will now benefit from 2 brand new Boeing 737-800 Ryanair aircraft at a cost of \$120M and 3 new routes that will deliver 1.2M passengers in the first full year of operation.

"In 1998, we launched our first Italian route to Pisa and since then demand for Ryanair's low fares in Italy has been phenomenal. Today Ryanair operates 67 routes to/from Italy and will this year bring more European visitors to Italy than any other airline, including Alitalia. "In the last 7 years Ryanair has carried nearly 4M passengers through Pisa and today's new route announcement firmly establishes Pisa as the main international and low fare airport for the Tuscany and Umbria regions.

"To celebrate, 20,000 seats for only EUR1\*will be available on Ryanair's routes from Pisa and we urge all passengers to book straight away as demand for fares this low will be huge".
