PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

February 26, 2004

GENERAL INFORMATION

We are furnishing this Proxy Statement to shareholders of Catalina Lighting, Inc., a Florida corporation (the **Company**), in connection with our Board's solicitation of proxies for use at our 2004 Annual Meeting of Shareholders (the **Annual Meeting**). The Annual Meeting will be held at the Boca Raton Marriott, 5150 Town Center Circle, Boca Raton, Florida, on February 26, 2004 at 11:00 a.m. (local time). The purpose of the Annual Meeting is to elect ten persons to the Board of Directors (**Board**), to ratify the appointment of the Company's auditors, and to transact such other business as may properly come before the Annual Meeting.

As of the close of business on January 22, 2004 (the **Record Date**), we had outstanding 4,305,273 shares of common stock, par value \$.01 per share (the **Common Stock**). We are mailing this Proxy Statement and the proxy card in the accompanying form on or about January 29, 2004 to shareholders of record as of the close of business on the Record Date. We have also enclosed our Annual Report for the fiscal year ended September 30, 2003 (**Fiscal 2003**) (which does not form a part of the proxy solicitation material). The Annual Report includes consolidated financial statements for Fiscal 2003.

You are urged to sign, date and promptly mail the enclosed proxy card in the addressed envelope provided, which requires no postage in the United States.

PROXIES, QUORUM, AND TABULATION OF VOTES

Each share of Common Stock is entitled to one vote per share on each matter properly brought before the Annual Meeting. The shares represented by your proxy will be voted at the Annual Meeting in accordance with the choices you make on the proxy. If you return a proxy card but do not specify any choices, the shares represented by the proxy will be voted FOR the director nominees chosen by our Board and FOR the

Edgar Filing: CATALINA LIGHTING INC - Form DEF 14A

ratification of the appointment of Grant Thornton LLP as our auditors. So far as we presently know, there is no other business to be transacted at the Annual Meeting. If any other matters properly come before the Annual Meeting, or if any of the persons named to serve as directors should decline or be unable to serve, the persons named in the proxy will vote on these matters in accordance with their discretion.

Shares which are present or represented by proxy at the Annual Meeting will be counted for quorum purposes, regardless of whether the holder of the shares or proxy fails to vote (abstentions) or whether a broker with discretionary authority fails to exercise its discretionary authority to vote (broker non-votes). However, if a broker or nominee limits on the proxy card the number of shares voted or indicates that the shares represented by the proxy card are not voted, any non-votes will not be voted and will not be counted as affirmative votes.

If you give a proxy in response to this solicitation, you have the power to revoke it at any time before it is voted by taking any of the following actions: filing a written notice of revocation with our Secretary at our principal executive offices; filing a properly executed proxy showing a later date with our Secretary at our principal executive offices; or attending the Annual Meeting and voting in person (attendance at the Annual Meeting will not, by itself, revoke a proxy).

Our Amended and Restated By-laws (the Bylaws) provide that the holders of a majority of the shares of stock entitled to vote at the Annual Meeting must be present in person or represented by proxy to constitute a quorum for the transaction of any business at the Annual Meeting. Accordingly, the presence of 2,152,637 shares, in person or represented by a properly signed and returned proxy, will constitute a quorum. Our Secretary will tabulate votes at the Annual Meeting.

On April 8, 2002, we effected a one-for-five reverse stock split of our Common Stock. All historical information in this Proxy Statement relating to our Common Stock, share prices, options, and similar matters from prior to April 8, 2002 has been restated retroactively for the reverse stock split.

MATTERS TO COME BEFORE THE ANNUAL MEETING

Meetings and Committees of the Board of Directors

We are a controlled company as defined in Rule 4350(c)(5) of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by Sun Catalina and its affiliates. Please see Beneficial Ownership of Common Stock below. Therefore, we are exempt from the requirements of Rule 4350(c) with respect to the Company having a majority of independent directors on the Board, the compensation and nominating committees being composed solely of independent directors, the compensation of the executive officers being determined by a majority of the independent directors or a compensation committee composed solely of independent directors, and director nominees being selected or recommended for the Board's selection, either by a majority of the independent directors, or a nominating committee composed solely of independent directors.

Our Board held three meetings in Fiscal 2003 and also took action by unanimous written consent on four occasions during the year. All directors attended at least 75% of the total number of meetings of the Board and the committees on which they served during Fiscal 2003. The Board has two principal committees: a Compensation and Stock Option Committee; and an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act).

We do not have a standing nominating committee at this time. As a controlled company, the NASDAQ Marketplace Rules do not require us to have a standing nominating committee and the Board believes that it is not necessary or appropriate to have such a committee. Nominations of directors are made by our full Board, with the advice of our majority shareholder, Sun Catalina. While the Board will consider nominees recommended by shareholders, it has not actively solicited recommendations from shareholders. Nominations by shareholders should be submitted to the Secretary of the Company and must comply with certain procedural and informational requirements set forth in the Company's Bylaws. Please see 2005 Shareholder Proposals below.

