ITEM 5.03 AMENDMENT TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR

Effective April 25, 2006, American Community Bancshares, Inc. (the Registrant) amended its bylaws. The following narrative describes the material changes to the Registrant s bylaws.

The Registrant amended Article II, Section 1 of its bylaws such that the annual meeting of shareholders will be held on a date called by the board of directors after the fiscal year end and before June 30. The provision previously stated that the annual meeting would be held on the third Tuesday in the month of April at 11:00 a.m.

The Registrant amended the qualifications for directors set forth in Article III, Section 2 of its bylaws. As amended, a director may serve as a director emeritus after such director s retirement from the board following his or her 65th birthday upon a resolution by the majority of the remaining members of the board. Further, a director emeritus shall be an advisory board member, may attend meetings of the board upon the invitation of the chairman of the board and may have such other rights, privileges and preferences as may be designated from time to time by the board. The Registrant also made clear in the amended bylaws that attendance at 100% of regularly scheduled and 75% of the aggregate regular and special board meetings is mandatory for members of the board unless extenuating circumstances exist. Furthermore, the amended bylaws require that all directors have business, economic and residential ties to the Registrant s market area, that they own not less than 2,500 shares of the Registrant s common stock, and that they maintain a deposit relationship with a financial subsidiary of the Registrant.

The Registrant amended Article V, Section 1 of the its bylaws such that the board shall designate three members to serve on an Executive Committee established by resolution of a majority of its members, and permitted the board, by resolution, to designate such other committees as it deems advisable, each of which may exercise all authority of the board in the management of the Registrant as the board shall determine. Further, the Registrant added that the designation of or delegation to a committee shall not operate to relieve the board or any member of any responsibility or liability imposed on the board or any member by law. The Registrant amended Section 2 of Article V to indicate that the chairman of the board shall appoint members of the board to serve on other committees. The Registrant deleted the provision in Section 2 stating that the creation of a committee and appointment of members to the committee must be approved by the greater of a majority of the board when action is taken or the number of directors constituting a quorum.

The Registrant amended Section 3 of Article VI to indicate that the compensation of officers shall be set forth in the charter of the compensation committee as in effect from time to time. The Registrant deleted the provision that stated that no officer would serve the Registrant in any other capacity and receive compensation therefor unless the additional compensation had been authorized by the board. The Registrant also deleted the provision that stated that the appointment of an officer did not create contract rights.

Finally, the Registrant changed the headings to Sections 11 and 12 of Article VI. Section 11 is now entitled Chief Financial Officer instead of Treasurer and Section 12 is now entitled Comptroller instead of Assistant Treasurers. All internal references to Treasurer or Assistant Treasurers were replaced with references to Chief Financial Officer and Comptroller, respectively.

A copy of the amended bylaws is attached hereto as Exhibit 99.1 and incorporated herein by reference.
