interest in a Danish dairy distributor ("Distributor") to the Distributor and/or to the Distributor other shareholder ("Other Shareholder") for \$400,000. Gold Frost acquired its 51% interest from the Other Shareholder in February 2008. According to the terms of the agreement, an amount equal to the balance of outstanding invoices owed by Gold Frost to the Distributor will be deducted as a downpayment, and the rest will be paid by deduction in the purchase price by a pre-determined amount for each shipment of goods that Gold Frost will purchase from the Distributor or from the Other Shareholder, and the balance of the consideration, if any, will be paid in April 2011.

Gold Frost was granted the exclusive right to distribute all of the products of the Distributor and the Other Shareholder in Israel until April 2012, as long as Gold Frost purchases a minimum quantity of products from the Distributor or from the Other Shareholder at fair market prices and that meet specified quality standards.

G. WILLI-FOOD INTERNATIONAL LTD. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 3 - SUBSEQUENT EVENTS

1. Following a tender offer for shares and/or depositary interests of Gold Frost, that the Company commenced on February 5, 2009 (see note 29(1) to the financial statements of the Company for the year ended December 31, 2008) and which had expired, the Company commenced a second tender offer on June 22, 2009 to purchase from the holders of shares and/or depositary interests of Gold Frost all of the issued and outstanding share capital of Gold Frost not already held by the Company (which at the time of the tender offer held approximately 89.99 per cent of the issued and outstanding share capital of Gold Frost) for a price of 7 pence per share or per depositary interest in cash. The tender offer was subject to the condition that the number of shares and depositary interests duly tendered constitute, together with the shares held by the Company at such time, more than 95 per cent of the issued and outstanding share capital of Gold Frost.

Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

On July 27, 2009 the Company announced that it had successfully completed the tender offer. As of the time of expiration of the tender offer, an aggregate of 2,706,388 Gold Frost shares and depositary interests were duly tendered. Such shares and depositary interestes constituted, together with the shares held by the Company, more than 95 per cent of the issued and outstanding share capital of Gold Frost. In accordance with Israeli law, the Company purchased all of the issued and outstanding Gold Frost shares and depositary interests that had not been owned by it at the time of the tender offer (including those not tendered in the tender offer) at the tender offer price and will pay an aggregate amount of approximately (pound)370,430 for all such shares and depositary interests.

2. On September 2, 2009 the Company had signed an agreement ("Agreement") to sell all of its holdings in Y.L.W Baron International Trading Ltd. ("Baron"), kosher food exporters located in Israel, and to assign all of its rights and obligations under the founders agreement from February 2007 to a private company owned by the Baron Family, who hold, as of the date of the Agreement the remaining shares in Baron.

In exchange for the sale of shares and the assignment of rights and obligations, the Baron Family agreed to pay US\$ 937,500, which was paid to the Company on the date of execution of the Agreement.

ITEM 2

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

The Company is an Israeli-based company engaged, directly and through subsidiaries, in the design, import, manufacturing, marketing and distribution of a broad range of food products purchased from over 120 suppliers worldwide and marketed throughout Israel, and to a much lesser extent, the areas administered by the Palestinian Authority. The products imported by the Company are marketed in Israel and sold to over 1,500 customers, including supermarket chains in the organized market, private supermarket chains, mini-markets, wholesalers, manufacturers and institutional consumers. The Company also sells its products outside Israel to a variety of customers around the world (U.S., Canada, England, Belgium, France, Switzerland, Australia, South America, Mexico, Argentina and Chile).

The Company was incorporated in Israel in January 1994 and commenced operations in February 1994.

The Company's operating divisions include Willi-Food in Israel, Gold Frost, a wholly owned subsidiary that is a designer, developer and distributor of branded kosher dairy food products, and Shamir Salads, an Israeli distributor and manufacturer of Mediterranean style salads. As previously reported by the Company on July 27, 2009, the Company now holds 100% of the shares of Gold Frost following completion of its tender offer for Gold Frost shares. In addition, on September 2, 2009 the Company signed an agreement ("Agreement") to sell all of its holdings in Y.L.W Baron International Trading Ltd. ("Baron"), kosher food exporters located in Israel, and to assign all of its rights and obligations under the founders agreement from February 2007 to a private company owned by the Baron family, who held, as of the date of the Agreement the remaining shares in Baron. In June 2009, Gold Frost sold all of its 51% interest in a Danish dairy distributor.

Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

The financial information below reflects the operations of the Company and its subsidiaries on a consolidated basis. The convenience translation of New Israeli Shekels (NIS) into U.S. dollars was made at the rate of exchange prevailing on June 30, 2009, which was NIS 3.919 per U.S. \$1.00. The translation was made solely for the convenience of the reader.

SIX MONTHS ENDED JUNE 30, 2009

SALES

Revenues for the six-month period ended June 30, 2009 decreased 3.3% to NIS 179.3 million (US \$45.8 million) compared to revenues of NIS 185.5 million (US \$47.3 million) in the six-month period ended June 30, 2008. The decrease in revenues was due to the cessation of the operations of the Company's U.S. subsidiary, WF Kosher Food Distributors Ltd. - Laish Israeli ("WF Laish"), during July 2008, as reported by the Company on July 14, 2008 offset by an increase in revenues due to expanded product lines that the Company launched and due to increased sales of existing products to new and existing customers.

GROSS PROFIT

Gross profit for the six-month period ended June 30, 2009 decreased 15.3% to NIS 39.7 million (US \$10.1 million), or 22.1% of sales, compared to gross profit of NIS 46.8 million (US \$11.9 million) for the six-month period ended June 30, 2008, or 25.2% of sales. The decrease in Gross Profit as a percentage of sales was mainly due to the results for the first quarter of 2009 that were affected by the sharp decrease in global purchase prices of food products during the fourth quarter of 2008, resulting in the sharp decrease in the sale prices of the Company's products. Because the Company's commitments to purchase food products from its vendors were based on higher prices, the immediate consequence was a decline in the gross margin in the fourth quarter of 2008 and further decline in the first quarter of 2009. During the first quarter, the Company completed the sale of the inventory that it had acquired from vendors at the higher prices. The decrease in gross margin in the first quarter of 2009 compared to the gross margin in the first quarter of 2008 was also affected by the strengthening of the U.S. dollar versus the NIS (a depreciation of more than 10% of the value of the NIS during the first quarter of 2009) and the general effects of the global economic recession.

The decrease was mainly due to the cessation of the operations of the Company's U.S. subsidiary, WF Laish, during July 2008, and due to the actions taken by the Company's management during the first quarter of 2009 to reduce the Company's expenses.

GENERAL AND ADMINISTRATIVE EXPENSES

The decrease was mainly due to the actions taken by the Company's management during the first quarter of 2009 to reduce the Company's expenses and due to the transitional activities related to the closing down of WF Laish, in the amount of approximately NIS 2.6 million (US \$0.7 million) in the six-month period ended June 30, 2008.
