YAVNE, Israel – June 10, 2016 - G. Willi-Food International Ltd. (NASDAQ: WILC) (the “Company” or “Willi-Food”), a global company that specializes in the development, marketing and international distribution of kosher foods, announced today that the Company's wholly owned subsidiary Gold Frost Ltd. ("Goldfrost") announced the extension of its Exclusive Distribution Agreement with the Danish producer of dairy products, Arla Foods a.m.b.a ("Arla"), for a term of one year commencing from the expiration in June 2017 of the current distribution agreement between the parties.

Under the original agreement, Arla had the right to terminate the agreement on 18 months' notice if Gold Frost failed to satisfy the minimum purchase requirements, or on 30 days' notice under certain circumstances, including but not limited to in the case of the death or permanent incapacity of Zwi Williger, the previous Chairman of the board of the Company or his ceasing to be involved in Gold Frost's business. After the departure of Mr. Zwi Williger from the Company on January 21, 2016, Arla notified the Company that, among other changes, it is seeking to reduce the period of exclusivity of the contract.

Under the the extension, Arla granted Goldfrost an exclusive non-transferable right to import, export, market and distribute in Israel cheese and butter products manufactured by Arla. Goldfrost's exclusivity is subject to its purchase of certain minimum quotas of Arla products. In addition, Arla has the right to terminate the Agreement under certain circumstances, including in the case of the death or permanent incapacity of Mr. Iram Graiver or his ceasing to be involved in Goldfrost's business.

Mr. Iram Graiver, CEO of the Company, added "We are pleased that Arla, one of the biggest producer of dairy products in the world, has demonstrated its confidence in us. After the Company built an experienced new managerial team, Arla has agreed to provide us with an additional year of exclusivity in distributing their cheese and butter products in Israel."
