Item 3. Source and Amount of Funds or Other Consideration

The Cresud Common Stock beneficially owned by the Reporting Persons is composed of (i) 46,859,284 shares and (ii) 14,947,078 Units. The Units may be converted into 29,434,970 shares of Cresud Common Stock and have the right to purchase 14,947,078 Warrants. In addition, the Warrants are exercisable on the last day of the fiscal quarter following such conversion and give the Reporting Persons the right to buy 29,434,971 shares of Cresud Common Stock at an exercise price of US\$0.60936 per share representing a total amount of US\$17,936,493.93.

The funds used to purchase initially the Cresud Common Stock were derived from IFISA's working capital, a loan agreement subscribed with Credit Suisse International and a capital contribution received from IFIS, IFISA's principal shareholder, which owns directly 99.975% of IFISA and Consultores Venture Capital Limited owns the remaining 0.025% of IFISA. Consultores Venture Capital Limited is a Cayman Islands company controlled by E. Elsztain with an 85% ownership.

Item 4. Purpose of Transaction

On June 22, 2006, the equivalent of 11,876,600 shares of Cresud Common Stock were credited as a consequence that IFISA exercised 6,030,947 Warrants, at a price of US\$0.60936 per share. The total amount of the transaction was US\$7,236,423.63.

E. Elsztain is the Chairman of the Board of Directors of IFIS, IFISA, Cresud and IRSA. E. Elsztain is the beneficial owner of 43.7% of the shares of IFIS. E. Elsztain owns directly 24.3% of IFIS and indirectly 19.4%; 2.5% through Consultores Venture Capital Uruguay (formerly known as Duriland S.A.), a corporation organized under the laws of the Republic of Uruguay, and 16.9% through Dolphin Fund plc, an Isle of Man limited liability company. IFIS owns 99.975% of IFISA and Consultores Venture Capital Limited own the remaining 0.025%. E. Elsztain owns 85.0% of Consultores Venture Capital Limited, a company incorporated in the Cayman Islands. By virtue of their beneficial ownership of IFISA, IFIS and E. Elsztain are beneficial owners of all the shares of Cresud Common Stock held for the account of IFISA, which represents 37.5% of the fully total shares of Cresud Common Stock on a fully diluted basis.

Subject to, among other things, availability at prices deemed favorable, the Reporting Persons may purchase additional Units (as defined herein), Notes (as defined herein), Warrants (as defined herein) and/or shares of Cresud Common Stock from time to time in the open market, in privately negotiated transactions or otherwise.

Except as described above, neither the Reporting Persons nor, to the best knowledge of the Reporting Persons, any person named in Schedule A previously filed, has any present plans or intentions that could result in or relate to any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interests in Securities of the Issuer

(a) As of June 30, 2006, assuming the full conversion of Cresud's Notes and Warrants owned by the Reporting Persons as described in Item 6, IFISA would own 105,729,225 shares of Cresud Common Stock, representing 37.5% on a fully diluted basis.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Pursuant to a Prospectus (the "Prospectus"), dated October 11, 2002, contained in Cresud's Registration Statement on Form F-3 No. 333-90476, filed with the Securities and Exchange Commission on June 14, 2002, Cresud offered (the "Offering") rights to subscribe for an aggregate amount of 50,000,000 Units ("Units"), each consisting of US\$1.00 principal amount of Cresud's 8% Convertible Notes due 2007 (each, a "Note") and one non-detachable warrant (each, a "Warrant") to purchase shares of Cresud Common Stock, for an aggregate amount of US\$50,000,000. All information included in this Schedule 13D pertaining to the Offering, Units, Notes and Warrants is based on information provided in the Prospectus, the indenture governing the Notes and the warrant agreement governing the Warrants.

After December 13, 2002, holders of the Notes may convert, subject to certain conditions, such Notes into shares of Cresud Common Stock at a conversion price of US\$0.5078 per share. The initial conversion price of the Notes is subject to adjustment as described in the Prospectus. The Notes mature on November 14, 2007. Each Warrant is exercisable only if the Note to which such Warrant is attached has been converted, and such Warrant is exercisable on the last day of each quarter following such conversion until expiration of the Warrants on November 14, 2007. Each Warrant entitles the holder to purchase such number of shares of Cresud Common Stock equal to the number of shares for which the attached Note was converted. The exercise price for the Warrants is US\$0.6093 per share of Cresud Common Stock. Neither the Notes nor the Warrants are separately transferable until, in each case, the Note to which a Warrant is attached is converted.