Our Compensation and Stock Option Committee is responsible for developing our executive compensation strategy and for administering the policies and programs that implement this strategy. This Committee held two meetings and also took action by unanimous written consent on three occasions during Fiscal 2003. Its current members are Mr. Terry, as Chairman, Mr. Calhoun, and Mr. Rea.

Our Audit Committee selects the firm to serve as the independent auditors to audit our financial statements and to perform other audit-related services. In addition, this Committee reviews the scope and results of the audits that are conducted by the independent auditors, reviews interim and year-end results with management, and considers the adequacy of our internal accounting procedures. The Audit Committee met five times during Fiscal 2003. Its current members are Mr. Hollis, as Chairman, Mr. Rea, and Mr. Sullivan, all of whom are (i) independent directors, as defined in Rule 4200(a)(15) of the NASDAQ Marketplace Rules and (ii) meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Exchange Act. Our Board of Directors has determined that all three members of the Audit Committee satisfy the financial literacy requirements of the NASDAQ Marketplace Rules and Mr. Hollis qualifies as the audit committee financial expert as defined by the rules of the Securities and Exchange Commission (the SEC). In November 2002, the Audit Committee adopted a revised written charter. A copy of the revised charter is attached as Appendix A to the proxy statement for the 2003 annual meeting of shareholders filed with the SEC on January 27, 2003.

Other Information about our Board of Directors

Edgar Filing: CATALINA LIGHTING INC - Form DEF 14A

We provide an informal process for security holders to send communications to our Board. Security holders who wish to contact the Board or any of its members may do so by writing to Catalina Lighting, Inc., 18191

N.W. 68th Avenue, Miami, Florida 33015. Correspondence directed to an individual Board member is referred, unopened, to that member. Correspondence not directed to a particular Board member is referred, unopened, to Mr. Varakian.

Although we do not have a policy with regard to Board members' attendance at our annual meetings of shareholders, all of the directors are encouraged to attend such meetings. Three of the Company's directors were in attendance at the Company's 2003 Annual Meeting.

Vote Required

Only affirmative votes are counted in the election of directors. Under applicable Florida law and our Bylaws, directors are to be elected by a plurality of the votes of shares of Common Stock present in person or represented by proxy at the Annual Meeting. Accordingly, the ten nominees for election as directors who receive the highest number of votes cast will be elected. Broker non-votes will be treated as shares that neither are capable of being voted nor have been voted and, accordingly, will have no effect on the outcome of the election of directors.

The Board of Directors unanimously recommends a vote FOR each of the nominees listed above.

Proposal No. 2

RATIFICATION OF AUDITORS

Change of Accountants

On May 1, 2002, the Board approved the engagement of Grant Thornton LLP (Grant Thornton) as our independent auditors for the fiscal year ended September 30, 2002, to replace the firm of Deloitte & Touche LLP (Deloitte), who were dismissed, by action of our Board, as our auditors, effective April 29, 2002.

The report of Deloitte on our consolidated financial statements for the fiscal year ended September 30, 2001, did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audit of our consolidated financial statements for the fiscal years ended September 30, 2001 and 2000, and in the subsequent unaudited interim period from October 1, 2001 through April 29, 2002, there were no disagreements with Deloitte on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which disagreements, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreement in their reports. In addition, during the two most recent fiscal years prior to April 29, 2002 and through April 29, 2002, there were no reportable events, as described in paragraph (a)(1)(v) of Regulation S-K.

During the fiscal years ended September 30, 2001 and 2000 and during the subsequent interim period prior to engaging Grant Thornton, neither we nor any person on our behalf consulted with Grant Thornton regarding the application of accounting principles to a specified transaction,

Edgar Filing: CATALINA LIGHTING INC - Form DEF 14A

either completed or proposed, or the type of audit opinion that might be rendered on our financial statements. In addition, we did not consult Grant Thornton as to any matter that was either the subject of a disagreement, as defined in Instruction 4 of Item 304 of Regulation S-K, or a reportable event, as described in paragraph (a)(1)(v) of Regulation S-K, during the two most recent fiscal years and through April 29, 2002.

As required by the rules of the SEC, we filed a current report on Form 8-K on May 2, 2002, to report the change in our accountants. We also provided Deloitte a copy of our disclosure describing the change of accountants in the current report on Form 8-K. As also required by the rules of the SEC, we requested Deloitte to

furnish to us a letter addressed to the SEC indicating whether or not it agreed with the statements made by us in the Form 8-K in response to Item 304 of Regulation S-K. Deloitte provided such a letter and in the letter indicated that it agreed with our statements concerning Deloitte in the Form 10-K. The letter was filed as an exhibit to the Form 8-K.

