Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review

(a) On January 2, 2006, on management's recommendation, the Company's audit committee determined that the Company's financial statements for fiscal year 2004, the first fiscal quarter ended March 31, 2005 and the second fiscal quarter ended June 30, 2005 should no longer be relied upon. As previously announced, the Company delayed the filing of its Form 10-Q for the third quarter of fiscal 2005 in order to determine the appropriate accounting and related tax effects from the reduced award of \$2.7 million plus costs in its litigation with O2Micro International, Ltd., including the reversal of a \$12 million provision for litigation recorded in the second quarter of fiscal 2005. In connection with that analysis and the review of third quarter financial results, the Company discovered several errors that will result in changes to the Company's previously reported financial results.

The Company's audit committee was informed by management of these errors, and the Company's management and the audit committee have discussed these errors with Deloitte & Touche LLP, the Company's independent registered public accounting firm.

The Company issued a press release related to these restatements on January 6, 2006, a copy of which is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