As described in the Prospectus, pursuant to Argentine law and Cresud's bylaws, Cresud was required to first offer the subscription rights contained in the Prospectus to all of Cresud's existing holders of shares or ADSs. The subscription period for such holders expired on November 13, 2002. Thereafter, Cresud was permitted to sell any unsubscribed Units to third parties. On November 20, 2002 (the "Issuance Date"), the Reporting Persons purchased 23,848,296 Units for an aggregate purchase price of US\$23,848,296. In addition, from December 2002 until April 2004 the Reporting Persons purchased 389,234 Units for an aggregate purchase price of US\$720,791.01 and sold 284,505 Units for an aggregate selling price of US\$335,490.40. Such Units became convertible (in the case of the Notes) commencing on December 14, 2002 and the Warrants are exercisable on the last day of the fiscal quarter following such conversion. On October 19, 2005, 2,982,384 Units were converted into 5,873,146 shares and 2,982,384 Warrants were added to the portfolio. In January 2006, IFISA distributed 2,975,000 Units to shareholders. On May 2, 2006, 3,475,000 Units were converted into 6,843,230 shares and 3,475,000 Warrants were added to the portfolio. Therefore, the Reporting Persons exercised its rights of its 6,030,947 Warrants and 11,876,600 shares of Cresud Common Stock were credited on June 22, 2006. As of June 30, 2006, the remaining Units amounted to 14,947,078, which may be converted into an amount of 29,583,513 shares of Cresud Common Stock (assuming all Notes are converted) and have the right to purchase 14,947,078 Warrants. Total Warrants owned by the Reporting Persons give the right to purchase 29,434,971 shares. Total shares resulting from the conversion of the Units and the exercise of the Warrants give the Reporting Persons a total of 58,869,942 shares representing a 20.9% equity interest in Cresud on a fully diluted basis. In the case that IFISA decided to exercise the Warrants, IFISA will have to pay an exercise price of US\$0.60936 for each Warrant representing a total amount of US\$17,936,493.93. Other than as set forth above or otherwise described in this Schedule 13D, there are no contracts, arrangements, understandings or relationships with respect to any securities of Cresud to which the Reporting Persons is a party.

For the avoidance of doubt upon the occurrence of and during the continuation of a Reference Cresud ADRs Price Event, Party B will not be able to deliver Reference Cresud ADRs in order to satisfy its obligations under this Section 8.1 from the date of the occurrence of such event until such time as such event is no longer continuing and as such will only be able to satisfy its obligations under this Section 8.1 by payment of U.S. Dollars as described above.

8.2 If on any Business Day during the Term of the Transaction, the Calculation Agent determines that the Exposure is negative (the absolute value of such negative amount being the **Margin Excess**) and its absolute value exceeds USD 250,000, upon the request of Party B, on the next succeeding Business Day following the date of receipt of such request (a **Reduction Amount Repayment Date**) Party A shall either pay or deliver, as the case may be, to Party B an amount in USD or an amount of Reference Cresud ADRs, in either case having an aggregate Value on such Reduction Amount Repayment Date (the **Reduction Amount**) equal to the Margin Excess rounded down to the nearest whole multiple of USD 100,000.

For the avoidance of doubt, Party A shall have no obligation to pay any additional amount under this Section 8.2 to the extent such payment or delivery would reduce the Cash Margin Amount or the Reference Cresud ADRs Margin Amount to less than zero.

8.3 For the purposes of this Section 8:

Exposure means, as of any Business Day, an amount determined by the Calculation Agent as equal to:

(a) the Notional Amount; minus

Cash Margin Amount shall be zero on the Trade Date and thereafter (i) the Cash Margin Amount shall be increased by the sum of all Additional Amounts consisting of cash paid, with effect from, and including, each relevant Additional Amount Payment Date; (ii) the Cash Margin Amount shall be decreased by any Reduction Amount paid in cash, with effect from, and including, the relevant Reduction Amount Payment Date; and (iii) for each day that the Cash Margin Amount is an amount greater than zero the Margin Amount shall be increased by the application of daily compounding at the overnight Fed Funds rate set forth in H.15(519) on that date as determined by the Calculation Agent.

Haircut Level means 66.67%.

Reference Cresud ADRs Margin Amount shall be zero on the Trade Date and thereafter (i) the Reference Cresud ADRs Margin Amount shall be increased by the sum of all Additional Amounts delivered in the form of Reference Cresud ADRs, with effect from, and including, each relevant Additional Amount Payment Date; and (ii) the Reference Cresud ADRs Margin Amount shall be decreased by any Reduction Amount delivered in the form of Reference Cresud ADRs, with effect from, and including, the relevant Reduction Amount Payment Date.

9. Reference BHSA ADS Top-Up:

- 9.1 If on any Business Day during the Term of the Transaction that is at least ten (10) Business Days after the Initial Exchange, the Calculation Agent determines that the Reference BHSA Exposure is greater than USD 1,750,000, Party B shall either pay or deliver to Party A, as the case may be, on the next succeeding Business Day (a **Reference BHSA Payment Date**) an aggregate amount of Reference BHSA ADSs having an aggregate ADS Termination Value on such Reference BHSA Payment Date equal to such Reference BHSA Exposure

SCHEDULE 13D

CUSIP No. 226406106

Page 26 of 41 Pages

(rounded up to the nearest whole multiple of USD 100,000) (a **Reference BHSA Additional Amount**).

9.2 If on any Business Day during the Term of the Transaction, the Calculation Agent determines that the Exposure is negative (the absolute value of such negative amount being the **Reference BHSA Excess**) and its absolute value exceeds USD 250,000, upon the request of Party B, on the next succeeding Business Day following the date of receipt of such request (a **Reference BHSA Reduction Amount Repayment Date**) Party A shall either deliver to Party B an amount of Reference BHSA ADSs having an aggregate ADS Termination Value on such Reference BHSA Reduction Amount Repayment Date (the **Reference BHSA Reduction Amount**) equal to the Reference BHSA Excess rounded down to the nearest whole multiple of USD 100,000.

For the avoidance of doubt, Party A shall have no obligation to deliver any Reference BHSA ADSs under this Section 9.2 to the extent such delivery would reduce the ADSs Value to less than USD 10,000,000.

9.3 For the purposes of this Section 9:

Reference BHSA Exposure means, as of any Business Day, an amount determined by the Calculation Agent as equal to:

(a) USD 10,000,000; minus

If fewer than three such prices are provided following such request, the Calculation Agent, in its sole discretion, shall determine such all-in bid prices.
