The Parent Company informed the Company that the timing and amount of the share purchases will be determined by management of the Parent Company based on its evaluation of market conditions, the trading price of the Company's shares and other factors. The purchase program may be increased, suspended or discontinued at any time. As reported in the Company's annual report on Form 20-F filed with the SEC on April 28, 2016, on December 15, 2015, the Board of Directors of the Parent Company had approved additional funds in the amount of NIS 9.5 million (US\$ 2.4 million) for the purchase of additional Ordinary Shares of the Company.

Note regarding term of exclusive distribution arrangement with Arla foods

As previously announced by the Company on June 10, 2016 and June 13, 2016, Goldfrost announced the extension of its Exclusive Distribution Agreement with the Danish producer of dairy products, Arla Foods a.m.b.a ("Arla"), for a term of fifteen months commencing from the expiration in June 2016 of the current distribution agreement between the parties.

Under the original agreement, Arla had the right to terminate the agreement on 18 months' notice if Gold Frost failed to satisfy the minimum purchase requirements, or on 30 days' notice under certain circumstances, including but not limited to in the case of the death or permanent incapacity of Zwi Williger, the previous Chairman of the board of the Company or his ceasing to be involved in Gold Frost's business. Zwi Williger ceased to hold any positions with the Company as of January 21, 2016.

After the departure of Mr. Zwi Williger from the Company on January 21, 2016, Arla notified the Company that, among other changes, it is seeking to reduce the period of exclusivity of the contract.

Under the the extension, Arla granted Goldfrost an exclusive non-transferable right to import, export, market and distribute in Israel cheese and butter products manufactured by Arla. Goldfrost's exclusivity is subject to its purchase of certain minimum quotas of Arla products. In addition, Arla has the right to terminate the Agreement under certain circumstances, including in the case of the death or permanent incapacity of Mr. Iram Graiver or his ceasing to be involved in Goldfrost's business.

Note regarding Israeli Securities Authority Investigation

As previously announced, on February 17, 2016, a search was conducted in the offices of the Company, the Parent Company, BSD Crown Ltd., and B.G.I Investments Ltd. (collectively, the "Group"), by the Israeli Securities Authority (the "ISA"), during which various documents and computers were taken from the Group's offices. A number of executives in the Group were investigated by the ISA, and Mr. Gregory Gurtovoy, member of the Company's board of directors and the indirect controlling shareholder, was detained for interrogation by the ISA for three days, after which, he was placed under house arrest for a period of two weeks (which has since ended), on the suspicion of the crimes of fraudulent acquisitions under aggravating circumstances, falsifying corporate documents, fraud, breach of fiduciary duty in a corporation, money laundering, as well as misleading reporting.

To Company management's knowledge, the investigation by the ISA relates to an investment of approximately US\$ 2.25 million (the "Investment") made during January 2016 in the form of bonds of a European company, which allegedly served as a collateral to a loan obtained by the controlling shareholder or another individual, and which was unrelated to the Company's operations.

The Investment was carried out by B.H.W.F.I Ltd., a wholly owned subsidiary of the Company ("BHWFI"), pursuant to subscription forms to purchase 300 bonds with a nominal value of US\$ 10,000 each ("Subscription Forms"). The Bonds bear an annual interest rate of 6%, payable semi-annually on June 30 and December 31 of each year as of the issue date until the final maturity date of 31 December 2018. The issuer has the right to repay the Bonds with prior notice of 30 days without penalty.

On May 18, 2016, following a request by BHWFI to the issuer, the issuer confirmed (including by way of the provision of extracts from the local state Land Registry and Registrar of Companies) that the issuer fully owns a special purpose vehicle which holds full title to the primary asset of the bonds, and that the investment funds were received by the issuer and registered in favor of BHWFI (the "Response").

In this regard it should be noted that in response to a query from BHWFI, the issuer clarified that it has no information in its possession relating to a pledge or undertaking given in connection with the bonds, and information concerning a pledge or undertaking with regards to the bonds is not the type of information that the issuer would typically possess. To the Company's best knowledge and based on documents in its possession and inquiries it made, including requests to all officers and authorized signatories of BHWFI, no pledge and/or undertaking was given in connection with the bonds, and in any case there is no validity to any obligation, if any, without the requisite corporate authority. Additionally on May 25, 2016, BHWFI received confirmation from Bank Leumi Le-Israel Ltd., the holder of BHWFI's bank account (the "Account"), that there are no pledges on the account holding the bonds.

In addition, in the Response, the issuer alleged that BHWFI supposedly undertook to invest in the bonds in three installments for a total amount US\$5 million and that a balance of US\$ 2.75 million for the bonds had not yet been paid (the "Demand" or "Alleged Undertaking"). The issuer provided certain documentation, allegedly proving the Alleged Undertaking, but BHWFI has claims regarding the reliability of such documentation. BHWFI has requested several times, through a local law firm (in the Czech Republic), to receive adequate legal documentation for the Alleged Undertaking but no adequate legal documentation or other reference for the Alleged Undertaking has been provided

To the Company's best knowledge, based on documents in its possession and inquiries it made, subject to certain restrictions imposed by the ISA, including requests to all of the officers and authorized signatories of BHWFI, the Company did not grant issuer any undertaking to purchase additional bonds beyond the undertaken amount in accordance with the Subscription Forms, namely 300 bonds with a nominal value of US\$ 10,000 each, and in any event, the Company believes, based on the opinion of its legal counsel in Israel, that there is no validity to any obligation, if any, made without the requisite corporate authority.

On June 30, 2016, the issuer paid the first interest on account of the bond actually purchased by BHWFI in accordance with the terms thereof.

As of the date of the balance sheet date, the investments in the bonds are presented at nominal cost in US dollars, net.
