PRESS RELEASE

25 April 2006

### BRITISH SKY BROADCASTING GROUP PLC BSkyB follows industry practice in accounting for betting

Following recent changes in industry practice regarding the accounting for betting revenues and costs under International Financial Reporting Standards, British Sky Broadcasting Group plc ("Sky") is today announcing its intention to align its accounting policy with this change in industry practice.

In Sky's Interim Report for the half year ended 31 December 2005 to be filed on form 6-K with the SEC on 26 April 2006, and in all quarterly reporting from then on, Sky will account for betting revenues and costs under IAS 39 - "Financial instruments: Recognition and Measurement". On this basis, betting payouts will be netted against Sky Bet revenues. There is no effect on Sky's operating profit.
