Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Hale and Dorr LLP has opined as to the legality of the securities being offered by this registration statement.

Item 6. Indemnification of Directors and Officers.

Section 67 of Chapter 156B of the Massachusetts General Laws (M.G.L.) provides that a corporation may indemnify its directors and officers to the extent specified in or authorized by (i) the articles of organization, (ii) a by-law adopted by the stockholders, or (iii) a vote adopted by the holders of a majority of the shares of stock entitled to vote on the election of directors. In all instances, the extent to which a corporation provides indemnification to its directors and officers under Section 67 is optional.

In accordance with Section 67 of Chapter 156B of the M.G.L., the registrant has elected to commit to provide indemnification to its officer s and directors. Section 9 of the registrant s Amended and Restated By-Laws (the By-Laws) provides that the registrant shall, to the maximum extent permitted by law of The Commonwealth of Massachusetts, indemnify any person against all liabilities and expenses, including amounts paid in satisfaction of judgments, in settlement or as fines and penalties, and counsel fees, reasonably incurred by such person in connection with the defense or disposition of any action, suit or other proceeding, whether civil, criminal, administrative or investigative, in which such person may be involved or with which such person may be threatened, by reason of the fact that such person is or was or has agreed to be a director or officer of the registrant or while a director or officer is or was serving at the request of the registrant as a director, officer, partner, trustee, employee or agent of another organization or in any capacity with respect to any employee benefit plan. Such indemnification shall be provided although the person to be indemnified is not currently a director, officer, partner, trustee, employee or agent of the corporation or such other organization or no longer serves with respect to any such employee benefit plan.

Notwithstanding the foregoing, the registrant s By-Laws further provide that no indemnification shall be provided with respect to any matter disposed of by settlement, consent decree or other negotiated resolution unless:

- (a) such indemnification shall have been approved by holders of the shares of the corporation s capital stock then entitled to vote for directors, voting such shares as a single class, by a majority of the votes cast on the question exclusive of any shares owned by an interested director or officer; or
- (b) such indemnification and such settlement, decree or resolution shall have been approved as being in the best interest of the corporation or organization or plan or participants served, as the case may be, after notice that it involves such indemnification, by a majority of the disinterested directors (or, if applicable, the sole disinterested director) then in office (whether or not constituting a quorum); or
- (c) if no directors are disinterested, a written opinion, reasonably satisfactory to the corporation, of independent legal counsel selected by the corporation, shall have been furnished to the corporation that (i) such indemnification and such

settlement, decree or resolution are in the best interest of the corporation or organization or plan or participants served, as the case may be, and (ii) if adjudicated, such indemnification would not be found to have been prohibited by law.

The registrant's By-Laws also provide that expenses reasonably incurred in the defense or disposition of any such action, suit or other proceeding may be paid from time to time by the registrant in advance of the final disposition thereof upon receipt of an undertaking by the person so indemnified to repay to the corporation the amounts so paid if it is ultimately determined that indemnification for such expenses is not authorized under the By-Laws.

In addition, Article 6, Section 6.10 of the registrant's Restated Articles of Organization eliminates the personal liability of the registrant's directors to the registrant or its stockholders for monetary damages for breach of a director's fiduciary duty, except to the extent Chapter 156B of the M.G.L. prohibits the elimination or limitation of such liability.

The registrant maintains a general liability insurance policy which covers certain liabilities of its directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibit Index immediately preceding the exhibits is incorporated herein by reference.

Item 9. Undertakings.

1. *Item 512(a) of Regulation S-K.* The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

Edgar Filing: KRONOS INC - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13

or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. *Item 512(b) of Regulation S-K.* The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. *Item 512(h) of Regulation S-K.* Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
