On October 1, 2004, Captaris, Inc., a Washington corporation (Captaris), entered into a definitive agreement and plan of merger (the Merger Agreement) to acquire Information Management Research, Inc. (IMR). The Merger Agreement was entered into among Captaris, IMR Acquisition, Inc., a Washington corporation and wholly owned subsidiary of Captaris (Acquisition Sub), IMR, a Colorado corporation, certain shareholders of IMR, and Steven Grandchamp and Robert Drucker, as representatives of the shareholders of IMR. In accordance with the Merger Agreement, Acquisition Sub will merge with and into IMR and IMR will become a wholly owned subsidiary of Captaris.

The consideration to be paid by Captaris totals \$26,500,000 in cash, subject to a net working capital adjustment at closing. At the closing, \$5 million of the purchase price will be deposited in a third-party escrow account for two years as security for certain post closing obligations of the IMR shareholders, including indemnification obligations. The purchase price will be funded from cash and investments on Captaris balance sheet. The transaction is expected to close in October 2004, subject to customary closing conditions, including approval by the shareholders of IMR and receipt of certain contractual consents.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by the terms and conditions of the Merger Agreement, a copy of which is included as Exhibit 2.1 to this Current Report on Form 8-K. A copy of the press release issued by Captaris on October 4, 2004 announcing the transaction is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
