Item 1.01. Entry into a Material Definitive Agreement.

The entry into a First Amendment to the Amended and Restated Note and Warrant Purchase Agreement that was reported in the Form 8-K filed on January 7, 2013 did not reflect the intent of the parties to that agreement, has no force and effect, and is replaced in its entirety by a First Amendment to the Amended and Restated Note and Warrant Purchase Agreement entered into on January 28, 2013 (the “Amendment”).

Lapis Technologies, Inc. (the “Company”) entered into the Amendment with UTA Capital LLC, a Delaware limited liability company (“UTA”), pursuant to which the Company and UTA amended the Amended and Restated Note and Warrant Purchase Agreement, dated as of August 31, 2012, by and between the Company and UTA (the “Purchase Agreement”).

Pursuant to the Amendment (capitalized terms not otherwise defined in this Form 8-K have the meanings ascribed to such terms in the Purchase Agreement), the Company and UTA amended Section 6.2(a)(vii) of the Purchase Agreement, Section 6(c)(i) of the First Note and Section 6(c)(i) of the Second Note to provide that any net proceeds of any equity financing by the Company or any Subsidiary will be applied as follows: (x) the first \$4,000,000 may be retained by the Company or applied to reduce other obligations of the Company or a Subsidiary, and (y) 75% of the excess of such net proceeds over \$4,000,000 may be retained by the Company or applied to reduce other obligations of the Company or a Subsidiary and the remaining 25% shall be applied (A) first to repayment of the First Note and (B) second, to the extent any proceeds remain, to the repayment of the Second Note.

Pursuant to the Amendment, the Company and UTA agreed that the First Warrant issued by the Company to UTA upon the Initial Closing shall be convertible into 952,227 shares of Common Stock in accordance with its terms as modified by a November 6 letter agreement. The Company and UTA also agreed upon the application of the Company’s December 17, 2012 prepayment of \$2.5 million owed to UTA, and UTA confirmed its early release of the Target Company Pledge.

Concurrent with the execution of the Amendment, UTA executed a waiver with respect to its registration rights under Sections 11.1 and 11.2 of the Purchase Agreement and to the Company’s governance covenants under Section 6.2(b)(i) of the Purchase Agreement in respect of the Company’s proposed offering of its common stock, par value \$0.001 per share (the “Common Stock”), pursuant to the Registration Statement on Form S-1 filed by the Company with the Securities and Exchange Commission on December 14, 2012 under the Securities Act of 1933, as amended.

In consideration for the revised debt repayment schedule, early release of the Target Company Pledge and the registration rights and governance waivers set forth in the Amendment, the Company agreed to pay UTA \$480,000 on or before the first to occur of (x) 30 days after the closing of the Company’s next public offering of its shares, or (y) September 16, 2013, in either (i) cash or (i) shares of Common Stock as more fully described in the Amendment.

All other terms of the Purchase Agreement remain in full force and effect. The foregoing summary of the Amendment, including the waivers, does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment, which is attached hereto as Exhibit 10.1, and is incorporated herein by reference.