There were no disagreements with Grant Thornton related to the audits for the years ended September 30, 2003 and 2002.

Ratification of Appointment

Our Audit Committee has appointed Grant Thornton as independent auditors to make an examination of the accounts of the Company and our subsidiaries for the fiscal year ending September 30, 2004. Grant Thornton has served as our auditors since May 2002. Although shareholder approval is not required, the Audit Committee, and the Board as a whole, desire to obtain shareholder ratification of this appointment. If the appointment is not ratified at the Annual Meeting, the Audit Committee will review its future selection of auditors.

Vote Required

Under applicable Florida law and our Bylaws, the proposal to ratify the appointment of Grant Thornton will be approved by the shareholders if it receives the approval of a majority of the votes cast. Abstentions are not votes cast for or against the proposal and accordingly are not counted in determining whether we have obtained the required vote for ratification.

**The Board of Directors unanimously recommends a vote FOR ratification
of the appointment of Grant Thornton LLP.**

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

Effective December 1, 2002, we entered into a two-year consulting agreement with Mr. Bescoby, who served as our Chief Executive Officer from July 2001 through November 2002. We also amended the terms of the stock options previously granted to Mr. Bescoby and as a result will incur compensation expense of approximately \$295,000 during the term of the consulting agreement. The Company recorded compensation expense of \$124,000 for the year ended September 30, 2003 pursuant to the consulting agreement.

**REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE
OF THE BOARD OF DIRECTORS**

The Compensation and Stock Option Committee (the Committee) was responsible for developing the Company's executive compensation strategy and for administering the policies and programs that implement this strategy during the fiscal year ended September 30, 2003 (Fiscal 2003). The Committee also reviews and approves the compensation of the Company's executive officers each year.

The goals of the Company's compensation program are to align compensation with business objectives and performance, to enable the Company to attract, retain, and reward executive officers, and to motivate those officers to enhance long-term shareholder value. To meet these goals, we use a mix of the compensation elements of salary, bonus, and stock options.

Our decisions regarding base salary and bonuses during Fiscal 2003 were based upon our determinations regarding individual experience and capabilities, performance issues specific to the executive officer's particular responsibilities and salaries paid by other companies for comparable positions.

We granted stock options to certain of our executive officers in Fiscal 2003. Factors considered in determining the size of option grants included the salary, role, and performance level of each recipient. Our philosophy is to use stock option grants to the Company's executive officers to align their interests with those of our shareholders.

We used the same procedures described above in setting the annual salary, bonus, and stock option awards for Robert Varakian and Eric Bescoby, each of whom served as the Company's Chief Executive Officer during Fiscal 2003. The determination of Messrs. Bescoby's and Varakian's compensation in Fiscal 2003 was based on the philosophy of providing a competitive level of compensation consistent with responsibilities and experience as well as the Company's business performance goals. Messrs. Bescoby's and Varakian's bonuses reflect our recognition of the critical contributions they made to the strategic development and leadership of the Company.

We have considered the potential impact of Section 162(m) of the Internal Revenue Code, which imposes a limit on tax deductions for annual compensation in excess of \$1,000,000 paid to any of the named executive officers, which is not performance-based in accordance with certain requirements. To the extent possible, we intend to preserve the federal income tax deductibility with respect to compensation paid to each of the named executive officers.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is responsible for overseeing and reviewing the Company's financial reporting process on behalf of the Board. In addition, the Audit Committee selects the Company's independent auditors.

Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. Our responsibility is to monitor and review these processes.

In this context, we met and held discussions with management and Grant Thornton LLP, the Company's independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and we reviewed and discussed the audited financial statements with management and with the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, we have discussed with the independent auditors their independence from the Company and its management and have received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

We also discussed with the Company's independent auditors the overall scope and plans for their audits. We meet with the independent auditors, with and without management, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on our discussions with management and the independent auditors and our review of the representations of management and the report of the independent auditors, we recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended September 30, 2003 which was filed with the Securities and Exchange Commission.

The Peer Group Index consists of Applica Inc., Craftmade International, Inc., Genlyte Group, Inc., Helen of Troy Corporation, Juno Lighting, Inc., and Thomas Industries, Inc. The companies included as part of the Peer Group Index were selected on the basis of the similarity of such companies to us, considering such factors as products sold, sourcing of products, distribution channels and the industry within which such companies operate.

The comparisons shown in the graph are based on historical data. We caution that the stock price performance shown is not indicative of, nor intended to forecast, the potential future performance of our Common Stock. The information used in the graph was obtained from Research Data Group, Inc., a source we believe to be reliable, but we are not responsible for any errors or omissions in such information.
