Item 3. Incorporation of Documents by Reference.

On May 27, 2004, Ethyl shareholders approved an Agreement and Plan of Merger, dated as of March 5, 2004 (the Merger Agreement), by and among Ethyl Corporation, a Virginia corporation (Ethyl), NewMarket Corporation, a Virginia corporation and wholly-owned subsidiary of Ethyl (NewMarket), and Ethyl Merger Sub, Inc., a Virginia corporation and wholly-owned subsidiary of NewMarket (Merger Sub), pursuant to which Merger Sub was merged with and into Ethyl (the Merger) for the purpose of establishing NewMarket as the parent corporation of Ethyl (the Holding Company Formation). The Holding Company Formation was effective at 4:15 p.m., Eastern Daylight Time, on June 18, 2004. As part of the Merger Agreement, each outstanding share of Ethyl common stock (or fraction of a share) was automatically converted into one share (or equivalent fraction of a share) of NewMarket common stock. As a result of the Merger, the holders of all of the issued and outstanding shares of Ethyl common stock hold, in lieu thereof, NewMarket common stock in the same proportions. As a result of the recent completion of the Holding Company Formation, the following documents filed with the Commission pursuant to the Securities and Exchange Act of 1934, as amended (the Exchange Act), are hereby incorporated by reference into this Registration Statement:

- (a) Ethyl's Annual Report on Form 10-K for the year ended December 31, 2003;

All documents subsequently filed by NewMarket pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that is incorporated by reference herein modifies or supersedes such earlier statement. Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Virginia Stock Corporation Act permits, and the Articles of Incorporation (the Articles of Incorporation) of NewMarket require, indemnification of NewMarket s directors and officers in a variety of circumstances, which may include liabilities under the Securities Act. Under sections 13.1-697 and 13.1-702 of the Virginia Stock Corporation Act, a Virginia corporation generally is authorized to indemnify its directors and officers in civil or criminal actions if they acted in good faith and, in the case of criminal actions, had no reasonable cause to believe that the conduct was unlawful. NewMarket s Articles of Incorporation require indemnification of directors and officers with respect to any liability, expenses incurred by them by reason of having been a director or officer, except in the case of willful misconduct or a knowing violation of criminal law. NewMarket s Articles of Incorporation provide that, to the full extent that the Virginia Stock Corporation Act permits elimination of the liability of directors of officers, no director or officer of NewMarket shall be liable to NewMarket or its shareholders for any monetary damages. This elimination of liability will not apply in the event of willful misconduct or a knowing violation of criminal law or any federal or state securities law. NewMarket may purchase insurance on behalf of directors, officers, employees and agents that may cover liabilities under the Securities Act. Sections 13.1-692.1 and 13.1-696 to -704 of the Virginia Stock Corporation Act are hereby incorporated by reference herein.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change in such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore,

Edgar Filing: NEWMARKET CORP - Form S-8

unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
